THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 14, 1962 after due notice by publication in the Bulletin; laid over to February 27, 1962 for inspection and decision; hearing closed; then to March 13, 1962 at request of the applicant; applicant to revise drawings; and

WHEREAS, the decision of the Borough Superintendent, dated October 26, 1961 acting on Alt. Applic. No. 788-61, reads:

"1. Extension of present use of steam laundry by erection of new portion of said building to the north in a residence use district is contrary to Art. II Sect. 3 of the Zoning Resolution..

2. Provide lawful rear yard as per Art. IV, Sect. 15A(e) see Sect. 15(a) of the Zoning Resolution; and ground coverage exceeds that permitted by Art. IV, Sect. 15A(d) of the Zoning Resolution.

3. Provide lawful side yard as per Art. IV, Sect. 15A(b) of the Zoning Resolution.

4. In an E-1 district, erection of any portion of any building nearer than 15' to the street line of the street on which it fronts is contrary to Art. IV, Sect. 15A(c) of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision a of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is granted under Sections 7a and 21 of the Zoning Resolution, to permit in a residence use, E-1 area district, the erection of a one-story extension to an existing laundry that exceeds the permitted area coverage and encroaches on the required setbacks, side yard and rear yard, on condition that the work shall be done in accordance with drawings filed with this application dated October 24, 1961, 3 sheets, March 2, 1962, one sheet revised; that there shall be no loading or unloading and no vehicular

MINUTES

entrance on Leland Avenue; that all loading and unloading on Sound View Avenue shall be within the building; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

673-55-BZ—Vol. II

APPLICANT—Charles M. Spindler for Ninety-Second Car Wash Corp., owner.

SUBJECT—Application reopened February 14, 1962 for consideration as to extension of term of variance, expired May 1, 1961 and amendment of resolution—decision of the Borough Superintendent, previously granted on condition, under Sections 7c, 7i, 7A and 7h of the Zoning Resolution, permitting in a business use district, automatic auto laundry, gasoline service station, office, lubricatorium, motor vehicle repair shop (with hand tools only) and parking of cars awaiting service.

PREMISES AFFECTED—5802-5824 Church Avenue and 119-129 East 58th Street, southeast corner and 74-84 East 59th Street, Block 4706, Lot 36, Borough of Brooklyn.

APPEARANCES—

For Applicant: Charles M. Spindler.

For Opposition: None.

ACTION OF BOARD—Resolution amended and term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Becker and Commissioner Klein 4

Negative 0

Absent; Commissioner Fox 1

THE RESOLUTION—

WHEREAS, on May 1, 1956, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened as Vol. II and the Resolution amended to extend the gas station into the bed of East 58th Street until the street is legally opened to the public on March 25, 1958; and

WHEREAS, the applicant states that the Resolution of May 1, 1956 limited the parking and storage of motor vehicles for a term of five years; that as the site is in a business district and as parking is a permitted use, it is requested that parking be permitted without a time limit; that the Resolution adopted March 25, 1958 permitted the erection of an advertising sign, not to exceed 12 square in area; that as this sign is most inconspicuous and as the normal gasoline station advertising sign is approximately 25 square feet in area, it is requested that a sign of this size be permitted; that the amended zoning designation is C8-1; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation May 5, 1961; and an amendment to the Resolution; and

WHEREAS, this application was reopened on February 14, 1962 and set for hearing on March 13, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on March 13, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated December 1, 1961 acting on amended N.B. Applic. No. 1675-55, reads:

"1. Proposed amendment to add parking and storage of motor vehicles on vacant portion of lot (without a term of variance) and the increase in the area of the sign is not in accordance with the Bd. of Standards and Appeals variance under Calendar Number 673-55-BZ."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on May 1, 1956 only as to the term of the variance, so that as amended it shall read:

"granted for a term of five years from the date of

this amended resolution, to permit . . . ;*

* "and to further amend the Resolution to permit parking and storage of motor vehicles as indicated on drawing dated Dec. 13, 1961; and to permit the size of the sign to be increased from the present twelve square feet in area to forty square feet."

that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

852-56-BZ—Vol. II

APPLICANT—Haus and Bresin for John and Grace Desiderio, owners.

SUBJECT—Application reopened February 14, 1962 for consideration as to extension of time to complete, expired October 25, 1961—decision of the Borough Superintendent, previously granted on condition, under Section 7f and 7i of the Zoning Resolution, permitting in a retail use district, the erection and maintenance of a gasoline service station, lubricatorium, accessory auto washing (non-automatic), minor auto repairs with hand tools only and parking of cars awaiting service.

PREMISES AFFECTED—143-05 Liberty Avenue, northeast corner of Remington Street, Block 10020, Lot 138, Jamaica, Borough of Queens.

WHEREAS, the decision of the Borough Superintendent, dated December 7, 1961 acting on N.B. Applic. No. 2010-58, reads:

"1. Since the variance under Board of Standards & Appeals Cal. #7-57-BZ will expire on July 23, 1972 any additional term of variance is hereby referred back to the Board of Standards and Appeals."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on July 23, 1957 as amended through November 29, 1960 only as to the time to obtain permits and complete the work, so that as amended this portion of the resolution shall read:

"that the provisions of Section 22A of the Zoning Resolution shall apply from the date of this amended resolution; and that a Certificate of Occupancy shall be obtained."

819-59-BZ

APPLICANT—Hodges, Reavis, McGrath and Downey for H. C. Bohack Co., Inc., owner.

SUBJECT—Application reopened February 6, 1962 for consideration as to extension of time to complete, expired June 14, 1961—decision of the Borough Superintendent, previously granted on condition, under Sections 7c and 7e of the Zoning Resolution, permitting in a business and residence use district, the erection and maintenance of a retail supermarket with accessory customer and employee parking.

PREMISES AFFECTED—2566 Boston Road and 2538 Barnes Avenue, southeast corner and 2553 Matthew Avenue, Block 4440, Lots 16, 20, 27, 39 and 41, Borough of The Bronx.

APPEARANCES—

For Applicant: R. S. Hardy.

ACTION OF BOARD—Time extended to complete the work.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, on June 14, 1960 this application was granted by the Board on certain conditions; and

WHEREAS, the applicant states that on June 14, 1960 the Board granted a variance of the use district restrictions affecting the above premises to permit the erection of a retail supermarket thereon, upon condition that all permits be obtained and all work completed within the requirements

MINUTES

of Section 22A of the Zoning Resolution; that the owner's plans for development of this property have been held in abeyance because of a contemplated improvement of Boston Road, which may result in a substantial portion of the premises being acquired by The City of New York; that plans for this improvement have not yet been agreed upon and consequently the owner was not in a position to complete the plans for the erection of its proposed building; that it is therefore requested that the application be reopened and the time to secure permits and to complete the work extended for a further period of one year; and

WHEREAS, the applicant requested reopening of this application and extension of time, to obtain permits and complete the work, which had expired by time limitation June 14, 1961; and

WHEREAS, this application was reopened on February 6, 1962 and set for hearing on March 6, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on March 6, 1962 after due notice by publication in the Bulletin; laid over to March 13, 1962 for decision at the request of the applicant; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated December 28, 1961 acting on N.B. Applic. No. 1592-59, reads:

"1. The variance granted by the Board of Standards & Appeals under Cal. #819-59-BZ lapsed on June 14, 1961 as per Art. V, Sect. 22-A of the Zoning Resolution in effect prior to Dec. 15, 1961.

2. Proposed occupancy of that portion of above premises located in an R-6 district, by a Supermarket (Use Group 6) with accessory parking is contrary to Art. II Chap. 2 of the Amended Zoning Resolution and is therefore denied.

3. Provide rear yard equivalents in residence portion as required by Art. II Chapter 3 Sect. 533 of the Amended Zoning Resolution."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on June 14, 1960, only as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that the provisions of Section 22A of the Zoning Resolution shall apply from the date of this *amended* resolution; and that a Certificate of Occupancy shall be obtained."

JAMES P. MULROY, Secretary.

REGULAR MEETING

TUESDAY AFTERNOON, MARCH 13, 1962, 2 P.M.

Present: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein.

156-62-SR

SUBJECT—Proposed Rules Covering Coin-Operated Dry Cleaning Establishments.

APPEARANCES—Max Siegel.

ACTION OF THE BOARD—Rules adopted.

THE VOTE—

Affirmative: Chairman Foley, Commissioner Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on Friday morning, March 2, 1962 at 10 A.M., on the Proposed Rules Covering Coin-Operated Dry Cleaning Establishments, after due notice by publication in the Bulletin; and

WHEREAS, after hearing the interested parties the public hearing was closed, the matter was laid over for decision, date to be set; and

WHEREAS, all suggestions and recommendations were considered by the Board in Executive Session; and

WHEREAS, this date was set for decision by the Board.

Resolved, that the Board of Standards and Appeals does hereby adopt the following Rules Covering Coin-Operated Dry Cleaning Establishments.

RULES COVERING COIN-OPERATED DRY CLEANING ESTABLISHMENTS

(156-62 SR)

Authority

Section 666, subd. 2 of the Charter of the City of New York and Article III, Chapter 1, Section 32, Article VII, Chapter 2, Sections 72 and 73 in their entirety of the Zoning Resolution of the City of New York, effective December 15, 1961.

Application of Rules

These rules shall be deemed to apply only to coin-operated dry cleaning establishments, pursuant to Article III, Chapter 2, Section 32-15 A and Section 32-25 D of the Zoning Resolution effective December 15, 1961.

These rules shall not be deemed to modify or repeal Chapter 19 of the Administrative Code of the City of New York or the Rules Governing Dry Cleaning Establishments adopted by the Board of Standards and Appeals under Calendar Number 958-47-SR—Vol. II.

Zoning Resolution Effective December 15, 1961—Excerpts

Preamble

This resolution is adopted in order to promote and protect public health, safety and general welfare. These general goals include, among others, the specific purposes set forth in the statements of legislative intent for the respective districts and groups of districts.

Article VII—Administration

Chapter 1

71-00 ENFORCEMENT AND ADMINISTRATION

The Commissioner of the Department of Buildings shall administer and enforce this resolution, except as specifically provided in the New York City Charter and in this resolution.

Chapter 2

72-00 POWERS OF THE BOARD OF STANDARDS AND APPEALS

MINUTES

72-01 GENERAL PROVISIONS

The Board of Standards and Appeals (referred to hereinafter as the Board) shall have the power, pursuant to the provisions of the New York City Charter and of this resolution, after public notice and hearing:

- (a) To hear and decide appeals from and to review interpretations of this resolution;
- (b) To hear, decide, and determine, in a specific case of practical difficulties or unnecessary hardship, whether to vary the application of the provisions of this resolution;
- (c) To hear and decide applications for such special permits as are set forth in this resolution and are more specifically enumerated in Section 73-01 (General Provisions); and
- (d) To adopt, amend, or repeal such rules or regulations as may be necessary to carry into effect the provisions of this resolution.

Article III—Commercial District Regulations

32-15 USE GROUP 6

Use Group 6 consists primarily of retail stores and personal service establishments which:

- (1) Provide for a wide variety of local consumer needs, and
- (2) Have a small service area and are, therefore, distributed widely throughout the City.

*
*
*

The *uses* listed in A below are also permitted within *large-scale* residential developments, to provide daily convenience shopping for residents of the development.

A. CONVENIENCE RETAIL OR SERVICE ESTABLISHMENTS

*
*
*
*

See Note:

Dry cleaning or clothes pressing establishments or receiving stations dealing directly with ultimate consumers, limited to 2,000 square feet of *floor area* per establishment, and provided that only solvents with a flash point of not less than 138.2 degrees Fahrenheit shall be used, and total aggregate dry load capacity of machines shall not exceed 60 pounds.

Parking Requirement Category B—District where uses are so permitted are C1, C2, C3, C4, C6, C7, C8.

In a C5 district a use in Use Group 6, shall not be located on the ground floor of a building unless such use is at least fifty feet from the street wall of the building in which it is located as provided in Section 32-423 (Limitation on Ground Floor Location).

32-25 Use Group 16

Use Group 16 consists of automotive and other necessary semi-industrial uses which:

- (1) Are required widely throughout the city, and
- (2) Involve offensive noise, vibration, smoke, dust, or other particulate matter, odorous matter, heat, humidity, glare, or other objectionable influences, making such *uses* incompatible with *residential uses* and other types of commercial development.

32-25 D. Dry cleaning or cleaning and dyeing establishments, with no limitation on type of operation,

solvents, floor area, or capacity per establishment —parking requirement category in F, Use Regulation is District C8.

RULES

Rule 1. Definitions

For the purpose of these rules "dry cleaning" includes cleaning textiles, fabrics, garments or other articles by the use of solvents other than water, extraction of the solvents therefrom, and drying the same. A "dry cleaning unit" is the machinery or equipment in which textiles, fabrics, garments or other articles are carried through a complete cleaning cycle. A "dry cleaning unit" may consist of one or more detached component machines.

Each such unit within itself, must perform a complete degreasing, extracting and drying cycle in a single basket when operated by the general public.

The term "Dry Cleaning Establishment" shall mean any room, place and space in which dry cleaning is performed. Coin-operated dry cleaning machine shall mean an automatic machine actuated by the insertion of coins, tokens, keys or any other similar device for use by the general public. For the purpose of this definition the term "used by the general public" shall be deemed to refer to the insertion of textiles, fabrics, garments or other articles into a dry cleaning machine or the removal of the same from such unit by a person or persons other than an employee or owner-operator of such establishment or by an employee or owner-operator.

1.1 Coin-operated dry cleaning establishments shall mean dry cleaning establishments in which dry cleaning solvent used in the dry cleaning units shall be non-inflammable and non-combustible when tested in a Tagliabue open cup tester as rated by the Fire Commissioner.

1.2 The term "inflammable liquid solvents" shall mean such as will emit an inflammable vapor at a temperature below 100 degrees Fahrenheit when tested in a Tagliabue open cup tester.

1.3 "Spotting" or "sponging" shall mean the local application of a solvent to remove spots of dirt, grease, paint or stains from wearing apparel, textile, fabrics or articles of any sort.

1.4 For the purposes of Section 32-15 of the Zoning Resolution the term 'dealing with ultimate consumer' as contained therein shall refer only to those dry cleaning establishments which perform services on articles conveyed directly by a retail customer to such dry cleaning establishment or collected directly from and delivered to the retail customer by any vehicle or any other means of effecting the same and such dry cleaning establishment directly processes such articles for such customer.

1.5 All other terms used shall be as defined in the Zoning Resolution effective December 15, 1961, Chapter 19 of the Administrative Code, Multiple Dwelling Law, or Labor Law, when not inconsistent with the specific term defined herein.

Rule 2. Approvals

2.1 It shall be unlawful to use any premises for any coin-operated dry cleaning establishment without filing plans of that portion of the premises to be so used with the Department of Buildings and obtain its approval.

2.2 No coin-operated dry cleaning unit shall be installed unless such unit is approved by the Board of Standards and Appeals.

2.3 No dry cleaning solvent shall be used unless such solvent has been tested and rated by the Fire Commissioner.

MINUTES

- 2.4 It shall be unlawful in any coin-operated dry cleaning unit approved by the Board to use any solvent other than that for which the dry cleaning unit has been approved by the Board.
- 2.5 No non-conforming existing dry cleaning establishment shall be enlarged or extended unless such extension or enlargement be made in conformity with the provisions of the Zoning Resolution and may include a coin-operated dry cleaning establishment by complying with these rules.
- 2.6 All coin-operated dry cleaning units shall be installed in a diked area all parts of which shall be impervious to the solvent used in such units. The diked section shall consist of a four inch curb above the floor. All solvent spillage into the diked area shall be conducted by gravity flow into a tank which shall be equipped with a leakproof pump and enclosed piping system, to pump the solvent back to the dry cleaning units. Such system shall be installed pursuant to the Rules of the Board of Standards and Appeals for Oil Burners. The said tank or tanks shall be of sufficient capacity to accept all solvent contained in the dry cleaning unit or units which it services.

Rule 3. Restrictions on Locations and Areas

- 3.1 No coin-operated dry cleaning establishment shall have a gross floor area exceeding 2,000 square feet to be used for dry cleaning, and incidental operations, including space used for pressing, finishing, storage and for the service of customers. The square foot area limitation shall apply to the aggregate of all space so used on all floors and mezzanines of the premises involved above the cellar or basement thereof. Additional space may be used on a lower floor which is either a basement or cellar provided that on such floor there shall be no dry cleaning and no storage of recently cleaned articles. Such additional space may include ordinary storage, boilers, compressors, pumps and filtration equipment.
- 3.1.1 In calculating the gross floor area pursuant to Rule 3.1, the area restriction shall not include the area used by lawful non-dry cleaning operations of a multiple use type of service establishment.
- 3.2 No coin-operated dry cleaning establishment shall be permitted within any building:
- 3.2.1 which is of wood frame construction;
- 3.2.2 which is classified as a public building pursuant to Section C26-235.0 of the Administrative Building Code;
- 3.2.3 where any part of such establishment is within 20 feet of any public building.

Rule 4. Egress

- 4.1 The means of egress from all coin-operated dry cleaning establishments shall be in conformity with the provisions of the building code and all laws, rules and regulations applicable. In addition thereto, all establishments shall conform to the following:
- 4.1.1 Aisles not less than 3 feet in width providing access from the main work area to required means of egress shall be provided. Such required aisles shall not be obstructed in any manner.
- 4.1.2 In all coin-operated dry cleaning establishments all required exit doors shall be arranged to swing in the direction of egress.

Rule 5. Fire Prevention

All coin-operated dry cleaning establishments shall comply with the following:

- 5.1 Unless otherwise specifically exempted by Law, no boiler shall be permitted in the same area or space where dry cleaning units are located unless such boiler shall be enclosed in a one-hour fireproof enclosure.
- 5.2 All ceilings of all such boiler rooms as provided in Rule 5.1 shall be fire-retarded with one-hour fire resistive material.
- 5.3 All openings from any such dry cleaning establishment on the course of a fire escape shall be equipped with a fireproof self-closing door or fireproof window assembly.
- 5.4 It shall be unlawful to use or store any inflammable liquids or solvents.
- 5.5 Inflammable liquids and solvents shall not be used for spotting and sponging. Spotting and sponging may be done with water.
- 5.6 All sludge or residue removed from a dry cleaning unit shall be placed in a metal container not exceeding 55 gallons of capacity with a tight fitting cover and shall be removed from the premises and disposed of in a lawful manner.
- 5.7 All solvent used in the dry cleaning unit shall be either (a) received and stored in metal containers not exceeding 55 gallons each and pumped directly into a dry cleaning unit or units by means of a detachable leakproof pump and pipe system, or (b) received and stored in a tank or tanks installed in accordance with the Rules of the Board of Standards and Appeals relating to the receiving and storing of light fuel oils and pumped directly into a dry cleaning unit or units by means of a closed leakproof pipe and pump system.
- 5.8 In any such coin-operated dry cleaning establishment, no member of the general public shall be permitted to do spotting or sponging or make use of any device employing live steam or heat for pressing or finishing, or any inflammable liquid or solvent.
- 5.9 Any pressing or finishing, spotting or sponging may be performed only by a qualified operator and these operators shall be located within an enclosed space separated from the customer area. The general public shall not be permitted to do any pressing or finishing.

Rule 6. Ventilation

- 6.1 In coin-operated establishments all dry cleaning units shall be installed in such a manner so that the working or maintenance portion of the equipment shall be separated from the front of such units by solid partitions. Access doors to the space in back of the machines shall be kept closed and locked. Such establishments shall be ventilated in such a manner to preclude solvent vapors from being admitted to the combustion area of any device requiring an open flame or heating element. Solvent storage tanks, power boxes and other source of danger shall be so situated as to be inaccessible to the general public.
- 6.1.1 Any open flame drying equipment shall be located at least 25'-0" from any dry cleaning unit unless placed in an enclosed area.
- 6.2 Coin-operated dry cleaning establishments shall be equipped with adequate ventilation to provide at least four (4) complete changes of air volume an hour. The minimum ventilation specified here shall be maintained at all times when the coin-operated dry cleaning establishment is open.
- 6.3 All dry cleaning units must be provided with facilities to cause an inward flow of 100 cubic feet of air per minute through the loading door of any such units when the same is open.

MINUTES

- 6.4 Additional general ventilation of the service area back of coin-operated dry cleaning units shall be provided so that in emergencies a minimum of one air change per minute of the enclosed service area will be provided.
- 6.5 All coin-operated dry cleaning establishments shall have sufficient ventilation so as to prevent an excessive concentration of solvent vapors in the dry cleaning establishment. An excessive concentration of solvent vapors shall be that which exceeds 100 parts of solvent vapors per one million parts of air during any working day.
- 6.6 In addition to all other ventilation requirements provided for in these Rules, the following shall apply:
- (a) A power exhaust system shall be provided for the removal of toxic vapors consisting of: at least one individual exhaust on each dry cleaning unit; scavenger ducts located at each unit; power exhaust fans for the space behind such unit; and air intakes located on the front grill of each such unit. All exhaust facilities shall be sealed and air tight and constructed in such manner so that all solvent vapors shall be discharged mechanically to the open air in the manner specified in subsection 1 through 4 of Rule 6.8 hereof. All exhaust facilities shall be operated continually while the premises are open to the public. Provisions must be made by air intakes to replace air exhausted from the establishment to the outside.
- 6.7 A scavenger duct shall be provided in the service area at each unit and shall be designed to pick up vapors surrounding the equipment near the floor. The suction inlet for these scavenger ducts shall be located not less than two or more than six inches above the floor and shall exhaust 300 linear feet of air per minute.
- 6.8 The equipment exhausts, or vents shall terminate at the outer air in the following manner:
- (1) At least 7 feet above the roof, street, yard or court grade on which it opens of the premises in which said establishment shall be located, and
 - (2) The exhaust shall be under positive pressure by reason of a mechanical fan, and
 - (3) The terminal of the exhaust shall be at least five feet from any window or ventilating opening if the window or ventilating opening lies on the same plane as the exhaust terminal and when the windows, or ventilating openings lie on a plane which faces in the direction of the exhaust terminal such terminal shall be at least 10 feet from such opening, and
 - (4) All direct equipment exhausts or vents shall be provided with mesh lint arrestors which shall be kept clean. When lint traps are provided on the units, mesh lint arrestors may be omitted from the exhaust equipment.
 - (5) Fresh air supply shall be provided as makeup to balance exhaust ventilation.
- 7.3 The owner-operator of any coin-operated dry cleaning establishment shall furnish to any person cleaning out a dry cleaning unit an approved type respirator for his use during the process of cleaning out any such unit.
- 7.4 All equipment shall be installed in such manner as to minimize noise, vibration, smoke, and odors, and other forms of nuisances to the occupants of the premises in which such cleaning establishment may be located or to the occupants of any adjacent premises.
- 7.5 A trained attendant shall be present at all times when the coin-operated dry cleaning establishment is open. The training of this attendant shall include knowledge of the safe operation of the machine installed and in the handling of emergency situations. The telephone number of the owner-operator shall be posted conspicuously for emergencies.
- 7.6 No member of the general public who is less than sixteen years of age shall be permitted to insert into or remove from any dry cleaning unit any textile, fabric, garment or other article. An indoor sign to such effect shall be posted conspicuously in all coin-operated dry cleaning establishments.
- 7.7 All dry cleaning machines used in a coin-operated dry cleaning establishments shall be fitted with an interlocking device which will prevent the opening of the door of any such machine (a) while such machine is in operation and (b) until solvent vapors have been removed from any textile, fabric, garment or other article and from the tumbler in which the same shall be placed.
- 7.8 The odor of any solvent used in a coin-operated dry cleaning unit in a dry cleaning establishment shall not be masked or altered in any fashion.
- 7.9 All coin-operated dry cleaning units shall have the dry load capacity of the unit as rated by the Board, based on the factor of 2.8 times the cubic feet capacity of the basket displayed on the face of the unit.
- 7.10 Spotting or sponging with inflammable liquid solvent shall not be permitted in coin-operated dry cleaning establishments except as provided in Rule 5.5 and 5.9.
- 7.11 A weighing device shall be located on premises to assure that the rated dry load capacity of coin-operated dry cleaning machine shall not be exceeded.

Rule 8. Penalties

Any violation of these Rules shall subject the violator to the penalties prescribed in the Zoning Resolution effective December 15, 1961.

It shall be unlawful to exceed the posted dry load capacity of any coin-operated dry cleaning unit.

Rule 9. Effective Date of Rules

The effective date of these rules shall be twenty (20) days after date of publication of the rules as adopted.

Rule 10.

If any term or provision of these Rules shall be held unconstitutional or ineffective in whole or in part, such determination shall not be deemed to invalidate the remaining terms or provisions of these Rules.

These Rules Shall Become Effective April 11, 1962.

Rule 7. Operating Precautions

- 7.1 A copy of these Rules shall be kept in all coin-operated dry cleaning establishments and shall be available to the general public.
- 7.2 Coin-operated dry cleaning establishments shall post complete legible printed operating instructions near the machines. These instructions shall include a warning to the effect that garments or materials which retain an odor of the cleaning solvent are dangerous if placed in a small enclosed space such as an automobile.

Negative: 0
Absent: Commissioner Becker 1

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated October 24, 1961 on Alt. Applic. 857-59, reads:

"1. The proposed changes as submitted is contrary to the original Bd. of St. & Appeals approval under Cal. #553-59-A—Submit to the Bd. of St. & A. new proposal as to the changes."

and

WHEREAS, the applicant states that the plot is 220 feet by 264.95 feet irregular in area, located in unrestricted use, A area and class 1 height district, improved with several buildings built as factory, storage and office building, used and occupied in accordance with Certificate of Occupancy #30460 of 1944, Certificate of Occupancy #40942 of 1947 and Certificate of Occupancy #41312 of 1947; that the proposed extension will combine all buildings and extend area coverage to create an irregular building that will cover most of the lot with one and two story buildings; that the present buildings to be extended and reconstructed have been changed from the original variance approved under Cal. No. 553-59-A, Volume I; that it is proposed to reconstruct the present one story 31 feet 1 inch by 51 foot 1 inch building to a two story building of class 1 construction; that it is proposed to erect as an addition to the present 1 story class 3 factory, 100 feet by 100 feet, a 2 story addition of 50 feet by 117 feet of class 3 construction; and to add to the existing 80 feet by 190 feet one and two story class 3 factory building an 80 foot by 70 foot one story class 3 building; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on October 24, 1961, Objection No. 1, dated October 24, 1961, be and it hereby is modified under the powers vested in the Board by Section 35 of the General City Law, and that the appeal be and it hereby is granted on condition that the building shall conform to drawings filed with this application dated March 15, 1961, 7 sheets; that all other laws, rules and regulations applicable shall be complied with; and that a Certificate of Occupancy shall be obtained.

552-60-A

APPLICANT—Abraham Grossman for Brodwin Sales Company, owner.

SUBJECT—Application July 1, 1960—Appeal from a decision of the Borough Superintendent re—egress.

PREMISES AFFECTED—244-246 West 23rd Street, south side, 300 feet east of 8th Avenue, Block 772, Lot 69, Borough of Manhattan.

APPEARANCES—

For Applicant: Abraham Grossman.
ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

MINUTES

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated June 24, 1960 on Alt. Applic. 956-59, reads:

"3. Fire escape not acceptable as means of egress in factory building over 6 stories in height as per Sec. 271 L.L."

WHEREAS, the applicant states that the building is 37 feet 6 inches by 98 feet 9 inches in area, 7 stories, 84 feet 6 inches high, of class 3 construction, located in retail use, B area and class 1½ height district, built in 1895, now used and occupied since 1895: cellar—storage pianos; 1st floor—retail store pianos, 5 persons; 2nd floor—photo studio, 5 persons; 3rd floor—piano storage and dress manufacturing, 5 persons; 4th floor—linotype manufacturing, 15 persons; 5th floor—dress manufacturing, 15 persons; 6th floor—dress manufacturing, 35 persons; 7th floor—lamp shade manufacturing, 15 persons, without a certificate of occupancy; that the proposed use and occupancy will be the same; and

WHEREAS, the applicant states that the building is now equipped with an approved interior alarm system and is sprinklered throughout with a one source system; that the exits consist of an interior 3 foot wood and steel stair enclosed in wire lath and cement mortar on both sides, partitions with fireproof self-closing doors; that the secondary egress is through a proposed labor law fire escape in front with fireproof windows leading to the street by a counter-balanced stair; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the requirements of the Labor Law, as cited in a decision of the Borough Superintendent, dated June 24, 1960, acting on Alt. App. 956-59, Objection No. 3, and that the appeal be and it hereby is granted on condition that the building shall conform to drawings filed with this application dated July 1, 1960, 3 sheets and January 16, 1962, 6 sheets revised; that the sprinkler system shall be maintained throughout the building and equipped with a central office fire alarm connection; that the rear fire escape shall be left in place and repaired; that aisles shall be maintained as access to the two fire escapes and that exit doors shall be kept unlocked during working hours; that the occupancy of the fourth floor may be changed to school occupancy.

54-61-A

APPLICANT—Casale and Nowell for Encore Enterprises, Incorporated, owner.

SUBJECT—Application January 24, 1961—Filed pursuant to Section 310 of the Multiple Dwelling Law for variation of Sections 61 and 187 of the Multiple Dwelling Law re—manufacturing above second floor and a decision of the Borough Superintendent re—Class 3 construction—commercial use, 3rd floor, re—live load.

PREMISES AFFECTED—1132 Madison Avenue, west side, 22 feet north of East 84th Street, Block 1496, Lot 16, Borough of Manhattan.

APPEARANCES—

For Applicant: Alvin F. Gunther.

ACTION OF BOARD—Appeal withdrawn at the request of the applicant on objection A2.

THE VOTE TO WITHDRAW, ON OBJECTION A2—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

ACTION OF BOARD—Appeal granted on condition as to objection C1 and C2.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent,

dated January 19, 1961 on Alt. Applic. 512-60, reads:

"A2—Manufacturing above the 2nd floor in a Mult. Dwell. contrary to Sect. 61—sub 3 Mult. Dwell. Law.

C1—Proposed commercial use of 3rd story exceeds tabular height limitation of 4.2.1 B.C.

C2—Live load of 120 lbs. per sq. ft. is required."

and

WHEREAS, the applicant states that the building is 20 feet by 63 feet 6 inches in area, 5 stories, 51 feet 10 inches high, of class 3 construction, located in restricted retail use, B area and class 1½ height district, built in 1890, now used and occupied since 1923: cellar—boiler room and storage; 1st floor—beauty salon, 6 persons; 2nd floor—retail store, 4 persons; 3rd floor—office, receiving room and alteration room, 3 persons; 4th and 5th floors—apartments, 2 families each floor; substantially in accordance with Certificate of Occupancy #7561, issued December 31, 1923 against Alt. Applic. 428-23; that the proposed use and occupancy will be the same;

WHEREAS, the applicant states that the manufacturing conducted on the 2nd floor is in the nature of performing minor alterations on women's clothing, which is also retailed on the 2nd floor; that this work is done in the room so designated at the rear of the 2nd floor; that the 3rd floor is occupied as an office and merchandise receiving room, in conjunction with the retail use on the floor below; that neither of the above-described uses are of a hazardous nature, nor do they constitute a nuisance to the tenants of the apartments above; that public halls are fire retarded on both sides with cement plaster on rock lath; that in addition the entire stair enclosure is sprinklered as required by Section 187 M.D.L.; that the existing 3 foot 4 inch wood stair leads directly to the street and also the roof by means of a fire retarded roof bulkhead; that all doors opening from all rooms and apartments to the stair enclosure will be fireproof and equipped with self-closing hinges; that the ceilings of the existing stores on the 1st floor and 2nd floor are fire retarded, and the ceiling of the entire 3rd floor will be fire retarded with gypsum plaster on rock lath; that the existing floor framing will safely sustain a live load of 50 pounds per square foot; that as there will be only 2 persons operating domestic-type sewing machines in the alteration room, the applicant requests that the requirement of 120 pound live load be waived and the present framing deemed adequate; and

WHEREAS, the premises was inspected by a committee of the Board.

RESOLVED, that the decision of the Borough Superintendent, dated January 19, 1961, acting on Alt. Applic. 512/60, Objection Nos. C1 and A2, be and it hereby is modified and that the appeal be and it hereby is granted on condition that the building shall conform to drawings filed with this appeal dated January 24, 1961, 10 sheets; that the manufacturing on the 2nd floor shall be incidental to the sale of dresses; that there shall be no manufacturing above the second floor; that the 3rd floor occupancy shall be for offices and receiving and with liveload posted at 50 pounds; that a new Certificate of Occupancy shall be obtained. Appeal as to Objection A2 is withdrawn since owner is to comply.

242-61-A

APPLICANT—Tablon Realty Corporation, owner.

SUBJECT—Application March 1, 1961—Appeal from an order of the Fire Commissioner re—sprinkler system.

PREMISES AFFECTED—47 East Broadway, south side, 315 feet west of Market Street, Block 280, Lot 37, Borough of Manhattan.

APPEARANCES—

For Applicant: Harvey L. Goldstein.

For Administration: Lieut. Michael F. Leen, Fire Dept.

ACTION OF BOARD—Appeal denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

MINUTES

THE RESOLUTION—

WHEREAS, the order of the Fire Commissioner, dated January 4, 1961 on Violation Order No. 480430, reads:

"Provide an approved automatic wet sprinkler system throughout entire building.

Chapter C19-161.0 Administrative Code."

and

WHEREAS, the order of the Fire Commissioner, dated January 31, 1961 on Order No. 359-1, reads:

"1. Install an approved, wet automatic sprinkler system throughout the building having at least one source of water supply, arranged and equipped as per Chapt. 26—Article 16, Adm. Code.—Ch. 19.161.0.a Adm. Code."

and

WHEREAS, the applicant states that the building is 25 feet by 72 feet 6 inches in area, 5 stories, 52 feet high, of class 3 construction, located in retail use, C. area and class 1½ height district, now used and occupied since 1955: cellar and 1st floor—ladies apparel (storage and sales), 5 persons each floor; 2nd floor—light storage, ladies apparel; 3rd floor—stock room, ladies apparel; 4th floor—store room, lt. ath. equipment, 5 persons; 5th floor—vacant, substantially in accordance with Certificate of Occupancy #43738 issued February 9, 1955 against Alt. Applic. 418-53; that the proposed use and occupancy will be the same, except the 4th floor—will be—employment agency, 15 persons; and

WHEREAS, the applicant states that it is the firm belief of the applicant that the order of the Fire Commissioner for the installation of an automatic wet sprinkler system throughout the cellar and building is arbitrary and capricious; that each floor has two exits; one an internal staircase; the other a fire escape; that each floor is a continuous loft, which is not separated by a maze of offices, and in the event of fire, any occupant could easily reach either of these exits; that the use of these premises are in no way hazardous, but rather, their prime use is that of the retail ladies apparel business; that within the applicant's knowledge of this building, there has never been a fire; and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee of the Board found the conditions such that it recommended the appeal be denied.

Resolved, that the orders of the Fire Commissioner acting on Violation Order #480430 dated January 4, 1961 and Order #359-1, dated January 31, 1961, be and they hereby are affirmed and that the appeal be and it hereby is denied.

243-61-A

APPLICANT—Benjamin R. Levinson, for Harry and Frank Paul, owners.

SUBJECT—Application March 1, 1961—Appeal from an order of the Fire Commissioner re—sprinkler system.

PREMISES AFFECTED—54 Lispenard Street, south side 240 feet 1¾ inches west of Broadway, Block 194, Lot 29, Borough of Manhattan.

APPEARANCES—

For Applicant: B. R. Levinson.

For Administration: Lieut. Michael F. Leen, Fire Dept.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the order of the Fire Commissioner, dated February 28, 1961 on Order No. 25-1, reads:

"1. Install an approved, wet automatic sprinkler system throughout the entire building having at least one source of water supply, arranged and equipped as per Chapt. 26—1336.0 Adm. Code—Ch. 19.161.0 Adm. Code."

and

WHEREAS, the applicant states that the building is 25 feet 2 inches by 90 feet in area, 5 stories, 74 feet high, of class 3 construction, located in manufacturing use, B area and

class 2 height district, built in 1867, now used and occupied since 1958: cellar—storage; 1st floor—store, 2 persons; 2nd floor—storage; 3rd floor—factory, 6 persons; 4th floor—storage; 5th floor—vacant, without a certificate of occupancy: that the proposed use and occupancy will be: cellar—storage; 1st floor—store, 2 persons; 2nd floor—storage; 3rd, 4th and floor—to be sealed off and remain vacant; that a new Certificate of Occupancy will be obtained; and

WHEREAS, the applicant states that it is proposed to vacate the 3rd, 4th and 5th floors, and to seal off permanently; that a 2 foot 6 inch by 2 foot 6 inch self-closing fireproof door will be provided for purposes of inspection; that the occupancy of the building would then consist of 2 floors and the cellar; that the 1st floor would be occupied as a store by a piece goods merchant using the cellar conjunctively for storage only with no human occupancy; that the 2nd floor would be occupied as storage only of metals such as electric fans, parts, etc.; that here again, there would be no human occupancy; that the economics of the building is such that the cost of installing a sprinkler system is prohibitive; that the owners have secured a preliminary estimate of between \$10,000 to \$12,000 as the cost of installing a sprinkler system to conform to the requirements as prescribed under Chapter C26-1336.0—Ch. 19.161.0 of the Administrative Code; that upon the granting of this appeal, adequate steps would be taken immediately to file with the Department of Buildings for a change in occupancy from a factory use, to a store and storage use; that a Certificate of Occupancy would be requested for a cellar, storage and 2nd floor storage only; and

WHEREAS, the premises was inspected by a committee of the Board:

and

WHEREAS, the representative of the Fire Commissioner stated that the Order No. 25.1 of the Fire Commissioner dated February 28, 1961 has been recinded and Order No. 479018 dated December 9, 1960 has been reinstated.

Resolved, that the order of the Fire Commissioner, dated December 9, 1960, acting on Order #479018 Objection No. 1, be and it hereby is modified and that the appeal be and it hereby is granted on condition that the work shall be done as shown on drawings filed with this appeal dated March 1, 1961, 2 sheets and February 28, 1962, 8 sheets revised; and that a new Certificate of Occupancy shall be obtained by the owner, eliminating occupancy on the 3rd, 4th and 5th floors and eliminating all factory uses in the building.

APPLICANT—Hector Ferreras for Fred Goldhirsch, owner.

SUBJECT—Application September 6, 1961—filed pursuant to Section 36, Article III of the General City Law, re—building not facing on a legal street.

PREMISES AFFECTED—194 Seidman Avenue, west side, 37.76 feet north of Koch Boulevard, Block 5363, Lot 44, Eltingville, Borough of Richmond.

APPEARANCES—

For Applicant: Hector Ferreras and Alvin Rubenstein.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated August 29, 1961 on N.B. Applic. 753-60, reads:

“1. The streets giving access to these proposed new buildings are not included on the official map of the City of New York and is contrary to Art. III, Para. 36 of the General City Law.”

and
WHEREAS, the applicant states that the building will be 5 feet by 37 feet in area, 1 story, 17 feet high, of class 4 construction, located in residence use, E area and class 1 height district; and

WHEREAS, the applicant states that the proposed building will be a one family dwelling; that the existing grades at the north side of the lot line is 105.0 feet and the proposed tentative grade as approved by the Board of Estimate is 96.2 feet; that the inside grades have an average elevation of 100.3 feet; that this will facilitate the building of the house way above the tentative adopted grades for this lot; that the owner is developing the area bounded by Koch Boulevard, Woods of Arden Road, Shirley Avenue and Arden Avenue; that he employed the firm of Carlton H. Ettlinger to prepare a final map for the above mentioned area which has been submitted to the City officials for approval; that plans for private sewer lines for the above

mentioned area have been submitted and approved by the Borough President's office; that said sewer lines will lie on Seidman Avenue right in front of this proposed building; that due to some circumstances beyond owner's control, the owner was not able to final map Seidman Avenue north of Koch Boulevard; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on N.B. Applic. 753-60, Objection No. 1, dated August 29, 1961, be and it hereby is modified under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is granted on condition that the building shall conform with drawing filed with this appeal, dated September 6, 1961, 1 sheet; that the owner shall construct temporary sidewalk, curb, curb cut and paving to the center of the street, in accordance with the standards of the Borough President's office; that a Certificate of Occupancy shall be obtained; and that a copy of this resolution shall be printed on the fact of the Certificate of Occupancy.

August 29, 1961, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted*, on condition that the building shall conform with drawings filed with this appeal dated September 6, 1961, 1 sheet; that the owner shall construct temporary sidewalk, curb, curb cut and paving to the center of the street, in accordance with the standards of the Borough President's office; that a Certificate of Occupancy shall be obtained and that a copy of this resolution shall be printed on the face of the Certificate of Occupancy.

1458-61-A

APPLICANT—Albert Melniker for California Oil Company, owner; Isle Fuel Oil Service, lessee.

SUBJECT—Application September 18, 1961—Filed pursuant to Section 36 Art 3 of the General City Law re—building not facing legal street.

PREMISES AFFECTED—535 Vanderbilt Avenue, 1047 Van Duzer Street, northeast corner, Block 650, Lot 30, Concord, Borough of Richmond.

APPEARANCES—

For Applicant: Albert Melniker.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated September 13, 1961 on N.B. Applic. 862-57, reads:

"1. Final location survey of the building erected under permit issued by the Department of Buildings and in conformance with Board of Standards and Appeals Cal. No. 931-57-BZ indicates that the streets giving access to the structure are not duly placed on the official map, Contrary to Article III, paragraph 36 of the General City Law."

and

WHEREAS, the applicant states that the building will be 36.04 by 46.04 feet in area, 1 story, 14 feet high, of class 3 construction, located in retail use, D area and class 1 height district; that the proposed use and occupancy will be: gasoline service station; and

WHEREAS, the applicant states that final plans and permits were obtained from the Department of Buildings and construction proceeded in the normal manner; that all other related approvals were obtained, namely, the approvals for the gasoline storage tanks, the fuel oil storage tank and the electric signs; that all required fees and permits were obtained and all inspections required by all city departments having jurisdiction were made; that upon the completion of the building an application was filed requesting a certificate of occupancy together with a final location survey; that the Certificate of Occupancy was denied by the Richmond office of the Department of Buildings; that the Department has not issued the certificate because of the contention that both Vanderbilt Avenue and Van Duzer Street are not final mapped streets; that both streets are fully paved, fully improved with all utilities, curbs and sidewalks; that both streets have been in use since prior to the consolidation of the City of New York; that both streets are on the maps of Staten Island prior to 1898; that all approvals and permits were obtained and all construction was done in accordance with the approvals obtained and permits issued; that both streets contain numerous buildings, many of them going back to before 1900; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated September 13, 1961, acting on N.B. Applic. 862-57, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is

granted, on condition that the building shall conform to drawings filed with this appeal dated September 18, 1961, 2 sheets; on further condition, that all of the requirements of the resolution adopted by the Board of Standards and Appeals under Calendar Number 931-57-BZ shall be complied with.

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated September 26, 1961 on N.B. Applic. 715-60, reads:

"1. The streets giving access to this construction are not on an official map of the City of New York and is contrary to General City Law, Art. III par. 36."

and
WHEREAS, the applicant states that the building will be 61 feet by 28 feet in area, 1 story, 15 feet high, of class 3 construction, located in business use, C area and class 1½ height district; that the proposed use and occupancy will be: gasoline service station, office, auto washing (non-automatic), lubrication accessory sales, minor repairs with hand tools only, auto safety inspection station and parking and storage of motor vehicles, 5 persons; and

WHEREAS, the applicant states that both streets have been in continual use for many years; that the streets are paved, with curbs and sidewalks and have city sewers; that there are gas and water lines in the streets; that there are existing structures within close proximity, both directly across the street and on either side; that the streets are improved; that for all practical purposes, this is the only vacant land in the block; that the building will be set back a sufficient distance from the streets so that, in the event of a widening, the proposed building will not be affected; that if this appeal is not granted, the property becomes absolutely valueless to the owner; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated September 26, 1961, acting on N.B. Applic. 715-60, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted*, on condition that the building shall conform to drawing filed with this appeal dated October 5, 1961, 1 sheet; that the owner shall comply with all of the requirements of the resolution adopted by the Board under Calendar Number 634-60-3Z; and that the wall along Elizabeth Avenue shall be maintained to within 30 feet of the corner of Richmond Terrace.

WHEREAS, the decision of the Borough Superintendent, dated November 10, 1961 on N.B. Applic. 2973-61, reads:

"3M—Erection of proposed bldg. in bed of a mapped street (160th Street) is contrary to Art. 3 Sec. 35 General City Law."

and
WHEREAS, the applicant states that the proposed building will in part extend into the bed of the mapped 160th Street; that this section (between 89th & 90th Avenues) was recently moved from the City maps and a multi-family apartment

building permitted to be erected; that the short section of mapped street thus remaining would serve very little purpose; that on the contrary, it would so severely affect the subject premises as to make it economically unsound for proper residential improvement; that in addition to cutting across the rear of the subject site, it would continue through three sites immediately to the south; that the sites affected would also suffer extreme damage; that the building immediately adjacent (lot #82) would have to be severely aborted; that the next adjoining site (Lots #87, 90, 91 and 97) upon which the Whitman Hotel stands, would lose the greater part of its parking area; that a portion of the Church property on Lot #1 would also have to be taken for this useless purpose; that the advantage gained in projecting this street are nil; that the disadvantages are very great; that the City would also be party to these losses by the great drop in property value; that the depreciation of land and improvements would produce much less tax revenue without accomplishing any practical purpose; that the reason for the proposed mapped street was that at some time in the future it was intended to tie together the storm sewer line system of 160th Street and 88th Avenue with that now present in 89th Avenue; that if this became necessary at any later date, it would be entirely possible for such a proposed connective arrangement to be made, without the need of a street, by means of easement rights granted to the City across the extreme rear of the subject properties, without adversely affecting the subject properties and those immediately involved; that the owners of the subject site are willing to set aside a portion of the rear part of their land as a permanent easement for any future need for connecting sewer referred to in the original statement of facts; that any rearrangement of the entrance and area involved of the sub-grade garage space would be redesigned to suit such easement requirements; and

WHEREAS, the Appeal has been discussed by the Board, which has decided that the appeal should be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated November 10, 1961, acting on N.B. Applic. 2973-61, Objection No. 3M, be and it hereby is *modified* under the powers vested in the Board by Section 35 of the General City Law, and that the appeal be and it hereby is *granted*, on condition that the building shall conform to drawings filed with this appeal dated November 15, 1961, 3 sheets and February 2, 1962, 1 sheet; on further condition, that the owner shall provide an easement without cost to the City for construction and maintenance of sewer line across the property provided the Borough President decides the sewer is needed.

1761-61-A

APPLICANT—Hector Ferreras for Marion Koehler, owner.

SUBJECT—Application November 28, 1961—Filed pursuant to Section 36 Art 3 of the General City Law re—building not facing legal street.

PREMISES AFFECTED—815 Delafield Avenue, north side, 312.50 feet east of Greenleaf Avenue, Block 232, Lott 25, West Brighton, Borough of Richmond.

Resolved, that the decision of the Borough Superintendent, dated November 6, 1961 acting on N.B. Applic. 1348-61, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted*, on condition that the building shall conform to drawings filed with this appeal dated December 5, 1961, 2 sheets; on further condition, that the owner shall construct temporary sidewalk, curb, curb cut and pavement to the center of the street in accordance with the Standards of the Borough President's office; that a Certificate of Occupancy shall be obtained; and that the wording of this resolution shall appear on the face of the Certificate of Occupancy.

1819-61-A

APPLICANT—Sidney Astor for Jacob Goodman, owner.

SUBJECT—Application December 5, 1961—Appeal from a decision of the Borough Superintendent re—enclosure for car hoist, egress, wall panels etc.

PREMISES AFFECTED—307 West 44th Street, north side, 100 feet west of 8th Avenue, Block 1035, Lot 28, Borough of Manhattan.

APPEARANCES—

For Applicant: Sidney Astor, S. E. Mussey and J. W. Gottesman.

ACTION OF BOARD—Appeal withdrawn at the request of the applicant on objection C-3.

THE VOTE TO WITHDRAW ON OBJECTION C-3—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

ACTION OF BOARD—Appeal granted on condition as to objections C-1 and C-2.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated November 17, 1961 on N.B. Applic. 91-61, reads:

"C1—Provide a 3 hour enclosure for car hoist as per C 26-638 AC with openings permitted with 1½ hour FPSC protective assemblies as per C 26-663.0 (b) AC.

C-2—Note: The proposed use of this building is permitted under the New Zoning Resolution. It is not permitted under present Zoning Resolution. No permit will be issued before December 15, 1961.

Provide two required means of egress (one of which is a fire tower) as per C 26-272.0 (b-3) AC.

C-3—Provide 2 hour exterior wall (panel) as per C 26-230.0 AC. Unenclosed openings in front and rear walls, all floors, not acceptable. Also, show compliance with C 26-649.0 AC."

and

WHEREAS, the applicant states that the building will be 25 feet by 85 feet in area, 15 stories, 133.75 feet high, of class 1 construction, located in retail-1 use district, 2 height district, and "B" area district as indicated on the present zoning maps, and in a C6-4 use district as indicated on the new zoning maps; and to be used as an open type parking garage for less than 150 cars; and

WHEREAS, the applicant states that all openings for car hoist below grade will be provided with 1½ hour constructed protective assemblies, and that no fire protective assemblies or enclosures will be provided on the 1st to 15th levels inclusive; that the omission of the fire protective assemblies or enclosures is respectfully requested due to the fact, that only the operator of the car hoist and passenger vehicle will be permitted in the car hoist shaft, and when the hoist platform is located at a level, no protection is necessary; that this is as permitted in Section C 26-257.1, subdivision k and m of the Administrative Building Code; that the means of egress being provided are two exterior stairs, similar in all respects to the means of egress required for a ten level garage; that both means of egress will lead directly to the street and are to be readily accessible; that this is as permitted in Section C 26-257.1 subdivision k and l of the Administrative Building Code; that exterior walls are proposed to be constructed of 4 inch concrete block with 2 inch vermiculite; that this construction is similar to two hour construction and is being used due to the unsupported height of 7 feet for the exterior wall panel between floor and spandrel beam; that the openings on the front and rear walls are to be provided with fireproof self-closing doors and fusible link grilles; that due to the very small area of floors above grade, namely 1,625 square feet in area, that the requirements of open parking garages be permitted for the 15 level, 133 foot 9 inch high garage; that the construction of this garage is necessary to relieve the traffic problem and is in keeping with the current thinking, of the Mayor's Committee on off-street parking, for providing off-street parking facilities; that a strict interpretation of the Administrative Code would result in a practical difficulty, and that the granting of the variance being applied for, would be in harmony with the general purpose of the Administrative Code; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Borough Superintendent, dated November 17, 1961, acting on N.B. Applic. 91-61, Objection Nos. C1 and C2, be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the building shall conform to drawings filed with this application dated December 5, 1961, one sheet and March 12, 1962, 8 sheets revised; that a dry sprinkler system shall be installed throughout all sublevels with a central office fire alarm connection; that all elevator machinery and equipment installed shall be in accordance with the provisions of the Administrative Building Code. Appeal is withdrawn as to Objection C-3 since owner is to comply.

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated November 27, 1961 on N.B. Applic. 693-61, reads:

"1. The streets giving access to these proposed new buildings are not included on the official map of the City of New York and is contrary to Art. III Para. 36 of the General City Law."

and

WHEREAS, the applicant states that the proposed building will be 25 feet 10 inches by 42 feet 4 inches in area, 1 story, 16 feet high, of class 4 construction, located in residence use, E area; that the proposed use and occupancy will be: 1 family dwelling; and

WHEREAS, the applicant states that Leverett Court, which is not a final mapped street, was filed in the County Clerk's Office of the Borough of Richmond by its original owner to be set aside as a street; that the land at present is all raw land but its present owner has filed 55 new buildings, which are 95% sold, in this area, creating a community of his own; that at present we have filed with the Borough President's Office for a private sewer to be built in Leverett Court from Leverett Avenue south so that we will be able to provide the above houses with sanitary sewers; that Leverett Avenue is a final mapped street with established grades and we plan to use the Leverett Avenue grades and proceed south using the existing grades which show 1½ feet higher than the Leverett Avenue final grades; that this will give us enough gradient from the 4th house to Leverett Avenue; that the Department of Water, Gas and Electricity has been requested to place water mains in this street; that Consolidated Edison Company has been requested to place electrical wires for the above street; that the Telephone Company has been requested to place telephone wires for this street; that the Brooklyn Union Gas Company has been requested to place gas service in this street; that all of the above mentioned utility companies will place their respective utilities when we proceed with our construction; that Leverett Court does not contain curbs, sidewalks or paving; that however, before delivery of the house to the new owners, the curbs, sidewalks and paving will be done by the present owner; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Borough Superintendent, dated November 27, 1961, acting on N.B. Applic. 693-61 Objection No. 1 be and it hereby is *modified* under powers vested in the Board by Section 36 of the General City Law and that the appeal be and it hereby is *granted on condition* the building conform to drawing filed with this application dated December 12, 1961, 1 sheet; *on further condition* that the owner construct temporary sidewalk, curb, curb cuts and paving to the center of the street in accordance with the standards of the Borough President's office; that a Certificate of Occupancy be obtained; and that the wording of this Resolution appear on the face of the Certificate of Occupancy.

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated January 3, 1962 on N.B. Applic. 1358-61, reads:

"1. The streets giving access to the proposed structure are not duly placed on the official map. Therefore, no permit can be issued for the erection of any building, as per paragraph 36 of the General City Law."

and

WHEREAS, the applicant states that the building will be 167 feet 8 inches by 56 feet in area, 2 stories, 26 feet 8 inches high, of class 1 construction, located in retail and unrestricted use, D and A area and class 1½ height district; that the proposed use and occupancy will be a school; and

WHEREAS, the applicant states that the proposed school is to be erected at the intersection of Tompkins and St. Mary's Avenues, streets which are fully developed and in use; that along St. Mary's Avenue, on the same side of the proposed school site as well as on the opposite side of St. Mary's Avenue there are existing buildings built right on the building line; that although St. Mary's Avenue is not duly placed on the official map it is a functioning street, paved with macadam, has all the utilities and sidewalks; that adjacent to the school site is the rectory and on the opposite corner, fronting Tompkins Avenue, between St. Mary's Avenue and Shaughnessy Lane stands the newly erected St. Joseph R. C. Church; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Borough Superintendent, dated January 3, 1962, acting on N. B. Applic. 1358-61 Objection No. 1 be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law and that the appeal be and it hereby is *granted on condition* the building conform to drawings filed with this application dated January 9, 1962, 2 sheets; and that a Certificate of Occupancy be obtained.

THE RESOLUTION—

WHEREAS, this application was amended by the Board as Vol. IV, on March 3, 1959, on certain conditions; and

WHEREAS, the resolution was amended on March 15, 1960; and

WHEREAS, the applicant requested a further amendment of the resolution.

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on December 20, 1949, as amended through March 15, 1960, by adding thereto:

"that in the event the owner desires to forego the use of a portion of the building as a plastics factory and revert the use heretofore permits, and to omit the gasoline service station along the 4th Avenue frontage and substitute accessory parking, such changes shall be permitted, on condition that the premises shall be arranged and used substantially as shown on revised drawing marked 'Received December 8, 1961,' one sheet, and that other than as herein amended the resolution above cited shall be complied with in all respects,"

and further amended as to the time to obtain permits and complete the work so that as amended this portion of the resolution shall read:

"that the provisions of Section 22A of the Zoning Resolution shall apply from the date of this amended resolution; and that a new Certificate of Occupancy shall be obtained." (Amend. to Alt. 1103-58.)

619-41-BZ—Vol. II

APPLICANT—Humble Oil and Refining Company, owner.

SUBJECT—Application for consideration—reopening for extension of term of variance which expired December 4, 1961—decision of the Borough Superintendent; previously granted on condition, under Section 7c of the Zoning Resolution, permitting in a residence and local retail use district, the extension in area of existing gasoline service station, and reconstruction of station and building to include lubritorium, auto laundry and motor vehicle repair shop.

PREMISES AFFECTED—218-02 Hillside Avenue and 88-01 218th Street, southeast corner, Block 10678, Lot 1, Queens Village, Borough of Queens.

COURT DECISION.

Matter of N. Y. Central R. R. vs. Foley:—On December 12, 1961, the Board denied the application for reopening as Vol. II, subject to regular procedure, which was previously denied, under Section 7e of the Zoning Resolution, to permit in a restricted retail use district, in an existing eight (8) story railroad terminal building, the erection of three intermediate floors in the waiting room space to be occupied as bowling alleys, sports arena, dining room, bar, lounge, kitchen and snack bar; Calendar Number 814-60-BZ—Vol. I; Premises 71-105 East 42nd Street and 1-31 Vanderbilt Avenue, northeast corner, Block 1280, Lot 1, Borough of Manhattan (Grand Central Terminal).

At Supreme Court, Special Term, Part I, Mr. Justice Greenberg stated in part as follows:

"The modification of the plans by the petitioner did not warrant further action by the Board of Standards and Appeals.

The court is without power to review the action of the board. Whether or not there was a substantial change in the circumstances was for the board to determine.

Accordingly, the order of certiorari is vacated and the petition is dismissed. Settle order."

(N. Y. Law Journal, March 21, 1962, page 14).

Minutes of Regular Meeting, Tuesday Afternoon, March 20, 1962, Affecting Calendar Numbers 454-51-SA, 905-59-SA, 1-60-SA, 886-60-SM, 35-61-SM, 344-61-SA, 787-61-SA, 852-61-SA, 1005-61-SM, 1325-61-SM, 1529-61-SM, 877-61-SM, 1649-61-SA, 324-51-A, 60-61-A, 172-61-A, 216-61-A, 292-61-A, 1073-61-A, 1204-61-A, 1295-61-A, 1549-61-A, 1664-61-A, 1690-61-A, 1691-61-A, 1991-61-A, 15-62-A, 16-62-A, 17-62-A, 18-62-A, 19-62-A, 20-62-A, 21-62-A, 22-62-A, 23-62-A, 24-62-A, 25-62-A, 26-62-A, 27-62-A, 28-62-A, 29-62-A, 30-62-A, 31-62-A, 32-62-A, 33-62-A, 34-62-A, 35-62-A, 36-62-A, 464-61-A, 489-61-A, 1340-61-A, 939-60-A, 264-61-A, 144-19-BZ—Vol. IV, 327-22-BZ—Vol. II, 845-39-BZ—Vol. IV, 146-57-BZ—Vol. I, 628-59-BZ—Vol. I, 746-60-BZ, 172-16-BZ—Vol. II, 1048-22-BZ—Vol. III, 434-41-BZ—Vol. II, 707-41-BZ, 100-48-BZ—Vol. II, 58-51-BZ, 404-52-BZ, 689-51-BZ and 912-55-BZ.

Rules covering Coin-Operated Dry Cleaning Establishments.

Annual Report for 1961.

Y., on a proposed amendment to the Rules Covering Coin-Operated Dry Cleaning Establishments adopted under Calendar Number 156-62-SR.

APPLICANT—National Automatic Laundry and Cleaning Council.

SUBJECT—Proposed amendment to the Rules of the Board adopted under Calendar Number 156-62-SR; amendment to the existing rule 7.9.

New Matter in italics.

Old matter to be omitted in brackets.
Rule 7.9

All coin-operated dry cleaning units shall have [the] a maximum dry load capacity [of the unit] as rated by the Board based on the factor of 2.8 times the cubic feet capacity of the basket. *Any such unit may have an approved operating dry load capacity of 7.5 pounds which shall be displayed on the face of [the] each unit.*

MAX H. FOLEY, *Chairman.*

APRIL 17, 1962, 10 A.M.

NOTICE IS HEREBY GIVEN of a public hearing Tuesday morning, April 17, 1962, at 10 o'clock at 80 Lafayette Street, 9th floor, New York 13, N. Y., on the following matters:

1587-61-BZ

APPLICANT—Burke and Groh for Winfield Associates Incorporated, owner.

SUBJECT—Application October 13, 1961—decision of the Borough Superintendent, under Sections 7a and 21 of the Zoning Resolution, to permit in a business and residence use C area district, the erection of a one story extension to an existing contractors' equipment and storage building located in the residence use portion of the premises, the proposed extension exceeds the permitted area coverage.

PREMISES AFFECTED—70-02 51st Road, southeast corner of 72nd Place, Block 2465, Lots 1, 2, 3, 4 and 5, Elmhurst, Borough of Queens.

1611-61-BZ

APPLICANT—A. H. Salkowitz for Irving Warfield Etals doing business as Flatlands Shoppers Mart Company, owner.

SUBJECT—Application October 25, 1961—decision of the Borough Superintendent, under Section 7c of the Zoning Resolution, to permit in a business and residence use district, in conjunction with the erection of a one story and cellar building for use as market and retail stores, the extension of the accessory parking area into the residence portion of the premises.

PREMISES AFFECTED—913 to 947 East 108th Street, north side, 89.51 feet east of Flatlands Avenue, Block 8235, Lot 342, Borough of Brooklyn.

1654-61-BZ

APPLICANT—Patrick D. Concagh for American Oil Company and Max Davidson, owners.

SUBJECT—Application October 27, 1961—decision of the Borough Superintendent, under Section 7a of the Zoning Resolution, to permit in a residence use district, the extension in area and reconstruction of an existing gasoline service station to have lubritorium, auto laundry (non-automatic) accessory sales and office, motor repair shop with hand tools only and the parking and storage of motor vehicles.

PREMISES AFFECTED—1514 Bronxdale Avenue, northeast corner of Poplar Street, Block 4062, Lots 27 and 28, Borough of The Bronx.

1659-61-BZ

APPLICANT—Max Siegel Associates for 180 Tenants Corporation, owner; Gracie Mansion Garage, Incorporated, lessee.

SUBJECT—Application November 6, 1961—decision of the Borough Superintendent, under Section 7e of the Zoning Resolution and Section 60(3) Multiple Dwelling Law, to permit in a residence use district, for a term of twenty-one (21) years, the addition of transient parking for the surplus tenants spaces within the existing multiple dwelling accessory garage.

PREMISES AFFECTED—180-194 East End Avenue, west side from East 88th Street to East 89th Street, 535-541 East 88th Street, 540-546 East 89th Street, Block 1585, Lot 23, Borough of Manhattan.

CALENDAR

1660-61-A

APPLICANT—Max Siegel Associates for 180 Tenants Corporation, owner; Gracie Mansion Garage, Incorporated, lessee.

SUBJECT—Application November 6, 1961—Filed pursuant to Section 60 subd 1(b) of the Multiple Dwelling Law re—transient parking in accessory garage.

APPEARANCES—

For Applicant: Gerard C. Fallon.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox and Commissioner Becker 4

Negative 0

Absent: Commissioner Klein 1

THE RESOLUTION—

WHEREAS, on April 15, 1958, this application—Vol. IV—was granted by the Board on certain conditions; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which will expire by time limitation April 15, 1963; and

WHEREAS, this application was reopened on February 20, 1962 and set for hearing on March 20, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on March 20, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated November 14, 1961 acting on Alt. Applic. No. 2485-61, reads:

"1. On a lot located partly in a business and partly in a residence use district, the proposed change in occupancy from public garage to storage of paper cartons, storage, distribution, manufacturing and sale of paper & plastics and textile products is contrary to Article II Section 3 of the Zoning Resolution.

2. Provide 2 loading berths in accordance with Article IV Section 19A of the Zoning Resolution including required size openings and doors.

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on April 15, 1958 only as to the term of variance, so that as amended it shall read:

"granted for a term of Five years from the date of this amended resolution, to permit . . . ; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

For Applicant: John A. Dwyer.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 27, 1962, after due notice by publication in the Bulletin; laid over to March 13, 1962 for inspection and decision; hearing closed; then to March 20, 1962; applicant to submit revised plans; and

WHEREAS, the decision of the Borough Superintendent, dated October 3, 1961, acting on Alt. Applic. 2481-47, reads:

"1. Proposal to change use from plumbing heating supply, plumbing shop and storage of 11 oil trucks to a knitting mill in a business and residential use district is contrary to Board of St'ds & Appeals Resolution Cal. #628-29 Vol. II and to Art. II Sec. 3 & Sec. 4 of the Zoning Resolution."

and
WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is granted under Section 7c of the Zoning Resolution, to permit in retail and residence use district, the change in occupancy of an existing one-story building from storage of plumbing and heating supplies and plumbing shop to a knitting mill with accessory storage, for a temporary term of ten (10) years, on condition that the work shall be done in accordance with drawings filed with this application dated October 16, 1961, 4 sheets and March 16th, 1962, 3 sheets revised; that the loading and unloading shall all be done within the building; that working hours shall be restricted to 8 a.m. to 6 p.m.; that there shall be no work on Sundays; that all laws, rules and regulations applicable shall be complied with; and that permit required shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

279-33-BZ—Vol. II

APPLICANT—Albert J. Marlo for Newman Building Company, Incorporated, owner; California Oil Company, lessee.

SUBJECT—Application reopened October 24, 1961 as Volume II—decision of the Borough Superintendent, under Sections 7A and 21 of the Zoning Resolution, to permit in a local retail and residence use D and F area district the reconstruction and extension in area of an existing gasoline service station, lubritorium, office and accessory sales, auto washing (non-automatic) minor repair shop, safety inspection station and the parking and storage of

more than five cars with curb cuts, ground sign within 75 feet of a residence use district, the parking area encroaches on the required setbacks.

PREMISES AFFECTED—127-02 to 127-16 New York Boulevard and 161-40 to 161-60 Baisley Boulevard, south west corner and 161-45 to 161-55 128th Avenue, Block 12269, Lots 29 and 35, Springfield Gardens, Borough of Queens.

APPEARANCES—

For Applicant: Albert J. Marlo.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Becker and Commissioner Klein 4

Negative: Commissioner Fox 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 16, 1962 after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the new Zoning Resolution is amended to permit the Board to act; then set for March 20, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated August 29, 1961 acting on N.B. Applic. No. 2935-61, reads:

"1. Proposed demolition, relocation, reconstruction, extension of use & area, of an existing gasoline station, lubritorium, office, work room & waiting room & parking more than five cars, to gasoline service station, lubrication, auto washing (non-automatic), office & accessory sales, minor repair shop, safety inspections, parking & storage of more than 5 motor vehicles in open area, on a plot located in a Local Retail Use District extending into a Residence Use District, is contrary to Art. II, Section 3 and Section 4-C of the Zoning Resolution.

2. Proposed business entrances (curb cuts) in a Residence Use District are contrary to Art. II, Section 3 of the Zoning Resolution.

3. Proposed Ground Sign in a Local Retail Use District is contrary to Art. II Section 4-C of the Zoning Resolution.

4. Proposed Business Entrances (curb cuts), Business Signs & Show Windows within 75 feet of a Residence Use District are contrary to Art. II, Section 7-A of the Zoning Resolution.

5. Proposed Parking & Storage of more than 5 motor vehicles in open area, within the required setback in an F area District, is contrary to Art. IV, Section 16 of the Zoning Resolution.

Note: These premises were subject of B.S. & A. variance under Calendar No. 279-33-BZ."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7A of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is granted under Sections 7A and 21 of the Zoning Resolution, to permit in local retail use, D and F area districts, the reconstruction and extension in area of an existing gasoline service station with accessory uses including lubritorium, office and accessory sales, non-automatic auto washing, minor repair shop with hand tools only, safety inspection station and the parking and storage of more than five cars of the pleasure car type only, with curb cuts, and ground sign within 75 feet of a residence use district, and the parking area encroaching on the re-

MINUTES

quired setbacks, *on condition* that the work shall be done in accordance with drawings filed with this application dated September 5, 1961, 5 sheets and December 8, 1961, one sheet; that there shall be no curb cuts on 128th Avenue and that curb cuts on Baisley Avenue shall be limited to those granted by the Board under Volume I; that all laws, rules and regulations applicable shall be complied with; that a brick masonry fence, 3 feet high, with iron pickets on top of it 2 feet 6 inches high shall be erected along 128th Street to within 10 feet of the corner of New York Avenue; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

104-48-BZ—Vol. II

APPLICANT—Elliot Saltzman for Corner Realty Corporation, owner.

SUBJECT—Application reopened November 19, 1961 as Volume II—decision of the Borough Superintendent, under Section 7a of the Zoning Resolution, to permit in a business use district, the erection of a second floor on the southeasterly portion of the building and the construction of an enclosure to the existing loading and unloading area at an existing laundry.

PREMISES AFFECTED—1801-1811 Avenue Z and 2551-2583 East 18th Street, northeast corner, Block 7439, Lots 45 and 51, Borough of Brooklyn.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on March 6, 1962 after due notice by publication in the Bulletin; laid over to March 20, 1962 for inspection and decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated October 23, 1961 acting on Alt. Applic. No. 3755-60, reads:

"1. Proposed extension of a laundry in a building situated in a Business Use District is contrary to Sect. 4, Art. II of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a Committee of the Board and the Committee recommended against granting the application; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, Subdivision a of the Zoning Resolution.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. #3755-60, Objection No. 1, dated October 23, 1961, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

765-48-BZ

APPLICANT—Paul Friedman for Sol and Ray Solomon, owners.

SUBJECT—Application reopened February 20, 1962 for consideration as to extension of variance, expired December 4, 1961 and amendment of the resolution—decision of the Borough Superintendent, previously granted on condition, under Section 7e of the Zoning Resolution, permitting in a residence use district, the use of an open lot as a miniature golf course with office and store.

PREMISES AFFECTED—71-81 (75 official) Beach 36th Street, west side, 158.67 feet south of Sprayview Avenue; 90-100 Beach 37th Street and 36-02 to 36-20 Boardwalk, Block 15869, Lots 18 and 20, Edgemere, Borough of Queens.

APPEARANCES—

For Applicant: Paul Friedman.

For Opposition: Samuel Bodian for Park Dept.

ACTION OF BOARD—Resolution amended and term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, on March 8, 1949, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened from time to time to extend the term of variance and last extended, for a term of five years, on December 4, 1956; and

WHEREAS, the applicant states that there have been no changes in the use, area and height designations and there have been no changes in conditions on the site and in the surrounding area, except that under the new Zoning Resolution the premises and surrounding area is located within an R6 district; and

WHEREAS, the applicant requests that the Board reopen and amend the Resolution adopted on March 8, 1949, as thereafter amended by Resolutions adopted through March 5, 1957, to extend the term of the variance for five years and to amend the Resolution as to the street and house numbers, the block and lot numbers and the reduced dimensions of the miniature golf course; that the new block and lot numbers and the new house numbers are as follows: Block 15869, Lots 20 and 18; premises 71 to 81 Beach 36th Street (75 Beach 36th Street official); 90 to 100 Beach 37th Street and 36-02 to 36-20 Boardwalk; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation December 4, 1956; and

WHEREAS, this application was reopened on February 20, 1962 and set for hearing on March 20, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on March 20, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated November 17, 1961 acting on Misc. Alt. Applic. No. 5678-48, reads:

Note: This is the location considered by the B.S.A. under Cal. #765-48-BZ. The Boro President's office of Queens has assigned new Block and Lot numbers and new house numbers as indicated in subject amendment.

1. Miniature golf course located in a residence use district is contrary to Art. II Sec. 3 of the Zoning Resolution. Obtained approval of Bd. of Stds. and Appeals to extend term of variance granted under Cal. #765-48-BZ (same to expire 12/4/61)."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on March 8, 1949 as amended through December 4, 1956 as to the term of the variance, so that as amended it shall read:

"granted for a term of Five years from the date of this amended resolution, to permit . . .; and to further amend the resolution as to street and house numbers, block and lot numbers and the reduced dimensions of the miniature golf course, all as shown on drawing filed with this appeal dated received February 27, 1962, 1 sheet and in accordance with the decision of the Borough Superintendent on condition that any illegal signs shall be removed, and that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated August 17, 1961 on Alt. Applic. 1522-61, reads:

"2. In a non-residence bldg.—8" cinder block walls higher than 10 ft. is contrary to CH-26-430.0 (Sec.

8.4.3.1) of the Bldg. Code. (Ad. Code.)"

and

WHEREAS, the applicant states that the building is 39 feet 10 inches by 75 feet in area, 1 story, 11 feet high, of class 3 construction, located in retail use, D area and class 1 height district, built in 1952, now used and occupied since 1952: cellar—boiler room and storage; 1st floor—office, 12 persons; substantially in accordance with Certificate of Occupancy #Q127522 issued February 10, 1959 against Alt. Applic. 614-58; that the proposed use and occupancy will be the same, except that the 2nd floor will be used as office, 12 persons; that additional facts about the premises can be found in an accompanying zoning application 364-58-BZ, Volume II; and

WHEREAS, the applicant states that it is proposed under this application to erect the 2nd floor with 8 inch masonry walls; that the present building is one story in height and was erected with 8 inch masonry walls; that it is proposed to carry these same walls up one more story; that the piers and columns will be erected on sizes as required by the Administrative Code; that the 8 inch masonry walls would be permitted in a building of this size and height if it were occupied as a dwelling; that the use of "office" as proposed is of a non-hazardous nature and is comparable to a dwelling use; that the total height of the 8 inch masonry walls is only 20 feet and they will be properly supported with 4 foot long steel anchors at each floor, 4 feet o.c; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Borough Superintendent, dated August 17, 1961, acting on Alt. Applic. 1522/61, Objection No. 2, be and it hereby is modified and that the appeal be and it hereby is granted on condition that all requirements of the resolution adopted by the Board this day under Cal. No. 364-58-BZ, Vol. II shall be complied with; that drawings showing all structural work required in connection with the operation shall be submitted to and approved by the Department of Buildings; and that all laws, rules and regulations applicable shall be complied with.

687-54-BZ—Vol. II

APPLICANT—Gill and Halpern for Estate of Louis Pillari; Kathleen Pillari, Administrator.

SUBJECT—Application reopened September 26, 1961 as Volume II—decision of the Borough Superintendent, under Sections 7f and 7i of the Zoning Resolution, to permit in a retail use district in an existing building occupied as a garage for more than five motor vehicles, the extension of the uses to include minor auto repairs and gasoline service station.

PREMISES AFFECTED—11-06 to 11-08 30th Avenue and 9-40 Main Street, southwest corner, Block 507, Lot 31, Astoria, Borough of Queens.

APPEARANCES—

For Applicant: Aaron Halpern.

For Opposition: None.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on December 12, 1961 after due notice by publication in the Bulletin; laid over to January 16, 1962 for decision; hearing closed; laid over without date for decision if the New Zoning Resolution is amended to permit the Board to act; then to March 20, 1962 for decision; and

WHEREAS, the decision of the Borough Superintendent, dated June 13, 1961 acting on Alt. Applic. No. 1020-61, reads:

"1. The proposed addition of Repair Shop and Gasoline Service Sta. to an existing storage garage for more

MINUTES

than 5 motor vehicles approved under Cal. #687-54-BZ, Bul. 10, Vol. 40 adopted March 1, 1955, must be resubmitted to the B. of Std. & Appeals for their determination."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; the Board studied revised plans submitted by the applicant and the committee recommended against granting; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, Subdivisions f and i of the Zoning Resolution.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. #1020-61, Objection No. 1, dated June 13, 1961, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

767-59-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober for Twin Container Company, Incorporated, owner.

SUBJECT—Application reopened October 31, 1961 as Volume II—decision of the Borough Superintendent, under Sections 7c and 21 of the Zoning Resolution, to permit in a local retail and residence use C area district, the erection of a one story extension to an existing two story building and the change in use from bakery, storage and packing and store to a smoked meat processing plant, office, storage and locker rooms with private parking and loading and unloading in the open area, the proposed extension exceeds the permitted area coverage and encroaches on the required rear yard.

PREMISES AFFECTED—13-15 Sumpter Street, north side, 250 feet west of Patchen Avenue, and 100-106 Marion Street, Block 1695, Lots 16, 17, 18 and 42, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, this application was reopened as Vol. II on October 31, 1961 subject to regular procedure; and

WHEREAS, a public hearing was held on this application on January 16, 1962 after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the New Zoning Resolution is amended to permit the Board to act; then to March 20, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent dated September 13, 1961 acting on Alt. Applic. No. 2072-59, reads:

"1. Proposed one story extension and change of use from bakery, storage, boiler room, packing and shipping, store and office, to boiler room, meat processing, office, private parking, loading and unloading area, storage and locker rooms as shown on the plans, located in partly within a Residence Use District and partly in a Local Retail Use District violates Article II, Sec. 4-C and Article II, Sec. 3 of the Zoning Resolution.

2. Provide a rear yard for new extension to building located in a "C" district as required by Article IV Sec. 13 and Sec. 17 of the Zoning Resolution.

3. Area of building is in excess of allowable coverage for a "C" district as required by Article IV Sec. 13 of the Zoning Resolution.

Note: These premises were subject to Board of Standards & Appeals—#435-44-A; 184-56-BZ; 767-59-BZ."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate

case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7c and 21 of the Zoning Resolution, to permit in a local retail and residence use, C area district, the erection of a one-story extension to an existing two-story building and the change in use from bakery, storage and packing and store, to a smoked meat processing plant, office, storage and locker rooms, with private parking and loading and unloading in the open area; the proposed extension to exceed the permitted area coverage and encroach on the required rear yard, *on condition* that the work shall conform with drawings filed with this application dated September 14, 1961, 8 sheets; that all laws, rules and regulations applicable shall be complied with; that permits shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

78-61-BZ—Vol. II

APPLICANT—Lama, Proskauer and Prober for Stanley W. Berman and Antonette Sabbrese, owners.

SUBJECT—Application reopened January 16, 1962 as Volume II—decision of the Borough Superintendent, under Sections 7f and 7i of the Zoning Resolution, to permit in a retail use district, the erection and maintenance of a gasoline service station, lubritorium, minor auto repairs, non-automatic car wash, storage room, office and sales and the parking and storage of motor vehicles in the open area with ground signs for a temporary term of twenty (20) years.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 16, 1962, after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the new Zoning Resolution is amended to permit the Board to act; applicant to submit statement; then to March 20, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated May 12, 1961, acting on Alt. Applic. 691-61, reads:

"A2—Daily transient parking in a garage in sub-cellar & cellar of a building which is located in a restricted retail use district & which is appurtenant to Class A Multiple Dwelling is contrary to Art. II Section 4B(i) of the zoning resolution which prohibits the rental of such garage space for any period of less than one month by non occupants."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board, which reported that the garages in the immediate neighborhood were inadequate to take care of the parking required and that additional parking space is necessary; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e and of the Zoning Resolution and Section 60, Sub. 1 par. b and d of the Multiple Dwelling Law.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is granted under Section 7e of the Zoning Resolution and Section 60.(1d) of the Multiple Dwelling Law, to permit in a restricted retail use district, in an existing 12-story and penthouse multiple dwelling, the use of the unused parking spaces in the accessory garage for transient parking for a term of twenty years, on condition that the building shall conform with drawings filed with this application dated June 7, 1961, 6 sheets; that the vehicles parked in the transient parking spaces shall be pleasure type cars only and shall not exceed 149 in number in addition to the number of cars parked by tenants of this building and cars parked on a monthly basis; and also on condition that the tenants of this apartment house may recapture any of the space devoted to transient parking on thirty days' notice to the owner, in accordance with Section 3(9)(b) of the Zoning Resolution and Section 60, (1b) of the Multiple Dwelling Law; that all other laws, rules and regulations applicable shall be complied with and that a new Certificate of Occupancy shall be obtained within the requirements of Section 22A of the Zoning Resolution.

948-61-A

APPLICANT—Charles A. Buckley, Jr. for Southmore Realty Corporation, owner; Hawthorne Garage Corporation, lessee.

SUBJECT—Application June 7, 1961—Filed pursuant to Section 60 of the Multiple Dwelling Law re—Parking for transients in Multiple Dwelling.

PREMISES AFFECTED—209-223 (211 official) East 53rd Street, north side, 100 feet east of Third Avenue, Block 1327, Lots 5, 6, 7, 8, 8½, 9 and 10, Borough of Manhattan.

APPEARANCES—

For Applicant: Charles A. Buckley, Jr.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated May 12, 1961 on Alt. Applic. 691-60, reads:

"A3—Daily transient parking of motor vehicles in garage, sub-cellar and cellar by persons other than the occupants of the Multiple Dwelling which such garage service is prohibited by Section 60 Sub. 1 Par. b and d

of the Multiple Dwelling Law."

and

WHEREAS, the applicant states that the building is 159 feet 11 inches by 100 feet 4 inches in area, 12 stories and penthouse, 143 feet 3 inches high, of class 1 construction, located in restricted retail use, B area and class 1½ height district, built in 1960, now used and occupied since 1960: cellar—shop, boiler, meters, garage, janitor's apartment, offices and garages, 3 persons; 1st floor to 10 floors—12 persons each floor; 11th and 12th floors—to 10 floors—apartments, 12 persons each floor; 11th and 12th floors—apartments, 9 persons each floor; penthouse—apartments, 6 persons; substantially in accordance with Certificate of Occupancy #52992 issued November 3, 1960 against Alt. Applic. 741-60; that the proposed use and occupancy will be the same; that other facts relating to the site can be found in an accompanying zoning appeal under Cal. No. 947-61-BZ; and

WHEREAS, the applicant states that the appeal is submitted in conjunction with an application for a variance to permit the same use as herein requested; that the Points submitted with that application fully outline the reasons why this appeal should be granted; that briefly stated these reasons are as follows; that the granting of this application will not work a hardship on tenants because they will have a priority position and will be furnished with space on demand; that it will help to alleviate, to a degree, the parking problems currently existing in the area, and it will enable the owner of the garage to make full use of his property; that for the reasons stated above and in the application and other papers and documents submitted herewith, it is respectfully requested that the within appeal be granted; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. 691-60, Objection No. A-3, dated May 12, 1961, be and it hereby is modified under the powers vested in the Board by Section 310 of the Multiple Dwelling Law, and that the appeal be and it hereby is granted on condition that all requirements of the resolution adopted by the Board this day under Cal. No. 947-61-BZ shall be complied with, and that a Certificate of Occupancy shall be obtained.

WHEREAS, the premises and surrounding area were inspected by a committee of the Board, which recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivisions a and c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7a and 7c of the Zoning Resolution, to permit in a retail and residence use district, in an existing three-story building, the extension of factory use on the 2nd and 3rd floors to be used with the first floor, presently used for storage, *on condition* that work shall be done in accordance with drawings filed with this application dated September 8, 1961, 6 sheets; that the building shall be occupied by one tenant; that all laws, rules and regulations applicable shall be complied with; that permits shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1423-61-BZ

APPLICANT—Leonard F. Rothkrug for Abraham Zirman, owner; Strauss Stores, lessee.

SUBJECT—Application September 8, 1961, decision of the Borough Superintendent, under Sections 7e, 7A and 21 of the Zoning Resolution, to permit in a local retail use D area district, in an existing retail store for sale of auto accessories, the addition of accessory minor auto repairs with acetylene torch for the installation of seat covers, tires, mufflers and tail pipes, the change of an off-street loading to a service area, thereby making the building have excess area coverage and the use of the curb cut within 75 feet of a residence district for a term of fifteen years.

PREMISES AFFECTED—1178 Castle Hill Avenue, southeast corner of Gleason Avenue, Block 3820, Lot 9, Borough of the Bronx.

APPEARANCES—

For Applicant: Leonard F. Rothkrug.

For Opposition: David Vorhause.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative 0

Negative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 16, 1962 after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the new Zoning Resolution is amended to permit the Board to act; then to March 20, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated August 25, 1961 acting on Alt. Applic. No. 286-60, reads:

"1. Proposed additional use of installation of seat covers, tires mufflers and tail pipes to existing retail stores constitute auto repairs in a local retail district and is contrary to Art. II Sect. 4-C of the Zon. Res.

2. The one story extension is in excess of percentage coverage permitted by Sect. 14 of the Zon. Res. and was erected under Alteration Application 322-59 for parking and unloading permitted by Sect. 19(h).

The proposed additional use for installation of seat covers, etc., violates Sect. 14 of the Zoning Resolution.

3. Proposed use of existing curb cut within 75 feet of a Residence Zone is contrary to Art. II Sect. 7-A

of the Zon. Res."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board, and the Committee recommended against granting the application; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, Subdivision e and 7A of the Zoning Resolution; and

WHEREAS, the Board found that the applicant failed to substantiate a basis to warrant exercise of discretion to grant under Section 21 of the Zoning Resolution and was therefore not entitled to relief on the grounds of practical difficulty or unnecessary hardship.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. #286-60, Objection Nos. 1, 2 and 3, dated August 25, 1961, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

1522-61-BZ

APPLICANT—Samuel Rosenblum for Sydney Trattler, owner.

SUBJECT—Application October 3, 1961—decision of the Borough Superintendent, under Section 7h of the Zoning Resolution, to permit in a residence use district, the maintenance of a parking lot for the parking and storage of more than five motor vehicles for a temporary term of ten years.

PREMISES AFFECTED—53-03 97th Street, southeast corner of Christie Avenue, Block 1897, Lot 27, Elmhurst, Borough of Queens.

APPEARANCES—

For Applicant: Samuel Rosenblum.

For Opposition: Louis Morga.

ACTION OF BOARD—Dismissed for lack of jurisdiction of the Board under the new Zoning Resolution.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

1545-61-BZ

APPLICANT—Albert Melniker for Michael J. Bilotto, owner.

SUBJECT—Application October 6, 1961—decision of the Borough Superintendent, under Sections 7c and 7h of the Zoning Resolution, to permit in a retail and residence use district, the maintenance of a parking lot for patron parking extending into the residence portion of the plot for use in conjunction with the adjoining restaurant.

PREMISES AFFECTED—476 Bement Avenue, west side, 125 feet north of Forest Avenue, Block 168, Lot 50, West Brighton, Borough of Richmond.

APPEARANCES—

For Applicant: Albert Melniker.

For Opposition: None.

ACTION OF BOARD—Application denied.

WHEREAS, the premises and surrounding area were in-

MINUTES

spected by a committee of the Board and the Committee recommended against granting the application; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, Subdivisions c and h of the Zoning Resolution.

Resolved, that the decision of the Borough Superintendent acting on Alt. Applic. #300-61, Objection No. 1, dated October 4, 1961, be and it hereby is *affirmed* and that the application be and it hereby is *denied*.

1550-61-BZ

APPLICANT—Joseph Mitchell for 25 Beekman Street Parking Corporation, owner.

SUBJECT—Application October 9, 1961—decision of the Borough Superintendent, under Section 7f of the Zoning Resolution, to permit in a retail use district for a temporary term of years, the erection of a four story and cellar building for use as an open type parking garage.

PREMISES AFFECTED—23-27 Beekman Street, south side, 120 feet 6¼ inches west of William Street, Block 92, Lots 34, 35 and 36, Borough of Manhattan.

APPEARANCES—

For Applicant: Joseph Mitchell.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on March 6, 1962, after due notice by publication in the Bulletin; laid over to March 20, 1962 for inspection and decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated October 4, 1961, acting on N.B. Applic. 115-61, reads:

"3. Garage for more than five (5) motor vehicles in a retail use district contrary to Article II, Section 4-A of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision f of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is *granted* under Section 7f of the Zoning Resolution, to permit in a retail use district, the erection of a four-story and cellar building for use as an open type parking garage, *on condition* that the work shall be done in accordance with drawings filed with this application dated October 9, 1961, 8 sheets; that the number of cars parked on the premises shall not exceed 149 and that there shall be no gasoline storage; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work done and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1551-61-A

APPLICANT—Joseph Mitchell for 25 Beekman Street Parking Corporation, owner.

SUBJECT—Application October 9, 1961—Appeal from a decision of the Borough Superintendent re-opening in rear enclosure wall.

PREMISES AFFECTED—23-27 Beekman Street, south side, 120 feet 6¼ inches west of William Street, Block 92, Lots 34, 35 and 36, Borough of Manhattan.

APPEARANCES—

For Applicant: Joseph Mitchell.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated October 6, 1961 on N.B. Applic. 115-61, reads:

"4. Opening in rear enclosure wall to have minimum length of fifty feet (50') as per C26-257.1 A.C."

and

WHEREAS, the applicant states that the proposed building will be 68 feet 10 inches by 85 feet in area, 4 stories and cellar, 36 feet high, of class 5 construction, located in retail use, B area and class 2½ height district, now used and occupied since 1961: #23 Beekman Street—vacant building; #25-27 Beekman Street—parking lot, 3 persons; substantially in accordance with temporary Certificate of Occupancy #54335 issued August 2, 1961 against Alt. Applic. 717-60; that the proposed use and occupancy will be: 1st floor—garage and offices, 3 persons; 2nd, 3rd and 4th floors—garage; that an accompanying zoning application 1550-61-BZ contains additional facts about the use of the premises; and

WHEREAS, the applicant states that the following are the conditions which make it impractical to fully comply with the requirement of Section C26-257.1A of the Administrative Code; that the plot is 68 feet 8 inches by 102 feet 8 inches in area, and with the elevator shafts, the open area at the rear is less than the minimum requirement of a 50 foot length of the unenclosed wall; that the rear wall is located 15 feet from the rear lot line and is therefore in compliance with subsection "e"; that the applicant respectfully asks for your reconsideration of this objection, and that the Board accept the condition as shown; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Borough Superintendent, dated October 6, 1961, acting on N.B. Applic. 115-61, Objection No. 4 be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that all requirements in the resolution adopted by the Board this day under Cal. No. 1550-61-BZ shall be complied with, and that a Certificate of Occupancy shall be obtained.

1553-61-BZ

APPLICANT—Elliot Saltzman for Leonard Ventura, owner.

SUBJECT—Application October 10, 1961—decision of the Borough Superintendent, under Section 21 of the Zoning Resolution, to permit in a residence use district, the change in occupancy of an existing one story building from a laundry to laundry machine repairs and sales and the storage of new and used laundry equipment.

PREMISES AFFECTED—1710 Pacific Street, south side, 306 feet 4 inches east of Schenectady Avenue, Block 1342, Lot 25, Borough of Brooklyn.

APPEARANCES—

Present: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein.

454-51-SA

APPLICANT—Hoyt Manufacturing Corporation, owner.
APPEARANCES—

For Applicant: Harold C. Burgo.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
454-51-SA—Amendment to resolution as to additional models of gas fired water washed clothes dryers.

Hoyt Manufacturing Corporation, Westport, Mass., requested that the resolution adopted November 20, 1951, under Calendar Number 454-51-SA be reopened and amended so as to include additional models of gas fired clothes dryers.

USE: Gas fired clothes dryers.

DESCRIPTION: The requested models are basically the same as the previously approved models differing only as to styling and BTU input. The Westport II having 130,000 BTU, the Westport III having 150,000 BTU, the Dryerette having 115,000 BTU and the Westport Jr. having 85,000 BTU per hour.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted November 20, 1951, under Calendar Number 454-51-SA be reopened and amended so as to include the additional models of gas fired clothes dryers as manufactured by Hoyt Manufacturing Corp., namely the Models Westport II, Westport III, Dryerette and Westport Jr. on condition that the requirements of the resolution adopted November 20, 1951, under Calendar Number 454-51-SA be complied with.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby amend the above cited resolution in accordance with the above report.

905-59-SA

APPLICANT—National Cylinder Gas, Division of Chemetron Corporation, owner.

APPEARANCES—

For Applicant: Gordon E. Male.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

905-59-SA—National Cylinder Gas, Division of Chemetron Corporation, requested that the resolution adopted April 5, 1960, under Calendar Number 905-59-SA be reopened and amended so as to include storage of liquid oxygen and argon in addition to nitrogen and to include additional sizes of storage vessels.

DESCRIPTION: The new sizes of storage vessels will be

337 gallons, 660 gallons, 1020 gallons, 2400 gallons and will be in addition to the previously approved 4800 gallon size.

These storage vessels will be used for liquid oxygen, nitrogen or argon and deliver the product as a gas to a customer's piping system.

They are double walled pressure vessels and include the control piping within a cabinet mounted on the outer jacket.

The inner vessel is designed, fabricated and tested in accordance with the ASME pressure vessel code for pressures of 200 PSI plus full external vacuum in the 337 gallon size and for pressures of 245 PSI plus full external vacuum for the larger sizes. The material is stainless steel or other metal suitable for —320°F service.

The outer steel vessel is designed, fabricated, and tested in accordance with the ASME Code for Unfired Pressure vessels for a full internal vacuum of 15 PSI. The test pressure is 30 PSI internal and the vessel is not code stamped because it is operated under less than 15 PSI and thus not covered by the code.

The space between the inner vessel and outer vessel is filled with a powder insulation of non-combustible material and evacuated to a high vacuum.

All inner vessels are protected by safety valves set at the vessel design pressure of either 200 PSI or 245 PSI. All inner vessels are also protected by a bursting disc set 50% over the design pressure at 300 PSI or 370 PSI. All piping and valve bodies are rated for 400 PSI and protected by safety valves set at 350 PSI. The outer vessel is protected by a device that opens under positive internal pressure.

The control cabinet contains a pressure gauge for indicating inner vessel pressure and a liquid level gauge for indicating inner vessel contents.

The control piping has a pressurizing circuit which consists of a coil of tubing exposed to the atmosphere and in which a measured amount of liquid is vaporized and superheated and returned to the gas phase of the unit to maintain operating pressure.

The control piping has an evaporating circuit for evaporating liquid contents and delivering the evaporated gas at controlled pressure to the customer's distribution system. The heat for this evaporation circuit may be obtained from the atmosphere by means of exposed finned coils, or it may be obtained from an open water container by means of immersed coils. Heat is returned to the water container either by thermostatically controlled immersion electric heaters or by thermostatically controlled steam.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted April 5, 1960, under Calendar Number 905-59-SA be reopened and amended so as to include the additional sizes of liquid gas converters of 337 gallons, 660 gallons, 1020 gallons and 2400 gallons in addition to the previously approved 4800 gallon size and to permit their use for the storage of liquid oxygen, argon or nitrogen on condition that the storage vessels in all cases will be installed outdoors where permitted by law and that, in the case of liquid oxygen storage, a clearance of at least 25 feet in all directions from the sides and top of the storage vessel shall be maintained and no smoking, open flames or storage of combustible materials permitted in the storage area, that in any case of liquid nitrogen or argon storage and in cases of storage of liquid oxygen on industrial sites, the minimum clearance between storage vessel and adjacent structures may be 5 feet if the walls are fire resistive in construction and with no openings in the walls within 25 feet of the storage vessel unless such openings lead to rooms used exclusively for the storage of oxygen, nitrogen or argon and/or the charging of cylinders or suitable containers with oxygen, nitrogen or argon in which case the distance from storage vessel to wall opening may be reduced to 10 feet, that all piping from the storage vessel and within the building be as required by the Fire Department, that each installation will be serviced and periodically inspected by specially trained personnel who have certificates of fitness issued by the Fire Department, that all electrical work will be in accordance with the Electrical Code of the City of New York, and further that each storage installation shall bear a label, permanently affixed, reading "Approved by

MINUTES

the Board of Standards and Appeals for use in New York City under Calendar Number 905-59-SA."

(Sgd.) WILLIAM A. NOLAN,
Director,

JOHN A. DARTS,
Asst. Engr.,

GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the above cited resolution in accordance with the above report.

1-60-SA

APPLICANT—National Cylinder Gas, Division of Chemetron Corporation.

APPEARANCES—

For Applicant: Gordon E. Male.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

1-60-SA—National Cylinder Gas Division of Chemetron Corporation, requested that the resolution adopted October 31, 1961, under Calendar Number 1-60-SA be reopened and amended so as to include additional semi-trailer tank trucks, LOT-10, LOT-21, LNT-26, LAT-28 and LOT-29 to be used for the transportation of liquid oxygen, nitrogen or argon.

DESCRIPTION: These semi-trailer tank trucks are similar in construction to the LNT-23 previously approved under Calendar Number 1-60-SA.

The liquid containers of these trucks are designed in accordance with the ASME pressure code for temperature down to -320°F and for a working pressure of either 25 psig plus full external vacuum or 30 psig plus full external vacuum. The containers, as in the case of the LNT-23, are equipped with a two inch relief valve set at 25 psig and a two inch bursting disc set to rupture at 44 psig.

The capacity of all tanks is 3600 gallons except the LNT-26 which has a nominal capacity of 5100 gallons. The liquid containers are of stainless steel except the LOT-10 which is of aluminum.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted October 31, 1961, under Calendar Number 1-60-SA be reopened and amended so as to include the NCG Liquid Gas Transport, LOT-10, LOT-21, LAT-28 and LOT-29 but not the LNT-26 whose capacity is deemed excessive for New York City use on condition that the requirements of the resolution adopted October 31, 1961, under Calendar Number 1-60-SA be complied with.

(Sgd.) WILLIAM A. NOLAN,
Director,

JOHN A. DARTS,
Asst. Engr.,

GEORGE F. SKLENARIK,

Resolved, that the Board of Standards and Appeals does hereby *amend* the above cited resolution in accordance with the above report.

886-60-SM

APPLICANT—Mansfield Sanitary, Incorporated, owner; Bert Gleichman and Associates, agent.

APPEARANCES—

For Applicant: Bertram W. Gleichman.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 886-60-SM—Mansfield Sanitary Inc., Perrysville, Ohio filed for approval of the material known as Mansfield Ballcock No. 07 under the provisions of the Submerged Inlet Rules of the Board.

USE: Anti syphon ballcock.

DESCRIPTION: The ballcock consists of a riser pipe on the terminal end of which is a brass casting containing the water shut-off mechanism and the vacuum breaker. The vacuum breaker is on the lower side of the casting, it has nine holes each $\frac{1}{8}$ inch in diameter which are the air relief ports. The ports are protected from spilling the incoming water by a neoprene diaphragm which seats against the ports under pressure. Under vacuum the diaphragm is pulled away from the ports.

The discharge in the ballcock is through a hush tube which incases the riser pipe.

The refill discharge is through an opening in the brass casting into which the refill tube is connected.

INSPECTION AND TEST: Details of construction were examined by Assistant Engineer J. A. Darts. The ballcock has been approved by the Cities of Detroit and Chicago and the Committee on Test has decided to accept these approvals in lieu of additional tests.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Mansfield Ballcock No. 07 for voluntary use in New York City when installed in accordance with the requirements of the Submerged Inlet Rules of the Board on condition that the appliance bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 886-60-SM."

The Committee further recommends that when the ballcock is installed, the base of the valve body be maintained a minimum distance of 1 inch above the overflow tube in the closet bowl.

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 35-61-SM—Northern Virginia Steel Corp., Springfield, Va., filed for approval of the material known as Springfield Steel Joists, Open Web Type for use under the provisions of C26-519.0 in classes of construction as provided under C26-240.0, C26-241.0 C26-244.0 and C26-620.0 Administrative Building Code.

USE: Open web steel joists used in building construction.

MINUTES

DESCRIPTION: The joists are manufactured in the following manner: The top and bottom chords are angles and the web members are steel rounds bent to form a Warren type truss. The truss members are welded to the chord mem-

bers. The ends of the joists are supported on plates arc welded in place to provide a 2½ inch standard depth of bearing.

The properties are as follows:

Joist Type	Top Chord	Bottom Chord	Web		Bending Moment	End Reaction
			End Section	Mid Section		
					IN—K	K
8S2	1" x 1" x ⅛"	1" x 1" x ⅛"	7/16"	7/16"	52.5	1.9
10S2	1" x 1" x ⅛"	1" x 1" x ⅛"	½"	7/16"	65.0	1.9

20S8	2" x 2" x 3/16"	1¾" x 1¾" x 3/16"	¾"	11/16"	420	4.2

INSPECTION AND TEST: Various tests were conducted on various size joists in accordance with the requirements of C26-519.0.d Administrative Building Code.

Various size joists were tested to determine that the maximum deflection shall not exceed 1/360 of the span for the total designed load. In all tests the joists were tested to the maximum span for its depth. The various sizes of joists all meet the requirements. The joists were also tested in shear to check the end reactions and successfully met the required test.

The joists also were tested in accordance with the additional requirements of C26-519.0 Administrative Building Code and successfully met all requirements.

The complete test reports of Froehling and Robertson are on file with and are part of the record.

RECOMMENDATION: On the basis of the tests and the data supplied by the applicant, the Committee on Test recommends the approval of the material known as Springfield Steel Joist, Open Web Type in sizes listed herein as having met the requirements of C26-519.0.d and e for use in classes of construction as provided under C26-240.0, C26-241.0, C26-244.0 and C26-620.c.I.b., on condition that all welding performed shall be in accordance with the requirements of the Welding Rules of the Board, on condition that all requirements of C26-519.0 are complied with and further that if a suspended ceiling is used in conjunction with the joists the ceiling shall comply with the requirements of C26-461.0, and that all joists shall be fastened and permanently bridged before construction or other loads are applied; that ceiling or floor openings not exceeding 4 feet in either direction at right angles to the joists may be framed by adequately proportioned header angles secured to framing joists by bolts or welds, provided the joists are designed to carry the concentrated loads and provided that each bundle of joists shall be identified as to dimension and shall bear a label "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 35-61-SM," and further that all plans submitted to the

Department of Buildings showing the proposed use of these joists shall be similarly marked.

(Sgd.) WILLIAM A. NOLAN,
Director,

JOHN A. DARTS,
Asst. Engr.,

GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

344-61-SA

APPLICANT—The Seeburg Corporation, owner; Atlantic N. Y. Corporation, agent.

APPEARANCES—

For Applicant: William Schwartz.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

WHEREAS, the report of a Committee on Test reads:

344-61-SA—The Seeburg Corporation, owner, filed for approval of the appliance known as Seeburg 4SCD Cold Drink Vendor for use in New York City under the provisions of Chapter 19, Article 18, Administrative Code and the Submerged Inlet Rules of the Board.

USE: Coin operated vending machine for post-mix cold drinks with or without crushed ice.

DESCRIPTION: Upon insertion of a coin, a contact is made releasing paper cup to a platform, in the vend stage area, after selection of anyone of four flavors is made. Water and syrup, which have been chilled, will be dispensed

MINUTES

through a spout filling the cup. The mixture of the water and syrup takes place within the mixing chamber before delivery through spout to cup.

The cabinet is made of heavy gauge sheet steel with adjustable legs, finished with baked enamel on exterior and interior. The cabinet height is 69½ inches, width 32 inches and depth 27½ inches. The lower compartment panel is removable to give easy access to the water pump and refrigeration units. The front-lighted plastic display panel is illuminated by 25 watt fluorescent tube across top of front door. The cup mechanism is a swing-out twelve-stack turret which has a 1400 cup capacity, 7 oz., 9 oz. or 10 oz. cups. A cup supply switch renders the machine inoperative when cup supply is exhausted. The cups are delivered through a chute to the drain board in the vend stage area. A plastic sliding door provides the front closing for the vend stage area.

The drink mechanism has four syrup pumps, each operated by its own motor. Full carbonation for one flavor, three flavors adjustable from no carbonation to full carbonation. The syrup is measured, then dispensed and blended with a metered amount of water (and ice, if desired). Syrup throw is adjustable at the pump. Rate of delivery is approximately four drinks per minute. All metal parts in contact with syrup or carbonated water are of stainless steel. The easily removed stainless steel syrup tanks are equipped with tightly fitting covers with large filler necks and caps. The capacity is 8 gallons for one tank, 5 gallons each for three tanks.

The absorption-type, stainless steel carbonator is designed to provide carbonated water for delivery of a finished drink with carbonated water containing a minimum of four volumes of carbonation. Water to the carbonator is supplied by a water pump. CO₂ gas is supplied through a regulator from a 15 lb. or 20 lb. CO₂ cylinder. The fresh water enters from the public service connection through a ¾ inch copper tubing into the vacuum breaker on exterior of cabinet, then through the vendor water inlet at bottom rear of vendor, to the water strainer, water pressure regulator that reduces excessive supply line pressure to 25 PSIG; and inlet solenoid valve. At a point located between the inlet solenoid valve and water pressure switch is a "Tee" with a check valve on line feeding the ice maker reservoir. From the inlet solenoid valve water flows to the water pressure switch, water pump, water cooling coil, and into the non-carbonated water solenoid valve.

The non-carbonated water solenoid valve controls the flow of the still water to the carbonator and to the still water nozzle at the vend stage. From the non-carbonated water solenoid valve, the water flows to the double check valve mounted on the side of the carbonator body at the water inlet connection, which prevents carbonated water from entering the still water system. The carbonated water solenoid valve controls the flow of carbonated water from the carbonator to the carbonated water nozzle.

The refrigeration system:

Ice Maker		Water Bath	
H. P.	1/3	H. P.	1/3
Refrigerant	R-12, 12 oz.	Refrigerant	R-12, 11 oz.
Amps	25	Amps	25
Volts and cycles	110-60	Volts and cycles	110-60

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Seeburg 4SCD Cold Drink Vendor for use in New York City under the provisions of Chapter 19, Article 18, Administrative Code and the Submerged Inlet Rules of the Board, on condition that the appliance bear a label, permanently affixed, reading, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 344-61-SA," and further that all electrical installation work shall comply with the requirements of the Electrical Code of the City of New York.

Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this appliance in accordance with the above report.

787-61-SA

APPLICANT—Samuel Carr for The Balcranck Incorporated, owner; Norman Harris, agent.

APPEARANCES—

For Applicant: S. Carr.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

787-61-SA—S. Carr for the Balcranck Incorporated, Cincinnati, Ohio, filed for approval of the appliance known as the Balcranck Pumps, various ratios, under the provisions of The Paint Spraying Rules of the Board.

USE: For transferring paints from drums or containers and for use with spray guns.

DESCRIPTION: The pumps are of the single tube construction and are air operated reciprocating double action type, pumping equal amounts on both strokes. The air motor is completely separated from the fluid pumping mechanism and therefore cannot be fouled.

The air operated agitator, separately controlled continuously mixes the material, thereby insuring a uniform viscosity.

The pump operates on 20 to 175 lbs. pressure and the delivery of the fluid depends on the air pressure used.

There are no electrical connection required, therefore there can be no sparking thus eliminating any possibility of explosion from vapors.

INSPECTION AND TEST: Details of construction were examined by Assistant Engineer J. A. Darts and it was noted that no electrical connections were required.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Balcranck Pumps, various ratios, for voluntary use in New York City for the transfer of paint and similar materials when operated in accordance with the requirements of the Paint Spraying Rules of the Board on condition that the pump bear a label, permanently affixed, reading, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 787-61-SA."

1005-61-SM

APPLICANT—Union Asbestos and Rubber Company, owner; Ronald Wild, Eastern Regional Manager, Agent.
APPEARANCES—

For Applicant: Ronald Wild.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 1005-61-SM—Union Asbestos and Rubber Co., Bloomington, Illinois, filed for approval of the material known as Unarco-board under the provisions of C26-88.0 Administrative Building Code.

USE: Incombustible asbestos sheet.

DESCRIPTION: The board is a mixture of asbestos and other inorganic materials of a proprietary nature having a medium density and hardness and is molded into slabs.

The board ranges in thickness from $\frac{1}{2}$ " to 2" and the standard sizes are 4'-0" x 4'-0" or 4'-0" x 8'-0".

INSPECTION AND TEST: The material has been approved by the Underwriters Laboratories as the result of test that showed no flame spread. The material meets the requirements of C26-88.0 Administrative Building Code.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Unarco-board (asbestos board) for voluntary use in New York City as an incombustible board on condition that each carton in which the material is marketed shall be marked or labeled, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1005-61-SM".

The Committee further recommends that this material shall not be used for structural slabs or as an hourly fire resistive partition.

APPLICANT—Keelan Hardware Company, owner.
APPEARANCES—

For Applicant: Solomon Kaplan.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 1325-61-SM—Keelan Hardware Company, New York City,

filed for approval of the material known as Keelan Grease Filter under the provisions of C26-712.0.e Administrative Building Code and C19-165.3 Administrative Code.

USE: Filters for prevention of excessive grease accumulation in kitchen range exhaust systems.

DESCRIPTION: The filter is designed to collect particles of grease and is installed in the exhaust system of restaurant range canopies. The filters are readily removable for maintenance.

The frames are made of either galvanized steel, aluminum or stainless steel.

The body of the filter is made of alternating layers of galvanized screening, both flat and corrugated. The outer layers are expanded steel, galvanized.

The sizes range from 10" x 20" x 2" to 20" x 25" x 2".

INSPECTION AND TEST: Details of construction were examined by Assistant Engineer J. A. Darts.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Keelan Grease Filter when constructed as herein described and installed in accordance with the requirements of C26-712.0.e Administrative Building Code and C19-165.3 Administrative Code on condition that the filter bear a label, permanently affixed, reading, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1325-61-SM".

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

1529-61-SM

APPLICANT—Leonard Hetson for Purity Paint Products Corporation, owner; Sinclair Paint and Chemical Incorporated, agent.

APPEARANCES—

For Applicant: Leonard Hetson.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 1529-61-SM—Purity Paint Products Corp., Brooklyn, New York, filed for approval of the material known as Perma-Lok under the provisions of C26-191.0 and C26-467.0 Administrative Building Code.

USE: To bond plaster to concrete.

DESCRIPTION: The material is a chemical coating, the mixture of which is of a proprietary nature therefore the Board has placed the formula in a sealed envelope and placed it in the Board's safe so that it can be examined at any time if the need arises.

The material is applied by brush or spray and the coverage on porous surface is 150-200 sq. ft. per gallon and 500 sq. ft. per gallon on non porous surface.

INSPECTION AND TEST: Samples of the material were tested at Manhattan College. The following tests were conducted, Tension, Shear, Vibration, Acidity and Toxicity.

The tension tests were made on three different groups of standard briquettes.

The first group consisted of three briquettes each of (1) neat cement; (2) Ottawa Sand Mortar; (3) Cowboy Sand Mortar; (4) Brown Coat; (5) Finish plaster; (6) Acoustical plaster and (7) Perlite plaster. Samples were tested and the halves saved.

MINUTES

The second group was made up by cementing together the halves of the first group, after testing, with the bonding agent.

The third group was made up of taking half briquettes of neat cement, placing them in the briquette molds; coating the exposed cross section with the bonding agent and then moulding the other half of brown coat, finish plaster, acoustical plaster and perlite plaster.

In all cases of the second and third group, the failure was in the base material.

The shear test showed a failure at 291 P.S.I.

Vibration: At the end of 259,200 vibrations there was no sign of failure in the plaster or in the bond.

Acidity: At the end of twenty-five days there was no failure in the plaster or in the Bonding Agent.

Toxicity: The toxic effect of the products of combustion was not more dangerous than the products of combustion of other materials used in construction.

The complete report of Manhattan College is on file with and is part of the record.

RECOMMENDATION: On the basis of the inspection and test and the data filed by the applicant, the Committee on Test recommends the approval of the material known as Perma-Lok as manufactured by Purity Paint Products Corp., for voluntary use in New York City as a bonding agent to bond plaster to concrete or to cement mortar; the Committee further recommends that this material may be used as an adhesive to bond a finish coat directly over concrete, provided a three coat plaster is not required, for example, a lime putty finish coat on concrete columns.

It is further recommended that, in no way shall this material be construed to be the equivalent, nor shall it be used in lieu of a coat of plaster and further that each container in which this material is marketed shall be marked, labeled or stamped, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1529-61-SM".

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this material in accordance with the above report.

THE RESOLUTION—

WHEREAS, this application was granted by the Board on November 7, 1951, on certain conditions; and

WHEREAS, the term of variance was last extended on February 2, 1960; and

WHEREAS, the applicant requested a further extension of the term of variance..

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on November 7, 1951, as amended through February 2, 1960, only as to the term of the variance, so that as amended this portion of the resolution shall read:

"granted for a term of five (5) years from the date of this amended resolution, to permit . . .; that other than as herein amended the resolution above cited shall be complied with in all respects." Fire Dept. Order #29912-LC.

60-61-A

APPLICANT—A. L. Seiden for A. Blank, Inc., owner; Chemical Bank New York Trust Company, lessee.

SUBJECT—Application January 25, 1961—appeal from an order of the Fire Commissioner, re—automatic sprinkler system.

PREMISES AFFECTED—84-85 South Street, north side, 43.7 feet west of John Street, Block 72, Lot 27, Borough of Manhattan.

APPEARANCES—

For Applicant: A. L. Seiden.

For Administration: E. A. Meyer, Fire Dept.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Becker and Commissioner Klein 4

Negative: Commissioner Fox 1

THE RESOLUTION—

WHEREAS, the order of the Fire Commissioner, dated January 13, 1961 on Order No. 5703.0, reads:

"1. Install an approved, wet automatic sprinkler system throughout the building having at least one source of water supply, arranged and equipped as per Chapter 26-1336.0 Adm. Code."

and

WHEREAS, the applicant states that the building is 35.6 feet by 164.8 feet in area, 8 stories, 70 feet high, of class 3 construction, located in unrestricted use, B area and class 2 height district, built in 1902, now used and occupied since 1902: cellar, 1st to 8th floors—warehouse (storage of bank records); that the only occupants are on the 1st floor—3 persons; that the proposed use and occupancy will be the same; and

WHEREAS, the applicant states that the 3 persons mentioned in the building are stationed on the 1st floor only, checking incoming and outgoing material; that all of the upper floors above the 1st floor have no human occupancy; that one tenant, occupies the entire building for storage of bank files; that in addition, it is now proposed to install a thermostatic fire alarm system with central office connection, as an extra fire safety measure throughout the entire building; that the owner also proposed to fire retard the entire cellar ceiling; that excellent housekeeping is maintained throughout at all times; that the history of the building is very good, with a record free of fires; that the applicant would further like to call the attention of the Board to the fact that this property is within the area of the proposed World Trade

MINUTES

Center, and is due for demolition as per attached copy of letter from the City Planning Commission; and

WHEREAS, the premises was inspected by a committee of the Board

Resolved, that the decision of the Fire Commissioner dated December 9, 1960 and January 13, 1961, acting on V.O. #478599, Item 1 be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the building conform to drawing filed with this application dated Jan. 25, 1961, eight sheets; *on further condition* that the grant is to be in effect only as long as the present occupancy is maintained; that the cellar ceiling shall be fire retarded and that a thermostatic fire alarm system with central office connection shall be installed and maintained; that the enclosure from the stairway at the front of the building to the street at the first floor shall be a one-hour enclosure with fireproof self-closing door opening in the direction of egress.

172-61-A

APPLICANT—Arthur H. Rosenfeld for Harry Steigman, owner.

SUBJECT—Application February 15, 1961—Appeal from an order of the Fire Commissioner re—Sprinkler system.

PREMISES AFFECTED—547-549 Avenue of The Americas, southwest corner of West 15th Street, Block 790, Lot 40, Borough of Manhattan.

APPEARANCES—

For Applicant: Arthur H. Rosenfeld.

For Administration: E. A. Meyer, Fire Dept.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the order of the Fire Commissioner, dated December 15, 1960 and January 16, 1961 on Order No. 5743-0, reads:

"1. Install an approved, wet automatic sprinkler system throughout the building having at least one source of water supply, arranged and equipped as per Chapter 26-1336.0 Adm. Code.
Ch. 19.161.0 Adm. Code."

WHEREAS, the applicant states that the building is 83 feet by 120 feet in area, 5 stories, 70 feet high, of class 3 construction, located in business use, B area and class 1½ height district, built before 1896, now used and occupied since 1895: cellar—boiler room, offices, toilet and storage, 6 person; 1st floor—furniture display office and sales, 8 persons; 1st floor mezzanine—furniture display; 2nd floor—furniture display; 2nd floor mezzanine—furniture display and toilets; 3rd floor—warehouse—1 person; 4th floor—furniture display and sales, 1 person; 5th floor—furniture display and toilets; that the proposed use and occupancy will be the same; and

WHEREAS, the applicant states that the entire building is under a single occupancy; that the present building is used as a wholesale showroom with limited access to the general public resulting in a very low human occupancy; that the appellant intends to extend present Stair #1 on the 1st floor with a one hour enclosure to the street (Sixth Avenue) in order to improve the present exit facilities; that the appellant proposes to remove any or all existing wooden partitions and display dividers in the cellar so as to eliminate any such fire hazards; that the building is a corner building with an abundance of windows thus providing ready access to the Fire Department in case of any emergency; that the appellant proposes to install an approved automatic sprinkler system throughout the cellar floor arranged and equipped as per Chapter 26-1336.0 Adm. Code; that the present house-keeping is of high quality; that the cost of installing a sprinkler system in this building would work an undue hardship on the owner; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Fire Commissioner, dated

Dec. 15, 1960 and Jan. 16, 1961, acting on 5743-O, Item 1 be and it hereby is *modified* and that the appeal be and it hereby is *granted* on condition the building conform to drawings filed with this application dated June 16, 1961, seven sheets, *on further condition* that the interior fire alarm system be reactivated and maintained in good condition. that a one source automatic sprinkler system be installed throughout the cellar.

APPEARANCES—

For Applicant: Herbert Shiff.

For Administration: E. A. Meyer, Fire Dept.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the order of the Fire Commissioner, dated December 9, 1960 and January 23, 1961 on Violation Order No. 478599, reads:

"1. Provide an approved automatic sprinkler system throughout entire building."

and

WHEREAS, the applicant states that the building is 42 feet 6¾ inches by 60 feet 5¼ inches in area, 10 stories, 117 feet high, of class 1 construction, located in unrestricted use, A area and class 2 height district, built in 1899, now used and occupied since 1916: cellar—boiler room and storage of casings, 1 person; 1st floor—assorting sausage casing, 20 persons; 2nd floor—offices, 5 persons; 3rd floor—storage of rubber hose, 1 person; 4th floor—storage of rubber hose; 5th floor—manufacturing zippers, 5 persons; 6th floor—manufacturing chocolate novelties, 5 persons; 7th floor—vacant; 8th floor—vacant; 9th floor—manufacturing of metal novelties, 3 persons; 10th floor—cavair treatment, not presently operating, without certificate of occupancy; that the proposed use and occupancy will be the same; and

WHEREAS, the applicant states that this is a wholly fire-proofed building, built of concrete and steel; that the floors are also of concrete as are the ceilings; that the shafts and fire enclosures are completely fireproofed; that a total of only 40 people are employed in this entire 10-story building; that all of the businesses conducted on the various floors are being conducted in strict compliance with all lawful requirements; that this building is equipped with approved standpipe and fire alarm systems, with regular monthly fire drills being held; that preliminary inquiries disclose that the installation required by the order hereunder cost approximately \$50,000.00; that the minimum cost here involved would be a sum far in excess of the funds available to appellant or obtainable by it through a mortgage loan; that these premises were purchased by appellant in the year 1958 for the sum of \$82,500.00; which sum appellant respectfully asks this Board to equate with a possible expenditure of more than \$50,000.00 for an automatic sprinkler system; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Fire Commissioner, dated December 9, 1960 and January 23, 1961, acting on V.O. 478599 Objection No. 1 be and it hereby is *modified* and that the appeal be and it hereby is *granted* on condition the building conform with drawings filed with the application dated Feb. 20, 1961, seven sheets; *on further condition* that a thermostatic fire alarm system with central office connection be provided, and the present standpipe be maintained.

292-61-A

APPLICANT—Irwin Emerman for Leonard Kaplan, owner.

SUBJECT—Application March 3, 1961—Appeal from an order of the Fire Commissioner re—sprinkler system.

PREMISES AFFECTED—95 Reade Street, south side, 74 feet 6 inches west of Church Street, 113 Chambers Street, Block 145, Lot 6, Borough of Manhattan.

APPEARANCES—

For Applicant: Irwin Emerman.

For Administration: E. A. Meyer, Fire Dept.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the order of the Fire Commissioner, dated December 30, 1960 on Order No. 425629 reads:

"1. Install an approved, wet automatic sprinkler system throughout the building having at least one source of water supply, arranged and equipped as per Chapter 26—Article 16—Admin. Code.— C-19-161.0 Adm. Code Section 280-LL."

and

WHEREAS, the applicant states that the building is 25 feet by 150 feet in area, 5 stories, 72 feet 8 inches high, of class 3 construction, located in business use, B area and class 2½ height district, built in 1894, now used and occupied since 1894: sub-cellar—storage; cellar—storage; 1st floor—barber shop, 4 persons; 2nd floor—office and storage, 4 persons; abrasive and gaskets and storage, 4 persons; storage of radio parts and engraver, 4 persons; 3rd floor—gaskets and radio parts, storage, 2 persons; 4th and 5th floors—storage of radio parts; without a certificate of occupancy; that the proposed use and occupancy will be substantially the same; and

WHEREAS, the applicant states that the building is on two streets, namely Reade and Chambers Streets; that each of the floors has an area of 3,750 square feet with two wood interior 4 foot wide stairs, as the means of egress; that the stairs are located on the eastside of the building ending onto Reade and Chambers Streets; that each of the stairs ends with a scuttle to the roof; that there is no certificate of occupancy and none has ever been issued; that the building is used solely for storage, by the owner and tenants, therein, since the building has been owned by the present owner; that all of the leases with the tenants provide for use for storage and/or offices; that in no case are any of the floors to be used and occupied for factory purposes; that the owner intends, as shown from the plans of proposed conditions filed herewith, to provide fireproof hallway and stairway enclosures, with self-closing fire doors for both stairways, from sub-cellar to the roof, so that there will be 2 adequate and safe means of egress; that the existing elevator shaft is to be enclosed in fireproof partitions of 2½ inch cement plaster on wire lath, supported by angles, together with self-closing fire doors; that the cellar and sub-cellar is to be vented by installing openings under the window fronts on Reade and Chambers Streets; that there is, presently, 4 separate siamese connections to perforated pipes in the cellar and sub-cellar; that one half of each cellar and sub-cellar are being fed by the siamese connections on each street; that access for firemen to bring hoses into the cellar and sub-cellar can be had by opening the sidewalk hoistway doors; that none of the material stored in the building, from the sub-cellar to the roof, is combustible, volatile or hazardous; that one of the tenants on the 3rd floor had an employee that on occasion used a drill press contrary to his lease; that he has agreed to vacate the premises; that another tenant, who may be performing manufacturing contrary to the terms of his lease, has been notified to vacate the premises; that under the Rules of the Board, there is nothing hazardous in the material per se, that is being stored; that as there is no manufacturing of any nature being performed in the build-

ing, this is not a factory building, in the definition of Section 10 of the Labor Law; that a review of the various Fire Department Violation Orders filed herewith shows, that on December 16, 1960, this was classified a Commercial building and only safe and adequate means of egress was required; that on December 30, 1960, the Fire Department classified this building as a Mixed Commercial building, for the purpose of ordering that an automatic sprinkler system be installed; that on February 2, 1961 the Fire Department, in issuing their superseding order, for the installation of an automatic sprinkler system, classified the building as a factory building and is requiring the owner to comply with Section 280 of the Labor Law; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Fire Commissioner, dated Dec. 30, 1960, acting on Order No. 425629, be and it hereby is *modified* and that the appeal be and it hereby is *granted* on condition the building conform to drawings filed with this application dated March 3, 1961, 8 sheets, December 27, 1961, 2 sheets, on condition that all other laws, rules, regulations applicable be complied with, that there shall be no manufacturing in the building, and that the present perforated pipe system be maintained in good order.

1073-61-A

APPLICANT—William L. Messing for Cormac Chemical Corporation, owner.

SUBJECT—Application for consideration—reopening for amendment of resolution—Appeal from a decision of the Fire Commissioner—re Storage and sale of inflammable mixture known as "Unidri" in plastic containers not in conformity with Administration Code requirements; previously granted on condition.

APPEARANCES—

For Applicant: William L. Messing.

ACTION OF BOARD—Application reopened and resolution amended.

THE VOTE—

Affirmative: Chairman Foley, Commissioner Fox, Commissioner Becker and Commissioner Klein 4

Negative: Vice Chairman Kleinert 1

THE RESOLUTION—

WHEREAS, this application was granted by the Board on January 9, 1962, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on January 9, 1962, only so far as it refers to the flashpoint of the mixture, so that as *amended* this portion of the resolution shall read:

"and that the flashpoint of the Unidri shall be not less than 75° F." Fire Department Order #1526-1

1204-61-A

APPLICANT—Crinnion and Crinnion for Manhattan Four Corporation, owner.

SUBJECT—Application July 25, 1961—Filed pursuant to Section 310 of the Multiple Dwelling Law for variation of Section 34 and Section 216 of the Multiple Dwelling Law re—minimum dimensions of yard and courts.

PREMISES AFFECTED—348 East 78th Street, south side, 170 feet west of First Avenue, Block 1452, Lot 34, Borough of Manhattan.

APPEARANCES—

For Applicant: Stanley Ciecierski.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated July 5, 1961 on Alt. Applic. 399-61, reads:

"A-2 Objection repeated. Cellar apt. not acceptable as

MINUTES

per Sec. 216 & 34 Multiple Dwelling Law." and

WHEREAS, the applicant states that the building is 20 feet by 78 feet in area, 5 stories, 60 feet high, located in residence use, B area and Class 1½ height district; and

WHEREAS, the applicant states that the building was erected as an old law tenement in 1887, under N.B. Applic. 1485/87, with 5 stories and a cellar, with one family on each of the 1st through 5th floors; that soon after completion, the rooms at the rear of the cellar were used in conjunction with the 1st floor owner's apartment, and were continuously used until alteration of the building in 1959, Alt. 1561-59, at which time the building was renovated and altered for occupancy by 10 families, with 2 apartments on each of the 1st through 5th floors; that at the time this application was filed, the Department of Buildings required the removal of the private stair connecting the cellar rooms with the 1st floor, and the approved use of the cellar is as a "boiler room, storage area and tenant's laundry", Certificate of Occupancy No. 52711 was issued August 31, 1960; that the purpose of this application is to seek approval for the use of the rear portion of the cellar as a 2 room apartment with an entry foyer as shown on the plans submitted herewith; that the ceiling height in the cellar is 8 feet 1 inch in the clear, and the 2 living rooms are ventilated by windows, while the foyer is ventilated by means of a through-wall air conditioning unit; that the level of the rear yard is approximately 4 inches below the cellar floor level; that the apartment conforms in all respects with Section 34.6 of the Multiple Dwelling Law, with the exception that the rear yard in this case is 24 feet 2 inches rather than the required 30 feet "Adequate adjacent space" required under this section; that however, there is the additional outer court 6 feet by 16 feet at the rear, and the existing yards surrounding the property assure adequate ventilation and light for this apartment; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Borough Superintendent, dated July 5, 1961, acting on Alt. App. 399-61 Objection No. A-2 be and it hereby is *modified* and that the appeal be and it hereby is *granted* on condition the building conform to drawings filed with this application dated July 25, 1961, seven sheets; and that a new certificate of occupancy be obtained.

1295-61-A

APPLICANT—Albert Melniker for Sebastian Parlato, owner.

SUBJECT—Application August 8, 1961—Filed pursuant to Section 36 Art. III of the General City Law re—building not facing legal street.

PREMISES AFFECTED—61 Alberta Avenue, north side, 274.33 feet west of Wild Avenue, Block 2637, Lot 19, Travis, Borough of Richmond.

APPEARANCES—

For Applicant: Albert Melniker.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated July 20, 1961 on N.B. Applic. 1168-60, reads:

"1. The application for the above building to be located on a street that is not final mapped is contrary to Art. III Sec. 36 of the General City Law."

and

WHEREAS, the applicant states that the proposed building will be 26 feet by 46 feet in area, of class 4 construction, located in residence use, E area and class 1 height district; that the proposed use and occupancy will be: 1 family dwelling and 1 car garage in cellar; and

WHEREAS, the applicant states that the street on which the property faces is one that has all utilities in and in use, i.e.

sewer, water, gas, telephone and electricity; that this street is paved, hardtop road with curbs in; that due to a recent interpretation by the Department of Buildings that no permits will be issued where streets are not final mapped; that this has prevented the issuance of a permit for the construction of this proposed dwelling; that approximately 50% of the streets on Staten Island are not final mapped nor do they have sanitary or storm drainage plans; that this condition has created a hardship on the owner; that he is not able to use the property he purchased for his own dwelling; that he is paying taxes on an assessment for the value of land consistent with usable property; that Alberta Avenue while not final mapped has a tentative map #17 prepared by the Engineering Department of the Borough of Richmond; that this map indicates that the difference in grades between existing and tentative is less than 0.2 feet (approximately 2½ inches); that the street width is tentatively mapped at 50 feet; that not only will the proposed building conform to all current zoning regulations but the building is placed 15 feet back of the front property line in order to allow for any eventual widenings by the City of New York; that the property is generally level and the street has no particular grade or terrain problems; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated July 20, 1961 acting on N.B. Applic. 1168-60, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted on condition* that the building shall conform to drawings filed with this application dated August 8, 1961, one sheet; and December 26, 1961, one sheet; that a Certificate of Occupancy shall be obtained, and that the wording of this resolution shall appear on the face of that Certificate of Occupancy.

1549-61-A

APPLICANT—Hector Ferreras for Eugene A. Mathews, owner.

SUBJECT—Application October 9, 1961—Filed pursuant to Section 36 Art. 3 of the General City Law re—building not facing legal street.

PREMISES AFFECTED—1050 Victory Boulevard, east side, 287.65 feet south of Highland Avenue, Block 603, Lot 38, Meiers Corners, Borough of Richmond.

APPEARANCES—

For Applicant: Paul De Stefano.

ACTION OF BOARD—Appeal granted on condition.

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated September 29, 1961 on N.B. Applic. 1282-60, reads:

"1. The streets giving access to these proposed new buildings are not included on the official map of the City of New York and is contrary to Art. III Para. 36 of the General City Law."

and

WHEREAS, the applicant states that the building to be constructed is 26 feet by 32 feet 8 inches in area, 2 stories, 23 feet high, of class 4 construction, located in residence use, E-1 area and class 1 height district; that the proposed use and occupancy will be: two family dwelling; and

WHEREAS, the applicant states that Victory Boulevard is asphalt paved with existing sanitary sewer, electricity, telephone, gas and water and also has concrete curbs; that Victory Boulevard although not final mapped has a proposed 100 feet street of which 20 feet will be on our property; that we are setting back our building far enough to clear the proposed widening line; that although the ground slopes from the street to the rear an average of 8 feet of which we are taking the advantage so that we can set our first floor way above the existing elevation of the existing concrete

MINUTES

curbs; that there are utilities in the street and the condition of the asphalt paved road as kept by the Borough President's office is good; and

WHEREAS, the premises was inspected by a committee of the Board and the committee found that utilities have been installed and the street paved.

Resolved, that the decision of the Borough Superintendent, dated September 29, 1961, acting on N.B. Applic. 1282-60 Objection No. 1 be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted* on condition the building conform to drawing filed with this application dated Oct. 9, 1961, one sheet, and that a certificate of occupancy shall be obtained.

1664-61-A

APPLICANT—Lawrence W. Larsen for John J. Raggi, owner.

SUBJECT—Application November 8, 1961—Filed pursuant to Section 36 Art. 3 of the General City Law re—building not facing legal street.

PREMISES AFFECTED—96 Longview Road, east side, 141.31 ft. south of Concord Place, Block 631, Lot 135, Concord, Borough of Richmond.

APPEARANCES—

For Applicant: Lawrence W. Larsen.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated November 6, 1961 on N.B. Applic. 1205-61, reads:

"1. The street giving access to this construction is not on the official map and is contrary to par. 36 of the General City Law, Art. 3."

and

WHEREAS, the applicant states that the proposed building will be 39 feet by 51.5 feet in area, 1 story, 30 feet high, of class 4 construction, located in residence use, E area and class $\frac{3}{4}$ height district; that the proposed use and occupancy will be: 1 family frame dwelling with one car garage attached; and

WHEREAS, the applicant states that the property facing Longview Road is about 90% developed, on both sides; Longview Road is 34 feet wide between existing curbs; has a 2 year old macadam surface in excellent condition; that the street has all utilities including sewer; that the street offers no drainage problem; that the street has been in use for many years; that Longview Road is one of the principal roads connecting Wagner College, Grymes Hill area to Concord and bus line in St. George, Staten Island.

WHEREAS, the premises was inspected by a committee of the Board which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated Nov. 6, 1961, acting on N.B. Applic. 1205-61 Objection No. 1 be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law and that the appeal be and it hereby is *granted* on condition that the building conform to drawings filed with this application dated Feb. 7, 1962, two sheets; *on further condition* that a connection be provided to the sewer in the street.

1690-61-A

APPLICANT—Kenneth W. Milnes for Manuel and Margarita Perez Varela, owner.

SUBJECT—Application November 14, 1961—Filed pursuant to Section 36, Art. 3, of the General City Law—re building not facing legal street.

PREMISES AFFECTED—14 Wilson View Place, west side, 65.24 feet south of Douglas Road, Block 835, Lot 152, Emerson Hill, Borough of Richmond.

APPEARANCES—

For Applicant: Kenneth W. Milnes.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated, November 10, 1961 on N.B. Applic. 933-61, reads:

"1. Erection of a building upon a lot where the street giving access is not included on the official map of the City of New York is contrary to Article 3 Section 36 of the General City Law."

and

WHEREAS, the applicant states that the building to be constructed will be 19.75 feet by 44 feet in area, 2 stories, 29 feet high, of class 4 construction, located in residence use district, E area and class $\frac{3}{4}$ height district; that the proposed use and occupancy will be: cellar—storage, heat, etc.; 1st floor—one family residence; 2nd floor—one family residence;

WHEREAS, the applicant states that the street in question on which his lot faces now has 7 dwellings facing upon it and is serviced with sewer, water and electric utilities; that the present residence on Lot #185 facing on this street is also owned by this same owner; that this very street is by no means a new one, being in one of the oldest and finest residential sections of Staten Island, namely Emerson Hill, with many valuable houses thereon and I doubt that any on the streets in this area would meet the requirements of being final mapped; and

WHEREAS, the premises was inspected by a committee of the Board which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated November 10, 1961, acting on N.B. Applic. 933-61 Objection No. 1 be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted* on condition the building conform to drawings filed with this application dated November 14, 1961, two sheets; *on further condition* that the owner shall construct temporary sidewalk, curb cut, curb and pavement to the center of the street in accordance with the standards of the Borough Presidents' office; that a certificate of occupancy shall be obtained and that the wording of this resolution shall appear on the face of the certificate of occupancy.

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated November 27, 1961 on Alt. Applic. 2653-61, reads:

"1. Proposed use of a Class V bldg. in excess of 15,000 sq. ft. for manufacturing & storage of materials requiring a Combustible occupancy permit from the Fire Dept. is contrary to 4.2.1 Bldg. Code."

and

WHEREAS, the applicant states that the building is 91.5 feet by 422 feet in area, 1 story, 29 feet 8 inches high, of class 5 construction, located in unrestricted use, A area and class 1 height district, built in 1944, now vacant, previously used as a machine shop, substantially in accordance with Certificate of Occupancy #Q31591 issued October 10, 1944 against N.B. Applic. 853-42; that the proposed use and occupancy will be: 1st floor—manufacture and storage of Polyvinyl Chloride Film and Chemical Products, 80 persons; and

WHEREAS, the applicant states that the building has an area of 37,625 square feet; that it is constructed with brick enclosure walls and has a monitor, the side walls of which are of corrugated metal construction; that the building will be occupied for the manufacture and storage of combustible and non-combustible chemical products; that it is proposed to erect a fire wall dividing the building into areas of 12,800 square feet and 24,825 square feet; that the smaller area

will be used for the manufacture and storage of flammable chemical products and the larger area will be used for the manufacture and storage of non-flammable chemical products; that an approved type one-source sprinkler system will be provided for the entire building; that the building is located on a lot having an area of 5 acres and is well isolated from any other buildings; that the heating plant for the building will be located in a separate one story building now existing as shown on the plot and which is 55 feet distant from the proposed factory building; and

WHEREAS, the premises was inspected by a committee of the Board.

Resolved, that the decision of the Borough Superintendent, dated November 27, 1961, acting on Alt. Applic. 2653-61 Objection No. 1 be and it hereby is *modified* and that the appeal be and it hereby is *granted* on condition the building conform to drawings filed with this application dated Dec. 14, 1961, four sheets; *on further condition* that a two-source automatic sprinkler system with central office connection be installed and maintained throughout the building.

15-62-A

APPLICANT—Robert Charlton for Meico Development Corporation, owner.

SUBJECT—Application January 8, 1962—Filed pursuant to Section 36 of the General City Law re—building not fronting legal street.

PREMISES AFFECTED—551 Oder Avenue, southeast corner of Hay Street, Block 3172, Lot 24, Concord, Borough of Richmond.

APPEARANCES—

For Applicant: Robert Charlton.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated December 28, 1961 on N.B. (pd) Applic. 2759-61, reads:

"1. The street on which this building fronts, is not on the official map of the City of New York and therefore is contrary to Section 36 of the General City Law."

and

WHEREAS, the applicant states that the building will be 15 feet by 40 feet 6 inches in area, 2 stories, 23 feet high, of class 3 construction, located in residence use, E area and class 1 (R3-2) height district; that the proposed use and occupancy will be a one family dwelling; and

WHEREAS, the applicant states that the tentative grades and existing grades are substantially the same, as indicated on plans submitted herewith; that upon completion of construction, this corporation shall install all necessary utilities and new sidewalks, pavement and curbs in accordance with standards of the Borough Presidents' office; that the proposed location of these buildings is within one half a block of a final mapped street, Targee Street; that this location is one of a few plots remaining vacant with the exception of areas designated by the City of New York for park area, in a built up area; that there were no objections to the many dwellings erected in this area in previous years; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated Dec. 28, 1961 acting on N.B. Applic. 2759-61, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted on condition* that the building shall conform to drawing filed with this application dated Jan. 8, 1962, one sheet; and *on further condition* that the owner shall construct a temporary sidewalk, curb, curb cut and pavement to the center of the street in accordance with the standards of the Borough Presidents' Office;

MINUTES

that a Certificate of Occupancy shall be obtained and that the wording of this resolution shall appear on the face of that Certificate of Occupancy.

APPLICANT—Robert Charlton for Meico Development Corporation, owner.

SUBJECT—Application January 8, 1962—Pursuant to Section 36 of the General City Law re—building not fronting legal street.

PREMISES AFFECTED—553 Oder Avenue, east side, 33.23 ft. south of Hay Street, Block 3172, Lot 23, Concord, Borough of Richmond.

APPEARANCES—

For Applicant: Robert Charlton.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated December 28, 1961 on N.B. (pd) Applic. 2758-61, reads:

"1. The street on which this building fronts, is not on the official map of the City of New York and therefore is contrary to Section 36 of the General City Law."

and

WHEREAS, the applicant states that the building will be 15 feet by 40 feet 6 inches in area, 2 stories, 23 feet high, of class 3 construction, located in residence use, E area and class 1 (R3-2) height district; that the proposed use and occupancy will be a one family dwelling; and

WHEREAS, the applicant states that the tentative grades and existing grades are substantially the same, as indicated on plans submitted herewith; that upon completion of construction, this corporation shall install all necessary utilities and new sidewalks, pavement and curbs in accordance with standards of the Borough President's Office; that the proposed location of these buildings is within one half a block of a final mapped street, Targee Street; that this location is one of a few plots remaining vacant with the exception of areas designated by the City of New York for park area, in a built up area; that there were no objections to the many dwellings erected in this area in previous years; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated Dec. 28, 1961 acting on N.B. Applic. 2758-61, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted on condition* that the building shall conform to drawings filed with this application dated Jan. 8, 1961, one sheet; and *on further condition* that the owner shall construct a temporary sidewalk, curb, curb cut and pavement to the center of the street in accordance with the standards of the Borough President's Office; that a Certificate of Occupancy shall be obtained and that the wording of this resolution shall appear on the face of that Certificate of Occupancy.

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated Jan. 3, 1962, acting on N.B. Applic. 1482-61—, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted on condition* that the building shall conform to drawing filed with this application marked received Jan. 8, 1962, one sheet; and on *further condition* that the owner shall construct a temporary sidewalk, curb, curb cut and pavement to the center of the street in accordance with the standards of the Borough President's Office; that a Certificate of Occupancy shall be obtained and that the wording of this resolution shall appear on the face of that Certificate of Occupancy.

28-62-A

APPLICANT—Robert Charlton for Meico Development Corporation, owner.

SUBJECT—Application January 8, 1962—Filed pursuant to Section 36 of the General City Law re—building not facing legal street.

PREMISES AFFECTED—589 Britton Avenue, northeast corner of Baltic Avenue, Block 3155, Lot 6, Concord, Borough of Richmond.

APPEARANCES—

For Applicant: Robert Charlton.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated January 3, 1962 on N.B. (pd) Applic. 1481-61, reads:

"1. The street on which this building fronts, is not on the official map of the City of New York and therefore is contrary to Section 36 of the General City Law."

and

WHEREAS, the applicant states that the building will be 15 feet by 40 feet 6 inches in area, 2 stories, 23 feet high, of class 3 construction, located in Residence (R3-2) use, E area and class 1 height district; that the proposed use and occupancy will be a one family dwelling; and

WHEREAS, the applicant states that the building is one of six, two story, one family dwellings, which is proposed to be erected on the above referenced location; that tentative grades and existing grades are substantially the same as indicated on the plans submitted herewith; that the street is

MINUTES

improved to the extent that all utilities are installed (sewer, water, gas, electric service); that upon completion of construction, this corporation shall install new sidewalks, pavements and curbs in connection with the standards of the Borough President's Office; that the proposed location of these buildings is within one half a block from two final mapped streets, Clove Road and Hanover Avenue; that this location is one of a few plots remaining vacant in a built up area; that there were no objections to the many dwellings erected in this area in previous years; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated Jan. 3, 1962 acting on N.B. Applic. 1481-61—, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted on condition* that the building shall conform to drawing filed with this application marked received Jan. 8, 1962, one sheet; and *on further condition* that the owner shall construct a temporary sidewalk, curb, curb cut and pavement to the center of the street in accordance with the standards of the Borough President's Office; that a Certificate of Occupancy shall be obtained and that the wording of this resolution shall appear on the face of that Certificate of Occupancy.

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. IV, on January 24, 1961, on certain conditions; and

WHEREAS, the applicant requested an amendment of the resolution and an extension of time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend the resolution* adopted on January 24, 1961, by adding thereto:

"that in view of the filing of a permanent easement agreement, certified by the City Register, providing an unobstructed passageway for emergency ingress and egress from the rear of the site (Lot 13) to the street through adjoining premises (Lot 12), the interior exit passageway heretofore required at the northwest corner of the building may be omitted, *on condition that* such emergency egress shall be provided from the rear of the building through Lot 12, substantially as shown on revised drawings of proposed conditions marked 'Received January 10, 1962,' 2 sheets; and

does further *amend* the resolution only as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that permit shall be obtained and work completed within one year from the date of this *amended* resolution and that a Certificate of Occupancy shall be obtained; and that other than as herein *amended*, the resolution above cited shall be complied with in all respects." (Alt. 1110-56)

327-22-BZ—Vol. II

APPLICANT—Robert Gottlieb for Dulgreen Holding Corporation, owner.

SUBJECT—Application for consideration—reopening for extension of time to complete which expired February 7, 1962—decision of the Borough Superintendent; previously granted on condition, under Section 7h of the Zoning Resolution, permitting in a residence use district, the parking and storage for about 24 passenger cars on an assigned space basis with monthly rentals, no transient parking.

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. II, on September 22, 1959, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was extended on February 7, 1961; and

WHEREAS, the applicant requested a further extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on September 22, 1959, as *amended* on February 7, 1961, only as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that permit shall be obtained and work completed within six months from the date of this *amended* resolution; and that a Certificate of Occupancy shall be obtained." (Alt. 95/59)

845-39-BZ—Vol. IV

APPLICANT—Charles M. Spindler for Harris Goody Realty Corporation, owner.

SUBJECT—Application for consideration—reopening for extension of time to complete which expired February 7, 1962—decision of the Borough Superintendent; previously granted on condition, under Sections 7a and 7i of the Zoning Resolution, permitting in a business use district, the reconstruction of an existing gasoline station, and re-establishment of the permanent variance granted by the resolution adopted January 30, 1940 under Volume I and to continue the parking as a permitted use.

PREMISES AFFECTED—253-263 Empire Boulevard and 369-379 Rogers Avenue, northeast corner, Block 1308, Lot 1, Borough of Brooklyn.

APPEARANCES—

For Applicant: B. J. Amato.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

THE RESOLUTION—

WHEREAS, a public hearing was held on Friday morning, March 2, 1962 at 10 A.M., on the Proposed Rules Covering Coin-Operated Dry Cleaning Establishments, after due notice by publication in the Bulletin; and

WHEREAS, after hearing the interested parties the public hearing was closed, the matter was laid over for decision, date to be set; and

WHEREAS, all suggestions and recommendations were considered by the Board in Executive Session; and

WHEREAS, this date was set for decision by the Board.
Resolved, that the Board of Standards and Appeals does hereby *adopt* the following Rules Covering Coin-Operated Dry Cleaning Establishments.

RULES COVERING COIN-OPERATED DRY CLEANING ESTABLISHMENTS

(156-62 SR)

Authority

Section 666, subd. 2 of the Charter of the City of New York and Article III, Chapter 1, Section 32, Article VII, Chapter 2, Sections 72 and 73 in their entirety of the Zoning Resolution of the City of New York, effective December 15, 1961.

Application of Rules

These rules shall be deemed to apply only to coin-operated dry cleaning establishments, pursuant to Article III, Chapter 2, Section 32-15 A and Section 32-25 D of the Zoning Resolution effective December 15, 1961.

These rules shall not be deemed to modify or repeal Chapter 19 of the Administrative Code of the City of New York or the Rules Governing Dry Cleaning Establishments adopted by the Board of Standards and Appeals under Calendar Number 958-47-SR—Vol. II.

Zoning Resolution Effective December 15, 1961—Excerpts

Preamble

This resolution is adopted in order to promote and protect public health, safety and general welfare. These general goals include, among others, the specific purposes set forth in the statements of legislative intent for the respective districts and groups of districts.

Article VII—Administration

Chapter 1

71-00 ENFORCEMENT AND ADMINISTRATION

The Commissioner of the Department of Buildings shall administer and enforce this resolution, except

as specifically provided in the New York City Charter and in this resolution.

Chapter 2

72-00 POWERS OF THE BOARD OF STANDARDS AND APPEALS

72-01 GENERAL PROVISIONS

The Board of Standards and Appeals (referred to hereinafter as the Board) shall have the power, pursuant to the provisions of the New York City Charter and of this resolution, after public notice and hearing:

- (a) To hear and decide appeals from and to review interpretations of this resolution;
- (b) To hear, decide, and determine, in a specific case of practical difficulties or unnecessary hardship, whether to vary the application of the provisions of this resolution;
- (c) To hear and decide applications for such special permits as are set forth in this resolution and are more specifically enumerated in Section 73-01 (General Provisions); and
- (d) To adopt, amend, or repeal such rules or regulations as may be necessary to carry into effect the provisions of this resolution.

Article III—Commercial District Regulations

32-15 USE GROUP 6

Use Group 6 consists primarily of retail stores and personal service establishments which:

- (1) Provide for a wide variety of local consumer needs, and
- (2) Have a small service area and are, therefore, distributed widely throughout the City.

*
*
*

The *uses* listed in A below are also permitted within *large-scale* residential developments, to provide daily convenience shopping for residents of the development.

A. CONVENIENCE RETAIL OR SERVICE ESTABLISHMENTS

*
*
*
*

See Note:

Dry cleaning or clothes pressing establishments or receiving stations dealing directly with ultimate consumers, limited to 2,000 square feet of *floor area* per establishment, and provided that only solvents with a flash point of not less than 138.2 degrees Fahrenheit shall be used, and total aggregate dry load capacity of machines shall not exceed 60 pounds.

Parking Requirement Category B—District where uses are so permitted are C1, C2, C3, C4, C6, C7, C8.

In a C5 district a use in Use Group 6, shall not be located on the ground floor of a building unless such use is at least fifty feet from the street wall of the building in which it is located as provided in Section 32-423 (Limitation on Ground Floor Location).

32-25 Use Group 16

Use Group 16 consists of automotive and other neces-

RULES

sary semi-industrial uses which:

- (1) Are required widely throughout the city, and
- (2) Involve offensive noise, vibration, smoke, dust, or other particulate matter, odorous matter, heat, humidity, glare, or other objectionable influences, making such *uses* incompatible with *residential uses* and other types of commercial development.

32-25 D. Dry cleaning or cleaning and dyeing establishments, with no limitation on type of operation, solvents, floor area, or capacity per establishment—parking requirement category in F, Use Regulation is District C8.

RULES

Rule 1. Definitions

For the purpose of these rules "dry cleaning" includes cleaning textiles, fabrics, garments or other articles by the use of solvents other than water, extraction of the solvents therefrom, and drying the same. A "dry cleaning unit" is the machinery or equipment in which textiles, fabrics, garments or other articles are carried through a complete cleaning cycle. A "dry cleaning unit" may consist of one or more detached component machines.

Each such unit within itself, must perform a complete degreasing, extracting and drying cycle in a single basket when operated by the general public.

The term "Dry Cleaning Establishment" shall mean any room, place and space in which dry cleaning is performed. Coin-operated dry cleaning machine shall mean an automatic machine actuated by the insertion of coins, tokens, keys or any other similar device for use by the general public. For the purpose of this definition the term "used by the general public" shall be deemed to refer to the insertion of textiles, fabrics, garments or other articles into a dry cleaning machine or the removal of the same from such unit by a person or persons other than an employee or owner-operator of such establishment or by an employee or owner-operator.

- 1.1 Coin-operated dry cleaning establishments shall mean dry cleaning establishments in which dry cleaning solvent used in the dry cleaning units shall be non-inflammable and non-combustible when tested in a Tagliabue open cup tester as rated by the Fire Commissioner.
- 1.2 The term "inflammable liquid solvents" shall mean such as will emit an inflammable vapor at a temperature below 100 degrees Fahrenheit when tested in a Tagliabue open cup tester.
- 1.3 "Spotting" or "sponging" shall mean the local application of a solvent to remove spots of dirt, grease, paint or stains from wearing apparel, textile, fabrics or articles of any sort.
- 1.4 For the purposes of Section 32-15 of the Zoning Resolution the term 'dealing with ultimate consumer' as contained therein shall refer only to those dry cleaning establishments which perform services on articles conveyed directly by a retail customer to such dry cleaning establishment or collected directly from and delivered to the retail customer by any vehicle or any other means of effecting the same and such dry cleaning establishment directly processes such articles for such customer.
- 1.5 All other terms used shall be as defined in the Zoning Resolution effective December 15, 1961, Chapter 19 of the Administrative Code, Multiple Dwelling Law, or Labor Law, when not inconsistent with the specific term defined herein.

Rule 2. Approvals

- 2.1 It shall be unlawful to use any premises for any coin-operated dry cleaning establishment without filing plans of that portion of the premises to be so used with the Department of Buildings and obtain its approval.
- 2.2 No coin-operated dry cleaning unit shall be installed unless such unit is approved by the Board of Standards and Appeals.
- 2.3 No dry cleaning solvent shall be used unless such solvent has been tested and rated by the Fire Commissioner.
- 2.4 It shall be unlawful in any coin-operated dry cleaning unit approved by the Board to use any solvent other than that for which the dry cleaning unit has been approved by the Board.
- 2.5 No non-conforming existing dry cleaning establishment shall be enlarged or extended unless such extension or enlargement be made in conformity with the provisions of the Zoning Resolution and may include a coin-operated dry cleaning establishment by complying with these rules.
- 2.6 All coin-operated dry cleaning units shall be installed in a diked area all parts of which shall be impervious to the solvent used in such units. The diked section shall consist of a four inch curb above the floor. All solvent spillage into the diked area shall be conducted by gravity flow into a tank which shall be equipped with a leakproof pump and enclosed piping system, to pump the solvent back to the dry cleaning units. Such system shall be installed pursuant to the Rules of the Board of Standards and Appeals for Oil Burners. The said tank or tanks shall be of sufficient capacity to accept all solvent contained in the dry cleaning unit or units which it services.

Rule 3. Restrictions on Locations and Areas

- 3.1 No coin-operated dry cleaning establishment shall have a gross floor area exceeding 2,000 square feet to be used for dry cleaning, and incidental operations, including space used for pressing, finishing, storage and for the service of customers. The square foot area limitation shall apply to the aggregate of all space so used on all floors and mezzanines of the premises involved above the cellar or basement thereof. Additional space may be used on a lower floor which is either a basement or cellar provided that on such floor there shall be no dry cleaning and no storage of recently cleaned articles. Such additional space may include ordinary storage, boilers, compressors, pumps and filtration equipment.
 - 3.1.1 In calculating the gross floor area pursuant to Rule 3.1, the area restriction shall not include the area used by lawful non-dry cleaning operations of a multiple use type of service establishment.
- 3.2 No coin-operated dry cleaning establishment shall be permitted within any building:
 - 3.2.1 which is of wood frame construction;
 - 3.2.2 which is classified as a public building pursuant to Section C26-235.0 of the Administrative Building Code;
 - 3.2.3 where any part of such establishment is within 20 feet of any public building.

Rule 4. Egress

- 4.1 The means of egress from all coin-operated dry cleaning establishments shall be in conformity with the provisions of the building code and all laws, rules and

RULES

regulations applicable. In addition thereto, all establishments shall conform to the following:

- 4.1.1 Aisles not less than 3 feet in width providing access from the main work area to required means of egress shall be provided. Such required aisles shall not be obstructed in any manner.
- 4.1.2 In all coin-operated dry cleaning establishments all required exit doors shall be arranged to swing in the direction of egress.

Rule 5. Fire Prevention

All coin-operated dry cleaning establishments shall comply with the following:

- 5.1 Unless otherwise specifically exempted by Law, no boiler shall be permitted in the same area or space where dry cleaning units are located unless such boiler shall be enclosed in a one-hour fireproof enclosure.
- 5.2 All ceilings of all such boiler rooms as provided in Rule 5.1 shall be fire-retarded with one-hour fire resistive material.
- 5.3 All openings from any such dry cleaning establishment on the course of a fire escape shall be equipped with a fireproof self-closing door or fireproof window assembly.
- 5.4 It shall be unlawful to use or store any inflammable liquids or solvents.
- 5.5 Inflammable liquids and solvents shall not be used for spotting and sponging. Spotting and sponging may be done with water.
- 5.6 All sludge or residue removed from a dry cleaning unit shall be placed in a metal container not exceeding 55 gallons of capacity with a tight fitting cover and shall be removed from the premises and disposed of in a lawful manner.
- 5.7 All solvent used in the dry cleaning unit shall be either (a) received and stored in metal containers not exceeding 55 gallons each and pumped directly into a dry cleaning unit or units by means of a detachable leakproof pump and pipe system, or (b) received and stored in a tank or tanks installed in accordance with the Rules of the Board of Standards and Appeals relating to the receiving and storing of light fuel oils and pumped directly into a dry cleaning unit or units by means of a closed leakproof pipe and pump system.
- 5.8 In any such coin-operated dry cleaning establishment, no member of the general public shall be permitted to do spotting or sponging or make use of any device employing live steam or heat for pressing or finishing, or any inflammable liquid or solvent.
- 5.9 Any pressing or finishing, spotting or sponging may be performed only by a qualified operator and these operators shall be located within an enclosed space separated from the customer area. The general public shall not be permitted to do any pressing or finishing.

Rule 6. Ventilation

- 6.1 In coin-operated establishments all dry cleaning units shall be installed in such a manner so that the working or maintenance portion of the equipment shall be separated from the front of such units by solid partitions. Access doors to the space in back of the machines shall be kept closed and locked. Such establishments shall be ventilated in such a manner to preclude solvent vapors from being admitted to the

combustion area of any device requiring an open flame or heating element. Solvent storage tanks, power boxes and other source of danger shall be so situated as to be inaccessible to the general public.

- 6.1.1 Any open flame drying equipment shall be located at least 25'-0" from any dry cleaning unit unless placed in an enclosed area.
- 6.2 Coin-operated dry cleaning establishments shall be equipped with adequate ventilation to provide at least four (4) complete changes of air volume an hour. The minimum ventilation specified here shall be maintained at all times when the coin-operated dry cleaning establishment is open.
- 6.3 All dry cleaning units must be provided with facilities to cause an inward flow of 100 cubic feet of air per minute through the loading door of any such units when the same is open.
- 6.4 Additional general ventilation of the service area back of coin-operated dry cleaning units shall be provided so that in emergencies a minimum of one air change per minute of the enclosed service area will be provided.
- 6.5 All coin-operated dry cleaning establishments shall have sufficient ventilation so as to prevent an excessive concentration of solvent vapors in the dry cleaning establishment. An excessive concentration of solvent vapors shall be that which exceeds 100 parts of solvent vapors per one million parts of air during any working day.
- 6.6 In addition to all other ventilation requirements provided for in these Rules, the following shall apply:
 - (a) A power exhaust system shall be provided for the removal of toxic vapors consisting of: at least one individual exhaust on each dry cleaning unit; scavenger ducts located at each unit; power exhaust fans for the space behind such unit; and air intakes located on the front grill of each such unit. All exhaust facilities shall be sealed and air tight and constructed in such manner so that all solvent vapors shall be discharged mechanically to the open air in the manner specified in subsection 1 through 4 of Rule 6.8 hereof. All exhaust facilities shall be operated continually while the premises are open to the public. Provisions must be made by air intakes to replace air exhausted from the establishment to the outside.
- 6.7 A scavenger duct shall be provided in the service area at each unit and shall be designed to pick up vapors surrounding the equipment near the floor. The suction inlet for these scavenger ducts shall be located not less than two or more than six inches above the floor and shall exhaust 300 linear feet of air per minute.
- 6.8 The equipment exhausts, or vents shall terminate at the outer air in the following manner:
 - (1) At least 7 feet above the roof, street, yard or court grade on which it opens of the premises in which said establishment shall be located, and
 - (2) The exhaust shall be under positive pressure by reason of a mechanical fan, and
 - (3) The terminal of the exhaust shall be at least five feet from any window or ventilating opening if the window or ventilating opening lies on the same plane as the exhaust terminal and when the windows, or ventilating openings lie on a plane which faces in the direction of the exhaust terminal such terminal shall be at least 10 feet from such opening, and

RULES

(4) All direct equipment exhausts or vents shall be provided with mesh lint arrestors which shall be kept clean. When lint traps are provided on the units, mesh lint arrestors may be omitted from the exhaust equipment.

(5) Fresh air supply shall be provided as makeup to balance exhaust ventilation.

Rule 7. Operating Precautions

7.1 A copy of these Rules shall be kept in all coin-operated dry cleaning establishments and shall be available to the general public.

7.2 Coin-operated dry cleaning establishments shall post complete legible printed operating instructions near the machines. These instructions shall include a warning to the effect that garments or materials which retain an odor of the cleaning solvent are dangerous if placed in a small enclosed space such as an automobile.

7.3 The owner-operator of any coin-operated dry cleaning establishment shall furnish to any person cleaning out a dry cleaning unit an approved type respirator for his use during the process of cleaning out any such unit.

7.4 All equipment shall be installed in such manner as to minimize noise, vibration, smoke, and odors, and other forms of nuisances to the occupants of the premises in which such cleaning establishment may be located or to the occupants of any adjacent premises.

7.5 A trained attendant shall be present at all times when the coin-operated dry cleaning establishment is open. The training of this attendant shall include knowledge of the safe operation of the machine installed and in the handling of emergency situations. The telephone number of the owner-operator shall be posted conspicuously for emergencies.

7.6 No member of the general public who is less than sixteen years of age shall be permitted to insert into or remove from any dry cleaning unit any textile, fabric, garment or other article. An indoor sign to such effect shall be posted conspicuously in all coin-operated dry cleaning establishments.

7.7 All dry cleaning machines used in a coin-operated dry cleaning establishments shall be fitted with an interlocking device which will prevent the opening of the door of any such machine (a) while such machine is in operation and (b) until solvent vapors have been removed from any textile, fabric, garment or other article and from the tumbler in which the same shall be placed.

7.8 The odor of any solvent used in a coin-operated dry cleaning unit in a dry cleaning establishment shall not be masked or altered in any fashion.

7.9 All coin-operated dry cleaning units shall have the dry load capacity of the unit as rated by the Board, based on the factor of 2.8 times the cubic feet capacity of the basket displayed on the face of the unit.

7.10 Spotting or sponging with inflammable liquid solvent shall not be permitted in coin-operated dry cleaning establishments except as provided in Rule 5.5 and 5.9.

7.11 A weighing device shall be located on premises to assure that the rated dry load capacity of coin-operated dry cleaning machine shall not be exceeded.

Rule 8. Penalties

Any violation of these Rules shall subject the violator to the penalties prescribed in the Zoning Resolution effective December 15, 1961.

It shall be unlawful to exceed the posted dry load capacity of any coin-operated dry cleaning unit.

Rule 9. Effective Date of Rules

The effective date of these rules shall be twenty (20) days after date of publication of the rules as adopted.

Rule 10.

If any term or provision of these Rules shall be held unconstitutional or ineffective in whole or in part, such determination shall not be deemed to invalidate the remaining terms or provisions of these Rules.

These Rules Shall Become Effective April 11, 1962.

NOTICE

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication of this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the Zoning Resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying property owners, they may obtain such copies at the office of the Board of Standards and Appeals, 80 Lafayette Street, 9th Floor, Manhattan, at five cents each—add postage payment if the forms are forwarded by mail. Purchase payment by postage stamps **NOT ACCEPTABLE**.

DISCONTINUANCE OF PROCEEDINGS.

Matter of James J. Kissel vs. Foley:—On November 8, 1961, the Board granted a variance under Section 7e of the Zoning Resolution, to permit in a local retail district, the erection and maintenance of a gasoline service station, auto washing (non-automatic) lubrication, office, sale of auto accessories, minor repairs with hand tools only, parking and storage of more than five (5) motor vehicles and proposed ground sign, all for a term of fifteen (15) years; Calendar Number 888-60-BZ; Premises 160-06 Union Turnpike, southeast corner of 160th Street, Block 6855, Lots 31 and 33, Jamaica, Borough of Queens.

In Supreme Court, Queens County, the above entitled proceeding for a certiorari order to review a determination of the Board was discontinued by stipulation and agreement by both parties on March 19, 1962.

Negative 0

THE RESOLUTION—

WHEREAS, on July 17, 1941, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened and the term of variance extended from time to time, and last extended for a term of five years on November 27, 1956; and

WHEREAS, the applicant states that there has been no change on the site; use retail area height No. 1, area D; that the new zoning is R6; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation November 27, 1961; and

WHEREAS, this application was reopened on February 27, 1962 and set for hearing on March 27, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on March 27, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 19, 1962 acting on Alt. Applic. No. 940-49, reads:

"1. The extension of term of variance previously granted for the Parking and Storage of more than 5 motor vehicles partly within a Res. use dist. and partly within Bus. use dist. must be returned to the B. of Sta. & Appeals—Cal. #595-41-BZ. Same expiring 11/27/61."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on July 17, 1941 as amended through November 27, 1956 only as to the term of the variance, so that as *amended* it shall read:

"granted for a term of five years from the date of this *amended* resolution *on condition* that the fence around the lot be put in good repair; that the lot be paved with clean cinders or gravel, treated with a binder and rolled to proper grade; to permit . . .; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

790-41-BZ

APPLICANT—F. L. Thompson for Vincent Cannistraro, owner.

SUBJECT—Application reopened February 27, 1962 for consideration as to extension of term of variance, expired

MINUTES

September 20, 1960—decision of the Borough Superintendent, previously granted on condition, under Section 7i of the Zoning Resolution, permitting in a business use district, the use of existing building for a motor vehicle repair shop.

PREMISES AFFECTED—112-16 to 112-18 101st Avenue, southwest corner of 113th Street, Block 9430, Lot 7, Richmond Hill, Borough of Queens.

APPEARANCES—

For Applicant: None.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, on June 30, 1942, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened from time to time to extend the term of variance, and last extended for a term of five years on September 20, 1955; and

WHEREAS, the applicant states that there have been no changes in the surrounding area, or in the use, area and height designations; that there has been no change in the conditions on the site, except that a show window on 113th Avenue was boarded up temporarily, where no glass could be obtained; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation September 20, 1960; and

WHEREAS, this application was reopened on February 27, 1962 and set for hearing on March 27, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on March 27, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated December 14, 1961 acting on Misc. Applic. No. 8047-41, reads:

"1. The proposed extension of time beyond Sept. 20, 1960 is contrary to the variance granted by the B.S.A. under Cal. 790-41-BZ and must be referred back to the Board for its determinations."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on June 30, 1942 as amended through September 20, 1955 only as to the term of the variance, so that as *amended* it shall read:

"granted for a term of five years from the date of this *amended* resolution, to permit . . . ; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 23, 1962 after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the new Zoning Resolution is amended to permit the Board to act; then set for March 27, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated August 24, 1961 acting on Alt. Applic. No. 650-61, reads:

"1. Proposed extension of gasoline selling station, lubritorium, auto laundry, parking for more than five motor vehicles and two (2) car garage on premises partly in a Residence & partly in a Retail Use district is contrary to Article II Sects. 3 & 4A of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivisions a and c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7a and c of the Zoning Resolution, to permit in a retail and residence use district, the extension in area and the erection of an extension of an existing gasoline service station, with accessory uses of lubritorium, non-automatic car wash, parking and storage of more than five motor vehicles, motor vehicle repairs and a two car garage *on condition* the work conform to drawings filed with this application dated August 30, 1961, 7 sheets; on *further condition* that a five foot six inch high chain-link fence on steel supports be constructed along the westerly lot line, and that on the Lafayette Avenue building line, a fence consisting of a three foot high brick wall with two feet six inch high iron pickets on top be built along the entire building line; that there be no curb cut for entrance from Lafayette Avenue; that window openings be omitted from the west wall of the accessory building; that the portion of the plot between the accessory building and the westerly lot line be landscaped; that no rotating signs be used; that the station is not to be conducted as a self-service station; that all laws, rules and regulations applicable be complied with, permit obtained, work done and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

568-56-BZ

APPLICANT—Milton S. Zeiberg for Helen Weiss, owner.

SUBJECT—Application reopened February 27, 1962 for consideration as to extension of term of variance, expired December 11, 1961—decision of the Borough Superintendent, previously granted on condition, under Section 7h of the Zoning Resolution, permitting in a business and residence use district, the parking of motor vehicles.

PREMISES AFFECTED—927-941 East Tremont Avenue, north side, 50 feet west of Vyse Avenue, Block 3126, Lots 3, 4 and 8, Borough of The Bronx.

APPEARANCES—

For Applicant: Milton S. Zeiberg.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Becker and Commissioner Klein 4
Negative 0
Not Voting: Commissioner Fox 1

MINUTES

THE RESOLUTION—

WHEREAS, on December 21, 1956, this application was granted by the Board on certain conditions; and

WHEREAS, the applicant states that since the granting of the above variance, the said site has been continuously used and operated as a parking lot and the terms and conditions of the Resolution in connection therewith have been complied with in all respects; that there are no changed conditions on the site or in the surrounding area, or in the use, area and height designations since the granting of the variance, except that approximately three years ago, Tremont Avenue was paved with tar and black-topped; that the amended zoning designation is R7-1; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation December 11, 1961; and

WHEREAS, this application was reopened on February 27, 1962 and set for hearing on March 27, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on March 27, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated December 8, 1961 acting on Alt. Applic. No. 447-56, reads:

"1. Proposed use of parking and storage of motor vehicles located partly in a residence and partly in a business use district is contrary to Article II, Section 3 of the Zoning Resolution and expiration of term of variance granted under B. S. & A. Cal. #568-56-BZ dated 12-11-56."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on December 21, 1956 only as to the term of the variance, so that as *amended* it shall read:

"granted for a term of five years from the date of this *amended* resolution, to permit . . . ; that other than as amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

179-61-BZ—Vol. II

APPLICANT—Benjamin F. Nolan for Samuel and Ceilia B. Waterman, owners.

SUBJECT—Application reopened October 24, 1961 as Volume II—decision of the Borough Superintendent, under Section 7c of the Zoning Resolution, to permit in a residence use district the erection and maintenance of a gasoline service station, lubricatorium, sales and office, minor auto repairs and the parking and storage of motor vehicles.

WHEREAS, this application was granted by the Board on January 21, 1958, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was last extended on February 7, 1961; and

WHEREAS, the applicant requested a further extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on January 21, 1958, as amended through February 7, 1961, only as to the time to obtain permits and complete the work, so that as amended this portion of the resolution shall read:

"that permits shall be obtained and work completed within one year from the date of this amended resolution and that a Certificate of Occupancy shall be obtained." (N.B. 46/57)

691-58-BZ

APPLICANT—Joseph L. Rosenberg and Isidore S. Jaffee, owners.

SUBJECT—Application for consideration—reopening for extension of time to complete which expired March 7, 1962—decision of the Borough Superintendent; previously granted on condition, under Sections 7e and 7h of the Zoning Resolution, permitting in a business and residence use district, the erection and maintenance of a gasoline service station, auto washing, non-automatic, lubrication, office, sales, minor repairs with hand tools only and the parking and storage of cars awaiting service.

PREMISES AFFECTED—131-25 20th Avenue, northwest corner of 132nd Street, Block 4137, Lot 55, College Point, Borough of Queens.

APPEARANCES—

For Applicant: Sylvia Heftler.

ACTION OF BOARD—Application reopened and time to

THE RESOLUTION:

WHEREAS, this application was granted by the Board on May 12, 1959, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was last extended on March 7, 1961; and

WHEREAS, the applicant requested a further extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on May 12, 1959, as *amended* through March 7, 1961, only as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that permits shall be obtained and work completed within one year from the date of this *amended* resolution; and that a Certificate of Occupancy shall be obtained." (N.B. 2654/58)

693-58-BZ

APPLICANT—Joseph L. Rosenberg and Isidore S. Jaffe, owners.

SUBJECT—Application for consideration—reopening for extension of time to complete which expired March 7, 1962—decision of the Borough Superintendent; previously granted on condition, under Sections 7e and 7h of the Zoning Resolution, permitting in a residence use district, the erection and maintenance of a gasoline service station, lubritorium, minor auto repairs with hand tools only, auto washing, office, sales and the parking of cars awaiting service.

PREMISES AFFECTED—132-08 20th Avenue, southeast corner of 132nd Street, Block 4178, Lot 22, College Point, Borough of Queens.

APPEARANCES—

For Applicant: Sylvia Heftler.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE RESOLUTION—

WHEREAS, this application was granted by the Board on May 2, 1961, on certain conditions; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved that the Board of Standards and Appeals does hereby *amend* the resolution adopted on May 2, 1961, only as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that permits shall be obtained and work completed within one year from the date of this *amended* resolution; and that a Certificate of Occupancy shall be obtained." (Alt.—1626, 2229 and 2230/60)

834-60-BZ

APPLICANT—Lama, Proskauer and Prober for Vanderbilt-James Incorporated, owner.

SUBJECT—Application for consideration—reopening for extension of time to complete which expired March 7, 1962—decision of the Borough Superintendent; previously granted on condition, under Sections 7f, 7i and 7e of the Zoning Resolution, permitting in a business, retail and residence use district, the erection and maintenance of a gasoline service station, lubricatorium, minor auto repairs, car washing, utility room, office, sales of accessories and parking and storage of motor vehicles on the unbuilt upon portion of the plot for a stated term of twenty (20) years.

PREMISES AFFECTED—134-148 Vanderbilt Avenue, 389-401 Myrtle Avenue, northwest corner, Block 2046, Lots 84, 85, 86 and 88, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE:

Affirmative: Chairman Foley, Vice Chairman Kleinert and Commissioner Becker 3

Negative: Commissioner Fox and Commissioner Klein. 2

THE RESOLUTION:

WHEREAS, this application was granted by the Board on March 7, 1961, on certain conditions; and

WHEREAS, the applicant requested an extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on March 7, 1961, only as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that permits shall be obtained and work completed within one year from the date of this *amended* resolution; and that a Certificate of Occupancy shall be obtained." (N.B. 2084/60)

340-41-BZ

APPLICANT—Lama, Proskauer and Prober for Gulf Oil Corporation, owner.

SUBJECT—Application for consideration—reopening for extension of term of variance which expired September 18, 1961—decision of the Borough Superintendent; previously granted on condition, under Section 7f of the Zoning Resolution, permitting in a business use district, for a term of years, the erection and maintenance of a gasoline service station.

PREMISES AFFECTED—72-09 Main Street, southeast corner of 72nd Avenue, Block 6600, Lot 1, Flushing, Borough of Queens.

APPEARANCES—

For Applicant: James E. Vassalotti.

ACTION OF BOARD—Application reopened and set for hearing on May 1, 1962, at 10 A.M., to consider extension of the term of the variance, requiring a new decision of the Borough Superintendent and photographs, which have been filed, and two publications in the Bulletin as notice.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox Commissioner Becker and Commissioner Klein 5
Negative: 0

786-41-BZ

APPLICANT—Powsner, Katz and Powsner for Louise Bindrim, owner.

SUBJECT—Application for consideration—reopening for extension of term of variance which expired January 22, 1962—decision of the Borough Superintendent; previously granted on condition, under Section 7f of the Zoning Resolution, permitting in a business use district, the conversion of occupancy of an existing building to a garage for more than five motor vehicles.

PREMISES AFFECTED—68-72 North Henry Street, east side, 50 feet south of Engert Avenue, Block 2729, Lot 20, Borough of Brooklyn.

APPEARANCES—

For Applicant: Emanuel Katz.

ACTION OF BOARD—Application reopened and set for hearing on May 1, 1962, at 10 A.M., to consider extension of the term of the variance, requiring a new decision of the Borough Superintendent and photographs, which have been filed, and two publications in the Bulletin as notice.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

RULES

RULES GOVERNING THE USE OF EQUIPMENT FOR SPRAYING AND DRYING OF PAINTS, VARNISHES, LACQUERS AND OTHER INFLAMMABLE SURFACE COATINGS AND STORAGE OF SUCH MATERIALS

ADOPTED BY THE BOARD OF STANDARDS AND APPEALS JUNE 10, 1932 AND REVISED JULY 16, 1937, EFFECTIVE AUGUST 16, 1937, AMENDED JULY 25, 1944, EFFECTIVE AUGUST 21, 1944 AND AMENDED JANUARY 29, 1960, EFFECTIVE MARCH 2, 1960.

(353-30-SR)

Authority:

Pursuant to the authority vested in the Board of Standards and Appeals by Section 666, Subdivisions 2 and 3 of the Charter of the City of New York, to effectuate the provisions of C19-84.0, C19-85.0 and C19-86.0 of the Administrative Code.

Rule 1. Application.

- 1.1 No person, firm or corporation shall spray, dip or immerse any article or thing within the City of New York with any inflammable paints, varnishes, lacquers or any other inflammable or combustible substances, mixtures or compounds commonly used for painting, varnishing, staining or similar purposes except in conformance with these rules, and under a permit issued by the Fire Commissioner. Where the quantity of spraying, dipping or immersing materials used in a day does not exceed two quarts, except for spraying as performed under Rule 5.13, and the total amount of material stored does not exceed twenty gallons, these rules shall not apply.
- 1.2 APPLICATIONS. Application for the required permit to store and use the above-mentioned materials shall be made to the Fire Commissioner on forms prescribed by him and shall contain such information as he may require. When a spray, dipping, immersing, storage or mixing room is to be installed, an application shall be filed with and approved by the Borough Superintendent before a permit is issued by the Fire Commissioner.
- 1.3 RESTRICTIONS. No spraying, dipping or immersing of any article or thing within the City of New York with any inflammable paints, varnishes, lacquers or any other inflammable substances, mixtures or compounds commonly used for painting, varnishing, staining or similar purposes shall be permitted in any premises or portion thereof as follows:
 - 1.3.1 Which is occupied as a class A or B multiple dwelling or a dwelling for one or two-families, except where a location is provided which is separated by fireproof construction from the residential occupancy and ventilated as provided in Rule 3.
 - 1.3.2 Which is occupied as a place of public assembly except trade schools where the buildings are of Class I or Class II construction and spraying, dipping or immersing are demonstrated for instruction purposes only.
 - 1.3.3 Which is artificially lighted by any means other than electricity.
 - 1.3.4 Which is heated by other than the use of steam or hot water circulating systems and the boiler is located outside the space where spraying, dipping or immersing is carried on.

Rule 2. Definitions.

- 2.1 The term "SPRAY or SPRAYING SPACE" "DIPPING SPACE or IMMERSING SPACE" when used in these rules shall mean that portion of the premises

used for the actual work of spraying, dipping or immersing any article or thing with any flammable paints, varnishes, lacquers or any other flammable substances, mixtures or compounds, commonly used for painting, varnishing, staining or similar purposes in any booth or room.

- 2.2 The term "CABINET BOOTH" when used in these rules shall mean a compartment with a back, top and two sides of incombustible materials over a substantial metal frame and equipped with air exhaust facilities, located within a room or any portion of any premises where spraying with any flammable paints, varnishes, lacquers or any other flammable substances, mixtures or compounds commonly used for painting, varnishing, staining or similar purposes is carried on.
- 2.3 The term "CANOPY BOOTH or HOOD" when used in these rules shall mean an installation consisting of a metal canopy or hood, without any side or end panels enclosing the object sprayed and an air exhaust system under which spraying with any flammable paints, varnishes, lacquers or any other flammable substances, mixtures or compounds commonly used for painting, varnishing, staining or similar purposes is carried on.
- 2.4 The term "TUNNEL BOOTH" when used in these rules shall mean a compartment consisting of two sides and top, equipped with an air exhaust system in which spraying with any flammable paints, varnishes, lacquers or any other flammable substances, mixtures or compounds commonly used for painting, varnishing, staining or similar purposes is carried on.
- 2.5 The term "SPRAY ROOM" when used in these rules shall mean a fully enclosed ventilated room approved for such use in which any article or thing is sprayed by any flammable paints, varnishes, lacquers or any other flammable substance, mixtures or compounds commonly used for painting, varnishing, staining or similar purposes is carried on.
- 2.6 The term "DIPPING ROOM" when used in these rules shall mean a fully-enclosed ventilated room approved for such use in which any article or thing is dipped, or immersed in any flammable paints, varnishes, lacquers or any other flammable substances, mixtures, or compounds commonly used for painting, varnishing, staining or similar purposes is carried on.
- 2.7 The term "FIREPROOF or FIRE-RESISTING PARTITIONS" used in these rules shall mean the standards set in the Labor Law and the Rules of the Board of Standards and Appeals for factory buildings. All openings in this type of partition shall only be equipped with self-closing fireproof assemblies.
- 2.8 The term "STORAGE ROOM" when used in these rules shall mean a fully-enclosed ventilated room used for the storage and mixing of any inflammable paints, varnishes, lacquers or any flammable substances, mixtures or compounds commonly used for painting, varnishing, staining or similar purposes.

RULES

2.9 The term "CERTIFICATE OF FITNESS" when used in these rules shall mean the written permission granted by the Fire Commissioner to an individual to supervise and to process spraying, dipping and immersing materials and equipment, in accordance with the provisions of Section C19-14.0 of the Administrative Code and these Rules.

2.10 The term "PERMIT" when used in these rules shall mean the written permission issued to a person, firm or corporation by the Fire Commissioner, to store and use materials covered by Sections C19-12.0 and C19-84.0 of the Administrative Code and these Rules.

Rule 3. Ventilation.

3.1 Spraying or dipping spaces shall be ventilated when in operation so that the movement of air shall be at least one hundred (100') linear feet per minute in the breathing zone of the operator and be of sufficient capacity to prevent the accumulation of mist or vapors. For requirements of ventilation of storage rooms see Rule 4.4.1.

3.2 Air shall be admitted to the spraying, dipping or immersing spaces in an amount equal to the capacity of the fan or fans and in such a manner as to avoid short-circuiting the path of air in the working zone of such spaces. Exhaust fans shall be kept running constantly while spraying, mixing or dipping. Exhaust fan control shall be interconnected with spray gun so as to operate simultaneously. Exhaust fans shall, in addition, be arranged to operate independently of spray gun. Ventilation Equipment shall be kept in operation for a sufficient length of time thereafter to exhaust all vapors, fumes or residues of spraying materials from the spray booth, dip space or drying room. Air admitted to the spraying, dipping, immersing, drying spaces or storage rooms shall be fresh air taken from the outside of the building.

3.3 EQUIPMENT. Motors shall be located outside of spraying, dipping or immersing spaces except as provided in Rule 4.

Rule 4. Specification for Spray Booths, Spray Rooms, Dip and Immersing Rooms, Drying Equipment and Material Storage Rooms.

4.1 Spray booths shall be constructed of metal or incombustible materials satisfactory to the administrative official having jurisdiction. Ventilation and lighting for spray booths, spray rooms, dipping rooms, drying rooms and storage rooms shall comply with the requirements of these rules.

4.1.1 Spray, dip and immersing rooms shall be enclosed on all sides with partitions constructed of incombustible materials with floors in such rooms of concrete. Where such rooms are located over wooden floors, such wooden floors shall be surfaced with 1" of grout adequately reinforced or a mixture of Portland cement, and sand similarly reinforced. Ceilings over such rooms shall be protected by $\frac{5}{8}$ " unsanded gypsum plaster or $\frac{7}{8}$ " of cement or sanded gypsum plaster on approved 3.0 lb metal lath or other equivalent fire resisting ceiling protection. Ventilation, lighting and heating for these rooms shall comply with the requirements of these rules. Where additional fire fighting equipment is necessary such equipment shall be furnished in accordance with the direction of the Fire Commissioner. Floor drains leading to the house draining system

or the public sewer shall not be permitted. Dip tanks shall be provided with hinged metal covers held open by a fusible link, such covers to be equipped with an opening to permit automatic flooding of the tank with fire extinguishing media of a type and so located as the Fire Commissioner shall direct. Where the work process, such as conveyorized operation, makes the use of a cover impractical, the dip tank and drain boards shall be protected by an adequate extinguishing system designed for manual and automatic operation satisfactory to the Fire Commissioner and such conveyor shall be interlocked with the extinguishing system so that in the event the extinguishing system is activated, the conveyor action shall be stopped.

4.1.2 Panels of polished wired glass or plate-glass at least one-quarter ($\frac{1}{4}$) of an inch thick, not exceeding seven hundred and twenty (720) square inches in area and not more than forty-eight (48") inches in any linear dimension may be used in the sides of a spray booth or room.

4.1.3 The inner sides of walls, ceilings and the floors of all spraying or dipping spaces shall have a smooth surface.

4.1.4 All openings in spray, dip or immersing rooms shall be protected by fireproof opening protective assemblies. Windows opening on a street may be used to provide ventilation but no window on a lot line or less than 20 ft. from any opening in a wall of an adjacent building shall be permitted except when the subject room is more than 20 ft., in the horizontal plane, above an adjoining building.

4.1.5 Ferrous metals used in the construction of spraying, dipping or immersing spaces shall be thoroughly painted on the inside or be galvanized.

4.1.6 All spraying, dipping or immersing spaces shall be so constructed that at least three (3) feet of clear working space shall always be maintained for each operator spraying, dipping or immersing the material being processed.

4.2 STORAGE ROOMS.

4.2.1 Storage rooms shall be constructed of fireproof or fire resisting material and shall have a window opening to the outer air but such window shall not be on a lot line, enclosed court, nor opposite within twenty feet of windows of adjacent buildings nor part of the same premises, such window openings to be fireproofed and lower half provided with open louvers or ventilated by metal duct or fan at least 8 inches in diameter. The floors of all storage rooms shall be of incombustible non-ferrous materials. The sill of the door shall be at least 6 inches above the finished floor. All doors to be tin-clad, approved, fireproof and self-closing.

The lighting equipment shall comply with rule 4.5.2.2 and shall have an electric switch located outside the room. Immediately adjacent to such room shall be provided such portable fire extinguishing equipment for use within the storage room as the Fire Commissioner shall direct.

4.3 DRYING EQUIPMENT.

4.3.1 Gas Fired Drying Ovens. Gas fired drying ovens shall be of a type as approved by the Board. Such ovens shall be constructed of metal and incombusti-

RULES

ble materials so designed as to preclude the direct application of flame to the materials in process. Ventilation shall be provided for each oven of sufficient capacity to maintain an oven vapor concentration at all times during the drying process of less than $\frac{1}{4}$ the low explosive limit of the solvent used. All oven openings shall be maintained at a negative pressure relative to room pressure for inward flow. The controls for the safety exhaust and recirculating fans shall be properly interlocked with the gas supply line so that when the gas is flowing the fans are in operation. A time delay relay shall be installed to provide a minimum of four oven volume changes with fresh air and in the case of an indirect fired type of oven simultaneous purging of the combustion chamber before the ignition system can be energized and gas flow started. Each oven shall be equipped with gas burning equipment approved for such use and with electrical controls so arranged as to shut off the gas valve when ignition fails or the gas supply pressure drops to 2 inches of water.

The use of a continuous gas pilot light is prohibited unless an automatic gas shut off valve is provided which will shut the gas off at the pilot light when the flame is extinguished or the supply of gas cut off. Electrical pilot ignition shall be of the continuous type or equal in performance, designed for use in high temperatures, with controls so interlocked as to shut off the gas supply when current is interrupted. An auxiliary manually operated gas shut off valve shall be located not nearer than 25 feet from the oven so as to control the gas supply in the event of an emergency. Such ovens shall be adequately insulated on all sides and top to limit the maximum surface temperature to 140°F and to 160°F on the base, unless the floor is protected by a 3 inch mat of reinforced concrete placed over and bonded into the existing concrete floor and projecting not less than 6 inches outside the projected area of the equipment or unless an unenclosed clear air space not less than 4 inches above the concrete floor is maintained between the floor and the underside of the oven.

- 4.3.1.1 The burner section of gas fired drying ovens shall not be located nearer than 25 feet from spraying or dipping spaces except when separated by fire proof construction, in which case the distance between burner section and spray or dip space shall be not less than 25 feet measured in the shortest line of travel.

4.3.2 ELECTRIC INFRA-RED RAY DRYING OVENS.

- 4.3.2.1 Electric Infra Red Ray Drying Ovens shall be of a type as approved by the Board. Such ovens shall be constructed of electric equipment installed in accordance with the National Electric Code and the requirements of the Department of Water Supply, Gas and Electricity. Ovens when erected shall be placed on concrete floors without any additional protection, provided that at least 12 inches of clear space above the floor is provided to permit adequate ventilation.

- 4.3.2.1.1 In drying processed material involving the evaporation of considerable amounts of flammable solvents by infra-red lamps, such installations shall not be confined in small rooms

unless such rooms are thoroughly ventilated by a power driven ventilation system of sufficient capacity to maintain a vapor concentration at all times during the drying process of less than $\frac{1}{4}$ the low explosive limit of the solvent used; the controls of the ventilation system to be so interlocked with the Infra-Red Ray System that the latter cannot function unless the ventilating system is in operation. When equipped with duct ventilating system, the Infra-Red Ray Oven shall be adequately secured so as to prevent moving.

- 4.3.2.1.2 Where the evaporation of a considerable amount of flammable vapors are involved, ventilated hoods located as near to the floor as practicable or enclosures shall be provided at the initial stage of the process with adequate exhaust system to discharge the primary evaporation from the solvents to the outer air, so that when the processed material progresses through the lamp drying tunnels only a comparatively small amount of solvent is left for evaporation. A space between such ventilating section and the drying section shall be maintained.

- 4.3.2.1.3 Lamps and other electrical equipment shall be kept free from flammable deposits and adequate cleaning shall be maintained.

- 4.3.2.1.4 Lamp and resistance heater type drying units shall be separated from spraying and dipping processes complying with these rules by a distance of at least 15 feet or shall be installed in a separate fireproof room.

- 4.3.2.1.5 Controls shall be arranged so that the lamps in the tunnels will be shut off automatically if and when the conveyor stops.

- 4.3.2.1.6 Where there are no conveyors and the material being processed is left stationary in the dryer there shall be an excessive temperature switch to shut off the lamps or resistance heaters to avoid overheating the material being processed if it is not removed from the dryer in time.

- 4.3.2.1.7 Material to be processed on the conveyors shall be rigidly supported so as not to be liable to displacement and cause lamp breakage and short circuits. Where there are no conveyors, materials should be fixed on dollies running on tracks or other equivalent method to accomplish the same result.

- 4.3.3 The temperature of the air contacting the processed material or of the material itself shall not be higher than that to which such material can be safely subjected.

RULES

4.3.4 Such fire fighting equipment suitable for electrical and solvent vapor fires shall be provided as the Fire Commissioner may direct.

4.4 SPECIFICATIONS FOR DUCTS, PIPES AND FANS.

4.4.1 All ducts used for ventilating spray, dip or immersing spaces shall be constructed of approved incombustible materials or metal of not less than the following gauges of metal:

Ducts twenty-four (24") inches or less in diameter No. 22 gauge.

Ducts over twenty-four (24") inches and not over thirty-six (36") inches in diameter No. 20 gauge.

Ducts exceeding thirty-six (36") inches in diameter No. 18 gauge.

4.4.2 Ducts shall be strongly constructed and be installed in a workmanlike manner. They shall be rigidly supported.

4.4.3 Ventilating ducts shall run as directly as practicable to the outer air and be protected with a hood against the weather. The exhaust terminal or hood shall also be protected with a screen of copper or bronze with a mesh not larger than one-quarter ($\frac{1}{4}$ ") inch.

4.4.4 Where a duct passes through a non-fireproof floor or roof, the duct shall be protected at such point by an outer pipe or sleeve with an air space of at least one (1") inch between the sleeve and pipe protected from the woodwork by at least a 1" blanket of asbestos, compressed rockwool or glasswool, or equivalent fire-resistive material extending through the entire depth of the ceiling construction and adequately secured to the outer pipe. The outer pipe shall be not less than two (2") inches from any woodwork and such woodwork shall be covered with at least 26 gauge metal or other incombustible material.

4.4.5 Ventilating ducts shall not terminate within ten (10) feet measured horizontally of any chimney outlet, unprotected air intakes or within twenty (20) feet of any exit or any opening in an adjoining building.

4.4.6 If induced draft is used to create an air movement, the air shall be supplied from a point outside the spray or dip or immersing space. Fans and motor must be located outside the spray, or dip space, except approved explosion-proof motor and non-ferrous blade fans which, however, are not to be located where residues of spraying material may collect on such equipment.

4.4.7 The exhaust system from any spray, dip or immersing space shall not be connected to any other ventilating system or be discharged into a chimney or flue used for the purpose of conveying gases of combustion.

4.4.8 Exhaust fan blades shall be constructed of non-ferrous metal. All exhaust and ventilating fans to be permanently connected to their source of power, using metallic conduit. Rheostats in fan bases not permitted. Fan blades not coming in direct contact, with spraying fumes, need not comply with this requirement.

4.4.9 Adequate access doors or panels have tight fitting by means of screw bolts, clamps or springs shall be provided, to permit inspection and cleaning.

4.5 ELECTRICAL EQUIPMENT AND LIGHTING FIXTURES.

4.5.1 No motors, switches, rheostats, lamps, fluorescent light or other electrical equipment shall be located in spray, dipping or immersing rooms or within ten (10') feet of the open end of any spray compartment, spray booth, immersing or dipping space unless such electrical equipment be of a type approved for use in explosive atmosphere and where a conduit leads from a hazardous location to a non-hazardous location, the conduit shall be sealed off by an approved sealing compound. Except that alternating current induction motors of the totally enclosed type, having no brushes make and break contacts, collectors or other arcing or sparking parts may be located within ten (10') feet of a spray booth, spray compartment or dipping space when approved by the administrative official having jurisdiction. No open flame shall be used within 25 ft. of spray, dip or coating space or paint storage room or cabinet except when separated by fireproof construction, except as provided in Rule 4.3.1. Gas Fired Drying Ovens and 4.3.2.1.4 Electric Infra Red Dry Ovens.

4.5.2 Lighting Fixtures.

4.5.2.1 Artificial lighting shall be only by means of electricity.

4.5.2.2 When lighting fixtures are located within 10 feet of a spray booth, spraying space, dipping space or within a storage room they shall be of the rigid stem type, enclosing all wiring and be equipped with keyless sockets having vapor proof globes. Where exposed to breakage, globes shall be adequately protected by substantial metal guards or equivalent means. Fluorescent tube type lighting fixtures when used in spray booths or in spray and dip spaces or in storage rooms or rooms containing inflammable vapors, shall be of a type approved for use in explosive atmospheres. The auxiliaries of mercury vapor lamps shall be offset at least ten (10) feet from spray booth, spray or dip spaces unless enclosed in explosion-proof protection.

4.5.2.3 All electrical equipment shall be installed and grounded as provided by the Administrative Code covering electrical equipment and permanently connected to their source of current supply, using metallic conduit.

4.5.2.4 No pin plug receptacles shall be used except when the use of receptacles and attachment plugs become necessary they shall be so connected to form a part of a unit device with explosion-proof interlocking switch precluding the removal of the plug when the switch is in the "on" position or by an approved explosion-proof enclosure which can seal the arc when the current is interrupted. Such receptacles and plugs shall be of the polarized type providing a connection for the grounding wire of the portable cords.

RULES

4.5.2.5 All electric wiring shall be enclosed in rigid standard weight metallic conduits with explosion proof joints and fittings. Joints in metallic conduit having threaded couplings shall not have less than five (5) fully engaged threads. Where flexible connections are required a flexible fitting approved for explosive atmospheres shall be used.

4.5.2.6 The use of portable cords or trailer lights are prohibited, except when flexible cord approved for hard usage containing one (1) extra insulated conductor properly connected to form a grounding connection for metal lamp guards, motor frames and all other exposed metal portions of such portable lamps and devices may be used. When portable lamps are used they shall be enclosed in a manner approved for explosive atmospheres and with substantial guards of metal to prevent breakage. Sockets shall be of the keyless moulded composition type with no exposed metal parts.

Rule 5. Maintenance and Operation.

5.1 Every premises wherein a spraying, dipping, or immersing space is maintained and operated shall be continuously under the charge and supervision of one or more persons holding a certificate of fitness, whose duty shall be to see that the spray, dipping and immersing space comply with the rules and the terms of the permit are not violated. No other duties shall interfere with the enforcement of these rules while the work is in process. A copy of these rules shall be available near the space where these rules apply.

5.2 Smoking or the carrying of lighted cigars, cigarettes, matches, or pipes in spray, dipping or immersing space is prohibited.

5.3 No person shall be permitted within a spray space between the spray gun and the exhaust outlet while the spray gun is in use.

5.4 Spraying, dip or immersing spaces, and its surroundings shall be kept clean at all times and shall be kept clear of all materials, equipment and utensils not required in the operation of the spray. Side walls, ceilings, baffle plates, etc., shall be sprayed with soap and water solution, before cleaning, or cardboard or masking paper may be fastened before any operation and after said operation all waste material shall immediately be removed from the premises.

5.5 Floors within and surrounding spray, dip, or immersing spaces shall be kept clean and free from waste material at all times.

5.6 Spray rooms, booths, fans, ducts, and other equipment shall be cleaned frequently and maintained in clean and efficient working condition; lacquer spraying booths shall be wet down before cleaning.

5.7 Implements used for cleaning shall be made of non-ferrous material to avoid sparks.

5.8 Metal waste cans with self-closing covers shall be provided for all spraying, dipping or immersing spaces and storage rooms. The number to be installed shall be determined by the administrative official having jurisdiction.

5.9 Approved fire appliances shall be installed in all spraying, dipping or immersing spaces and in storage rooms as may be determined by the administrative official having jurisdiction.

5.10 Accumulation of inflammable waste, sweepings or deposits from spray, dip or immersing space is prohibited. All such waste shall be placed in approved waste cans and be removed from the premises at the close of work each day.

5.11 All sandpapering of lead painted surfaces shall be done with wet sandpaper.

5.12 When a motor vehicle is taken into a spray space, the batteries shall be disconnected before the process of spraying is begun.

5.13 Before spraying is performed on elevator cars all electric power operating all elevators enclosed in a common shaft, shall be turned off. While such work is in progress portable fire extinguishers shall be provided and maintained adjacent to the work as the Fire Commissioner shall direct. Such shafts shall be well ventilated of fumes before starting elevators.

5.14 Inflammable solvents used for cleaning equipment or for any other purpose shall not be discharged into the house drain.

Rule 6. Material Storage and Mixing.

6.1 Main supplies of spray coating and dipping materials and thinners shall be kept in an outside storage building, storage rooms or in vented metal cabinets in accordance with the following amounts:

6.1.1 Spraying materials not in excess of 100 gallons may be stored in single walled metal cabinets ventilated to the outer air. Such cabinet to be metal covered on all sides, including the doors and arranged for ventilation at top and bottom.

6.1.2 Spraying materials not in excess of 200 gallons may be stored in double-walled metal cabinets ventilated to the outer air or wood cabinets metal covered on all sides, including the door, and arranged for ventilation at top and bottom, to the outer air.

6.1.3 Spraying materials in excess of 200 gallons shall be stored in a separate exterior storage building of fireproof or fire-resisting material with ventilated plain glass skylight or in a storage room constructed fireproof in a fireproof building or fire-resisting in a non-fireproof building. The maximum amount of spraying materials to be stored in a storage room of a non-fireproof building shall be determined by the administrative official having jurisdiction.

6.1.4 Mixing or thinning of coating materials shall be conducted in a storage building or storage room, except that containers of total capacity not exceeding ten gallons may be opened and their contents mixed in the spray room or room in which booths are located while the air exhaust system is operating.

6.1.5 Working supplies sufficient for not more than one day's use but not exceeding twenty gallons to each booth, nor a total of one hundred gallons, may be

RULES

kept in the spray room or room in which spray booths are located; covers of containers must be kept thereon when such containers are not actually in use. This amount is in addition to the amount allowed in Rule 6.1.7.

6.1.6 Gravity feed material containers for supplying spray guns shall not exceed ten gallons in capacity and shall be supported by wire cables or metal brackets having a factor of safety of four when filled with the heaviest spraying materials used.

6.1.7 Pressure feed tanks and other equipment for use in connection with direct spraying under air pressure shall be restricted to tanks of not more than sixty gallons, individual capacity, designed, constructed and approved for this specific purpose by the Board of Standards and Appeals. Each tank shall be provided with a safety valve set at a pressure not exceeding eighty pounds. All gravity feed containers and other spraying equipment shall be approved as above.

6.1.8 The installation of all electrical wiring, switches, lighting and all other electrical equipment, and the provisions of these rules against carrying matches or smoking and prohibiting flame or spark-producing devices, shall also apply to storage or mixing rooms.

6.2 Storage of Materials where nitro cellulose products are manufactured.

6.2.1 Storage of spraying, dipping and immersing materials shall be as provided in Rule 6.1.1 through Rule 6.1.3, but in a building in which nitro cellulose products are manufactured, stored or kept the amount shall be not over twenty-five (25) gallons as per Section C19-113.0, subdivision h of the Administrative Code.

6.3 Sprinklers.

6.3.1 Sprinkler heads shall be provided in all spray, dip or immersing spaces and storage rooms and shall be installed in accordance with the Sprinkler Rules of the Board of Standards and Appeals, except in non-sprinklered buildings where sprinkler connection may be made to the house water supply, provided the size of the house water supply line is adequate for the number of sprinkler heads.

6.4 Maintenance of Sprinkler Heads.

6.4.1 Sprinkler heads in spraying, dipping and immersing spaces shall be cleaned at least once a week under the supervision of the person holding the certificate of fitness and a coating of light grease or vaseline shall be applied after each cleaning to prevent the formation of a hard deposit and render the sprinkler useless in case of fire. The use of paper bags or other materials about sprinkler heads is prohibited.

Rule 7. General Requirements.

Notice—Attention is called to the provisions of the Administrative Code as to violations reading as follows:

Section C19-152.0 of the Administrative Code, "Any person who shall willfully violate or neglect or refuse to comply with any of the provisions of this chapter in addition to any other penalties prescribed by law or ordinance shall, upon conviction, be punished by a fine of not more than \$500 or by imprisonment not exceeding 6 months, or by both such fine and imprisonment."

NOTE:—The principal cause of fires in spray-booth installations are: broken electric lamps and other electrical defects; cleaning the interior booths, fans and motors with highly flammable solvents;

accumulation of deposits in the tubes and vent pipes from neglect in cleaning them frequently; unnecessary accumulation of waste and refuse, smoking and a general lack of cleanliness.

- (a) "No Smoking" signs, with letters at least 2 inches in height, shall be posted at entrances to and in all spray rooms and paint storage rooms or building.
- (b) No combustible materials shall be stored or maintained within 15 feet of any spray booth.
- (c) All stocks shall be arranged so as not to interfere with the operation of automatic sprinkler heads.
- (d) Adequate mechanical or natural ventilation shall be provided.
- (e) No open flames or devices creating open flames or arcs shall be maintained within 25 feet of the spray or dipping process.
- (f) The premises where painting, dipping or immersing is performed shall be kept clear of empty paint cans, rubbish, paint accumulations and other combustible material.

Rule 8. Existing Spray Booths and Installations.

8.1 These rules shall be retroactive in the following respects:

Rule 1.3.4 Heating of Rooms.

Rule 3.1 Air Exhaust System.

Rule 3.2 Air Supply and Mixing.

Rule 4.0 Specifications for Spray Booths, Spray Rooms, Dip and Immersing Rooms, New Drying Equipment, and Material Storage Rooms.

4.1.3 Surfacing of Booths.

4.1.5 Surfacing of metal in Booths.

4.3.2 Maintenance of Ducts.

4.4.6 Method of Induced Draft.

4.5.1 Electrical Equipment.

4.5.2 Electrical Lighting.

Rule 5.1 Certificate of Fitness.

5.2 Smoking, Matches, etc.

5.6 Maintenance of Equipment.

5.7 Cleaning Implements.

5.9 Fire Appliances.

5.10 Accumulation and disposal of waste materials.

5.12 Motor vehicles in booths or rooms.

5.13 Spraying Elevator Cabs.

Rule 6. Material, Storage and Mixing.

Rule 7. General Requirements.

Rule 8.1 Rules 6.1, 6.2, 6.3 and 6.4 may not be applied in fireproof buildings equipped with an approved existing automatic sprinkler system where the general conditions of cleanliness are properly maintained at all times.

Rule 9. Permits and Plans.

Before a permit is issued by the Fire Commissioner, plans shall be filed with the Borough Superintendent, stating name, address, floor and space where the painting, dipping or spraying processes or storage room are to be installed. Such plan shall include a complete layout of the proposed installation and shall clearly indicate the location of all exterior wall openings, in premises and adjacent buildings, exits, chimneys, vent openings and proposed processes.

Plans shall be filed with the Borough Superintendent for storage and mixing rooms. Such plans shall show the complete floor plan of the proposed equipment and the location of the proposed equipment with respect to the storage and mixing rooms, exterior wall openings, in premises and adjacent buildings, exits and all chimneys within 20 feet of storage rooms and vent openings.

MINUTES

(Continued from Page 441)

376-42-BZ—Vol. II

APPLICANT—Edward Handelman for The Heights Company, Inc., owner.

SUBJECT—Application for consideration—reopening for extension of term of variance which expired February 26, 1962—decision of the Borough Superintendent; previously granted on condition, under Section 7i of the Zoning Resolution, permitting partly in a business use and partly in a residence use district, the conversion of occupancy of part of an existing building; said building is used in part as a garage for more than five (5) motor vehicles. PREMISES AFFECTED—8-16 Clinton Street, west side, 34 feet 5 inches south of Fulton Street, Block 238, Lot 52, Borough of Brooklyn.

APPEARANCES—

For Applicant: Edward Handelman.

ACTION OF BOARD—Application reopened and set for hearing on May 1, 1962, at 10 A.M., to consider extension of the term of the variance, requiring a new decision of the Borough Superintendent and photographs, which have been filed, and two publications in the Bulletin as notice.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

677-54-BZ—Vol. II

APPLICANT—Schaefer and Atkin for Morris Glasgall, owner.

SUBJECT—Application for consideration—reopening for extension of term of variance which expired February 19, 1962—decision of the Borough Superintendent; previously granted on condition, under Section 7e of the Zoning Resolution, to permit in a residence use district, the change of occupancy from garage and dead storage, to garage, storage of roofing materials and sheet metal shop. PREMISES AFFECTED—413-415 West 150th Street, north side, 93 feet 2 inches east of Convent Avenue, Block 2065, Lot 22, Borough of Manhattan.

APPEARANCES—

For Applicant: Victor E. Block.

ACTION OF BOARD—Application reopened and set for hearing on May 1, 1962, at 10 A.M., to consider extension of the term of the variance, requiring a new decision of the Borough Superintendent and photographs, which have been filed, and two publications in the Bulletin as notice.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

220-32-BZ—Vol. II

APPLICANT—Larry Meltzer for Modern Truck Renting LI, Inc., owner.

SUBJECT—Application for consideration—reopening as Vol. II subject to regular procedure—decision of the Borough Superintendent; previously denied, under Section 21 of the Zoning Resolution, to permit in a business district, the erection and maintenance of a gasoline service station. PREMISES AFFECTED—124-26 to 124-44 Metropolitan Avenue (124-40 Metropolitan Avenue, official) and 84-02 to 84-08 125th Street, southwest corner, Block 9240, Lots 12 and 15, Kew Gardens, Borough of Queens.

APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Request to reopen withdrawn at request of the applicant.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

1649-61-SA

APPLICANT—Maestrelli Importing Corporation, agent; Maestrelli Costruzioni Elettromeccaniche, owner.

SUBJECT—Maestrelli Drycleaning Machine, Synthetic, Closed Unit method, Models 30 and 50, approval of.

APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Laid over to April 10, 1962, at 2 P.M.; applicant to be notified.

Adjourned 3:55 P.M.

James P. Mulroy, Secretary.

Special Meeting, Friday Morning, April 6, 1962, Affecting Calendar Number 156-62-SR.

Correction Affecting Calendar Number 262-36-A—Vol. I.

Notice of Appeals as to Multiple Dwellings.

Notice—Warning.

CALENDAR

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection with which court proceedings are pending or in progress, unless exception is granted by the chairman, nor accepted which is not filed within thirty days from the date of the action of the Administrative Official.

Any communication purporting to be an appeal or application shall be regarded as a mere notice of intention to seek relief until it is filed on the form required by the rules of this board.

Upon receipt of any such communication the writer will be supplied with the official forms for presenting his appeal or application.

At the time of filing an appeal or application, the appellant or applicant shall forward a signed notice of appeal addressed to the Administrative Official either Borough Superintendent of Buildings or Fire Commissioner and file with this board a duplicate of said notice.

Appellants and applicants are advised that their plans must indicate the points of the compass so as to establish the true location and position of the property, the subject of the appeal or application.

Appeals and applications will be simplified and their disposition expedited by conforming to these directions.

MAX H. FOLEY. *Chairman.*

DOCKET

New cases Filed Up to April 3, 1962

Cal. No. Dept. Premises Affected

273-62-A—B.R.—28 Keating Place, east side, 260 feet north of Rockland Avenue, Block 2005, Lot 186 (tentative), Borough of Richmond. N.B. 113-62, re—street giving access to New Springville, this building, not on official map.

274-62-A—F.D.—52-30 34th Street, northwest corner, Block 301, Lot 1, Long Island City, Borough of Queens, F.D. Order No. 3171-1, re—discontinue use of gas-fired drying ovens, not of approved type.

275-62-SM—Polycast Flame Resisting Acrylic (FRA-7), Sheet, manufactured by Polycast Corporation, Material.

276-62-SM—Fixrammer Stud Driver, various models (power actuated stud driving tools), manufactured by Sileps, Inc., Material.

277-62-A—B.M.—Entire Block bounded by Park Avenue, Vanderbilt Avenue, East 42nd and East 45th Street, 200 Park Avenue, 31-59 Vanderbilt Avenue and 50-98 East 45th Street, Block 1280, Lot—Part of 1, Borough of Manhattan, Misc. 186-62, re—proposed oil storage tanks located above lowest story premises.

278-62-SM—Alcoa/Hico Beams, various models (the support of forms on which concrete floors are poured), manufactured by Hico Corporation of America, Material.

279-62-A—B.R.—80 Summit Avenue, west side, 804.9 feet north of Richmond Road, Block 951, Lot 31, New Dorp., Borough of Richmond, N.B. 1017-61, re—street giving access to building not on official map.

280-62-A—B.R.—26 Roswell Avenue, south side, 228.65 feet

east of Victory Blvd., Block 2637, Lot 69, Travis, Borough of Richmond, N.B. 397-61, re—street giving access to building not on official map.

281-62-A—B.R.—45 Cuba Avenue, west side, 325.36 feet south of New Dorp Lane, Block 4033, Lot 18, New Dorp Beach, Borough of Richmond, N.B. 1524-61, re—street giving access to building not on official map.

282-62-A—B.R.—55 Waterside Street, north side, 90 feet west of Cedar Grove Avenue, Block 4079, Lot 9, New Dorp Beach, Borough of Richmond, N.B. 1339-61, re—street giving access to building not on official map.

283-62-SM—Movawall partition framing systems, aluminum and steel (extruded or cold-rolled), manufactured by Henges Company, Inc., Material.

284-62-SA—Trump Feeder, various models (to dispense a controlled quantity of Trump liquid detergent into wash tank of a dish machine), manufactured by Economics Laboratory, Inc., Appliance.

Restored to Docket

49-57-A—Vol. II—B.Q.—29-10 20th Avenue, southeast corner of 29th Street, Block 848, Lots 32, 35 and 38, Long Island City, Borough of Queens, Alt. 2383-61, re—installation and use of Kumpf Lacquering, Drying and High Gloss Calendering Plant.

569-58-A—Vol. III—B.M.—16 East 18th Street, south side, 175 feet 5 inches west of Broadway, Block 846, Lot 65, Borough of Manhattan, Alt. 1159-58, re—front fire escape.

1081-41-BZ—B.Q.—102-43 to 102-55 Queens Boulevard, northeast corner of 68th Road, Block 2137, Lot 1, Forest Hills, Borough of Queens, Alt. 2229-52, reopened for consideration as to extension of term of variance, re—bowling alley in cellar.

APRIL 17, 1962, 10 A.M.

NOTICE IS HEREBY GIVEN of a public hearing Tuesday morning, April 17, 1962, at 10 o'clock at 80 Lafayette Street, 9th floor, New York 13, N. Y., on the following matters:

1587-61-BZ

APPLICANT—Burke and Groh for Winfield Associates Incorporated, owner.

SUBJECT—Application October 13, 1961—decision of the Borough Superintendent, under Sections 7a and 21 of the Zoning Resolution, to permit in a business and residence use C area district, the erection of a one story extension to an existing contractors' equipment and storage building located in the residence use portion of the premises, the proposed extension exceeds the permitted area coverage.

PREMISES AFFECTED—70-02 51st Road, southeast corner of 72nd Place, Block 2465, Lots 1, 2, 3, 4 and 5, Elmhurst, Borough of Queens.

1611-61-BZ

APPLICANT—A. H. Salkowitz for Irving Warfield Etals doing business as Flatlands Shoppers Mart Company, owner.

SUBJECT—Application October 25, 1961—decision of the Borough Superintendent, under Section 7c of the Zoning Resolution, to permit in a business and residence use district, in conjunction with the erection of a one story and cellar building for use as market and retail stores, the extension of the accessory parking area into the residence portion of the premises.

PREMISES AFFECTED—913 to 947 East 108th Street, north side, 89.51 feet east of Flatlands Avenue, Block 8235, Lot 342, Borough of Brooklyn.

1654-61-BZ

APPLICANT—Patrick D. Concagh for American Oil Company and Max Davidson, owners.

SUBJECT—Application October 27, 1961—decision of the Borough Superintendent, under Section 7a of the Zoning Resolution, to permit in a residence use district, the extension in area and reconstruction of an existing gasoline service station to have lubritorium, auto laundry (non-automatic) accessory sales and office, motor repair shop with hand tools only and the parking and storage of motor vehicles.

PREMISES AFFECTED—1514 Bronxdale Avenue, northeast corner of Poplar Street, Block 4062, Lots 27 and 28, Borough of The Bronx.

1659-61-BZ

APPLICANT—Max Siegel Associates for 180 Tenants Corporation, owner; Gracie Mansion Garage, Incorporated, lessee.

SUBJECT—Application November 6, 1961—decision of the Borough Superintendent, under Section 7e of the Zoning Resolution and Section 60(3) Multiple Dwelling Law, to permit in a residence use district, for a term of twenty-one (21) years, the addition of transient parking for the surplus tenants spaces within the existing multiple dwelling accessory garage.

PREMISES AFFECTED—180-194 East End Avenue, west side from East 88th Street to East 89th Street, 535-541 East 88th Street, 540-546 East 89th Street, Block 1585, Lot 23, Borough of Manhattan.

1660-61-A

APPLICANT—Max Siegel Associates for 180 Tenants Corporation, owner; Gracie Mansion Garage, Incorporated, lessee.

SUBJECT—Application November 6, 1961—Filed pursuant to Section 60 subd 1(b) of the Multiple Dwelling Law re—transient parking in accessory garage.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, on July 31, 1951, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened and the term of variance extended for a term of five years on September 18, 1956; and

WHEREAS, the applicant requests reopening of this subject calendar number in order to extend the term of variance for an additional period of five years; that the present zoning is R6 and R5; that there have been no changes on the site; that within the affected area, there have been several new buildings erected, as follows: Block 5475, Lots 1014, 1005 and 1012—six story apartment houses; Block 6542, Lots 1 and 87—six story apartment house; Block 6532, Lot 66—one family dwelling; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation September 18, 1961 under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 6, 1962 and set for hearing on April 3, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 3, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated December 20, 1961 acting on Alt. Applic. No. 1019-49, reads:

"1. The use of the above premises for "Restaurant, Bar and Grill and Cabaret" is contrary to the uses permitted in an "R6 District". Art. II Sec. 22.00 of the Amended Zoning Resolution.

Note: Premises was subject to term of variance under Cal. 25-34-BZ, Vol. III as amended July 31, 1951 which has expired September 18, 1961."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on July 31, 1951 as amended through September 18, 1956, only as to the term of the variance, so that as *amended* it shall read:

"granted for a term of five (5) years from the date of this *amended* resolution, to permit . . .; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained." On condition that the catering signs now on the building shall be removed and no catering shall be done on the premises.

545-44-BZ—Vol. IV

APPLICANT—Max Siegel Associates for All States Holding Corporation, owner.

SUBJECT—Application reopened November 14, 1961 as Volume IV—decision of the Borough Superintendent, under Section 7a of the Zoning Resolution, to permit in a residence use district, the change in use of the cellar of an existing six story and cellar building from garage to photo studios, showrooms and incidental storage, the upper floors to retain the existing uses of showrooms, school, storage and factory.

PREMISES AFFECTED—415-423 East 53rd Street, north side, 194 feet east of First Avenue and 410-416 East 54th Street, Block 1365, Lot 9, Borough of Manhattan.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 30, 1962, after due notice by publication in the Bulletin; laid over without date for inspection and decision if the new Zoning Resolution is amended to permit the Board to act; then set for April 3, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated September 18, 1961, acting on Alt. Applic. 1030-58, reads:

"1. Use of photo studios & showrooms in residence use district contrary to Article II Sec. 3 of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision a of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is granted under Section 7a of the Zoning Resolution, to permit in a residence use district, the change in use of the cellar of an existing six-story and cellar building from garage to photo studios, showrooms and incidental storage, the upper floors to retain existing uses of showroom, school, storage and factory, on condition that the work shall be done in accordance with drawings filed with this application dated October 2, 1961, 4 sheets; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

604-48-BZ—Vol. III

APPLICANT—Lama, Proskauer and Prober for 363-373 Prospect Place, Incorporated, owner.

SUBJECT—Application reopened November 14, 1961 as Volume III—decision of the Borough Superintendent, under Sections 7c and 19A (j) of the Zoning Resolution, to permit in an unrestricted business and residence use district, the change in use of an existing one story and basement building from public garage to manufacturing and assembly of electric and amusement devices, office and loading and unloading berth less than 12 feet in width and a business sign.

PREMISES AFFECTED—344 St. Marks Avenue, south side, 96 feet 8 inches west of Washington Avenue, and 363-371 Prospect Place, Block 1153, Lot 27, Borough of Brooklyn.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 30, 1962 after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the new Zoning Resolution is amended to permit the Board to act; then to April 3, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated September 22, 1961 acting on Alt. Applic. No. 2602-60, reads:

"1. Proposed change of use of an existing public garage to manufacturing and assembly of electric and amusement devices, loading and unloading and offices in a lot located within an Unrestricted Use District and extending into a Residence Use District and partly within a Business Use District is contrary to Art. II, Sect. 3 of the Zoning Resolution.

2. Proposed loading and unloading berths are inadequate in that the width of berths and width of the entrances are less than 12'-0" and contrary to Art. IV, Sect. 19-A(h) of the Zoning Resolution.

3. Proposed business sign in the Residence Use District portion of lot is contrary to Art. II, Sect. 3 of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Sections 7, Subdivision c, and 19A (j) of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is granted under Sections 7c and 19A (j) of the Zoning Resolution, to permit in unrestricted, business and residence use districts, the change in use of an existing one-story and basement building from public garage to the manufacturing and assembling of electric and amusement devices, office, loading and unloading berths less than 12 feet in width and with a stationary business sign, on condition that the work shall be done in accordance with drawings filed with this application dated September 28, 1961, 7 sheets; that the Prospect Place front shall be sand-blasted or steam cleaned and the window frames and trim shall be painted on that street front; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

APPLICANT—Lama, Proskauer and Prober for 363-373 Prospect Place, Incorporated, owner.

SUBJECT—Application filed September 28, 1961—Appeal from a decision of the Borough Superintendent, re exits. PREMISES AFFECTED—344 St. Marks Avenue south side, 96 feet, 8 inches west of Washington Avenue, and 363-371 Prospect Place, Block 1153, Lot 27, Borough of Brooklyn.

APPEARANCES—

For Applicant: James E. Vassalotti.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated September 22, 1961 on Alt. Applic. 2602-60, reads:

"4. Provide exits from the 1st floor which is the floor above the ground floor so that no point is more than 100 feet from an exit as per sect. 270 of the Labor Law.

Note: This premises was subject of Board of Standards and Appeals variance under Cal. #1128-23-BZ and 604-48-BZ, Vol. II."

and

WHEREAS, the applicant states that the building is 75 feet by 261 feet 1 inch in area, 1 story and basement, 26 and 30 feet high, of class 1 construction, located in unrestricted, business and residence use, B area and class 1½ height district, built in 1925, now used and occupied since 1960: cellar—boiler room; basement—manufacturing of electrical and amusement devices, loading and unloading and offices, 10

MINUTES

persons; 1st floor—manufacturing of electrical and amusement devices and offices, 10 persons; that the proposed use will be the same, but the occupancy will be increased in the basement and 1st floor to 100 persons per floor; that the legal use in accordance with the Certificate of Occupancy #34199 issued July 16, 1925 against N.B. Applic. 825-25 is: one—two story public garage; that additional facts about these premises can be found in an accompanying zoning appeal 604-48-BZ, Volume III; and

WHEREAS, the applicant states that the present and proposed exits for the 1st floor comply with Section 270 of the Labor Law except the distance from the nearest exit is 130 feet from the outside wall instead of 100 feet; that the small narrow portion of the building will only be used for office purposes and not for manufacturing and therefore the excess of 30 feet of travel will not create a hazardous condition; that in view of the facts as stated above, it is respectfully requested that this application be granted; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the requirements of the Labor Law, as cited in a decision of the Borough Superintendent dated September 22, 1961, acting on Alt. App. 2602-60, Objection No. 4 and that the appeal be and it hereby is granted on condition that all the requirements of the resolution adopted by the Board this day under Cal. No. 604-48-BZ, Vol. III, shall be complied with; and that no person shall be employed at manufacturing at a distance of more than 100 feet from the nearest legal exit; and that all other laws, rules and regulations applicable shall be complied with and a Certificate of Occupancy shall be obtained.

THE RESOLUTION—

WHEREAS, on December 11, 1951, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened and the term of variance extended for a term of five years on January 29, 1957; and

WHEREAS, the applicant states that in 1953, the zoning of the site was changed to retail and residence use, D and E-1 area and ½ height; that under the recently enacted new zoning law, the zoning is now C2-2 and R3-2; that this new zoning permits parking for a distance of 150 feet south of Hillside Avenue, leaving only the rear small portion in a district zoned contrary to the permitted use requested herewith; that conditions on the site and the surrounding area are generally unchanged, except for some apartment building construction on the north side of Hillside Avenue; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance which had

expired by time limitation January 29, 1962 under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 6, 1962 and set for hearing on April 3, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 3, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 22, 1962 acting on Alt. Applic. No. 1413-51, reads:

"1 Proposed further extension of time variance for Parking lot (Parking & Storage of more than 5 motor vehicles is contrary to Board of Standards & Appeals Calendar #543-51-BZ."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on December 11, 1951, as amended through January 29, 1957, only as to the term of the variance, so that as amended it shall read:

"granted for a term of five (5) years from the date of this amended resolution, to permit . . . ; on condition that all fences around the property shall be repaired and kept in proper condition; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

THE RESOLUTION—

WHEREAS, on October 18, 1960, this application Volume II was granted by the Board on certain conditions; and

WHEREAS, the applicant states that the impact of the Zoning Resolution effective December 15, 1961 has caused a delay in the ultimate development of these premises for a multi-story conforming building, as originally contemplated; that for this reason, we respectfully request that the subject application be reopened, and the term of variance for the temporary use of these premises for a parking lot be extended for five (5) years; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which will expire by time limitation October 18, 1962; and

WHEREAS, this application was reopened on January 30, 1962 and set for hearing on February 27, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; laid over to March 27, 1962 for inspection and decision; applicant to comply with requirements of previous resolution of the Board; then to April 3, 1962; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated December 7, 1961 on Amended Alt. Applic. 603-60, reads:

"1. Proposed to extend term of variance for additional five (5) years as previously granted under Cal. No. 35-59-BZ, Vol. II, by Standards & Appeals."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on October 18, 1960, only as to the term of the variance, so that as amended it shall read:

"granted for a term of five (5) years from the date of this amended resolution, to permit. . . ; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

160-59-BZ—Vol. II

APPLICANT—Burke and Groh for Catherine, Conchetta, Philomena and James Di Jorio, owners.

SUBJECT—Application reopened November 21, 1961 as Volume 11—decision of the Borough Superintendent, under Sections 7a and 21 of the Zoning Resolution, to permit in a business use district, the reconstruction of an existing gasoline service station to provide new accessory building, additional gas tanks and pumps and retain the accessory uses of lubricatorium, car washing (non-automatic) office and sale of accessories, minor repairs with hand tools only and the parking of cars awaiting service in the open area.

PREMISES AFFECTED—33-21 21st Street, northeast corner of 33rd Road, Block 556, Lots 14, 15 and 18, Long Island City, Borough of Queens.

APPEARANCES—

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 30, 1962 after due notice by publication in the

Bulletin; laid over without date for inspection and decision if the new Zoning Resolution is amended to permit the Board to act; then to April 3, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated October 5, 1961 acting on Alt. Applic. No. 1994-58, reads:

"1. The proposed enlargement of the premises (including of lots 14 & 18) and the relocating & reconstruction of the Gasoline Service Station accessory bldg. in a Business Use District to be used for auto washing (non-automatic), lubrication, office & sale of auto accessories, minor repairs with hand tools only is contrary to Art. II Sec. 4(a) of the Zoning Resolution.

2. The proposed use of the unoccupied portion of the premises for parking and storage of cars awaiting service is contrary to Art. II Sec. 4(a) of the Zoning Resolution.

3. Proposed installation of additional gasoline tanks is contrary to Art. II Sec. 4(a) of the Zoning Res.

Note: The above premises was the subject of a variance granted under Cal. #160-59-BZ of the B.S. & A." and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision a of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is granted under Sections 7a and 21 of the Zoning Resolution, to permit in a business use district, the reconstruction of an existing gasoline service station, to provide new accessory building, additional gas tanks and pumps and to retain accessory uses of lubricatorium, non-automatic car washing, office and sale of accessories, minor repairs with hand tools only and the parking of cars awaiting service in the open area, on condition that the work shall be done in accordance with drawings filed with this application dated October 6, 1961, 5 sheets; that no ice cube dispensing machines shall be located on the premises; that a brick wall 5 feet 6 inches high shall extend from the accessory building to 33d Road and 50 feet west along the 33d Road street front; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

APPLICANT—Crinnion and Crinnion for Rose Golden and Mollie Dorfman, owners.

SUBJECT—Application October 10, 1961—decision of the Borough Superintendent, under Section 7e of the Zoning Resolution, to permit in a residence use district, the change in use of a sales lot for motor vehicles of the pleasure type previously granted by the Board to a miniature golf course.

PREMISES AFFECTED—1965 Bruckner Expressway, north side, 164.52 feet west of Pugsley Avenue, Block 3787, Lots 43, 44, 45 and 46, Borough of The Bronx.

APPEARANCES—

For Applicant: Robert J. Crinnion.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on March 13, 1962 after due notice by publication in the Bulletin; laid over to March 27, 1962 for inspection and decision; hearing closed; then to April 3, 1962 for decision at applicants' request; to submit additional proof as to need for non-conforming use; and

WHEREAS, the decision of the Borough Superintendent, dated October 9, 1961 acting on Alt. Applic. No. 787-61, reads:

"1. In a residence use district, proposed change of use from sales lot for motor vehicles of the pleasure car type only, to a miniature golf course is contrary to Art. II, Sect. 3 of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee has recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is granted under Section 7e of the Zoning Resolution, for a term of five (5) years, to permit in a residence use district, the change in use of a sales lot for motor vehicles of the pleasure type, previously granted by the Board, to a miniature golf course, on condition that the work shall conform to drawings filed with this application, dated October 10, 1961, 5 sheets; that a hedge 4 feet high shall be planted along the north lot line inside the wire fence; that any lighting installed shall be shaded so as not to shine on adjoining properties or the street; that the golf course shall not be operated after 10 p.m.; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1750-61-BZ

APPLICANT—Max Siegel Associates for Leo Silver, owner; New York State Dept. of Labor, Employment Div., lessee.

SUBJECT—Application November 14, 1961—decision of the Borough Superintendent, under Section 19A (j) of the Zoning Resolution, to permit in a retail -1 and business -1 use, B area district, the removal of the existing required loading berth in an 8 story and cellar office and storage building to provide additional office space.

PREMISES AFFECTED—247-259 West 54th Street, north side, 81 feet 3 inches east of 8th Avenue, Block 1026, Lot 8, Borough of Manhattan.

APPEARANCES—

For Applicant: Max Siegel.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on March 20, 1962, after due notice by publication in the Bulletin; laid over to April 3, 1962 for inspection and decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated November 13, 1961, acting on Alt. Applic. 2030-61, reads:

"1. Removal of required loading space contrary to Section 19A of the Zoning Resolution, as building exceeds 75,000 sq. feet of office area."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee has recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 19A(j) of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is granted under Section 19A(j) of the Zoning Resolution, to permit in a retail-1 and business-1 use, B area district, the removal of the existing required loading berth in an 8-story and cellar office and storage building, to provide additional office space, on condition that the work shall be done in accordance with drawings filed with this application dated November 14, 1961, 4 sheets; that the loading and unloading which is necessary for the building shall be done after 6 p.m.; that this grant is effective during the present occupancy of the building; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

Adjourned 1:10 P. M.

James P. Mulroy, Secretary

REGULAR MEETING

TUESDAY AFTERNOON, APRIL 3, 1962, 2 P.M.

Present: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein.

158-49-SM

APPLICANT—Bidoro Manufacturing Company, owner.

APPEARANCES—

For Applicant: Modesto Callejo.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

158-49-SM—Amendment to resolution as to additional model of vacuum breaker.

Bidoro Manufacturing Company, East Northport, New York, requested that the resolution adopted June 7, 1949 under Calendar Number 158-49-SM be reopened and amended so as to include an additional vacuum breaker.

USE: Vacuum breaker.

DESCRIPTION: The device is a bottom inlet side outlet pipe applied atmospheric type vacuum breaker. It consists of a two-part body, the top part of which screws into the lower part. Incorporated in the top part are the air

MINUTES

ports, the guides for the poppet valve, and a plastic air inlet seat ring. The guide for the poppet screws into the top part of the body. The poppet guide holds the plastic air inlet seat ring in the top part of the body.

The poppet valve is in two parts; the upper part telescopes into the lower part.

The air inlet seat ring is made of nylon.

INSPECTION AND TEST: The device has been approved by the City of Detroit and the Committee on Test has decided to accept that approval in lieu of further testing.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted June 7, 1949 under Calendar Number 158-49-SM be reopened and amended so as to include the additional vacuum breaker, Model F-1, for use in hot or cold water application, on condition that the requirements of the resolution adopted June 7, 1949 under Calendar Number 158-49-SM are complied with.

Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the above cited resolution in accordance with the above report.

72-59-SM

APPLICANT—Armstrong Cork Company, owner.
APPEARANCES—

For Applicant: M. A. Gensler.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
72-59-SM—Amendment to resolution as to additional fire resistive rating.

Armstrong Cork Company, New York, requested that the resolution adopted June 2, 1959 and amended at various times through October 17, 1961 under Calendar Number 72-59-SM be reopened and amended so as to permit the material known as Acoustical Fire Guard Tile and Acoustical Fire Guard Lay-In Unit Boards to be rated as a one-hour fire resistive ceiling material.

USE: Incombustible acoustical tile to be rated as a one-hour fire resistive ceiling material.

DESCRIPTION: The tile and board are the same material as that previously approved under this Calendar Number.

INSPECTION AND TEST: The tiles and board were approved as a component part of a floor and ceiling construction.

The construction was such that the ceiling system was in contact with the lower flanges and the temperatures were recorded on the flanges of the joists. The temperature rise did not exceed 800°F as permitted under C26-600.0 through C26-603.0 Administrative Building Code for use as a short span ceiling for the protection of structural steel. The complete reports, Underwriters' Laboratories Files R4177-3 and R4177-8, are on file with and are part of the record.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted June 2, 1959 and amended at various times through October 17, 1961 under Calendar Number 72-59-SM be reopened and amended so as to permit the material known as Acoustical Fire Guard Tile 12" x 12" 5/8" and Fire Guard Lay-In Unit Boards, 24" x 24" x 5/8"; 24" x 36" 5/8" and 24" x 48" x 5/8", for use as a short span one-hour fire resistive ceiling, on condition that all other re-

quirements of the resolution adopted June 2, 1959 and amended at various times through October 17, 1961 under Calendar Number 72-59-SM be complied with.

(Sgd.) WILLIAM A. NOLAN,
Director,

JOHN A. DARTS,
Asst. Engr.,

GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the above cited resolution in accordance with the above report.

912-60-SM

APPLICANT—United States Gypsum Company, owner.
APPEARANCES—

For Applicant: William W. Bainbridge.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox and Commissioner Becker 4
Negative: Commissioner Klein 1

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
912-60-SM—Amendment to resolution as to additional fire resistive rating.

The United States Gypsum Company requested by letter that the resolution adopted on April 18, 1961 and amended July 18, 1961 under Calendar Number 912-60-SM be reopened and amended to include new uses.

USE: Fire rated Acoustical Tile as a component part of a 1 hour fire resistive floor and/or ceiling construction with wood joists and as a one and 1½ hour ceiling when supported by standard concealed metal Z spline suspension system on Class 1 or 2.

DESCRIPTION: The acoustical tile is incombustible fire rated mineral acoustical tile Acoustone 90 and 120 previously approved under this calendar number.

INSPECTION AND TEST: A floor and/or roof construction of wood joists with fire rated mineral acoustical tile Acoustone 90 as a component part of the assembly was tested at the Underwriter's Laboratory in accordance with the requirements of C26-609 Administrative Building Code and ASTM Designation E 119.

The construction was as follows:

Nominal 2" by 10" wood joists were spaced 16" on centers with nominal 1" x 3" bridging. A subflooring nominal 1" by 6", and nominal 1" by 3" finished flooring was applied on top of the joists. The under side of the wood joists was protected by a ceiling of incombustible fire rated mineral acoustical tile. Acoustone 90 secured by Steel Z splines 12" on centers. The bottom flanges of the Z spline are inserted in the kerfs of the tile.

Flat steel splines are inserted in the kerfs of the other two edges of the tile between the concealed Z splines. A spring steel spacer is used at each tile at the end of the row only and the clip perpendicular to the Z splines.

The Z splines are secured to the joists by USG steel clips. A clip was placed at each end of each spline and 32" to 48" along it (each 2nd or 3rd joist). Each clip was secured to the joist by two 1½" long nails.

3/8" space was left between the end of the Z splines and the walls.

A finishing channel was applied at the walls and 1/8" space was left at the joints of adjacent pieces of channel.

In accordance with the requirements of ASTM designation E 119 for Fire Rating Procedures and Testing the assembly was loaded under test to provide a uniform live load of 71.5 psf and a fiber stress in the joists of 1200 psi.

The assembly successfully met the 1 hour fire endurance test of E 119 for a 1 Hour floor and/ceiling construction.

The complete report USA Underwriter's Laboratory Re-

MINUTES

tardant 4351-3, November 24, 1961, is on file with and is part of the record. The assembly is rated Floor and Ceiling Design No. 15-1 Hour.

Another test was conducted at the Underwriter's Laboratory in accordance with ASTM Designation E 119. The assembly consisted of 2" of concrete over bar joists. The underside was protected by a ceiling of incombustible fire rated mineral acoustical tile Acoustone 90 secured by steel Z splines 12" on centers.

The Z splines were attached by approved wire clips to 1½ CR Channels 4'-0" on centers. The bottom flanges of the Z spline were inserted in the kerfs of the tile. Flat steel splines were inserted in the kerfs of the other two edges of the tile between the Z splines.

In accordance with the provisions of Section C26-603.0 of the Administrative Code, the incombustible fire rated mineral tile Acoustone 90 qualified for a short span fire resistive ceiling of 1½ hour rating.

The complete report USA Underwriter's Laboratory Retardant 4351-1 dated June 30, 1960, is on file with and is part of the record.

Another test was conducted at the Underwriter's Laboratory in accordance with ASTM Designation E 119. The assembly was identical to that immediately above except that the incombustible fire rated mineral tile Acoustone 120 had aluminum foil factory applied to the back of the tile.

In accordance with the provisions of Section C26-603.0 of the Administrative Code, the incombustible fire rated mineral tile Acoustone 120 qualified for a short span fire resistive ceiling of 2 hour rating.

The complete report USA Underwriters' Laboratory Retardant 3451-4 dated August 15, 1961, is on file with and is part of the record.

RECOMMENDATION: On the basis of the Underwriter's Laboratory tests previously conducted on incombustible fire rated mineral acoustical tile Acoustone 90 and 120 and the Underwriter's Laboratory test on this specific wood joist assembly as detailed in ULR-4351-3 using the same fire rated tile Acoustone 90, the Committee on Test recommends the approval of USG incombustible fire rated mineral acoustical tile Acoustone 90 for use as a component part of a one hour fire resistive floor and or roof or ceiling assembly under the pertinent sections of the Administrative Building Code wherein a one hour floor and or roof assembly is permitted using wood joists, on condition that the use is in accordance with the Underwriter's Laboratory Test on this report detailed above.

The Committee on Test further recommends that incombustible fire rated mineral acoustical tile Acoustone 90 and Acoustone 120 of themselves when supported by USG concealed Z spline system with metal splines between tile, attached to a standard grillage of 1½" cold or hot rolled channels not over 4'-0" on centers, shall be approved as a 1 and 1½ hour ceiling under the provisions of Section C26-603.0 of the Administrative Building Code in all classes of construction where a one hour or one and one half hour incombustible ceiling is permitted or required.

The Committee on Test recommends that incombustible fire rated mineral Acoustical Tile Acoustone 90 and 120 having previously been approved for fireproofing of concrete floors and or ceilings for 1½ and 2 hours respectively shall also be approved as a 1½ and 2 hour assembly when used with 2" thick poured in place reinforced gypsum concrete roof or 2" metal edge gypsum plank as provided under Section C26-575.0, the gypsum decks having previously been approved under Calendar Number 236-38-SM for the gypsum concrete deck and Calendar Number 310-40-SM for the gypsum plank.

The Committee on Test further recommends that all plans submitted to the Department of Buildings showing the proposed use of this material shall be marked "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 912-60-SM" and all cartons in which the incombustible fire rated mineral acoustical tile Acoustone 90 or 120 is marketed, shall bear

the Underwriter's Laboratory seal of approval and re-examination service.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the above cited resolution in accordance with the above report.

208-61-SA

APPLICANT—George D. Roper Corporation, owner;
Sears, Roebuck and Co., agent.

APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

208-61-SA—George D. Roper Corporation, owner, Kankakee, Illinois, filed for the approval of the appliance known as Kenmore Gas Range, various models for use in New York City under the provisions of Article 12, Chapter 26, Administrative Building Code and the Multiple Dwelling Law. USE: A domestic gas fired range for cooking purposes.

DESCRIPTION: These ranges are basically similar except they vary as to accessories, styling and cabinet design.

Listed below are the models requested for approval that correspond to the models not as yet approved by the Board which are AGA approved:

REQUESTED FOR APPROVAL	AGA APPROVED
KENMORE	
711A—also known as 103.711610	103.710610
715A—also known as 103.715610	103.714610
721A—also known as 103.721610	103.720610
731A—also known as 103.731610	103.730610
735A—also known as 103.735610	103.734610
757A—also known as 103.757610	103.756610
761A—also known as 103.761610	103.760610

30 INCH RANGES

The Model 711A is a free standing range.

Top Section: The range has a divided top with four steel burners.

The front burners are rated 12,000 BTU/hr, Natural and 10,000 BTU/hr, L.P. gases. The rear burners are 9,000 BTU/hr, Natural and 8,000 BTU/hr L.P. gases. The wire grates have a charcoal enamel finish. The burners have a low input pilot and 4 standard gas valves with V-top design black knobs without trims. The burner box bottom is black japan and the areation pans are black porcelain. At top rear of range there is a background body which conceals the vent, finished in Hi-White enamel, with screening in gray.

Upper Section: The oven interior and oven bottom have a ground coat porcelain finish. The oven racks are of standard nickel. The oven burner is steel, rated 23,000 BTU/hr, with oven baffle. The oven control is manual with V-top knob. Use oven thermostat having pilot fitting and adjusting screw.

Lower Section: Medium size drop broiler with broiler pan and grid in ground coat porcelain finish. There is no safety pilot in the broiler section.

The oven and broiler doors have 2—13 inch chrome handles. Model 715A: This model is similar to the Model 711A except: the backguard is modified.

Top section has white porcelain areation pans and 3 point cast iron grates. Model 721A is similar to Model 711A except: The backguard is modified.

MINUTES

Top section has white porcelain areation pans and cast iron grates, griddle plate and a cover. The griddle burner is steel—1961 burner head less trim. A 5th burner in top section is optional equipment. The 4 standard gas valves have Slenderella knobs. The top burner drip trays are finished in porcelain enamel.

On upper section there are oven door adjusters and the oven door with glass is removable. The racks are of deluxe chrome less front trim.

The oven and broiler doors have 2—15½ inch long handles.

Model 731A is similar to Model 721A except for the following: The backguard is modified.

In top section there is 4 Hi-Lo simmer set gas valves, the 4 burners to have "Lo-Turn Down" feature. Also there is a Wilcolator oven thermostat.

The upper section interior finish and oven bottom is blue-gray porcelain. The oven door has a deluxe frame for door glass.

In the lower section the interior finish, broiler pan and broiler pan grid is blue-gray porcelain.

The body front frame has a blue-gray finish. The body sides are full depth.

The oven door has a full length handle and the broiler has a 15½ inch handle.

Model 735A is similar to Model 731A except for the following. The top section does not have the Wilcolator "X" oven thermostat.

In the upper section interior finish and oven bottom is of ground coat porcelain. The oven door glass does not have the deluxe frame.

The lower section has a medium size drop door broiler. The interior finish, broiler pan and grid are of ground coat porcelain.

The body front frame has a ground coat porcelain finish.

36 INCH RANGES

Model 757A is similar to the 30 inch ranges except for the following: The width of the range is 36 inch and has a left compartment section. The backguard is modified.

The top section burner box bottom is of black Japan, 2 recessed white porcelain areation pans, the grates are of cast iron, top burners are steel with 1961 head trims, 4 standard gas valves. The front burners are rated at 12,000 BTU/hr, natural and 9,000 BTU/hr L.P., the rear burners are 9,000 BTU/hr, and 8,000 BTU/hr L.P. The oven is rated 23,000 BTU/hr, all gases. Also there is a Wilcolator "X" oven thermostat.

The 20 inch right hand oven section interior has a ground coat porcelain finish. The oven racks are standard nickel with center bar. The oven burner is steel. The oven has an interior light and glass and frame with standard trim in door. There are provisions in oven section for a rotisserie (optional equipment).

The broiler section has a medium size drop door and swing out broiler, the interior finish, broiler pan and grid are of ground coat porcelain.

The left compartment interior is finished in black Japan, and has a shelf. The full length door interior, with stiffeners has a ground coat lining.

The body finish is white porcelain, front frame is ground coat porcelain, and has leg levelers.

The oven and broiler door each have a 13 inch long, and the left compartment door has 2—8½ inch short door handles.

The top burners knobs are black, "V-type."

Model 761A is similar to Model 757A except for the following: The backguard style is the same as Model 721A except use a 20 watt fluorescent top light. Add backguard vent trim in bright chrome.

The top section has a grille plate over top surface and a cover. On griddle burner use 1961 of burner head less trim. A 5th burner in top section is optional equipment. Burner trays are of porcelain enamel finish. There is a Robtshaw B-J oven thermostat.

The range interior is of blue-gray finish.

The upper section oven racks are deluxe chrome less trim.

I light in oven. The oven door has adjusters and removable feature. The broiler pan and grid has a blue-gray finish.

The left hand full length door interior surface with stiffeners has a blue-gray lining.

The body front frame has a blue-gray finish. The oven and broiler each have a 15½ inch long handle, and the left compartment door has 2—8½ inch short handle.

The gas valve and griddle slenderella knobs are 1961 design. The oven slenderella is of 1960 design. No thermostat burner knob.

The griddle is rated at 12,000 BTU/hr for natural gas and 10,000 BTU/hr for L.P. gas.

INSPECTION AND TEST: All data on details of construction was examined at the Board by Assistant Architect T. W. Farricker.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Kenmore Gas Range, various models for use in New York City under the provisions of Article 12, Chapter 26, Administrative Building Code and the Multiple Dwelling Law provided each range bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 208-61-SA." Further, that these ranges not approved by a recognized laboratory but made to the specifications shall be installed in accordance with C26-695.0.2b.

(Sgd.) WILLIAM A. NOLAN,

Director,

JOHN A. DARTS,

Asst. Engr.,

GEORGE F. SKLENARIK,

Asst. Engr.,

Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this appliance in accordance with the above report.

466-61-SM

APPLICANT—Cellulite Corporation for The Gilman Brothers Company, owner.

APPEARANCES—

For Applicant: Edward Broadbent.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

466-61-SM—The Gilman Brothers Co., Gilman, Conn., filed for approval of the material known as Cellulite under the provisions of C26-191.0 Administrative Building Code.

USE: Perimeter and roof insulation.

DESCRIPTION: The material Cellulite is an expanded polystyrene and is made into boards, widths ranging from 12" to 50" and lengths from 4'-0" to 12'-4" and in thickness from ½" to 8" in ¼" increments and from 10" to 20" in 2" increments.

The material weights 1.0 to 1.25 lbs. per cu. ft. and its thermal conductivity, (BTU) (Hr) (FT²) (F°) (in) = 0.23 at 40°F.

INSPECTION AND TEST: The material was tested in accordance with Guide Specifications for Military Construction, Dept. of Army Corp. of Engineers CE-204.

The test consists of compressive strength, moisture absorption and thermal conductivity. In all tests the material met the requirements.

The complete report is on file with and is part of the record.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Cellulite for voluntary use in New York City as perimeter insulation for concrete slab-on-ground floor or foundations under the provisions of C26-191.0 Administrative Building Code, which

MINUTES

may be placed on ground, held by back fill or bonded to concrete surfaces with a cement mortar, emulsion type asphalt adhesive or rubber mastic. The Committee further recommends that the material Cellulite may be used as a combustible insulation as permitted under C26-619.0 Administrative Building Code, on condition that all cartons in which the material is marketed, or if supplied unwrapped, the shipping tickets, bills of lading and/or invoices shall be tagged, stamped or labeled "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 466-61-SM."

629-61-SM

APPLICANT—J. H. Walsh for The Celotex Corporation, owner.

APPEARANCES—

For Applicant: John H. Walsh and Richard P. Adams.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Commissioner Fox, Commissioner Becker and Commissioner Klein 4

Negative: 0

Not Voting: Vice Chairman Kleinert 1

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

629-61-SM—Celotex Corp., Chicago, Illinois, filed for approval of the material known as Celotex Protectone Mineral Fiber Acoustical Tile under the provisions of C26-461.0 Administrative Building Code.

USE: A component part of a fire resistive floor and ceiling construction.

DESCRIPTION: The tile is a mineral fiber acoustical tile either $\frac{5}{8}$ " or $\frac{3}{4}$ " in thickness having various surface patterns and when used as an acoustical ceiling in conjunction with various floor systems, various fire resistive floor and ceiling constructions are attained.

INSPECTION AND TEST: Various combinations of floor and ceiling constructions were tested at the Underwriters Laboratories in accordance with the requirements of C26.588.0 through C26-590.0 Administrative Building Code.

Type 1.—Consisting of 2" concrete floor supported by open web steel joists protected by $\frac{5}{8}$ " or $\frac{3}{4}$ " thick acoustical tile. In construction, the joists are spaced 2'-0" on centers and $\frac{3}{8}$ " expanded ribbed lath is placed on top of the joists as a reinforcing for the concrete. The concrete is then poured to a depth of 2" over the joists. Zee runner channels spaced 12" on centers or H & T spaced 24" on centers are attached to the lower flanges of the steel joists by means of #11 or #13 respectively steel wire clips. The acoustical tile, 12" X 12" to 24" X 24" X $\frac{5}{8}$ " or $\frac{3}{4}$ " thick provided with butt type kerfed edges to be supported by either Zee bar or H & T bar runners.

When Zee runners are used the leg of the Zee is inserted into the kerf of the tile and each consecutive course of tile is supported by the Zee runners. Short lengths of flat splines are to be installed into the kerf perpendicular to the Zee runners. When H runners are to be used the bottom flanges of the H runners are to be inserted into the kerfs at the opposite ends of the tile. Tee splines are then to be inserted between the adjacent tiles perpendicular to the H runners. Access may be accomplished through the ceiling tile by including suspension members as depicted by Drawings R 4349-11, R 4349-2, R 4349-8 and R 4349-4.

Type 2.—Consists of a floor and ceiling assembly consisting of a wood floor supported by wood joists protected with a $\frac{3}{4}$ " and $\frac{5}{8}$ " thick acoustical tile ceiling. The joists are spaced 16" on centers, subflooring is then laid diagonally across the joists, building paper is then laid over the subflooring and finally the finish floor is laid perpendicular to the joists. Nailing hangers, are attached to alternate joists and "H" channels, spaced 2'-0" on centers, and running perpendicular to the joists are attached to the nailing hangers. The tile is installed by inserting the leg of the "H" channel into the kerf of the tile and each succeeding tile is attached to the adjacent tile by means of a tee inserted in the tile. The construction is in accordance with Drawing R 4349-3 and 8.

Type 3.—Basically the same as Type 1 except that the tile was $\frac{3}{4}$ " or $\frac{5}{8}$ "—12" X 12" in thickness and containing air ducts and lighting fixtures. The duct openings not exceeding 110 sq. in. per 100 sq. ft. of ceiling area, the opening protected by steel damper held open by 160°F fusible link lighting fixtures not to exceed 25 sq. ft. per 100 sq. ft. of ceiling area. The construction is in accordance with Drawing 4349-6 and 8.

Type 4.—Consists of 2½" concrete slab supported by steel joists and provided with a ceiling of $\frac{5}{8}$ " thick tile and in sizes of 2'-0" X 2'-0" and 2'-0" X 4'-0". The construction is in accordance with Drawings 4349-7 1 and 2.

Type 5.—Basically the same as Type 4 except that there are openings in the ceiling for an air diffuser and for lighting fixtures. The construction is in accordance with Drawings 4349-9 1 and 2.

Type 6.—Consists of a 2½" concrete on top of a cellular steel floor with provisions for air diffuser and for lighting fixtures. The ceiling consists of the 12" X 12" X $\frac{3}{4}$ " or $\frac{5}{8}$ " T & G and kerfed tile. The construction is in accordance with Drawing 4349-5 1 and 2.

Results of the test were as follows:

Type 1, Type 3, Type 4, Type 5 successfully met the requirements of a 2 hour fire resistive floor and ceiling construction.

Type 2 successfully met the requirements of a 1 hour fire resistive floor and ceiling construction.

Type 6 successfully met the requirements of a 4 hour fire resistive floor and ceiling construction.

The complete reports of the Underwriters Laboratories are on file with and are part of the record.

RECOMMENDATION: On the basis of the tests and the data submitted by the applicant, the Committee on Test recommends the approval of the material known as Celotex Protectone Mineral Fiber Acoustical Tile for use in New York City as a component part of a fire resistive floor and ceiling construction with hourly fire resistive ratings as described under the heading "Inspection and Test" for classes of buildings wherein the above described rated floor and ceiling construction are permitted under the pertinent sections of the Administrative Building Code on condition that all plans submitted to the Department of Buildings showing the proposed use of this construction shall be labeled "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 629-61-SM."

1029-61-SM

APPLICANT—Johns-Manville Sales Corporation, owner.

APPEARANCES—

For Applicant: A. E. Shultis.

ACTION OF BOARD—Material approved in accordance

MINUTES

with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and Com-
missioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
1029-61-SM—Johns-Manville Sales Corporation, New York,
filed for approval of the material known as Johns-Manville
Asbestos Tile, Johns-Manville Vinyl Asbestos Tile, Johns-
Manville Industrial Flooring Plank and Johns-Manville
Bridge Plank under the provisions of C26-667.0.4 Adminis-
trative Building Code.

USE: Resilient floor covering.

DESCRIPTION: Johns-Manville Asphalt Tile

Johns-Manville Asphalt Tile is composed of specially
graded Asbestos Fibres, inert mineral fillers and pigments
which are cemented or bound together by Asphaltic and or
Cumar resins. These materials are mixed in an internal
mixer of the Banbury type at elevated temperatures, con-
trolled automatically at predetermined ranges. The process
of mixing is continued on rubber mills where the rollers are
maintained at uniform temperatures through automatic con-
trols. After completion of the mixing operation on the roll-
ing mills, rough sheets are pulled off the mills and trans-
ferred to the calendering line where they pass first through
heated chromium plated steel rolls and are compressed to
the proper thickness and density and the surface of the
sheet rendered smooth. The sheet is trimmed to width before
it passes into the next rolls which impart texture and sur-
face finish and cut it to size for further processing. In each
of these sets of rolls the temperature is thermostatically
controlled and is permitted to vary only when units of dif-
ferent colors or thicknesses are being manufactured. The
cut sheets are next carried on a belt around the surface of
a large cooled drum, where, under thermostatic control they
are cooled to proper cutting temperature. The sheets are
then conveyed to the cutting dies where the individual tiles
are die punched. The cut tiles are then carefully inspected
and submitted to various tests outlined in Federal Specifi-
cation SS-T-306b.

The finished product is then cartoned into special cushion
type corrugated boxes which are identified by Manufactur-
er's Name—style size and quantity together with a code
number designating year—day and shift of manufacturing
plant.

Johns-Manville Vinyl-Asbestos Tile (Terraflex)

Tile consists of a thoroughly blended composition of ther-
moplastic binder, asbestos fibres and other fillers and pig-
ments. The thermoplastic binder consists of polyvinyl chlo-
ride resin compounded with suitable plasticizers and stab-
ilizers.

The process of manufacturing Vinyl Asbestos tile is on
the same equipment and under similar procedural opera-
tions as before described for Asphalt Tile. Johns-Manville
Vinyl Asbestos Tile complies with Federal Specification
L-T-00345 (COM-NBS) Aug. 28, 1959.

Johns-Manville Industrial Flooring Plank

Johns-Manville Industrial Flooring Plank is ½" thick x
12" x 24" in black color only. This product is composed of
blown and natural asphalts, graded saturated organic fibres
and specially graded mineral fillers. The above selected in-
gredients are placed in a heavily constructed sigma blade
mixer which stem jacketed so that temperature of mixture
is kept at desired levels.

Mixing operation is continued until an even consistency
is reached. The lot mix is then extruded under pressure by
means of a brick type extruder and cut immediately into
billets approximately 24" long. Hot billets pass through
calender rolls to desired thickness and while hot—die cut
to finished size 12" x 24" and finally cooled in a water bath.
Random samples from each batch are taken and subjected
to rigid inspection tests, hardness, brittleness and dimen-
sional tolerances of Johns-Manville Manufacturing Specifi-
cations.

Johns-Manville Asphalt Bridge Plank— Plain and Mineral Surfaced

Johns-Manville Asphalt Bridge Plank, composed of as-
phalt, specially graded, shredded, saturated organic fibres,
and graded mineral fibres, is furnished either smooth or
Mineral Surfaced. For smooth surfaced plank, the afore-
mentioned ingredients are placed in a heavily constructed
sigma blade mixer which is steam jacketed so that the tem-
perature of mixture may be kept at desired levels. The mix-
ing operation is continued until an even consistency is
reached and the hot mixture extruded under pressure by
means of brick type extruder into a continuous ribbon
length. Leaving extruder, plank is transferred to a water
cooled belt. When properly cooled, plank passes through
steel calendered rolls to form to desired size. Plank is then
cut to desired lengths of 3'0" - 6'0" etc. by means of a cir-
cular saw. Cut plank, sprinkled with graded sand to pre-
vent sticking in handling. When cool, burrs are trimmed
from sides and ends. Plank is ready for packaging and
shipment.

Johns-Manville Mineral Surfaced Asphalt Bridge Plank
is manufactured similarly to smooth surface plank except
that plank is extruded 12" wide and cut to approximate 24"
lengths.

Before embedding of mineral aggregate, billets are kept
warm and placed in die cavity of 12" x 24". Approximately
one pound per square foot of surface area of plank, of
heated, hard—dense trap rock, or similarly approved min-
eral aggregate graded ⅜" to ½" is spread uniformly over
the plank and pressed firmly into the plank under hydraulic
pressure. The use of the embedded trap rock is to improve
skid resistance of plank.

All batches of both plain and Mineral Surfaced plank are
made under rigid Johns-Manville Manufacturing Specifica-
tions for hardness, brittleness and dimensional tolerances.
INSPECTION AND TEST: Samples were inspected by
Assistant Engineer J. A. Darts, and it was noted that the
plank ranged in thickness up to 2 inches.

RECOMMENDATION: The Committee on Test recom-
mends the approval of the material known as Johns-Man-
ville Asbestos Tile, Johns-Manville Vinyl Asbestos Tile
and Johns-Manville Industrial Flooring Plank for use in
New York City under the provisions of C26-667.0.4 Admin-
istrative Building Code.

The Committee further recommends that as the material
known as Johns-Manville Bridge Plank is available in thick-
ness exceeding the allowable ½" maximum as permitted
under C26-667.0.4 Administrative Building Code, that when
the thickness exceeds the ½" that the use be limited to in-
dustrial floor surfacing application and when the thickness
is ½" or less then the material may be installed in accord-
ance with C26-667.0 Administrative Building Code on con-
dition that each carton shall be marked "Approved by the
Board of Standards and Appeals for use in New York City
under Calendar Number 1029-61-SM"

report.

1182-61-SM

APPLICANT—Termocrete Company, Incorporated, owner.
APPEARANCES—

For Applicant: William Schwandt.

ACTION OF BOARD—Material approved in accordance
with the report and recommendation of Committee on
Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

MINUTES

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
1182-61-SM—Termocrete Co., Inc., Belleville, New Jersey, filed for approval of the material known as Air In under the provisions of C26-191.0 and the Rules for Use of Air Entrained Portland Cement adopted under Calendar Number 64-55-SR.

USE: Air entraining agent for portland cement, types 1, 2 and 3 concrete.

DESCRIPTION: The material is a combination of denatured alcohol, coconut fatty acid, water and a derivative of licorice root. The percentages are of a proprietary nature and are therefore not divulged.

INSPECTION AND TEST: The applicant has submitted the reports of tests conducted by the R. W. Hunt Co., which basically showed that the compressive strength of the concrete is reduced as the air content increases when the W/C ratio is held constant. Each 1% of air increase, reduces the 90 day strength but it was found that when the concrete contained 5 to 6%, the strength of the concrete is less seriously affected. The complete report is on file with and is part of the record.

RECOMMENDATION: On the basis of the data filed by the application, the Committee on Test recommends the approval of the material known as Air In as manufactured by Termocrete Co., Inc., Belleville, New Jersey, for voluntary use in New York City as an air entraining agent for portland cement concrete on condition that any concrete made with this product shall comply with the requirement of the rules adopted April 4, 1955, under Calendar Number 64-55-SR and further that the amount of Air In used shall not be more than 2 oz. per sack of cement and that containers in which the material is marketed shall be labeled "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1182-61-SM".

Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this material in accordance with the above report.

1246-61-SA

APPLICANT—Copymation, Incorporated, owner.

APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
1246-61-SA—Copymation, Incorporated, Chicago, Illinois, filed for approval of the appliance known as Ammo Matic Ammonia System (for white printing machines) under the provisions of C26-191.0 Administrative Building and C19-191.0 Administrative Code.

USE: For use in dry diazo print developing.

DESCRIPTION: The Ammo Matic Ammonia System consists of an I.C.C. cylinder containing 150 lbs. of liquefied ammonia piped to a Copymation print developing machine wherein the ammonia gas under reduced pressure not exceeding 10 p.s.i. is supplied to a trough in which there is water supplied from a storage container and forms a developing solution for making white prints in the same manner as previously made by such machines using a strong water solution of ammonia supplied to the machine from a storage container.

The use of the 150 lb. ammonia cylinder enables approximately 350 hours of operation before the cylinder is replaced.

Cylinder gas pressure is reduced to 10 p.s.i. maximum by means of a Bastian-Blassing regular after which the gas is passed through a flow meter control which enables pressure adjustment to less than 10 p.s.i. as may be required.

A pressure gauge is installed in the line to indicate feed pressure and a solenoid valve is installed to close passage in the feed line whenever the machine is stopped or if a power failure should occur. A pressure relief valve set at not over 250 p.s.i. is installed in the high side of the supply line. Flexible connections between cylinder and print machine is by means of a length of armored, flexible high pressure stainless steel hose.

INSPECTION AND TEST: An Ammo Matic Ammonia System with Copymation Lancer Model print developing machine was inspected at 60 East 56th Street, New York City, by Ass't. Engr. G. F. Sklenarik. Mr. M. Parker represented the applicant. The print developing machine was equipped with an exhaust duct capable of exhausting 550 cfm. to outdoors, to remove excess ammonia vapors from the process.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Ammo Matic Ammonia System with the Copymation white printing machines for use in New York City when installed in accordance with this report and to the satisfaction of the Fire Commissioner, provided:

1. That only one cylinder per machine is used and is secured by chain or other suitable means to prevent accidental toppling.

2. That the relief valve used is set at not over 250 p.s.i. and is not less than 1/2 inch size with outlet piped outdoors in acceptable manner.

3. That there is an excess flow valve installed in the line at the cylinder outlet.

4. That the room in which the cylinder(s) of ammonia is (are) used is independently ventilated either by mechanical ventilation of not less than 550 cfm or by 12 1/2 sq. ft. of window or door area opening to outdoors. These ventilation requirements are minimum and under certain circumstances may have to be increased to meet other legal requirements.

5. The storage of any reserve ammonia cylinder shall be in such number and in such manner as prescribed by the Fire Commissioner.

The Committee further recommends that each installation shall bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1246-61-SA."

(Sgd.) WILLIAM A. NOLAN,
Director,

JOHN A. DARTS,
Asst. Engr.,

GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this appliance in accordance with the above report.

1253-61-SM

APPLICANT—Elof Hansson, Incorporated, owner; Harold Perrine, Agent.

APPEARANCES—

For Applicant: Harold Perrine and Nicholas Wolintz.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

MINUTES

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
1253-61-SM—H. Perrine for Elof Hansson, Incorporated, New York City, filed for approval of the material known as Hansoflow Vent Spline Ceiling under the provisions of C26-88.0 and C26-461.0 Administrative Building Code.

USE: Incombustible acoustical tile ceiling with controlled air ventilation.

DESCRIPTION: The ceiling system consists of an approved incombustible acoustical tile ceiling suspended by means of an approved concealed mechanical suspension system.

The leveling spline (non supporting) portion of the suspension system is omitted and the Vent Spline is substituted, running in one direction only.

The vent spline consists of an extruded plastic "U" shaped member, $\frac{1}{4}$ " wide, made part of a slotted spline. A slotted slide fits on tracks between and inside the "U" and controls the air flow through the vent spline. With the slide closed, air flow is stopped. The slotted slide may be opened in varying degrees to the completely open position for required quantities of air flow.

The space above the mechanically suspended acoustical tile ceiling becomes the plenum space for the ventilating system and the air flows through five slots each $\frac{1}{8}$ " x $\frac{7}{8}$ " in size.

INSPECTION AND TEST: A suspended ceiling constructed as herein described was tested at Armour Research Foundation in accordance with the requirements of the Federal Spec. SS-A-118b and the ceiling met the requirements of an incombustible ceiling.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Hansoflow Vent Spline Ceiling for voluntary use in New York City as an incombustible acoustical ceiling on condition that the tile used in conjunction with the system shall be an approved incombustible acoustical tile, that the suspension system shall be an approved system and further that the ceiling system be installed in accordance with the requirements of C26-461.0 Administrative Building Code and all plans submitted to the Department of Buildings shall be stamped "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1253-61-SM."

APPLICANT—Bernard J. Dwyer for Cellucrete of New Jersey, Incorporated, owner.

APPEARANCES—

For Applicant: Bernard J. Dwyer.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
1782-61-SM—Cellucrete of New Jersey Incorporated, filed for approval of the material known as Cellucrete under the provisions of C26-191.0 and C26-619.0 Administrative Building Code.

USE: Incombustible insulating fill.

DESCRIPTION: The insulating fill is produced by injecting a preformed foam into a mixture of portland cement

and water to produce a material weighing from a minimum of 20 lbs./cu. ft. to 60 lbs./cu. ft. dry density.

The mix is varied to produce the required weight to give the required insulating value, for example to produce a 30 lbs./cu. ft. density, the mix is 7 bags of cement to 42 gallons of water and sufficiently foam to give the weight and a compressive strength of 200 P.S.I.

INSPECTION AND TEST: As all components are of an incombustible nature, the finished material may be classified as an incombustible material under C26-88.0 Administrative Building Code.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Cellucrete for voluntary use in New York City as an incombustible insulating fill on condition that the material shall not be considered to be a structural concrete, that when used as a insulating fill on roofs, the material shall be protected by an approved roofing material and all plans submitted to the Department of Buildings showing the proposed use of this material shall be stamped "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1782-61-SM."

to April 17, 1962, at 10 A.M. for decision; hearing closed.

Adjourned 12:40 P.M.

James P. Mulroy, *Secretary*

*CORRECTION

The minutes of the meeting of the Board of Standards
and Appeals held on March 27, 1962, as they appeared in
Bulletin No. 14, Vol. 47, hereby corrected to read as follows:

262-36-A—Vol. I

APPLICANT—Massimo Francis Yezzi for Rosemarie Mill-
ford, owner.

SUBJECT—Application for consideration—reopening for
amendment of resolution, re Appeal from a decision of
the Borough Superintendent; previously granted on con-
dition.

PREMISES AFFECTED—154-34 Riverside Drive, south
side, 465.69 feet northeast of 7th Avenue, Block 4543, Lot
7, Beechhurst, Borough of Queens.

APPEARANCES—

For Applicant: Massimo Francis Yezzi.

ACTION OF BOARD—Application for reopening for
amendment of the resolution to permit additional beds,
withdrawn.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5

Negative: 0

*Correction: The vote of the Board was omitted and
reads as shown above.

APPEALS AS TO MULTIPLE DWELLINGS

The Legislature, under Chapter 333 of 1948, has clarified Section 60 of the Multiple Dwelling Law by describing the
agency authorized to grant variances under this Section, so as clearly to mean in New York City—the Board of Standards
and Appeals.

Chapter 508 of 1948 has also been adopted by the Legislature, amending the Multiple Dwelling Law to provide,
under new Section 310, for a Board of Appeals. By description the Board of Appeals means in New York City—the
Board of Standards and Appeals. Section 310 is further amended by Chapter 805 of 1959 and provides as follows as to
appeals:

LAWS OF NEW YORK—By Authority Chapter 508 of 1948

§ 310. Board of appeals. 1. As used in this section
"board" shall mean the agency of a city constituted as a
board and authorized by law both to grant variances of the
zoning resolution and to make rules supplemental to laws
regulating construction, maintenance, use and area of build-
ings.

2. Where the compliance with the strict letter of this
chapter causes any practical difficulties or any unnecessary
hardships the board shall have the power, on satisfactory
proof at a public hearing, provided the spirit and intent of
this chapter are maintained and public health, safety and
welfare preserved, and substantial justice done, to vary or
modify any provision or requirement of this chapter, or
any rule, regulation, supplementary regulation, ruling or
order of the department with respect to the provisions of
this chapter, as follows:

a. For multiple dwellings and buildings existing on July
first, nineteen hundred forty-eight, provisions relating to:

- (1) Height and bulk;
- (2) Required open spaces;
- (3) Minimum dimensions of yards or courts;
- (4) Means of egress; or
- (5) Basements and cellars in dwellings erected on or
after April twelfth, nineteen hundred one.

b. For multiple dwellings and buildings erected or to be
erected after July first, nineteen hundred forty-eight, and

such dwellings thereafter altered or to be altered, provisions
relating to:

- (1) Required open spaces; or
- (2) Minimum dimensions of yards or courts.

Variations or modifications may be granted pursuant to this
paragraph b only on condition that open areas for light and
air are provided which are at least equivalent in area to
those required by the applicable provisions of this chapter.

3. An application for such a variance or modification may
be made by any person aggrieved or by the head of any
public agency, within such time and under such procedure,
conditions and rules as may be prescribed by the board. The
board shall fix a reasonable time for the hearing of an
application and shall require that due notice be given of the
time and place of such hearing to the applicant and to the
department. Any person or a duly authorized representative
of any public agency may appear at any such hearing and
be heard on any such application.

4. In every case the board shall state the reason or reasons
for its decision. All decisions of the board shall be subject
to review in the same manner as is provided by law for
review of decisions of such board respecting variances of the
zoning resolution.

5. A record of all decisions of the board, indexed accord-
ing to the section or sections of this chapter affected thereby,
shall be kept in the office of the board. Such record shall
be open to public inspection at all times during business
hours.

NOTICE

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication of this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the Zoning Resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying property owners, they may obtain such copies at the office of the Board of Standards and Appeals, 80 Lafayette Street, 9th Floor, Manhattan, at five cents each—add postage payment if the forms are forwarded by mail. Purchase payment by postage stamps **NOT ACCEPTABLE**.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection
with which court proceedings are pending or in progress,
unless exception is granted by the chairman, nor accepted
which is not filed within thirty days from the date of the
action of the Administrative Official.

Any communication purporting to be an appeal or appli-
cation shall be regarded as a mere notice of intention to seek
relief until it is filed on the form required by the rules of
this board.

Upon receipt of any such communication the writer will
be supplied with the official forms for presenting his appeal
or application.

At the time of filing an appeal or application, the appel-
lant or applicant shall forward a signed notice of appeal
addressed to the Administrative Official either Borough
Superintendent of Buildings or Fire Commissioner and file
with this board a duplicate of said notice.

Appellants and applicants are advised that their plans must
indicate the points of the compass so as to establish the true
location and position of the property, the subject of the
appeal or application.

Appeals and applications will be simplified and their dis-
position expedited by conforming to these directions.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 6, 1962 after due notice by publication in the Bulletin; laid over, without date, for inspection and decision if the new Zoning Resolution is amended to permit the Board to act; then set for April 10, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated September 15, 1961 acting on Alt. Applic. No. 1555-61, reads:

"1. To change the present 5 car garage in a Resident use district to a storage building is contrary to Art. II Sec. 3 of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee has recommended granting under certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision a of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning resolution and that the application be and it hereby is granted under Section 7a of the Zoning Resolution, to permit in a residence use district, the change in use of a one-story, 5-car garage, previously granted by the Board, to a storage building for use in conjunction with the existing dry-cleaning establishment, on condition that the work shall be done in accordance with drawings filed with this application dated October 10, 1961, 8 sheets; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on March 27, 1962, after due notice by publication in the Bulletin; laid over to April 10, 1962 for inspection and decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated October 3, 1961, acting on Alt. Applic. 1469-61, reads:

"5. Proposed restaurant in a residence use district not permitted, Sec. 3 Zon. Res.

7. Proposed lot coverage excessive, Art. 2 Z.R."

and
WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7e and 21, to permit in a residence use, B area district, the erection of a three story extension to an existing building and use the first floor as a restaurant, the proposed extension to exceed the permitted area coverage, for a term of 20 years, *on condition* that the work shall conform to drawings filed with this application dated December 12, 1961, 7 sheets, except that there shall be no windows in the rear wall of the first floor restaurant extension; that artificial ventilation shall be supplied where required; that the rear shall be paved with concrete and properly drained; that there shall be no storage of garbage or other materials in this rear yard; that the orchestra in the cabaret shall be limited to piano and two string pieces; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

Negative 0

THE RESOLUTION—

WHEREAS, on July 24, 1951, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened and the term of variance extended for five years on July 24, 1956; and

WHEREAS, the applicant states that there have been no structural or other changes on the site since Resolutions adopted by the Board on July 24, 1951 and 1956; that the only changes within 400 feet of the building in this application has been the erection of a bowling alley diagonally across the street from the site at 1570 60th Street, formerly a vacant lot; that the conditions of the Resolution as granted by the Board on July 24, 1956 are being complied with; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation July 24, 1961 under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 13, 1962 and set for hearing on April 10, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 10, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 2, 1962 acting on Alt. Applic. No. 3209-50, reads:

"1. Proposal to extend the term of variance must be submitted to the Board of Standards and Appeals.

Note 1: These premises were the subject of a conditional variance by the Bd. of Standards & Appeals under Cal. #187-51-BZ permitting a Public Garage in a business use district.

Note 2: These premises are now located in an R-5 district under the Amended Zoning Resolution."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on July 24, 1951 as amended through July 24, 1956 only as to the term of the variance, so that as *amended* it shall read:

"granted for a term of five years from the date of this *amended* resolution, to permit; that other than as herein *amended* the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

APPLICANT—Harry Silverman for Eastern Cold Storage Insulation Company, Inc., owner.

SUBJECT—Application reopened March 13, 1962 for consideration as to extension of time to complete, expired January 13, 1962 and extension of term of variance, expired January 31, 1962—decision of the Borough Superintendent, previously granted on condition under Sections 7c and 21 of the Zoning Resolution, permitting in a retail and restricted retail use districts, the change in use of cellar of 142 East 41st Street, Lot 44, from storage to storage garage and also provide openings in wall of building to east on Lot 41 and also to use the roof of building at 144-148 East 41st Street, Lot 41 for parking of cars; and permitting the extension of garage use into proposed newly excavated cellar and newly constructed fireproof roof at 145-147 East 40th Street; Lots 29 and 30, building to be reduced to 1 story and permitting the extension in rear of building using more than the area permitted.

PREMISES AFFECTED—142-148 East 41st Street, south side, 100 feet west of 3rd Avenue and 145-147 East 40th Street, north side, 150 feet west of 3rd Avenue, Block 1295, Lots 29, 30, 41 and 44, Borough of Manhattan.

APPEARANCES—

For Applicant: Harry Silverman.

For Opposition: None.

ACTION OF BOARD—Term of variance extended and time extended to complete the work.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, on July 26, 1955, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened from time to time to extend the time to complete the work and last extended on January 31, 1961; and

WHEREAS, the resolution was amended on December 15, 1959 for a term of one (1) year to permit temporary parking at 145-147 East 40th Street and the term of variance extended for one year on January 31, 1961; and

WHEREAS, the applicant states that an amendment is respectfully requested to the resolution adopted July 26, 1955, as amended through January 31, 1961, to extend the time to complete the work; that pending the extension and reconstruction of the existing garages in accordance with the requirements of the above resolution; that to extend also for two years the temporary parking and storage of more than five motor vehicles on that portion of the premises 145-147 East 40th Street, Lots #29 and #30; that a copy of the temporary Certificate of Occupancy #53705 for the temporary parking term granted by the Board on January 31, 1961, is filed herewith, which expired January 30, 1962; that the amended zoning designation is C5-3; that the use in the buildings formerly on 145-147 East 40th Street was legal garage use, with repair use in one; that the garage use has been a continuing one, without adverse affect on the neighborhood, nor has the temporary parking had any adverse affect; that parking in this area is a very severe problem; that within the past year one 39 story office building has been completed, and a 44 story building is now under construction in the affected area, which added to the other recently constructed large office buildings in the area, creating a severe parking problem; that in addition to the premises 145-147 East 40th Street, the same ownership includes the abutting property on East 41st Street, numbers 136 to 148, and also 141 East 40th Street, with a total assessed valuation of \$990,000; that improvements are contemplated, and at this time #141 East 40th Street is nearing completion as a seven story fireproof office building at a cost of about \$250,000; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had

expired by time limitation January 31, 1962, under Section 11-411 of the amended zoning resolution; and

WHEREAS, the applicant requested reopening of this application and extension of time, to obtain permits and complete the work, which had expired by time limitation January 31, 1962; and

WHEREAS, this application was reopened on March 13, 1962, and set for hearing on April 10, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 9, 1962, acting on Alt. Applic. 2047-54, reads:

"Filed to re-open and extend alteration application for one year in order to file with the Board of Standards and Appeals to re-open and extend the approved variance 70-55-BZ and 71-55-A and:

to extend for two years the temporary use of the premises for a parking lot for more than 5 motor vehicles, granted by the Board of Standards and Appeals Cal. No. 70-55-BZ December 15th, 1959; without voiding the variance to reconstruct the garage as originally granted under Cal. No. 70-55-BZ."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on July 26, 1955 as amended through January 31, 1961 as to the time to obtain permits and complete the work, so that as amended this portion of the resolution shall read:

"that the provisions of Section 22A of the Zoning Resolution shall apply from the date of this amended resolution; and to further amend the resolution above cited as to the term of variance so that as amended it shall read: "granted for a term of two years from the date of this amended resolution;" that other than as herein amended the resolution as above cited shall be complied with in all respects and a Certificate of Occupancy shall be obtained.

Negative 0

THE RESOLUTION—

WHEREAS, on January 22, 1957, this application was granted by the Board on certain conditions; and

WHEREAS, the applicant states that although there has been no change to this property nor to adjoining properties, there is a Public School under construction on the southeast corner of Throop Avenue and Pulaski Street; that the Amended Zoning designation is R-6; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation January 22, 1962 under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 13, 1962 and set for hearing on April 10, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 10, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent,

dated December 13, 1961 acting on Alt. Applic. No. 1597-55, reads:

"1. The application for a new Certificate of Occupancy, for an additional term of years, is contrary to the variance granted by The Board of Standards & Appeals under Cal. No. 956-55-BZ, adopted Jan. 22, 1957, Bul. #5, Vol. 42."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on January 22, 1957, only as to the term of the variance, so that as *amended* it shall read:

"granted for a term of five (5) years from the date of this *amended* resolution, to permit; *on condition* that the front of the building on Pulaski Street shall have the masonry, the window frames, trim and doors painted and kept in good condition; that other than as herein *amended* the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

25-57-BZ—Vol. III

APPLICANT—Hodges Reavis McGrath and Downey for Davmac Corporation, owner.

SUBJECT—Application reopened October 3, 1961 as Volume III—decision of the Borough Superintendent, under Sections 7c and 21 of the Zoning Resolution, to permit in a retail and residence use, E-1 area district, the erection of a one story extension to a building for the manufacturing storage and sale of tires, office and the parking of more than five motor vehicles and the extension of the uses to include wheel alignment, brake adjustment and repairs, the proposed structure exceeds the permitted area coverage and encroaches on the required rear yard.

PREMISES AFFECTED—221-18 Merrick Boulevard, southeast corner of 221st Street, Block 13100, Lot 26, Laurelton, Borough of Queens.

APPEARANCES—

For Applicant: R. S. Hardy.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Commissioner Fox, Commissioner Becker and Commissioner Klein..... 4

Negative: Vice Chairman Kleinert 1

THE RESOLUTION—

WHEREAS, public hearing was held on this application on January 23, 1962 after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the new Zoning Resolution is amended to permit the Board to act; then set for March 27, 1962 for decision; hearing closed; then to April 10, 1962; applicant to submit revised plan; and

WHEREAS, the decision of the Borough Superintendent, dated July 3, 1961 acting on Alt. Applic. No. 543-61, reads:

"1. The proposed extension of an existing factory building in a retail zone extending into a Residence zone is contrary to Art. II Sec. 3 Zone Res. and the B.S.A. Resol. Cal. 25-57-BZ and is referred back to the Board for its determination.

2. The proposed extension to a building in a "D" area district and extending into an E-1 district which exceeds the permissible area coverage is contrary to Art. II Sec. 15-A(b)(d) of the Zone Res. & the B.S. & A. Res. Cal. 25-57-BZ and is referred back to the Board for its determination.

3. The proposed building extension in an E-1 area district lacks the required side yard contrary to Art. IV Sec. 15-A Zoning Res.

4. The proposed extension of use to Bldg. "B" located in "Retail" use district to include brake repair and wheel alignment is contrary to Art. 2 Sec. 4.a."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is granted under Sections 7c and 21, to permit in a retail and residence use, E-1 area district, the erection of a one story extension to a building for the manufacturing, storage and sale of tires, office and the parking of more than five motor vehicles, and the extension of the uses to include wheel alignment, brake adjustment and repairs; the proposed structure to exceed the permitted area coverage and encroach on the required rear yard, on condition that the work shall conform to drawings filed with this application dated July 28, 1961, 3 sheets and April 6, 1962, 1 sheet revised; on further condition that there shall be no manufacturing or vulcanizing in the new rear extension; that there shall be no windows on any lot line in the rear extension; that the extension shall be built of fireproof, class one construction; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

294-57-BZ

APPLICANT—Frank Negron, owner.

SUBJECT—Application reopened March 13, 1962 for consideration as to extension of term of variance, expired February 2, 1962—decision of the Borough Superintendent, previously granted on condition, under Section 7i of the Zoning Resolution, permitting in a business use district, a motor vehicle repair shop for minor repairs with hand tools only.

PREMISES AFFECTED—842 East 150th Street and 574 Union Avenue, southeast corner, Block 2674, Lot 6, Borough of The Bronx.

APPEARANCES—

For Applicant: Frank Negron.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE RESOLUTION—

WHEREAS, on February 18, 1958, this application was granted by the Board on certain conditions; and

MINUTES

WHEREAS, this application was reopened and the term of variance extended for two years on February 2, 1960; and

WHEREAS, the applicant requests a five year extension of the variance so that he may retain the motor vehicle repair shop business; that copy of Certificate of Occupancy No. 28861 and a letter indicating that there has been no change in the character of the neighborhood is submitted with this application; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation February 2, 1962, under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 13, 1962 and set for hearing on April 10, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 10, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 4, 1962 acting on Alt. Applic. No. 243-57, reads:

"1. Proposed use of above premises (located in an R7-1 district) for minor motor vehicle repairing with hand tools only after Feb. 2, 1962 is contrary to Art. II Chapter 2 of the Amended Zoning Resolution and contrary to BS & A Cal. #294-57-BZ and is therefore denied. Not further considered.

2. Reference is made to Art. I, Chap. I, Sect. 411 of the Amended Zoning Resolution."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on February 18, 1958, as amended through February 2, 1960, only as to the term of the variance, so that as amended it shall read:

"granted for a term of five (5) years from the date of this amended resolution, to permit; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

808-59-BZ—Vol. II

APPLICANT—Crinnion and Crinnion for G. Bambino and J. Ferrari, owners.

SUBJECT—Application reopened December 19, 1961 as Volume II—decision of the Borough Superintendent, under Section 7a of the Zoning Resolution, to permit in a residence use district, at an existing diner, the extension of the patron parking area and the installation of a ground sign.

PREMISES AFFECTED—4001-4009 Baychester Avenue and 1959 Strang Avenue northwest corner, Block 4981, Lots 80 and 94, Borough of The Bronx.

Negative; Chairman Foley, Vice Chairman Kleinert,

Commissioner Fox, Commissioner Becker and Commissioner Klein 5

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 27, 1962 after due notice by publication in the Bulletin; laid over to March 27, 1962 at request of objectors; no appearance for applicant; then to April 10, 1962 for inspection and decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated October 24, 1961 acting on Alt. Applic. No. 890-61, reads:

"1. Proposed extension of an existing drive in restaurant parking area, in a residence use district, is contrary to Art. II, Sect. 3 of the Z.R. & B.S.A. Cal. #808-59-BZ."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board feels that the property can be used for a conforming use; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, Subdivision a of the Zoning Resolution.

Resolved, that the decision of the Borough Superintendent, dated October 24, 1961, acting on Alt. Applic. 890-61, Objection No. 1 be and it hereby is affirmed and that the application be and it hereby is denied.

816-59-BZ

APPLICANT—Henry Nordheim for Joma Manufacturing Company, Inc., owner.

SUBJECT—Application reopened March 13, 1962 for consideration as to amendment of resolution and extension of time to complete, expired May 17, 1961—decision of the Borough Superintendent, previously granted on condition, under Section 7h of the Zoning Resolution, permitting in a residence use district, the maintenance of a parking lot for the parking of motor vehicles of the employees of the Joma Manufacturing Company on the adjacent plot, no fees to be charged.

PREMISES AFFECTED—2346-2350 Bruckner Boulevard, south side, 190.86 feet west of Zerega Avenue, Block 3700, Lots 31, 32, 33 and 34, Borough of The Bronx.

APPEARANCES—

For Applicant: Henry Nordheim.

For Opposition: None.

ACTION OF BOARD—Resolution amended and time extended to complete the work.

THE VOTE TO GRANT—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, the applicant requests reopening of this application for above location, for amendment of certain changes, as per new drawing; that the original plot plan showed two curb cuts and two entrances—now only one curb cut and one entrance is proposed; that it is proposed to omit the wire fence at the rear lot line, where there is a building on adjoining land for 50 feet, and also to omit the wire fence along the east lot line where there is a building under the same ownership of that and site; that the original Resolution called for the erection of a retaining wall on the west lot line; that it is now proposed to omit this wall for the reason that submitted drawing shows a section A-A as to what conditions prevail regarding the slope of the land on adjoining land, with a level 2 foot shoulder from this lot line and then the 30 degree slope down; that at 30 degrees, the soil is at rest; that all other parking lot rules will be complied with; that the amended zoning designation is R3-2; and

WHEREAS, the applicant requested reopening of this application and extension of time, to obtain permits and complete the work, which had expired by time limitation May 17, 1961; and

WHEREAS, this application was reopened on March 13, 1962 and set for hearing on April 10, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 10, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 15, 1962 acting on Alt. Applic. No. 1011-59, reads:

"1. The Board of Standards and Appeals granted a variance under Cal. #816-59-BZ, to permit in a residence use district, the maintenance of a parking lot for the parking of motor vehicles of employees of the Joma Manufacturing Company on the adjacent plot and nearby plot, no fees to be charged; and further prescribed that

MINUTES

all permits be obtained, and that all work be completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

The proposed parking listed in use Group 8, which is now located in an R3-2 District is contrary to Section 32-17 of the Amended Zoning Resolution.

2. The proposed arrangement of conditions as shown on revised plan submitted is contrary to B.S. & A. Resolution, Cal #816-59-BZ."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on May 17, 1960 as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that the provisions of Section 22A of the Zoning Resolution shall apply from the date of this *amended* resolution; and to further amend the original Resolution to permit the owner to omit one curb cut and entrance on Bruckner Boulevard; to omit wire fence on that portion of the rear lot line where there is a building on the adjoining land 50 feet long; to omit the wire fence on that portion of the east lot line where there is a building belonging to the same owner on that line; and to omit the retaining wall at the west lot line in accordance with the drawing submitted with this application dated "Received November 27th 1961", one sheet on condition that the fill and stability of the lot are satisfactory to the Borough Superintendent of Buildings; that in all other respects the provisions of the original Resolution shall be complied with, and a Certificate of Occupancy shall be obtained.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on March 27, 1962 after due notice by publication in the Bulletin; laid over to April 10, 1962 for inspection and decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated October 17, 1961 acting on N.B. Applic. No. 1609-61, reads:

"1. The proposed accessory commercial parking extending into a residence use district is contrary to Art. II Sec. 3 of Zon. Res.

2. The proposed driveways for commercial purposes located in a residence use district is contrary to Art. II Sec. 3 of the Zon. Res."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is *granted* under Section 7 c, to permit in a retail and residence use district, the extension of an accessory parking lot for a proposed supermarket, with business entrances extending into the residence portion of the plot, *on condition* that the work shall conform to drawings filed with this application dated October 30, 1961, 4 sheets; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1639-61-BZ

APPLICANT—Abraham Grossman for Angela Musso and Ida Nicola, owners.

SUBJECT—Application November 1, 1961—decision of the Borough Superintendent, under Sections 7e and 21 of the Zoning Resolution, to permit in a residence use district, in an existing three story and cellar building, the change in use of the first floor from store and storage to two stores with show windows for a temporary term of twenty years.

PREMISES AFFECTED—267 West 4th Street, 49 Perry Street, northeast corner, Block 613, Lot 1, Borough of Manhattan.

APPEARANCES—

For Applicant: Abraham Grossman.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.
THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on March 27, 1962, after due notice by publication in the Bulletin; laid over to April 10, 1962 for inspection and decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated October 24, 1961, acting on Alt. Applic. 1852-61, reads:

"1. Proposed display window & store is a noncon-

forming use & is not permitted in a residence district, and is contrary to Art. II Sect. 3 of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area where inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7e and 21, to permit in residence use district, in an existing three story and cellar building, the change in use of the first floor from store and storage to two stores with show windows for a temporary term of twenty years, *on condition* that the work shall conform to drawings filed with this application dated November 1, 1961, 11 sheets; and *on further condition* that the use of the building shall be limited to that which would have been permitted in a local retail district; that there shall be no flashing signs; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

Adjourned: 12:40 P.M.

JAMES P. MULROY, *Secretary*.

REGULAR MEETING

TUESDAY AFTERNOON, APRIL 10, 1962, 2 P.M.

Present: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein.

965-57-A—Vol. II

APPLICANT—Hetkin Barshay and Hetkin for Golf House Incorporated.

SUBJECT—Application reopened December 12, 1961—Appeal from a decision of the Borough Superintendent, re—Proposed change in use—Club occupancy.

PREMISES AFFECTED—40 East 38th Street, south side, 80 feet west of Park Avenue, Block 867, Lot 43, Borough of Manhattan.

APPEARANCES—

For Applicant: Bert Tuchman and Sam Rosenblum.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated October 6, 1961 on Alt. Applic. 320-61, reads:

"C-1 Extension of uses contrary to Para. 3 is not permitted by Para. 6 of Zoning Resolution. Justify club use under Para. 3(2) of Zoning Resolution.

C-6 Extension of club use as described in Cal. #965-57-A requires referral back to Board of Standards and Appeals.

C-1 — C-6 Use is not contrary to Para. 3. Justification of club use is evidenced by Certificate of Occupancy No. 30244 and Board of Standards and Appeals resolution #965-57-A. Use proposed is merely that of the Golf Associates, a service not customarily carried on as a business, similar to the uses on the lower floors, which have already been approved

MINUTES

Reconsideration is again respectfully requested to permit extension of club use as described in Board of Standard and Appeals resolution Cal. #965-57-A without referral back to the Board of Standards and Appeals.

C-2 40# L L permitted for bedroom floors in clubs, 100# L L required for public spaces. Sec. 7,3,2,2,1 and 7,3,2,2,5 of B.C.

C-2 Reconsideration is again respectfully requested to permit load of 40 pounds per sq. ft. for proposed club rooms on 3rd and 4th floors, as present club rooms on these floors have been approved with a live load of 40 pounds per sq. ft."

and
WHEREAS, the premises was inspected by a committee of the Board and the Committee has recommended granting under certain conditions.

Resolved, that the decision of the Borough Superintendent, dated October 6, 1961, acting on Alt. Applic. 320-61, Objection Nos. C-1, C-6 and C-2 be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the building shall conform with drawing filed with this application, dated October 26, 1961, one, sheet; that the oak doors between the museum and the adjoining stair hall shall be made self-closing; that all stair doors shall be made self-closing; and that the present sprinkler system shall be maintained.

548-60-A—Vol. II

APPLICANT—Charles A. Buckley Jr. for Level Realty Corporation, owner; Alexander's Department Stores, Incorporated, lessee.

SUBJECT—Application reopened September 26, 1961 as Volume II—Appeal from a decision of the Borough Superintendent, re—Enclosure of stairs.

PREMISES AFFECTED—2501 to 2525 Grand Concourse and 2524 to 2528 Creston Avenue, northwest corner, Block 3167, Lots 1, 22, 26 and 72, Borough of The Bronx.

APPEARANCES—

For Applicant: C. A. Buckley, Jr., and H. W. Riemer.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Commissioner Fox, Commissioner Becker and Commissioner Klein 4

Negative: Vice Chairman Kleinert 1

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated June 16, 1961 on Alt. Applic. 17-59, reads:

"10. The proposed openings through four floors without proper enclosures is contrary to Sec. C26-638.0 A.C."

and

WHEREAS, the applicant states that the well openings at the ceilings below will be protected by means of a smoke baffle constructed with steel angle frame, metal lath and cement plaster, extending two feet below the ceiling; that a sprinkler water curtain will be provided around the entire smoke baffle, with sprinkler heads spread four feet on centers; that an electrically operated device will be installed which will automatically stop the operation of the escalator motors as soon as the rolling steel shutter is moved; that it is also proposed to install push buttons and indicators at the escalator location which will ring gongs on all floors and be connected with the fire alarm system; that the individual floor supervisors, and an alternate for each, are to be trained in the operation of the shutters, and monthly fire drills will be conducted; that these persons will be charged with the direct responsibility of closing the shutters and operating the fire alarm in case of fire; that the forward leaf of the shutter will be provided with painted letters not less than 3 inches in height station "close to floor" with a directional arrow.

Resolved, that the decision of the Borough Superintendent, dated June 16, 1961, acting on Alt. Applic. 17-59, Objection No. 10, be and it hereby is *modified* and that the appeal be and it hereby is *granted on condition* that the work shall be done in accordance with drawings filed with this

application dated June 28, 1961, 14 sheets and January 31, 1962, one sheet; that the baffles, sprinklers and rolling steel shutters required in connection with the escalators shall be installed as shown on the drawings and that the smoke enclosure partition and door from the first floor to the cellar shall be constructed in accordance with such drawings; and that all other laws, rules and regulations applicable shall be complied with.

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

MINUTES

898-47-SM—Amendment to resolution as to additional construction.

William W. Bainbridge for the United States Gypsum Company New York, requested by letter that the resolution adopted by the Board on October 13, 1948 under Calendar Number 898-47-SM and amended June 21, 1960 and July 18, 1961 be reopened and amended to approve additional constructions of laminated sheetrock gypsum wallboard partitions.

USE: A factory laminated non load bearing combustible panel type of partition for interior use in houses and office buildings not exceeding 150 feet in height.

DESCRIPTIONS: The panels consist of two sheets of United States Gypsum sheetrock Gypsum Wallboard $\frac{3}{8}$ " thick and in sizes 4' x 8' cemented to each side of a core of $2\frac{1}{2}$ " diameter fiber tubes which are also cemented to each other. The longitudinal axis of the tubes is parallel to the 8' panel height. Wood top and bottom members $\frac{3}{4}$ " deep by $2\frac{1}{2}$ " wide by 4' or panel width are cemented to the ends of the tubes and the inner faces of the Sheetrock Gypsum Board. The cement used to laminate the core material is resistant to moisture and high humidity.

This interior system of wall panels in a residence is toenailed through the top and bottom wood members to the ceiling framing members and to floor plates which are anchored to the floor system.

In buildings where there is a concrete slab, expansion shields, lab bolts, metal angles, or other means would be used to secure the panels in position.

Adjacent panels are aligned by extra heavy aligning tubes the full height of the panel, which slip into slots at the vertical edges of the panels. These aligning tubes are cemented to the inside face of the Sheetrock.

The typical recess edge of the Sheetrock at the vertical joints is taped and finished with United States Gypsum Perf-A-Tape tape and Perf-A-Tape Joint Compound in the normal dry wall-construction practice.

The system consists of Structicore Partition Panels, Panel Spline Tubes, United States Gypsum Joint Stabilizing Compound, United States Gypsum Dur-A-Bead Corner Reinforcement, Perf-A-Tape Reinforcing Tape, Perf-A-Tape Joint Compound, Perf-A-Tape Topping Compound are all part of the system and have been previously approved under Calendar Number 486-39-SM.

The thickness of the panels is $3\frac{1}{4}$ ".

Additional thickness or strength for excessive abuse is obtained by field laminating another layer of Sheetrock to the panels with United States Gypsum Contact Adhesive or Perf-A-Tape Cement.

INSPECTION & TEST: Data submitted included Material's Release Number 388 of the Federal Housing Administration which indicates that from a technical standpoint it is considered suitable for the use indicated. The complete release is in the file and is part of the record.

A report No. R 3507 K 20 of the Armour Research Foundation on the Transverse and Impact evaluation of the United States Gypsum Company Tube Core Panel was submitted.

When tested horizontally as a simple beam, loaded at the quarter points, a uniform load of 15 lbs. per square foot gave a .148" top deflection. A uniform load of 37.5 lbs. per square foot gave a .665" top deflection.

When tested horizontally as a simple beam, loaded at the quarter points, a uniform load of 15 lbs. per square foot gave a .148" top deflection. A uniform load of 37.5 lbs. per square foot gave a .665" top deflection.

When tested horizontally as a simple beam under the impact of a 60 lb. sand bag dropped 1.5 feet, the instantaneous deflection was $1\frac{13}{16}$ " and the residual set 0. Under a 3 foot drop of the 60 lb. sand bag the instantaneous deflection was $3\frac{3}{8}$ " and the residual set 0.

Details, application instructions and photographs of assembly were submitted.

Models were submitted for examination.

RECOMMENDATION: Based on the data submitted, including the test reports and the report of the F. H. A. Headquarters and their own inspection, the Committee on Test recommends approval under Section C26-178.0 and C26-191.0 of the Administrative Building Code of United States Gypsum Contact Adhesive and the United States Gypsum Company Structicore Panel Partition system for use in private dwellings of forty feet and four stories and less in height as provided under Section C26-241.0.b, providing that the panels are erected in accordance with the instructions submitted, that all joints are taped and sealed, and that all drawings are marked "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 898-47-SM".

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved that the Board of Standards and Appeals does hereby amend the above cited resolution in accordance with the above report.

526-61-SA

APPLICANT—Frigidaire Sales Corporation for Frigidaire Division, General Motors Corporation, owner.

APPEARANCES—

For Applicant: Walter J. Russell.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 526-61-SA—Frigidaire Division, General Motors Corporation, New York, N. Y., filed for approval of the appliance known as Frigidaire Dishwashing Machine, Models DWDUB, DWIUB, DWDUZ, DWIUZ, DWIFZ, DWISZ, DWIFB and DWDMB under the provisions of the Submerged Inlet Rules of the Board.

USE: Domestic dish washing machines.

DESCRIPTION: These household dishwashers are cabinet type units with a bottom hinged front loading door and with pull out racks for holding the dishes to be washed and dried. Water and detergent for cleansing followed by water with wetting agent for rinsing are applied by means of a revolving "turbo-spray" which is water driven and is controlled during the cycle by the action of an automatic timer. An electric heater is used to maintain water temperature and for drying. The appliance will cease operating if the loading door is opened at any time during the washing or drying cycle. Each appliance has a water level safety control.

The Model DWDUB is an under-counter unit with a capacity for 12 place settings or 147 pieces. The washing and drying cycle takes $42\frac{3}{4}$ minutes and consumes a total of 12.6 gallons of water. The unit employs a 1000 watt electric heater and a $\frac{1}{6}$ hp motor for driving the water circulating pump.

The Model DWIUB is similar to the Model DWDUB but is designated as a custom imperial model and features two fresh detergent washes and three rinses as against one detergent wash and three rinses in the DWDUB Model.

The Model DWDUZ is a deluxe under-counter dishwasher with a capacity of 12 place settings or 147 pieces.

MINUTES

The complete cycle takes 45 minutes with a total water consumption of 7.5 gallons. The unit employs an 800 watt electric heater and a 1/6 hp motor for driving the pump.

The Model DWIUZ is similar to the Model DWDUZ but is a custom imperial model featuring two fresh detergent washes and three rinses as against one wash and three rinses in the Model DWDUZ. Water consumption is 9.0 gallons per cycle.

The Model DWIFZ is a free standing unit with a dish capacity of 12 place settings or 147 pieces. The complete cycle made up of two washing cycles, three rinsing cycles and the drying time takes 45 minutes. Water consumption is 9.0 gallons. The unit employs an 800 watt electric heater and has a 1/6 hp motor for driving the pump.

The Model DWISZ is similar to the Model DWIFZ but is part of a dishwasher-sink combination.

The Model DWIFB is similar to the Model DWISZ above except that it is not part of a sink combination. It is also a custom imperial model.

The Model DWDMB is a portable type of dishwasher mounted on casters. For its use, an electric cord is plugged into a wall socket and a snap on fill and drain hose is attached to a sink faucet and the drain hose drains into the sink. Water consumption is 7.5 gallons. Cycle time is 44 1/4 minutes. Dish capacity is 12 place settings or 147 pieces.

All of the above dishwashers are made so that water is introduced to the washer into a funnel having a minimum air gap of 1 inch between the top of the funnel and the bottom of the water inlet line.

INSPECTION AND TEST: All data submitted was examined by Assistant Engineer G. F. Sklenarik.

These dishwashers were tested and approved by Underwriter's Laboratories, File E 25617.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Frigidaire Dishwashing Machine. Models DWDUB, DWIUB, DWDUZ, DWIUZ, DWIFZ, DWISZ, DWIFB and DWDMB for use in New York City under the provisions of the Submerged Inlet Rules of the Board provided all electrical installation work shall conform to the Electrical Code of the City of New York, and that each appliance shall bear

a label permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 526-61-SA", and further that a minimum air gap of 1 inch be maintained at all times.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this *appliance* in accordance with the above report.

1649-61-SA

APPLICANT—Maestrelli Importing Corp., owner.

SUBJECT—The Maestrelli Coin-Operated Dry Cleaner, Model Thunderbird, approval of.

APPEARANCES—

For Applicant: Nicholas G. Ciangio.

ACTION OF BOARD—Application approved in accordance with the report and recommendation of the Committee on Test, on condition that this equipment shall comply with the Rules covering coin-operating dry cleaning establishments adopted by the Board under Calendar Number 156-62-SR.

THE VOTE—

Affirmative: Chairman Foley, Commissioner Becker and Commissioner Klein 3

Negative: Vice Chairman Kleinert and Commissioner Fox 2

The complete report and recommendation of the Committee on Test will be printed in a later Bulletin.

Adjourned 3:30 P.M.

JAMES P. MULROY, *Secretary*

RULES

Fire Drill Rules, Adopted by the Board of Standards and Appeals, October 5, 1923

(593-23-SR)

DEFINITION OF "FIRE DRILL"

The method and practice of the systematic and orderly vacating of a building by its occupants in case of emergency, panic or fire in the least possible time—by the nearest safe means of exit—and the use of fire appliances which shall be provided for the extinguishing or retarding of fire and the safeguarding of human life.

Rule 1.

In all buildings as defined in Article 1, Section 10 of the Labor Law in which fire drills are required pursuant to Section 279 thereof and in any other building in which such drills are required by the Fire Commissioner pursuant to the power conferred in section 491 of the New York City Charter, it shall be the duty of the owners, lessees or tenants to conduct fire drills monthly and at such other times as the Fire Commissioner may direct.

For the purpose of conducting such fire drills the owner or tenants shall appoint from among their employees such responsible and dependable persons, male or female, who shall efficiently perform the duties of the various positions of the fire drill organization, as specified on the accompanying chart.

It shall be the duty of the owner or tenant to enter in the blank spaces provided for that purpose in said chart the names of persons so selected and post said chart and copies of the rules in a conspicuous place.

Rule 2. Duties of Foreman.

The Foreman or Person in Charge shall direct, enforce and have full charge of the "Fire Drill" in every factory on each floor. Each day before work is begun he shall see that extinguishers, fire hose, fire buckets, etc., are in readiness for use, exit doors are unlocked, aisles are free from obstruction, that stairways, halls, etc., are properly lighted, and shall remedy any dangerous condition found to exist. Immediately after work is commenced he shall check up the Fire Drill Organization list and note if the regularly assigned persons are present; if any are found to be absent, he shall assign other employees (if practicable) to perform their duties.

He shall immediately notify new employees of the existence of the Fire Drill Organization and give them the necessary instructions as to the duties they are to perform, etc.

He shall be familiar with the operation and location of the interior alarm signal box on his floor.

He shall listen for the test signal each morning at the appointed hour and in the event of the test signal not being heard he shall communicate with the superintendent or other person in charge of the building and advise him of the fact. The (Floor Captain's) Foreman's orders are final as to the carrying out of the fire drill on his particular floor.

Rule 3. Duties of Watchmen.

The WATCHMEN shall see that all doors and windows are closed so as to prevent the spread of fire. The WATCHMEN shall be the only persons permitted to remain on the floor during the progress of a fire drill and do so at their own risk. For ordinary purposes only one watchman and a substitute shall be designated. In special cases, however, extra watchmen may be assigned by consent in writing from Fire Commissioner.

Rule 4. Duties of Searchers.

The MALE AND FEMALE SEARCHERS shall search all toilets, dressing rooms and emergency rooms used and frequented by their sex and all other portions of the floor and order all persons, except those authorized to remain, to leave the premises. They are to take care of and assist all persons who may faint or be disabled.

SEARCHERS shall leave the floor immediately after the last squad leaves.

Rule 5. Duties of Street Alarm Box Runner.

The STREET-ALARM-BOX-RUNNER shall be familiar with the location of the nearest city fire alarm box and know how it is operated.

In ordinary practice fire drills the STREET-ALARM-BOX-RUNNER shall report to the Foreman for orders, and if his services are not required he shall promptly file out of the premises with the other occupants.

Only when a fire actually occurs on his floor, or when ordered to do so by the Foreman, shall the STREET-ALARM-BOX-RUNNER proceed to the street alarm box and send in the fire alarm.

Rule 6. Duties of Fire Brigade.

The fire brigade shall have full charge of the operation of all auxiliary fire fighting apparatus and shall endeavor to extinguish, or at least hold in check until the arrival of the Fire Department, any fire that may occur. When it is necessary for the fire brigade to respond to different floors in the building they shall not use the stairways or fire escapes while the occupants are escaping from the premises.

Rule 7. Duties of Exit Guards.

The EXIT GUARDS shall station themselves at all exit doors leading to fire escapes, stairways, and other means of escape immediately upon the sounding of the alarm.

5
University of Illinois Library
Serials Dept.
Urbana, Ill.

RULES

There shall be two guards for each exit, if practicable; one to stand in the hallway holding back the door and the other directly inside on the floor. They are to keep the exit doors open and direct the movements of the persons using these exits and prevent congestion.

EXIT GUARDS shall remain at their stations until all of the occupants of the building have passed their station. Then close their doors and pass out of the building. Upon signal for the occupants to return, EXIT GUARDS shall take their designated stations and remain there until all persons have returned to their respective floors.

Rule 8. Duties of Squad Monitors.

The SQUAD MONITORS, as soon as the alarm is sounded, shall see that the employees under their charge quickly form into line, two abreast, and numbering not more than thirty to each squad. They shall see that all aisles and passageways are cleared of obstructions.

Note: Chairs, stools, baskets, etc., should be pushed under or placed on top of work benches.

MONITORS shall proceed at the head of their respective squads to the exit assigned, and then march up or down the stairs or to other exits as directed by the EXIT GUARDS.

On reaching the sidewalk MONITORS shall keep their squads in order and lead them a reasonable distance from the building, so as not to cause congestion and interference with fire apparatus. When the proper signal is given they shall return to their respective floors at head of their squads.

MONITORS will at all times see that those under their charge conduct themselves in a respectable and orderly manner.

Rule 9. Holding of Drills.

FIRE DRILLS shall be held at least once each month at varied hours of the day, and all of the occupants shall participate therein simultaneously. Such drills shall conduct all occupants to a place of safety.

Where dual operation interior fire alarm systems are installed as permitted under Rule 10.1 of the interior fire alarm rules of the Board of Standards and Appeals, the fire drill conducted each month shall include all of the persons on the premises engaged at work for a factory, and drills shall be conducted at least twice, each year in which all of the persons on the premises shall participate simultaneously.

Rule 10. Duties of Owner.

It shall be the duty of the OWNER, LESSEE OR

TENANT OF THE BUILDING or his authorized agent or their representatives to personally observe that the "Fire Drill" is held simultaneously on every floor of the building and the participation therein of every occupant of such building. Any FIRE DRILL in which all of the occupants do not participate shall not be considered as complying with the LAW, except as otherwise provided in these rules.

The person or persons representing the OWNERS, LESSEE OR TENANT, who supervises the FIRE DRILL at the building shall submit to an examination by the Division of Fire Prevention as to their experience and general fitness for such duties, and shall be so certified in writing by the FIRE COMMISSIONER.

It shall be the duty of the ENGINEER, SUPERINTENDENT or other PERSON IN CHARGE of a building having an interior fire alarm system to test such system daily immediately after the beginning of business, and to see that all apparatus operated by springs, requiring winding are rewound after each alarm and kept in normal condition for operation.

Rule 11. Duties of Engineer.

Whenever it is necessary to test the fire alarm system at any other time of the day, owing to repairs, etc., being made, the PERSON IN CHARGE OF BUILDING will first notify all Foremen of the several floors of the intended test and likewise notify them when the repairs, etc. are completed. This precaution is taken to prevent confusion and excitement, also misunderstanding of the alarm signals.

It shall also be the duty of the PERSON IN CHARGE OF BUILDING to sound the interior alarm system at irregular intervals, but not less than once each calendar month, for the purpose of holding practice fire drills. He shall keep on the premises a record of such drills, showing the date when held and the required time for all occupants to reach the street or a point of safety outside the building.

The PERSON IN CHARGE OF BUILDING must immediately acquaint new tenants of the existence of the "Fire Drill" Organization and its purport.

Rule 12. Registration.

The name and address of every person, corporation or co-partnership, that will, under professional service, carry on the trade, business or calling of establishing, maintaining or supervising the "Fire Drill" shall be registered in the Fire Department, which Department shall, upon evidence of fitness, grant a certificate to that effect.

PETITION AND ORDER OF CERTIORARI SERVED ON THE BOARD OF STANDARDS AND APPEALS.

On April 13, 1962, Petition and Order of Certiorari was served on the Board by Joseph J. Dowd, attorney for petitioner, Harry Holtzman, objecting property owner, seeking a review of the Board's determination on March 6, 1962 of the application reopened on December 19, 1961 as Volume II, based on a decision of the Borough Superintendent, granting a variance under Section 7a, to permit in a residence use district, the combining of three existing garage buildings, using them conjunctively as a non-storage garage and discontinuing the second floor use; Calendar Number 47-59-BZ—Vol. II; Premises 12-18 College Place, east side, 77 feet, 11 inches north of Love Lane, Block 236, Lot 43, Borough of Brooklyn.

COURT DECISION

Matter of Waldman vs. Board:—On May 2, 1961, the Board granted a variance under Section 21 of the Zoning Resolution, to permit in a residence use, C and E-1 area district, the erection of a multiple dwelling in the E-1 area portion of the plot; Calendar Number 68-61-BZ; Premises 2166 Matthews Avenue, east side, 95.59 feet south of Pelham Parkway South, Block 4323, Lot 18, Borough of The Bronx.

At Supreme Court, Special Term, Part 1, Mr. Justice Markowitz remitted the application to the Board for further hearing, consideration and determination in accordance with the directions set forth in the Court decision. (N. Y. Law Journal, January 24, 1962, page 13).

At Supreme Court, Special Term, Part I, Mr. Justice Markowitz rendered the following decision:

"Application for reargument, or in the alternative for leave to appeal, is denied. On February 6, 1962, the order in the original matter was signed."

(N. Y. Law Journal, April 17, 1962, page 12).

Minutes of Regular Meeting, Tuesday Afternoon, April 17, 1962, Affecting Calendar Numbers 1200-40-A, 693-60-A, 694-60-A, 695-60-A, 696-60-A, 697-60-A, 698-60-A, 264-61-A, 1123-61-A, 1124-61-A, 1434-61-A, 1552-61-A, 93-62-A, 523-61-A, 639-61-A, 649-61-A, 1013-61-A, 1054-61-A, 86-61-A, 261-61-A, 265-61-A, 269-61-A, 872-61-A, 1061-61-A, 1432-61-A, 1132-39-BZ—Vol. II, 463-59-BZ, 118-60-BZ—Vol. II, 813-60-BZ, 925-60-BZ, 1121-61-BZ, 705-56-BZ, 581-60-BZ, 68-61-BZ, 156-62-SR and 877-61-SM.

Correction Affecting Calendar Numbers 273-61-A and 1339-61-BZ.

Notice—Warning.

CALENDAR

172-16-BZ—Vol. II

APPLICANT—Herman Kron for Banner Oil Company, Inc., owner.

SUBJECT—Application reopened March 20, 1962 for consideration as to extension of time to complete, expired November 22, 1961—decision of the Borough Superintendent, previously granted on condition, under Sections 7c and 7h of the Zoning Resolution, permitting in a business and residence use district, the reconstruction of an existing gasoline service station, minor auto repairs with hand tools only, auto laundry, garage for more than 5 cars and the parking and storage of more than five motor vehicles to be used in conjunction with the existing garage.

PREMISES AFFECTED—31-37 Church Avenue, north side, 100 feet east of Chester Avenue, Block 5313, Lots 34 and 38, Borough of Brooklyn.

APPEARANCES—

For Applicant: Herman Kron.
For Opposition: None.

ACTION OF BOARD—Time extended to complete the work.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, on May 5, 1959, this application—Vol. II—was granted by the Board on certain conditions; and

WHEREAS, this application was reopened to extend the term to obtain permits and complete the work on November 22, 1960; and

WHEREAS, the applicant states that plans have been approved and no work has been performed on premises; that the character of the neighborhood has not changed; that the premises is at present located in a C-2-3 R-5 zone; and

WHEREAS, the applicant requested reopening of this application and extension of time, to obtain permits and complete the work, which had expired by time limitation November 20, 1961; and

WHEREAS, this application was reopened on March 20, 1962 and set for hearing on April 17, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 17, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated March 13, 1962 acting on Alt. Applic. No. 1434-57, reads:

"1. As application has expired under Section 2.1.2.4 Bldg. Code no further action can be taken on this application."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on May 5, 1959, as amended through November 22, 1960, only as to the time to obtain permits and complete the work, so that as amended this portion of the resolution shall read:

"that the time to obtain permits and complete the work shall be extended twelve months from the date of this *amended* resolution; and that a Certificate of Occupancy shall be obtained."

1048-22-BZ

APPLICANT—Arab and Meyerson for Kingleff Holding Corporation, owner.

SUBJECT—Application reopened March 20, 1962 for consideration as to extension of term of variance, expired February 26, 1962 and amendment of the Resolution—decision of the Borough Superintendent, previously granted on condition, under Section 21 of the Zoning Resolution, permitting in a business use district, the maintenance of a gasoline service station used in conjunction with a garage for more than five motor vehicles.

PREMISES AFFECTED—472-494 Kingston Avenue and 585-603 East New York Avenue, northwest corner and 546-554 Lefferts Avenue, Block 1332, Lots 38 and 39, Borough of Brooklyn.

APPEARANCES—

For Applicant: A. Frederick Meyerson.
For Opposition: None.

ACTION OF BOARD—Term of variance extended.

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, on September 24, 1940, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened to extend the term of variance for ten years, on February 26, 1952; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation February 26, 1962 under Section 11.411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 20, 1962 and set for hearing on April 17, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application

MINUTES

on April 17, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 30, 1962 acting on Alt. Applic. No. 2032-40, reads:

"1. The ten year period granted by the Board of Standards and Appeals under Cal. 1048-22-BZ as amended Sept. 24, 1940, has expired; therefore the change in use from garage for more than five motor cars to garage for more than five motor cars & gasoline selling station of these premises in R-6 use district is contrary to Art. I Sec. 22 of Zone Resolution.

2. The addition of 2 extra pump total (4) is contrary to Art. II Sec. 33 of Zone Resolution."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on September 24, 1940, as amended through February 26, 1952, only as to the term of the variance, so that as amended it shall read:

"granted for a term of ten (10) years from the date of this amended resolution, to permit . . . ; on condition that the number of gasoline pumps in the station shall not exceed four (4); that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

434-41-BZ

APPLICANT—Maurice G. Usland for Jakob Westenburg, owner.

SUBJECT—Application reopened March 20, 1962 for consideration as to extension of term of variance, expired February 5, 1962—decision of the Borough Superintendent, previously granted on condition, under Section 7c of the Zoning Resolution, permitting in a residence use district the extension in area of an existing business building (tool shop).

PREMISES AFFECTED—18 Holten Avenue, southwest side, 60 feet north of Herbert Street, Block 6681, Lot 34, Princess Bay, Borough of Richmond.

APPEARANCES—

For Applicant: Maurice G. Usland.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Negative 0

THE RESOLUTION—

WHEREAS, on June 17, 1941, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened and the term of variance extended for ten (10) years on February 5, 1952; and

WHEREAS, the applicant states that the conditions at the site and surrounding area have changed very little as this is an undeveloped area; that the property on which this building is located was zoned as "business" until 1935 when it was changed to Residence -D; that in 1953 the zone changed to Residence -E and again on December 15, 1961 was changed to an R3-2; that the building has been under lease by the present owner since 1941 and he acquired title on April 21, 1958; that permission is respectfully requested for reopening this case with an additional 10 year extension for its present use; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation February 5, 1962 under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 20, 1962, and set for hearing on April 17, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated February 2, 1962, acting on Alt. Applic. 90-41, reads:

"A Resolution of Bd. of Standards & Appeals Cal.

No. 434-41-BZ on which Certificate of Occupancy was issued Feb. 5, 1952 and which expires Feb. 5, 1962 and must be renewed by Bd. of Standards and Appeals."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on June 17, 1941, as amended through February 5, 1952 only as to the term of the variance, so that as amended is shall read:

"granted for a term of ten (10) years from the date of this amended resolution, to permit . . . ; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

707-41-BZ

APPLICANT—Joseph Kramer, owner.

SUBJECT—Application reopened March 20, 1962 for consideration as to extension of term of variance, expired February 26, 1962—decision of the Borough Superintendent, previously granted on condition, under Section 7h of the Zoning Resolution, permitting in a residence use district, the parking and storage of more than five motor vehicles.

PREMISES AFFECTED—34-21 Sprayview Avenue, southeast corner of Beach 35th Street, Block 306, Lot 1, Edgemere, Borough of Queens.

APPEARANCES—

For Applicant: Joseph Kramer.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, on June 30, 1942, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened from time to time to extend the term of the variance and last extended for five years on February 26, 1957; and

WHEREAS, the owner states that he bought the land as a parking lot and that it has been used as such continuously since 1941; that he contemplates eventually to improve the premises with one or more residence buildings in accordance with the Zoning Resolution of The City of New York in effect at the time; that his principal occupation is that of a builder of residential dwellings; that his application was filed and sworn to January 30, 1962 for an extension of the term of variance, which expired on February 26, 1962, previously granted on condition, permitting in a residence use district, the parking and storage of more than five motor vehicles; that he was directed to amend his application under the pertinent Section of the new Zoning Resolution, and he hereby renews his application under Section 11-411 of the new Zoning Resolution, for an extension of the term of said variance for such term as to the Board may seem justified, to enable him to continue the present use of the premises as a parking lot until he is ready to build on the land; that no work of a temporary nature is contemplated for the premises; that the premises were, prior to December 15, 1961, zoned as residence-D and now are zoned as Residence-6; that there have been no changes in the condition of the site or surrounding area since the last previous extensions of the Certificate of Occupancy by the Board; and

WHEREAS, this application was reopened on March 20, 1962, and set for hearing on April 17, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 17, 1962, after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 26, 1962 acting on B.N. Applic. No. 6212-41, reads:

"1. The proposed extension of use beyond Feb. 26, 1962 is contrary to the B.S. & A. variance granted under Cal.

MINUTES

707-41-BZ and must be referred back to the Board for its determination."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on June 30, 1942, as amended through February 26, 1957, only as to the term of the variance, so that as amended it shall read:

"granted for a term of five (5) years from the date of this amended resolution, to permit . . . ; on condition that the lot shall be enclosed with a 5 foot 6 inch woven wire fence and with a gate of the same material on Beach 35th St. only; that the lot shall be paved with clean cinders or gravel, treated with a binder and rolled to grade for proper drainage; that the grass shall be cut between the sidewalk and the curb and that the sidewalk, curb and curb cuts shall be maintained in proper condition to the satisfaction of the Borough President; that the large parking sign shall be removed and the only sign permitted shall be that required by the Department of Licenses; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

689-51-BZ

APPLICANT—Michaels and Michaels and Wigdor for Mayfair Management Corp., owner.

SUBJECT—Application reopened March 20, 1962 for consideration as to extension of term of variance, expired January 8, 1962—decision of the Borough Superintendent, previously granted on condition, under Section 7h of the Zoning Resolution, permitting in a residence use district, the parking and storage of motor vehicles.

PREMISES AFFECTED—15-25 West 72nd Street, north side, 200 feet west of Central Park West and 10-18 West 73rd Street, Block 1125, Lot 24, Borough of Manhattan.

THE RESOLUTION—

WHEREAS, on February 26, 1952, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened and the term of variance extended for five years on January 8, 1957; and

WHEREAS, the applicant states that the zoning designations of the property under the Amended Zoning Resolution are as follows: 72nd Street frontage R10; 73rd Street Frontage R8; that there are no changed conditions on the site and surrounding area or in the use, area and height designations; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation January 8, 1962; and

WHEREAS, this application was reopened on March 20, 1962, and set for hearing on April 17, 1962, at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 11, 1962 acting on Alt. Applic. 1359-61, reads:

"Proposed parking lot for more than five (5) motor vehicles, pleasure car type only and office for attendant, located in a R10 District is not permitted as a matter of right 22-11, 22-12; 22-13, 22-14, is not permitted by special permit 22-20, is not permitted by City Planning Commission 22-22, is not permitted as an accessory use 12-10.

Note: Previous approved for a term of five (5) years under Board of S. & A. 689-51-BZ, expired Jan. 8, 1962."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on February 26, 1952

only as to the term of the variance, so that as amended it shall read:

"granted for a term of five (5) years from the date of this *amended* resolution, to permit . . . ; on condition that the present sign over the entrance to the lot shall be removed and that the only sign permitted shall be that required by the Department of Licenses; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

404-52-BZ

APPLICANT—Burke and Groh for Harold Foley, owner.

SUBJECT—Application reopened March 20, 1962 for consideration as to extension of term of variance, expired December 9, 1962—decision of the Borough Superintendent, previously granted on condition, under Section 7h of the Zoning Resolution, permitting the parking of motor vehicles awaiting service, in conjunction with the existing gasoline service station.

PREMISES AFFECTED—86-10 Whitney Avenue, southwest corner of 88th Street, Block 1579, Lot 20, Elmhurst, Borough of Queens.

APPEARANCES—

For Applicant: Robert T. Groh.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Becker and Commissioner Klein 4
Negative 0
Absent: Commissioner Fox 1

THE RESOLUTION—

WHEREAS, on December 9, 1952, this application was granted by the Board on certain conditions; and

WHEREAS, the applicant states that the Board granted a variance for the erection and maintenance of a gasoline station, which variance was to expire on December 9, 1962; that the owner of these premises has suffered a serious heart attack within the past year and desires to sell the Station, which is a Shell station, to the Shell Company; that the Company, naturally, refuses to accept the station unless the term of variance is extended for another period, and it is therefore requested that this case be reopened for the extension of a term variance; that the premises have not changed since this matter was last before the Board in 1956; that under the old Zoning Law, the 30 feet within the right-of-way of the Long Island Railroad was in an unrestricted use district and the balance in a business use district; that the property was in a B area district and a 1½ height district; that under the Zoning Law which went into effect on December 15, 1961, the property appears to be in an R-6 district, although why this narrow strip of property, such as appears on the photograph, should have been placed in an R-6 district, is a hard question to decide; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation December 9, 1962; and

WHEREAS, this application was reopened on March 20, 1962 and set for hearing on April 17, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on April 17, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 19, 1962 acting on N.B. Applic. No. 1729-52, reads:

"1. Proposal to extend term of variance is contrary to BSA Resolution 404-52-BZ, Bul. 51, Vol. 37."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on December 9, 1952, only as to the term of the variance, so that as amended it shall read:

"granted for a term of ten (10) years from the date

MINUTES

of this amended resolution, to permit. . . ; that other than as herein amended the resolution above cited shall to be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

188-59-BZ—Vol. III

APPLICANT—Max Siegel Associates for Fred Gladstone, owner.

SUBJECT—Application reopened October 24, 1961 as Volume III—decision of the Borough Superintendent, under Section 7f of the Zoning Resolution, to permit in a business use district, the extension in area and rearrangement of a gasoline service station previously granted by the Board with accessory uses including minor motor vehicle repairs and parking and storage of cars awaiting service for a term of fifteen (15) years.

PREMISES AFFECTED—1-9 Cooper Square and 55 E 4th Street, northeast corner, Block 460, Lots 1, 4 and 6, Borough of Manhattan.

APPEARANCES—

For Applicant: Max Siegel.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Becker and Commissioner Klein 4

Negative: 0

Absent: Commissioner Fox 1

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on February 6, 1961, after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the new Zoning Resolution is amended to permit the Board to act; objector to advise Board as to development planned by Re-development Board; then set for April 17, 1962; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated August 25, 1961, acting on N.B. Applic. 116-58, reads:

"C-1 This amendment is disapproved because it proposes to enlarge this facility from Block 460, Lot 1, to include lots 4 and 6 and therefore is an extension of the variance granted by the Bd. of S. & A. under Cal. #188-59-BZ, Vol. II, as granted Dec. 13, 1960 and printed in Bulletin No. 31, Vol. 45. The use of lots 4 and 6 for the same use as lot 1 is contrary to Zoning Resolution, Article II, Sect. 4."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee has recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision f of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is granted under Section 7f of the Zoning Resolution, to permit in a business use district, the extension in area and rearrangement of a gasoline service station, previously granted by the Board, with accessory uses including minor motor vehicle repairs and the parking and storage of cars awaiting service, for a term of fifteen (15) years, on condition that the work shall be done in accordance with drawings filed with this application dated September 5, 1961, 4 sheets; that the applicant shall file working drawings for approval by the Board before filing these drawings for approval in the Department of Buildings; that all laws, rules and regulations applicable shall be complied with; and that permits shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

559-61-BZ

APPLICANT—Albert Melniker for Frank Esposito, owner.

SUBJECT—Application May 11, 1961—decision of the Bor-

ough Superintendent, under Sections 7e and 21 of the Zoning Resolution to permit in a residence use 'G-1' area district, the erection of a one story building for use as a retail store with accessory garage, the proposed building encroaches on the required side yard and rear yard.

PREMISES AFFECTED—1856 South Railroad Avenue, 110 Guyon Avenue, southwest corner, Block 4658, Lot 1, Oakwood, Borough of Richmond.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on July 11, 1961, after due notice by publication in the Bulletin; laid over to July 25, 1961 for inspection and decision; hearing closed; then date to be set for decision; to await development of grade crossing elimination work; then set for March 13, 1962; then to April 3, 1962 for applicant to submit new drawing; then to April 17, 1962 at request of applicant; applicant to submit additional drawings and information; and

WHEREAS, the decision of the Borough Superintendent, dated June 30, 1961, acting on N.B. Applic. 1212-60, reads:

"The erection of a Retail Store located in a residence G-1 district is contrary to Art. II Section 3 of the zoning resolution, and Art. IV Section 16-C par. (a) Par. (c), Par (d) and Par. (f) of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is granted under Sections 7e and 21, to permit in a residence use district, for a term of 25 years, the erection of a one story building for use as a retail store with an accessory garage, the proposed building to encroach on the required side yard and rear yard, on condition that the work shall conform to drawings filed with this application dated May 11, 1961, 7 sheets and July 18, 1961, 1 sheet additional; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1429-61-BZ

APPLICANT—Robert Gottlieb for Frank Feller, owner.

SUBJECT—Application September 14, 1961—decision of the Borough Superintendent, under Section 72-21 of the Zoning Resolution, to permit in a residence use district, the maintenance of a parking lot for not more than four (4) cars for a temporary term of five years.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on March 13, 1962 after due notice by publication in the Bulletin; laid over to March 27, 1962 for inspection and decision; hearing closed; then to April 17, 1962 for applicant to submit revised plans; and

WHEREAS, the decision of the Borough Superintendent, dated October 11, 1961 acting on Alt. Applic. No. 1036-61, reads:

"1. The proposed extension of a factory in a retail use district constitutes an extension of a non-conforming use and is contrary to Art. II Sec. 4A of Z.R.

2. Proposed extension causes bldg. to exceed permissible area coverage in a "D" Area district and is contrary to Art. IV Sec. 14 of Z.R.

3. Proposed business entrances & exits exceeding 3'-6" within 75 ft. of a Residence district are contrary to Art. II Sec. 7A of Z.R.

4. Proposed accessory parking in Residence portion of lot is contrary to Art. II Sec. 3 of Z.R."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the committee of Board has recommended granting under certain conditions and in accordance with the revised drawings; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7c and 21, to permit in retail and residence use, D area district, the erection of a one story and cellar extension to an existing one story factory exceeding the permitted area coverage, *on condition* that the work shall conform to drawings filed with this application date October 20, 1961, 8 sheets, and April 11, 1962, 4 sheets revised; that the open triangular area on 58th Road shall be fenced in and landscaped as shown and shall have only a gate for maintenance access and the gate shall be kept locked; that an additional door shall be placed between the loading area and the adjacent stair hall on Flushing Avenue; that there shall be only one sign on Flushing Avenue; that all exterior walls shall be of face brick; that all laws, rules and regulations applicable shall be complied with; that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1596-61-BZ

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the findings required under the Zoning Resolution have been submitted to the Board and found satisfactory; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Sections 54-312 and 73-65 of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulation of the Zoning Resolution and that the application be and it hereby is granted under Sections 54-312 and 73-65, to permit in a C8-2 district, a three story addition to an existing non-complying telephone exchange building that exceeds the floor area ratio and has less than the required setback; and to permit the street wall to exceed the permitted height and the building to encroach on the rear yard, on condition that the work shall conform to drawings filed with this application dated January 17, 1962, 25 sheets; that all other laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained in accordance with the requirements of the new Zoning Resolution.

131-62-BZ

APPLICANT—New York Telephone Company, owner.

SUBJECT—Application January 30, 1962—decision of the Borough Superintendent, under Sections 73-11 (g) and 73-65 of the Zoning Resolution, to permit in a R-6 district, the increase in area and a third story addition to an existing telephone exchange building, the enlargement will encroach on the required rear yard.

PREMISES AFFECTED—3001 Kingsbridge Avenue, northwest corner of 230th Street, Block 3403, Lot 1, Borough of The Bronx.

APPEARANCES—

For Applicant: Aaron Goldman, Marion E. Horsburgh and John M. Dietz.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on April 3, 1962 after due notice by publication in the Bulletin; laid over to April 17, 1962 for inspection and decision; applicant to submit statement in regard to findings; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated January 19, 1962 acting on Alt. Applic. No. 752-61, reads:

"1. Proposed enlargement of a use group 6 (Telephone Exchange) within an R-6 district is contrary to the Zoning Resolution and is allowed by special permit only as per Sect. 22-20 of the Zoning Resolution.

2. Proposed enlargement at northwest corner of structure encroaches on required minimum rear yard and is therefore contrary to Sect. 23-47 of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the applicant has submitted a statement giving satisfactory findings under Sections 73-11 (g) and 73-65 of the Zoning Resolution; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Sections 73-11 (g) and 73-65 of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the

application be and it hereby is granted under Sections 73-11 (g) and 73-65, to permit in an R-6 district, the increase in area and a third story addition to an existing telephone exchange building with the addition encroaching on the required rear yard, on condition that the work shall conform to drawings filed with this application dated January 30, 1962, 15 sheets; that all other laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained in accordance with the requirements of the new Zoning Resolution.

Adjourned 3:00 P.M.

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated September 1, 1961 on N.B. Applic. 330-61, reads:

"1. Street giving access is not included on the official map of the City of New York, General City Law, Art. 3, Sec. 36."

and

WHEREAS, the applicant states that the building will be 84 feet by 40 feet 6 inches in area, 2 stories, of class 4 construction, located in residence use, E area; that the proposed use and occupancy will be two family dwelling with a two car garage; and

WHEREAS, the applicant states that the building will face St. John's Avenue, in the Borough and County of Richmond; that St. John's Avenue is a street which runs up a hill; that the premises in question will be located on the highest point on St. John's Avenue; that any grades to be established in the future must of necessity conform to the present general topography; that St. John's Avenue is a macadam road with water, gas and sewer in the bed of the street; that there are presently constructed on St. John's Avenue in the immediate vicinity of the proposed construction approximately 20 houses; that the premises in question will set back 45 feet from the present lot line; that any widening therefore of St. John's Avenue would very likely cause no appreciable damage to the premises.

Resolved, that the decision of the Borough Superintendent, dated September 1, 1961, acting on N.B. Applic. 330-61, Objection No. 1, be and it hereby is *modified* under the powers vested in the Board by Section 36 of the General City Law, and that the appeal be and it hereby is *granted, on condition* that the building shall conform to drawings filed with this appeal dated September 15, 1961, 4 sheets; that the street paving to the center of the street, curb, sidewalk and curb cuts shall be in condition satisfactory to the Borough President; and that a Certificate of Occupancy shall be obtained.

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox and Commissioner Becker 4

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent,

CORRECTION

dated February 17, 1961 on N.B. Applic. 20-61, reads:

"A-4 As the plot is an interior lot extending from street to street, and exceeding 110 ft. in depth, a double yard will be required midway between the two streets as per Sec. 27 subdiv. 2f of the Multiple Dwelling Law.

NOTE: For the purpose of the Multiple Dwelling Law, the 30 ft. wide drainage street abutting the plot at the West does not create a corner lot as defined in Sec. 4 subdiv. 31a of the Multiple Dwelling Law."

and
WHEREAS, the decision of the Borough Superintendent, dated May 3, 1961, on N.B. Applic. 20-61, reads:

"A-5—Request permission that 30'-0" wide drainage street plus a 10'-0" setback be considered a 40'-0" street with two corners."

and
WHEREAS, the applicant states that the proposed building will be 188 feet 8 inches by 49 feet irregular in area, 19 stories, 167 feet high, of class 1 construction, located in residence use, B area and class 1 1/4 height district; presently vacant; that the proposed use and occupancy will be: Level A—building office and lobby; Level B—incinerator room and multiple dwelling; Level C—boiler room, laundry and multiple dwelling; Level D—community room, storage and multiple dwelling; Level E—meter room and multiple dwelling; Level F—building entrance, storage and multiple dwelling; Level G to 12th floor—multiple dwelling; and

WHEREAS, the applicant states that the proposed building is a State Limited Profit middle income housing project which occupies 26.9% of the plot with setbacks on Bailey Avenue, Orloff Avenue and the New York City titled vested street; that it is respectfully requested to consider the existing vested drainage Street of 30 feet wide with the addition of a 10 foot setback of our property from Bailey Avenue, through to Orloff Avenue, an equivalent 40 foot street; that the City of New York acquired title to this street in 1926; that the yard and courts provided for this project are in excess of the required widths of the Multiple Dwelling Law; that the proposed project with its excess yard, courts and setbacks as well as the aforementioned occupancy of plot, will not effect the light and ventilation of adjoining properties; that it is respectfully requested that favorable consideration be given to this project as submitted to the Department of Buildings and that relief be granted; that this project as approved by the City Planning Commission and the State of New York, Division of Housing as a co-operative for families of middle income under the Mitchell Lama Act; and

"WHEREAS, the area computations are as follows;

Area of Plot—54,495 sq. ft.

Allowable coverage—36,921.75 sq. ft.

Occupied Area—14,687.61 sq. ft. (26.9%)

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on N.B. Applic. 20-61, Objection No. A-4, dated Feb. 17, 1961 and on N.B. Applic. 20-61, Objection A-5, dated May 3, 1961 be and it hereby is *modified* under the powers vested in the Board by Section 310 of the Multiple Dwelling Law, and that the appeal be and it hereby is *granted, on condition* that the building conforms with drawings filed with this application dated March 6, 1961, 15 sheets; that all laws, rules and regulations applicable be complied with and a Certificate of Occupancy be obtained.

*Correction: In the applicant's statement above all corrections are shown in italics.

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on November 28, 1961 after due notice by publication in the Bulletin; laid over to December 12, 1961 for inspection and decision; applicant to supply additional information requested; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated August 4, 1961 acting on N.B. Applic. No. 2480-60, reads:

"1. Erection of a bank and parking for employees and customers cars in a Residence use district is contrary to Art. II, Sec. 3 of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the committee recommended that the application be granted; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is *granted* under Section 7e of the Zoning Resolution, to permit in a residence use district, for a term of 21 years, the erection of a one story and cellar building for use as a bank, with accessory parking in the open area *on condition* the work be done in conformance with drawings filed with this application dated August 15th, 1961, 5 sheets; and *December 8, 1961, 1 sheet*; on *further condition* that a concrete curb, 8 inches high, be constructed east and west in the northeast corner of the lot, 5 feet from the north lot line so that there would be no parking of cars in that strip which is to be planted; that the entire parking lot be enclosed with a three foot high brick wall with an iron picket fence on top of the brick wall to a total height of five feet six inches; *that this fence be constructed inside the lot lines of this plot near the rear of the dwelling on Lot 45, Block 1126 to leave a portion of the plot 5'0" deep and 3'9" to 4'0" wide unfenced as shown on drawing filed December 8, 1961*; that there be parking permitted only during the business hours of the bank; that all laws, rules and regulations applicable be complied with, permit be obtained, work done, Certificate of Occupancy be obtained within the requirements of Section 22A of the Zoning Resolution.

NOTICE

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication of this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the Zoning Resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying property owners, they may obtain such copies at the office of the Board of Standards and Appeals, 80 Lafayette Street, 9th Floor, Manhattan, at five cents each—add postage payment if the forms are forwarded by mail. Purchase payment by postage stamps *NOT ACCEPTABLE*.

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection with which court proceedings are pending or in progress, unless exception is granted by the chairman, nor accepted which is not filed within thirty days from the date of the action of the Administrative Official.

Any communication purporting to be an appeal or application shall be regarded as a mere notice of intention to seek relief until it is filed on the form required by the rules of this board.

Upon receipt of any such communication the writer will be supplied with the official forms for presenting his appeal or application.

At the time of filing an appeal or application, the appellant or applicant shall forward a signed notice of appeal addressed to the Administrative Official either Borough Superintendent of Buildings or Fire Commissioner and file with this board a duplicate of said notice.

Appellants and applicants are advised that their plans must indicate the points of the compass so as to establish the true location and position of the property, the subject of the appeal or application.

Appeals and applications will be simplified and their disposition expedited by conforming to these directions.

MAX H. FOLEY, Chairman.

HOURS OF CONSULTATION

10 A.M. to 1 P.M.

Any person desiring to consult the Chairman, the Commissioners, Director or the Engineers, pertaining to the work of the board, will be seen only between the hours of ten in the morning and one in the afternoon—Saturdays excepted.

PUBLIC HEARINGS

Tuesday at 10 a.m. and 2 p.m.

Special meetings as published in this Bulletin.

All hearings are held at 80 Lafayette Street, 9th Floor, Borough of Manhattan.

MAX H. FOLEY, *Chairman.*

CORRECTION

*CORRECTION

That portion of the minutes of the Board of Standards and Appeals held on October 10, 1961 as they appeared in Bulletin No. 42, Vol. 46, are hereby corrected to read as follows:

880-56-A—Vol. II

APPLICATION—Lama, Proskauer and Prober for Frank Sicari, owner.
SUBJECT—Application reopened April 18, 1961 as Volume II—appeal from a decision of the Borough Superintendent, re Egress.
PREMISES AFFECTED—1145 East 92nd Street, northeast side, 40 feet southeast of Conklin Avenue, Block 8180, Lot 17, Borough of Brooklyn.

APPEARANCES—

For Applicant: Alfred A. Lama.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated March 3, 1961 on Alt. Applic. 456-61, reads:

"1. Provide two means of egress from first floor and cellar in accordance with Section 270 of the Labor Law."

and

WHEREAS, the applicant states that the Department of Buildings records indicate that said building was erected under N.B. Applic. 9239-25 for use as a store and one family; that Certificate of Occupancy #37604 was issued for said use; that it is proposed under this application to reaffirm the resolution Cal. No. 880-56-A, adopted September 29, 1957 and to permit the continuation of the present uses; that all work has been completed by the owner failed to obtain a permit to build and file for a new certificate of occupancy; that the cellar is now provided with one 2 foot 6 inch wide wood stair enclosed in fireproof blocks with a fireproof self-closing door at the cellar level; that said stair leads to the 1st floor and thence through the factory to the street; that as a second means of egress the cellar is further provided with a 3 foot wide open concrete stair leading directly to the rear yard; that as a third means of egress the cellar is further provided with a 2 foot 8 inch concrete stair leading directly to the street; that the iron trap door over these stairs is easily openable; that these exits are more than ample for the cellar inasmuch as it has no permanent occupancy and is only used for "storage" in conjunction with the 1st floor; that the 1st floor is provided with one 3 foot wide door at the front of the building leading directly to the street; that as a second means of egress the 1st floor is provided with a 2 foot 8 inch door leading to the rear yard which is 39 feet 4 5/8 inches in depth; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

CORRECTION

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the requirements of the Labor Law, as cited in a decision of the Borough Superintendent, acting on Alt. Applic. 456-61 dated March 3, 1961, Objection No. 1, and that the appeal be and it hereby is *granted, on condition* that the building shall conform to drawings filed with this application dated March 20, 1961, 3 sheets; that the owner shall file with the Board permission from the adjoining owner to use his property for a rear exit from the first floor of this building; and that a certificate of occupancy shall be obtained.

*Correction: In the *applicant's statement* the depth of the lot is correct to read from 50 feet in depth to 39 feet 4 5/8 inches in depth.

*CORRECTION

That portion of the minutes of the Board of Standards and Appeals held on November 28, 1961 as they appeared in Bulletin No. 49, Vol. 46, are hereby corrected to read as follows:

522-57-A

APPLICANT—Lama, Proskauer and Prober for 27 Realty Corporation, owner.

SUBJECT—Application for consideration—reopening for extension of term of variance which expired February 25, 1961—re Appeal from a decision of the Borough Superintendent; re exit, factory; previously granted on condition.

PREMISES AFFECTED—27-31 Bleecker Street, north side, 75 feet east of Shinbone Alley, Block 529, Lot 55, Borough of Manhattan.

APPEARANCES—

For Applicant: James E. Vassalotti.

ACTION OF BOARD—Appeal reopened and term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox and Commissioner Becker 4

Negative 0

Absent: Commissioner Klein 1

THE RESOLUTION—

WHEREAS, this application was granted by the Board on February 25, 1958 on certain conditions; and

WHEREAS, the resolution was amended on June 17, 1958; and

WHEREAS, the applicant requested an extension of the term of variance.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on February 25, 1958 as amended on June 17, 1958 only as to the term of the variance, so that as *amended* this portion of the resolution shall read:

"granted for a term of three years from the date of this amended resolution, to permit; that other than as herein amended the resolution above cited shall be complied with in all respects. (BN 1507/57)

*Correction: In the *Resolved* portion above the following has been deleted to correct, "... and that a new Certificate of Occupancy shall be obtained."

THE RESOLUTION—

WHEREAS, on November 12, 1958, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened to extend the time to obtain permits and complete the work on November 24, 1959; and

WHEREAS, the applicant requests an extension of time to complete the work as approved and guaranteed by the Board under Cal. No. 967-57-BZ printed in Bulletin 46, Volume 43; that there has been no change in conditions on the site or surrounding areas, nor in use, area and height designations; that permits have not been obtained, but plans have been filed; and

WHEREAS, the applicant requested reopening of this application and extension of time, to obtain permits and complete the work, which had expired by time limitation November 24, 1960; and

WHEREAS, this application was reopened on January 9, 1962 and set for hearing on February 6, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on February 6, 1962 after due notice by publication in the Bulletin; laid over to February 14, 1962; applicant to be notified; and

WHEREAS, the decision of the Borough Superintendent, dated November 14, 1961 acting on N.B. Applic. No. 3845-57, reads:

"1. The proposed use of this building, located within a bus. use dist. and extending into Res. use dist. is contrary to Art. II Sec. 3 of the Zone Resolutions.

2. The area of the proposed bldg. occupying 100% of the area of the lot in a D area dist. is contrary to Art. IV Sec. 14 of the Zone Res.

Note: Cal. #967-57-BZ, Bul. 48, Vol. 44 expired on 11/24/60."

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on November 12, 1958 as amended through November 24, 1959 only as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that the provisions of Section 22A of the Zoning Resolution shall apply from the date of this *amended* resolution; and that a Certificate of Occupancy shall be obtained."

*Correction: In the *Applicant section* a new applicant and owner has shown to correct.

*CORRECTION

The minutes of the meeting of the Board of Standards and Appeals held on March 20, 1962, as they appeared in Bulletin No. 13, Vol. 47, are hereby corrected to read as follows:

628-29-BZ—Vol. III

Correction: In the heading shown above the Volume number has been corrected from Volume II to Volume III.

RULES

Fire Drill Rules, Adopted by the Board of Standards and Appeals, October 5, 1923

(593-23-SR)

DEFINITION OF "FIRE DRILL"

The method and practice of the systematic and orderly vacating of a building by its occupants in case of emergency, panic or fire in the least possible time—by the nearest safe means of exit—and the use of fire appliances which shall be provided for the extinguishing or retarding of fire and the safeguarding of human life.

Rule 1.

In all buildings as defined in Article 1, Section 10 of the Labor Law in which fire drills are required pursuant to Section 279 thereof and in any other building in which such drills are required by the Fire Commissioner pursuant to the power conferred in section 491 of the New York City Charter, it shall be the duty of the owners, lessees or tenants to conduct fire drills monthly and at such other times as the Fire Commissioner may direct.

For the purpose of conducting such fire drills the owner or tenants shall appoint from among their employees such responsible and dependable persons, male or female, who shall efficiently perform the duties of the various positions of the fire drill organization, as specified on the accompanying chart.

It shall be the duty of the owner or tenant to enter in the blank spaces provided for that purpose in said chart the names of persons so selected and post said chart and copies of the rules in a conspicuous place.

Rule 2. Duties of Foreman.

The Foreman or Person in Charge shall direct, enforce and have full charge of the "Fire Drill" in every factory on each floor. Each day before work is begun he shall see that extinguishers, fire hose, fire buckets, etc., are in readiness for use, exit doors are unlocked, aisles are free from obstruction, that stairways, halls, etc., are properly lighted, and shall remedy any dangerous condition found to exist. Immediately after work is commenced he shall check up the Fire Drill Organization list and note if the regularly assigned persons are present; if any are found to be absent, he shall assign other employees (if practicable) to perform their duties.

He shall immediately notify new employees of the existence of the Fire Drill Organization and give them the necessary instructions as to the duties they are to perform, etc.

He shall be familiar with the operation and location of the interior alarm signal box on his floor.

He shall listen for the test signal each morning at the appointed hour and in the event of the test signal not being heard he shall communicate with the superintendent or other person in charge of the building and advise him of the fact. The (Floor Captain's) Foreman's orders are final as to the carrying out of the fire drill on his particular floor.

Rule 3. Duties of Watchmen.

The WATCHMEN shall see that all doors and windows are closed so as to prevent the spread of fire. The WATCHMEN shall be the only persons permitted to remain on the floor during the progress of a fire drill and do so at their own risk. For ordinary purposes only one watchman and a substitute shall be designated. In special cases, however, extra watchmen may be assigned by consent in writing from Fire Commissioner.

Rule 4. Duties of Searchers.

The MALE AND FEMALE SEARCHERS shall search all toilets, dressing rooms and emergency rooms used and frequented by their sex and all other portions of the floor and order all persons, except those authorized to remain, to leave the premises. They are to take care of and assist all persons who may faint or be disabled.

SEARCHERS shall leave the floor immediately after the last squad leaves.

Rule 5. Duties of Street Alarm Box Runner.

The STREET-ALARM-BOX-RUNNER shall be familiar with the location of the nearest city fire alarm box and know how it is operated.

In ordinary practice fire drills the STREET-ALARM-BOX-RUNNER shall report to the Foreman for orders, and if his services are not required he shall promptly file out of the premises with the other occupants.

Only when a fire actually occurs on his floor, or when ordered to do so by the Foreman, shall the STREET-ALARM-BOX-RUNNER proceed to the street alarm box and send in the fire alarm.

Rule 6. Duties of Fire Brigade.

The fire brigade shall have full charge of the operation of all auxiliary fire fighting apparatus and shall endeavor to extinguish, or at least hold in check until the arrival of the Fire Department, any fire that may occur. When it is necessary for the fire brigade to respond to different floors in the building they shall not use the stairways or fire escapes while the occupants are escaping from the premises.

Rule 7. Duties of Exit Guards.

The EXIT GUARDS shall station themselves at all exit doors leading to fire escapes, stairways, and other means of escape immediately upon the sounding of the alarm.

3
University of Illinois Library
Serials Dept.
Urbana, Ill.

RULES

There shall be two guards for each exit, if practicable; one to stand in the hallway holding back the door and the other directly inside on the floor. They are to keep the exit doors open and direct the movements of the persons using these exits and prevent congestion.

EXIT GUARDS shall remain at their stations until all of the occupants of the building have passed their station. Then close their doors and pass out of the building. Upon signal for the occupants to return, EXIT GUARDS shall take their designated stations and remain there until all persons have returned to their respective floors.

Rule 8. Duties of Squad Monitors.

The SQUAD MONITORS, as soon as the alarm is sounded, shall see that the employees under their charge quickly form into line, two abreast, and numbering not more than thirty to each squad. They shall see that all aisles and passageways are cleared of obstructions.

Note: Chairs, stools, baskets, etc., should be pushed under or placed on top of work benches.

MONITORS shall proceed at the head of their respective squads to the exit assigned, and then march up or down the stairs or to other exits as directed by the EXIT GUARDS.

On reaching the sidewalk MONITORS shall keep their squads in order and lead them a reasonable distance from the building, so as not to cause congestion and interference with fire apparatus. When the proper signal is given they shall return to their respective floors at head of their squads.

MONITORS will at all times see that those under their charge conduct themselves in a respectable and orderly manner.

Rule 9. Holding of Drills.

FIRE DRILLS shall be held at least once each month at varied hours of the day, and all of the occupants shall participate therein simultaneously. Such drills shall conduct all occupants to a place of safety.

Where dual operation interior fire alarm systems are installed as permitted under Rule 10.1 of the interior fire alarm rules of the Board of Standards and Appeals, the fire drill conducted each month shall include all of the persons on the premises engaged at work for a factory, and drills shall be conducted at least twice, each year in which all of the persons on the premises shall participate simultaneously.

Rule 10. Duties of Owner.

It shall be the duty of the OWNER, LESSEE OR

TENANT OF THE BUILDING or his authorized agent or their representatives to personally observe that the "Fire Drill" is held simultaneously on every floor of the building and the participation therein of every occupant of such building. Any FIRE DRILL in which all of the occupants do not participate shall not be considered as complying with the LAW, except as otherwise provided in these rules.

The person or persons representing the OWNERS, LESSEE OR TENANT, who supervises the FIRE DRILL at the building shall submit to an examination by the Division of Fire Prevention as to their experience and general fitness for such duties, and shall be so certified in writing by the FIRE COMMISSIONER.

It shall be the duty of the ENGINEER, SUPERINTENDENT or other PERSON IN CHARGE, of a building having an interior fire alarm system to test such system daily, immediately after the beginning of business, and to see that all apparatus operated by springs, requiring winding are rewound after each alarm and kept in normal condition for operation.

Rule 11. Duties of Engineer.

Whenever it is necessary to test the fire alarm system at any other time of the day, owing to repairs, etc., being made, the PERSON IN CHARGE OF BUILDING will first notify all Foremen of the several floors of the intended test and likewise notify them when the repairs, etc. are completed. This precaution is taken to prevent confusion and excitement, also misunderstanding of the alarm signals.

It shall also be the duty of the PERSON IN CHARGE OF BUILDING to sound the interior alarm system at irregular intervals, but not less than once each calendar month, for the purpose of holding practice fire drills. He shall keep on the premises a record of such drills, showing the date when held and the required time for all occupants to reach the street or a point of safety outside the building.

The PERSON IN CHARGE OF BUILDING must immediately acquaint new tenants of the existence of the "Fire Drill" Organization and its purport.

Rule 12. Registration.

The name and address of every person, corporation or co-partnership, that will, under professional service, carry on the trade, business or calling of establishing, maintaining or supervising the "Fire Drill" shall be registered in the Fire Department, which Department shall, upon evidence of fitness, grant a certificate to that effect.

COURT DECISION.

Matter of Usherowitz vs. Foley:—On November 10, 1959, the Board denied an appeal from a decision of the Borough Superintendent, under Section 36 of the General City Law in relation to the moving of a frame building to a location within the fire limits and not fronting on a legal street; Calendar Number 209-59-A; Premises 2777-2785 West 37th Street, east side, 100 feet north of Neptune Avenue, Block 6978, Lot 49, Borough of Brooklyn.

At Supreme Court Special Term, Part I, Mr. Justice Constantino upheld the Board's determination and dismissed the petition. (N. Y. Law Journal, September 13, 1960, page 14.)

At the Appellate Division Supreme Court, Second Department, Acting Presiding Justice Beldock, rendered the following decision:

"Motion by petitioner to dispense with printing, denied, with leave to renew on proper papers showing petitioner's assets and income, and the merits of the appeal."

(N. Y. Law Journal, May 16, 1961, page 15).

The Appellate Division-Supreme Court-Second Department in its decision by Nolan, P. J.; Beldock, Ughetta, Kleinfeld and Christ, JJ., stated as follows:

"Motion by appellant for reargument of his motion to dispense with printing, granted. On reargument, motion by appellant to dispense with printing, granted. The appeal will be heard on the original papers and on appellant's typewritten brief, which shall include a copy of the opinion, if any, of the court below. The appellant is directed to file six copies of his typewritten brief and to serve one copy on the corporation counsel."

(N. Y. Law Journal, September 19, 1961, page 14).

The Appellate Division, Second Department by Ughetta, Acting P.J.; Kleinfeld, Christ, Brennan and Hopkins, JJ. affirmed the order of the Supreme Court, Kings County, dated November 7, 1960 in the following decision:

—In a proceeding pursuant to article 78 of the Civil Practice Act to review a determination of the respondents, who constitute the Board of Standards and Appeals of the City of New York, denying the petitioner's application for a variance so as to permit "the legalizing" of a certain one-family frame wood structure in the Borough of Brooklyn, City of New York, by the issuance of a certificate of occupancy therefor, the petitioner appeals from an order of the Supreme Court, Kings County, dated November 7, 1960, which denied his motion and dismissed his petition. Order affirmed, without costs. The structure involved had been moved from one plot to the rear of an adjoining plot, both plots being within the fire limits of the City of New York (see Administrative Code of City of N. Y., secs. C26-247.0, C25-41.0, C26-11.0). Objection No. 5 of the borough superintendent of the department of buildings contained a sufficiently complete statement showing that the facts upon which the administrative decisions under review were based supported those decisions, namely, the moving of the structure to a point "within the fire limits." The reference, in the text of this objection No. 5, to a certain section of the Building Code, section 4.1.7 (Administrative Code of City of N. Y., sec. C26-252.0), which might not be applicable to the situation, since that section deals with structures moved from outside the fire limits of the city, should be regarded as surplusage which did not prejudice the petitioner (cf. People v. Love, 306 N. Y. 18, 23; People v. Jacoby, 304 N. Y. 33, 40; People v. Dioquardo, 303 N. Y. 514; People v. Dwyer, 160 App. Div. 542, 547, aff'd 215 N. Y. 46; People v. Ryan, 12 App. Div. 2d 841; People v. Adler, 174 App. Div. 301).

(N. Y. Law Journal, May 2, 1962, page 16).

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Becker and Commissioner Klein..... 4
Negative: Commissioner Fox 1

MINUTES

THE RESOLUTION—

WHEREAS, on June 24, 1941, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened and the term of variance extended for ten years on September 18, 1951; and

WHEREAS, the applicant states that there have been no changes on the site; that within the affected area, the vacant land along the west side of Main Street has been developed with stores, the vacant land to the north of the site has been developed with a Jewish Center and the vacant land to the east of Vleigh Place has been developed with dwellings; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation September 18, 1961 under Section 11-411 of the amended Zoning Resolution; and

WHEREAS, THIS APPLICATION WAS REOPENED ON March 27, 1962 and set for hearing on May 1, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on May 1, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated February 2, 1962 acting on Alt. Applic. No. 110-62, reads:

"1. Proposed extension of the term of variance of existing gasoline station, accessory office, auto laundry and lubritorium presently located in a C1-2 district is contrary to Art. III Chapter 2 Sect. 32-22-B of the Zoning Resolution.

Note: This premises was subject of Board of Standards and Appeals variance under Cal. #340-41-BZ."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on June 24, 1941, as amended through September 18, 1951, only as to the term of the variance, so that as amended it shall read:

"granted for a term of ten (10) years from the date of this amended resolution, to permit . . . ; on condition that the ice vending machines or any other vending machines shall be excluded from the premises; that all vehicles shall be kept off the sidewalks; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

786-41-BZ

APPLICANT—Powsner, Katz and Powsner for Louise Bindrim, owner.

SUBJECT—Application reopened March 27, 1962 for consideration as to extension of term of variance, expired January 22, 1962—decision of the Borough Superintendent, previously granted on condition, under Section 7f of the Zoning Resolution, permitting in a business use district, a garage for more than five motor vehicles.

PREMISES AFFECTED—68-72 North Henry Street, east side, 70 feet north of Meeker Avenue, Block 2729, Lot 20, Borough of Brooklyn.

APPEARANCES—

For Applicant: Howard A. White.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, on March 24, 1942, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened from time to time to extend the term of variance and last extended for a term of five years on January 22, 1957; and

WHEREAS, the applicant states that the site and surrounding area in which the above premises are located has not undergone any substantial change; that the subject premises were formerly located in a business use district, C area, 1¼ height zone at the time of the issuance of the last Certificate of Oc-

cupancy No. 155093 on March 28, 1957; that under the new Zoning Resolution, the said location has been redesignated as an R-4 district; that the proposed and continued use of the premises as a non-storage garage for not more than 10 cars of the pleasure type only, did not violate the spirit and intent of the zoning requirements relating to the said area; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation January 22, 1962 under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 27, 1962 and set for hearing on May 1, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on May 1, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated January 31, 1962 acting on N.B. Applic. No. 8146-29, reads:

"1. Proposed use of premises for "Non-storage garage for not more than (10) ten cars (pleasure car type only)" is contrary to the uses permitted in a R-4 district, Art. II Sec. 22 of the Amended Zoning Resolution.

2. The above application is subject to a term variance granted under Resolution 786-41-BZ, Bul. 5, Vol. 42 of the Board of Standards and Appeals and which expired Jan. 22, 1962."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on March 24, 1942, as amended through January 22, 1957, only as to the term of the variance, so that as amended it shall read:

"granted for a term of five (5) years from the date of this amended resolution, to permit; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

100-48-BZ—Vol. II

APPLICANT—Henry Nordheim for John H. Bush, owner.

SUBJECT—Application reopened March 20, 1962 for consideration as to extension of term of variance, expired January 15, 1962—decision of the Borough Superintendent, previously granted on condition, under Section 7i of the Zoning Resolution, permitting in a business use district, the motor vehicles repair shop.

PREMISES AFFECTED—1933-1959 Webster Avenue, 1876-1892 Valentine Avenue and 350-360 East 178th Street, south side, from Valentine to Webster Avenue, Block 2815, Lot 1, Borough of The Bronx.

APPEARANCES—

For Applicant: Henry Nordheim.

For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Becker and Commissioner Klein 4
Negative: Commissioner Fox 1

THE RESOLUTION—

WHEREAS, on December 11, 1951, this application—Vol II—was granted by the Board on certain conditions; and

WHEREAS, this application was reopened and the term of variance extended for five years on January 15, 1957; and

WHEREAS, the applicant states that there are no changed conditions on the site nor in the surrounding area; that the amended Zoning Resolution now shows this site in a C2-4 mapped in an R7-1 district; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation January 15, 1962 under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 20, 1962 and set for hearing on April 17, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application

MINUTES

on April 17, 1962 after due notice by publication in the Bulletin; laid over to May 1, 1962 for inspection and decision as to the extension of the term of variance; and

WHEREAS, the decision of the Borough Superintendent, dated February 1, 1962 acting on Alt. Applic. No. 684-50, reads:

"1. Proposal to renew use of motor vehicle repair shop & use of oxygen-acetylene torch (within bldg.) now located in a C2-4 mapped in an R7-1 District is contrary to Article III, Chapter 2 of the Zoning Resolution; and contrary to the expiration date granted under B.S. & A. Cal. #100-48-BZ, Vol. II.

Note: This must be referred to Board of Standards and Appeals according to Article I, Chapter 1, Section 11-411 of the Zoning Resolution."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on December 11, 1951, as amended through January 15, 1957, only as to the term of the variance, so that as amended it shall read:

"granted for a term of two years from the date of this amended resolution, to permit; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

677-54-BZ—Vol. II

APPLICANT—Schaefer and Atkin for Morris Glasgall, owner.

SUBJECT—Application reopened March 27, 1962 for consideration as to extension of term of variance, expired February 19, 1962—decision of the Borough Superintendent, previously granted on condition, under Section 7e of the Zoning Resolution, permitting in a residence use district, garage for owner's cars, storage of roofing materials and sheet metal shop.

PREMISES AFFECTED—413-415 West 150th Street, north side, 93 feet 2 inches east of Convent Avenue, Block 2065, Lot 22, Borough of Manhattan.

APPEARANCES—

For Applicant: Victor E. Block.

For Opposition: None.

Negative 0

THE RESOLUTION—

WHEREAS, on February 15, 1957, this application Volume II was granted by the Board on certain conditions; and

WHEREAS, the applicant states that the zoning change has been made as of December 15, 1961 from Residence and Commercial to R7-2; that there has been no alteration to the premises or change of use by the occupants of any kind and we respectfully request that we be granted an extension to the variance for a period of ten (10) years; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation February 19, 1962 under Section 11-41 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on March 27, 1962, and set for hearing on May 1, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated February 13, 1962 acting on Alt. Applic. 641-56, reads:

"1. New owner's authorization filed herewith indicating change of Architect.

Respectfully request that existing use of premises be extended for another 10 years."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on February 15, 1957, only as to the term of the variance, so that as amended it shall read:

"granted for a term of five (5) years from the date of this amended resolution, to permit; that

other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

415-55-BZ—Vol. II

APPLICANT—Burke and Groh for C. B. S. Realty Corporation, owner; Bay Chevrolet, Incorporated, lessee.

SUBJECT—Application reopened November 21, 1961 as Volume II—decision of the Borough Superintendent, under Sections 7c and 21 of the Zoning Resolution, to permit in a local retail and residence use district, at an existing auto showroom with service of new and used cars and trucks, car conditioning, storage and sale of parts with auto repairs, as previously granted by the Board, and open parking, the erection of a one story extension for car conditioning and roof parking into the residence portion of the premises that encroaches on the required rear and side yards.

PREMISES AFFECTED—240-02 Northern Boulevard, southwest corner of Alameda Avenue, Block 8167, Lot 1, Bayside, Borough of Queens.

APPEARANCES—

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 30, 1962 after due notice by publication in the Bulletin; laid over without date for inspection and decision if the new Zoning Resolution is amended to permit the Board to act; applicant to submit revised drawings; then set for May 1, 1962 for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated September 27, 1961 acting on Alt. Applic. No. 1740-61, reads:

"1. The proposed extension to an auto sales & service bldg. located in a Local Retail and extending into a Res. use district is contrary to Art. II Sec. 3 Zone Res.

2. The proposed extension of the parking of customers cars and storage of cars on the roof of the proposed extension in the Res. portion of the lot is contrary to Art. II Sec. 3 Zone Res.

3. The proposed extension in the G area portion of the lot is located in the required side yard and within 15' of the rear line of the lot is contrary to Art. IV Sect. 16-B(C)(D) Zone Res.

4. This premise was previously the subject of a variance granted under Cal. 415-55-BZ—Vol. II and must be referred back to the Board for its determination."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is granted under Sections 7c and 21 of the Zoning Resolution, to permit in a local retail and residence use district, at an existing auto showroom with service of new and used cars and trucks, car conditioning, storage and sale of parts with auto repairs as previously granted by the Board, and open parking, the erection of a one-story extension for car conditioning and roof parking extending into the residence portion of the premises which would encroach on the required rear and

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on January 9, 1962 after due notice by publication in the Bulletin; laid over without date for inspection and for decision if the new Zoning Resolution is amended to permit the Board to act; applicant to submit additional drawings showing proposed conditions; then set for May 1, 1962, for decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated May 16, 1961 acting on Alt. Applic. No. 410-61, reads:

"1. The proposed parking of more than 5 cars on the residence portion of a lot which is partly in a residence district and partly in a retail district is contrary to Art. 2, Sec. 3 of the Z.R."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the Committee has recommended granting on certain conditions; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby make a variation in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is granted under Section 7c of the Zoning Resolution, to permit in a retail use district the maintenance of a parking lot for the parking and storage of more than five motor vehicles, *on condition* that the work shall be done in accordance with drawings filed with this application, dated May 23, 1961, 2 sheets and January 15, 1962, 2 sheets additional; that on the building line of 60th Street a 5 foot, 6 inch high brick wall shall be constructed along the entire front with one 20 foot opening which shall be provided with gates; that on Forest Avenue, a brick wall 5 feet 6 inches high shall be constructed along the entire front, with the exception of one 20 foot opening which shall be provided with gates; that during school hours an attendant shall be at each of these gates one half hour before school opens and one half hour after school closes; that in addition, each of the openings on 60th Street and Forest Avenue shall be fitted with an electronic eye arrangement, which will sound a gong when a truck or car passes through; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work done and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1696-61-A

APPLICANT—Henry C. Brucker for Angelena George, owner; George's Carriers Incorporated, lessee.

SUBJECT—Application October 30, 1961—Filed pursuant to Section 35 Art. 3 of the General City Law re—parking lot in bed of mapped street. (Widening of Metropolitan Avenue.)

PREMISES AFFECTED—62-38 to 62-44 60th Street, west side, 5 feet plus, south of Greene Avenue, and 62-39 to 62-45 Forest Avenue, Block 3492, Lot 27, Ridgewood, Borough of Queens.

APPEARANCES—

For Applicant: Richard George.

MINUTES

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated October 20, 1961 on Alt. Applic. 410-61, reads:

"1. Proposed parking lot in the bed of a mapped street is contrary to Sect. 35, Art. 3 of the General City Law."

and
WHEREAS, the applicant states that the lot is 74.92 and 73 feet by 243.8 feet in area, located in retail and residence use, C area and class 1 height district, now used and occupied as: cellar—storage and boiler under dwelling; 1st floor—2 family dwelling, 3 car accessory garage—vacant land—parking and storage of more than 5 motor vehicles; that the proposed use and occupancy will be the same; that additional facts about the premises can be found in an accompanying zoning application 807-61-BZ; and

WHEREAS, the applicant states that the final map showing the proposed widening of Metropolitan Avenue has been on file since about 1916 and the extension of Greene Avenue, to be cut through has been on file since about 1941 and no widening or extension has as yet taken place and upon information and belief, will not take place for several years to come; that it is proposed to legalize the parking and storage of more than five (5) trucks upon the vacant land; that no buildings are to be erected under this application; that the present 2 family dwelling is not in any portion of the mapped street as per final map; that it is hereby contended that refusal to issue a permit for the use stated above in the bed of a mapped street is a hardship on the owner as the property cannot be put to any beneficial use other than parking and storage of motor vehicles; that the only parts of the lot that are not in the bed of a mapped street are two small triangular portions on the easterly and westerly sides of the lot which represents approximately 4850 square feet which is approximately 22% of the total property; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. 410-61, Objection No. 1, dated October 20, 1961, be and it hereby is *modified* under the powers vested in the Board by Section 35 of the General City Law, and that the appeal be and it hereby is *granted, on condition* that all requirements of the resolution adopted by the Board this day under Cal. No. 807-61-BZ shall be complied with; and that a Certificate of Occupancy shall be obtained.

tion 7, Subdivisions e, f, i and 7A of the Zoning Resolution.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use district regulations of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7e, 7f, 7i and 7A of the Zoning Resolution, to permit in a retail and residence use district, the erection and maintenance of a gasoline service station with lubrication, non-automatic auto washing, office, sale of accessories, minor motor vehicle repairs with hand tools only, safety inspection station and the parking and storage of motor vehicles, with a ground sign and with show windows, curb cuts and business signs within 75 feet of a residence use district, for a term of fifteen (15) years, *on condition* that the work shall conform with drawings filed with this application dated September 19, 1961, 2 sheets and February 15, 1962, 2 sheets revised; with the exception that the curb cut at the north end of the Nostrand Avenue front shall be omitted; that there shall be only two curb cuts on Emmons Avenue instead of the three now shown; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1712-61-BZ

APPLICANT—Larry Meltzer for Minnie Rivner and Anna Peskin, owner; Ideal Department Store, Incorporated, lessee.

SUBJECT—Application November 16, 1961—decision of the Borough Superintendent, under Sections 7c and 21 of the Zoning Resolution, to permit in a retail and residence use, D area district, the erection of a one story and mezzanine extension to an existing two story and cellar building into the residence portion of the premises to enlarge the existing retail store, the proposed building will exceed the permitted area coverage.

PREMISES AFFECTED—1814-1816 Flatbush Avenue, west side, 117 feet north of East 37th Street, 1045-1047 East 36th Street, Block 7618, Lots 8 and 9, Borough of Brooklyn.

APPEARANCES—

For Applicant: Larry Meltzer.

For Opposition: Harvey Halper.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on April 10, 1962 after due notice by publication in the Bulletin; laid over to May 1, 1962 for inspection and decision; hearing close; and

WHEREAS, the decision of the Borough Superintendent, dated October 21, 1961 acting on Alt. Applic. No. 2738-61, reads:

"1. The proposed extension of a commercial use into a residence use district is contrary to Article II, Section 3 of the Zoning Resolution.

2. The structure as proposed exceeds the area permitted in a "D" area district and is contrary to Article IV, Section 14(c) of the Zoning Resolution."

and WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does

hereby *make a variation* in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7c and 21, to permit in a retail and residence use, D area district, the erection of a one story and mezzanine extension to an existing two story and cellar building into the residence portion of the premises, to enlarge the existing retail store; the proposed building to exceed the permitted area coverage; *on condition* that the work shall conform to drawings filed with this application dated November 16, 1961, 9 sheets and April 27, 1962, 1 sheet revised; *on further condition* that the extension shall be entirely of Class 2 construction; that the front on 36th Street shall be of face brick; that there shall be no loading or unloading on the 36th Street side; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1713-61-A

APPLICANT—Larry Meltzer for Minnie Rivner and Anna Peskin, owner; Ideal Department Store, Incorporated, lessee.

SUBJECT—Application November 16, 1961—Appeal from a decision of the Borough Superintendent re—Class 3 construction, area.

PREMISES AFFECTED—1814-1816 Flatbush Avenue, west side, 117 feet north of East 37th Street, 1045-1047 East 36th Street, Block 7618, Lots 8 and 9, Borough of Brooklyn.

APPEARANCES—

For Applicant: Larry Meltzer.

ACTION OF BOARD—Appeal granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated October 31, 1961 on Alt. Applic. 2738-61, reads:

"3. The area of the first floor of the structure as proposed, exceeds the 3000 square feet permitted for residential buildings and is contrary to Section C26-254.0 of the Administrative Code."

and

WHEREAS, the applicant states that the proposed building will be 37 feet by 144 feet in area, 2 stories and cellar, 22 feet high, of class 3 construction, located in retail and residence use, D area and Class 1 height district, that the existing building was erected prior to 1916, now used and occupied since 1923: cellar—retail merchandising, storage and boiler room; 1st floor—store for retail merchandising; 2nd floor—two families, substantially in accordance with Certificate of Occupancy #56381 issued June 6, 1929 against Alt. Applic. 2199-29; that the proposed use and occupancy will be: cellar—storage and boiler room; 1st floor—retail department store, 50 persons; mezzanine—office, 5 persons; 2nd floor—two families; that an accompanying zoning application contains additional facts about the premises; and

WHEREAS, the applicant states that the area of the entire 2nd floor, which is the residential portion, is only 2035 square feet and will not be increased in any manner; that the proposed area of the 1st floor will only be 5127 square feet, well under the 14,500 square feet permitted for a commercial building facing two streets; that these premises were formerly two buildings, and as such the area between firewalls on the 2nd floor is only 1018 square feet; that each apartment on the 2nd floor is provided with an individual stairs leading directly to the street and is enclosed with portions of one hour materials, and separated by an eight inch masonry firewall; that it is proposed to discontinue the existing legal selling area in the cellars of the building and use these cellars for storage purposes only, which will improve the exit facilities of the selling area; that the plot

MINUTES

faces on two city streets and is much shallower in depth than the 200 feet of the usual "through lot" running from street to street; that moreover, there is no point on the site which is further than 77 feet from a street, which facilitates the efforts of the Fire Department in the event of a conflagration; that whereas, these premises are provided with exit facilities above the normal requirements; and the residential portion is small and further divided by a firewall; that the entire building and plot are small in size and front on two city streets; that it is respectfully requested that the Board act to modify the decision of the Borough Superintendent; and

WHEREAS, the premises was inspected by a committee of the Board; and

Resolved, that the decision of the Borough Superintendent, dated October 31, 1961, acting on Alt. Applic. 2738-61, Objection 3, be and it hereby is *modified* and that the appeal be and it hereby is *granted* on condition that all of the requirements of the resolution adopted by the Board this day under Calendar Number 1712-61-BZ shall be complied with and a Certificate of Occupancy obtained.

Adjourned 1:00 P.M.

JAMES P. MULROY, *Secretary*.

REGULAR MEETING

TUESDAY AFTERNOON MAY 1, 1962, 2 P.M.

Present: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein.

2-58-A

APPLICANT—Robert Gottlieb for Rose Rosen, owner.
SUBJECT—Application for consideration—reopening for extension of term of variance—Appeal from a decision of the Borough Superintendent—re extension of commercial use in frame building; previously granted on condition.
PREMISES AFFECTED—1335 Webster Avenue, west side, 322.49 feet north of East 169th Street, Block 2887, Lot 173, Borough of The Bronx.

APPEARANCES—

For Applicant: Gerald Levy.

ACTION OF BOARD—Appeal reopened and term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board on April 22, 1958, on certain conditions; and

WHEREAS, the term of variance was extended on May 17, 1960; and

WHEREAS, the applicant requested a further extension of the term of variance.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on April 22, 1958, as *amended* on May 17, 1960, only as to the term of the variance, so that as *amended* this portion of the resolution shall read:

"granted for a term of two years from the date of this *amended* resolution, to permit; that other than as herein *amended* the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained." (Alt. Applic. 1108/57)

RULES

Fire Drill Rules, Adopted by the Board of Standards and Appeals, October 5, 1923

(593-23-SR)

DEFINITION OF "FIRE DRILL"

The method and practice of the systematic and orderly vacating of a building by its occupants in case of emergency, panic or fire in the least possible time—by the nearest safe means of exit—and the use of fire appliances which shall be provided for the extinguishing or retarding of fire and the safeguarding of human life.

Rule 1.

In all buildings as defined in Article 1, Section 10 of the Labor Law in which fire drills are required pursuant to Section 279 thereof and in any other building in which such drills are required by the Fire Commissioner pursuant to the power conferred in section 491 of the New York City Charter, it shall be the duty of the owners, lessees or tenants to conduct fire drills monthly and at such other times as the Fire Commissioner may direct.

For the purpose of conducting such fire drills the owner or tenants shall appoint from among their employees such responsible and dependable persons, male or female, who shall efficiently perform the duties of the various positions of the fire drill organization, as specified on the accompanying chart.

It shall be the duty of the owner or tenant to enter in the blank spaces provided for that purpose in said chart the names of persons so selected and post said chart and copies of the rules in a conspicuous place.

Rule 2. Duties of Foreman.

The Foreman or Person in Charge shall direct, enforce and have full charge of the "Fire Drill" in every factory on each floor. Each day before work is begun he shall see that extinguishers, fire hose, fire buckets, etc., are in readiness for use, exit doors are unlocked, aisles are free from obstruction, that stairways, halls, etc., are properly lighted, and shall remedy any dangerous condition found to exist. Immediately after work is commenced he shall check up the Fire Drill Organization list and note if the regularly assigned persons are present; if any are found to be absent, he shall assign other employees (if practicable) to perform their duties.

He shall immediately notify new employees of the existence of the Fire Drill Organization and give them the necessary instructions as to the duties they are to perform, etc.

He shall be familiar with the operation and location of the interior alarm signal box on his floor.

He shall listen for the test signal each morning at the appointed hour and in the event of the test signal not being heard he shall communicate with the superintendent or other person in charge of the building and advise him of the fact. The (Floor Captain's) Foreman's orders are final as to the carrying out of the fire drill on his particular floor.

Rule 3. Duties of Watchmen.

The WATCHMEN shall see that all doors and windows are closed so as to prevent the spread of fire. The WATCHMEN shall be the only persons permitted to remain on the floor during the progress of a fire drill and do so at their own risk. For ordinary purposes only one watchman and a substitute shall be designated. In special cases, however, extra watchmen may be assigned by consent in writing from Fire Commissioner.

Rule 4. Duties of Searchers.

The MALE AND FEMALE SEARCHERS shall search all toilets, dressing rooms and emergency rooms used and frequented by their sex and all other portions of the floor and order all persons, except those authorized to remain, to leave the premises. They are to take care of and assist all persons who may faint or be disabled.

SEARCHERS shall leave the floor immediately after the last squad leaves.

Rule 5. Duties of Street Alarm Box Runner.

The STREET-ALARM-BOX-RUNNER shall be familiar with the location of the nearest city fire alarm box and know how it is operated.

In ordinary practice fire drills the STREET-ALARM-BOX-RUNNER shall report to the Foreman for orders, and if his services are not required he shall promptly file

RULES

out of the premises with the other occupants.

Only when a fire actually occurs on his floor, or when ordered to do so by the Foreman, shall the STREET-ALARM-BOX-RUNNER proceed to the street alarm box and send in the fire alarm.

Rule 6. Duties of Fire Brigade.

The fire brigade shall have full charge of the operation of all auxiliary fire fighting apparatus and shall endeavor to extinguish, or at least hold in check until the arrival of the Fire Department, any fire that may occur. When it is necessary for the fire brigade to respond to different floors in the building they shall not use the stairways or fire escapes while the occupants are escaping from the premises.

Rule 7. Duties of Exit Guards.

The EXIT GUARDS shall station themselves at all exit doors leading to fire escapes, stairways, and other means of escape immediately upon the sounding of the alarm. There shall be two guards for each exit, if practicable; one to stand in the hallway holding back the door and the other directly inside on the floor. They are to keep the exit doors open and direct the movements of the persons using these exits and prevent congestion.

EXIT GUARDS shall remain at their stations until all of the occupants of the building have passed their station. Then close their doors and pass out of the building. Upon signal for the occupants to return, EXIT GUARDS shall take their designated stations and remain there until all persons have returned to their respective floors.

Rule 8. Duties of Squad Monitors.

The SQUAD MONITORS, as soon as the alarm is sounded, shall see that the employees under their charge quickly form into line, two abreast, and numbering not more than thirty to each squad. They shall see that all aisles and passageways are cleared of obstructions.

Note: Chairs, stools, baskets, etc., should be pushed under or placed on top of work benches.

MONITORS shall proceed at the head of their respective squads to the exit assigned, and then march up or down the stairs or to other exits as directed by the EXIT GUARDS.

On reaching the sidewalk MONITORS shall keep their squads in order and lead them a reasonable distance from the building, so as not to cause congestion and interference with fire apparatus. When the proper signal is given they shall return to their respective floors at head of their squads.

MONITORS will at all times see that those under their charge conduct themselves in a respectable and orderly manner.

Rule 9. Holding of Drills.

FIRE DRILLS shall be held at least once each month at varied hours of the day, and all of the occupants shall participate therein simultaneously. Such drills shall conduct all occupants to a place of safety.

Where dual operation interior fire alarm systems are installed as permitted under Rule 10.1 of the interior fire alarm rules of the Board of Standards and Appeals, the fire drill conducted each month shall include all of the persons on the premises engaged at work for a factory, and drills shall be conducted at least twice, each year in which all of the persons on the premises shall participate simultaneously.

Rule 10. Duties of Owner.

It shall be the duty of the OWNER, LESSEE OR TENANT OF THE BUILDING or his authorized agent or their representatives to personally observe that the "Fire Drill" is held simultaneously on every floor of the building and the participation therein of every occupant of such building. Any FIRE DRILL in which all of the occupants do not participate shall not be considered as complying with the LAW, except as otherwise provided in these rules.

The person or persons representing the OWNERS, LESSEE OR TENANT, who supervises the FIRE DRILL at the building shall submit to an examination by the Division of Fire Prevention as to their experience and general fitness for such duties, and shall be so certified in writing by the FIRE COMMISSIONER.

It shall be the duty of the ENGINEER, SUPERINTENDENT or other PERSON IN CHARGE, of a building having an interior fire alarm system to test such system daily, immediately after the beginning of business, and to see that all apparatus operated by springs, requiring winding are rewound after each alarm and kept in normal condition for operation.

Rule 11. Duties of Engineer.

Whenever it is necessary to test the fire alarm system at any other time of the day, owing to repairs, etc., being made, the PERSON IN CHARGE OF BUILDING will first notify all Foremen of the several floors of the intended test and likewise notify them when the repairs, etc. are completed. This precaution is taken to prevent confusion and excitement, also misunderstanding of the alarm signals.

It shall also be the duty of the PERSON IN CHARGE OF BUILDING to sound the interior alarm system at irregular intervals, but not less than once each calendar month, for the purpose of holding practice fire drills. He shall keep on the premises a record of such drills, showing the date when held and the required time for all occupants to reach the street or a point of safety outside the building.

The PERSON IN CHARGE OF BUILDING must immediately acquaint new tenants of the existence of the "Fire Drill" Organization and its purport.

Rule 12. Registration.

The name and address of every person, corporation or co-partnership, that will, under professional service, carry on the trade, business or calling of establishing, maintaining or supervising the "Fire Drill" shall be registered in the Fire Department, which Department shall, upon evidence of fitness, grant a certificate to that effect.

NOTICE

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication of this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the Zoning Resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying property owners, they may obtain such copies at the office of the Board of Standards and Appeals, 80 Lafayette Street, 9th Floor, Manhattan, at five cents each—add postage payment if the forms are forwarded by mail. Purchase payment by postage stamps **NOT ACCEPTABLE**.

COURT DECISION

Matter of Triborough Bridge and Tunnel Authority vs. Foley:—On December 22, 1961, the Board granted an appeal which modified the decision of the Borough Superintendent which required an easement from the Authority to qualify the plot as a corner lot; Calendar Number 951-61-A; Premises 221-235 East 36th Street, north side, 185 feet west of 2nd Avenue, Block 917, Lots 16-20, Borough of Manhattan.

At Supreme Court, Special Term, Part I, Mr. Justice Hecht rendered the following decision:

"Petitioner's application for a restraining order is denied; the order of certiorari is vacated, the petition dismissed, and the determination of the Board of Standards and Appeals affirmed." (N. Y. Law Journal, May 10, 1962, page 15)

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection with which court proceedings are pending or in progress, unless exception is granted by the chairman, nor accepted which is not filed within thirty days from the date of the action of the Administrative Official.

Any communication purporting to be an appeal or application shall be regarded as a mere notice of intention to seek relief until it is filed on the form required by the rules of this board.

Upon receipt of any such communication the writer will be supplied with the official forms for presenting his appeal or application.

At the time of filing an appeal or application, the appellant or applicant shall forward a signed notice of appeal addressed to the Administrative Official either Borough Superintendent of Buildings or Fire Commissioner and file with this board a duplicate of said notice.

Appellants and applicants are advised that their plans must indicate the points of the compass so as to establish the true location and position of the property, the subject of the appeal or application.

Appeals and applications will be simplified and their disposition expedited by conforming to these directions.

MAX H FOLEY, Chairman.

For Applicant: Robert T. Groh.
For Opposition: None.

ACTION OF BOARD—Term of variance extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, on March 31, 1942, this application was granted by the Board on certain conditions; and

WHEREAS, this application was reopened from time to time to extend the term of variance and last extended for a term of five years on March 5, 1957; and

WHEREAS, the applicant states that there have been no changes on the site; that within the affected area, all of the vacant land was developed with stores, apartment houses and dwellings; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation March 5, 1962 under Section 11-411 of the Amended Zoning Resolution; and

WHEREAS, this application was reopened on April 3, 1962 and set for hearing on May 8, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on May 8, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated February 16, 1962 acting on Alt. Applic. No. 2229-52, reads:

"1. The proposed extension of the term of variance for existing Bowling Alley, Billiard Parlor, stores and one family dwelling beyond March 5, 1962 is referred back to the Bd. of Sta. & Appeals, under Cal. 1081-41-BZ.

Note—Premises now located in C1-2 Dist."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on March 31, 1942, as amended through March 5, 1957, only as to the term of the variance, so that as amended it shall read:

"granted for a term of five (5) years from the date of this amended resolution, to permit. . . ; on condition that the illegal bowling pin sign or symbol on the roof shall be removed; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

169-52-BZ—Vol. II

APPLICANT—Abraham Farber for Silvio Castelli, owner.

SUBJECT—Application reopened January 30, 1962 as Vol-

MINUTES

ume II—decision of the Borough Superintendent, under Sections 7c and 21 of the Zoning Resolution, to permit in a business and residence use district, the erection of a one story extension to an existing motor vehicle repair shop into an adjoining lot, the proposed extension exceeds the permitted area coverage.

PREMISES AFFECTED—500-508 Coney Island Avenue and 25-37 Turner Place northwest corner, Block 5341, Lots 23, 24 and 25, Borough of Brooklyn.

APPEARANCES—

For Applicant: Abraham Farber and Silvio Castelli.

For Opposition: None.

ACTION OF BOARD—Application granted on condition.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on May 8, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated November 22, 1961 acting on Alt. Applic. No. 3559-61, reads:

"1. On a lot located partially in a business and partially in a residence use district the proposed extension of the existing motor vehicle repair shop and new curb cut (buildings 6 & 7) are contrary to Article II Section 3 and Sections 4(a) & 29 of the Zoning Resolution and previous Board of Standards and Appeals Res. #169-52-BZ.

2. On a lot located partially in a business and partially in a residence C district the proposed ground or area coverage is excessive and is contrary to Article IV Section 13b of the Zoning Resolution."

and

WHEREAS, the committee of the Board is familiar with this property and the area and do not consider another inspection necessary; and

WHEREAS the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision c of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7c and 21, to permit in a business and residence use district, the erection of a one story extension, to an existing motor vehicle repair shop, in an adjoining lot, the proposed extension to exceed the permitted area coverage, *on condition* that the work shall conform to drawings filed with this application dated December 4, 1961, 6 sheets; that all laws, rules and regulations applicable shall be complied with; and that permit shall be obtained, work completed and a Certificate of Occupancy obtained within the requirements of Section 22A of the Zoning Resolution.

1587-61-BZ

APPLICANT—Burke and Groh for Winfield Associates Incorporated, owner.

SUBJECT—Application October 13, 1961—decision of the Borough Superintendent, under Sections 7a and 21 of the Zoning Resolution, to permit in a business and residence use, C area district, the erection of a one story extension to an existing contractors' equipment and storage building located in the residence use portion of the premises, the proposed extension exceeds the permitted area coverage.

PREMISES AFFECTED—70-02 51st Road, southeast corner of 72nd Place, Block 2465, Lots 1, 2, 3, 4 and 5, Elmhurst, Borough of Queens.

APPEARANCES—

For Applicant: Robert T. Groh.

For Opposition: None.

ACTION OF BOARD—Application denied.

THE VOTE TO GRANT—

Affirmative: 0

Negative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on April 17, 1962 after due notice by publication in the Bulletin; laid over to May 8, 1962 for inspection and decision; hearing closed; and

WHEREAS, the decision of the Borough Superintendent, dated July 20, 1961 acting on Alt. Applic. No. 1215-61, reads:

"1. Proposed extension of already existing commercial building in a residence district is contrary to Art. 2, Sect. 3 of the Zoning Resolution.

2. Proposed extension of present use of already existing commercial buildings in a residence district is contrary to Art. 2, Sect. 3 of the Zoning Resolution.

3. Area coverage of proposed extension in residence portion of lot is excessive and contrary to Art 4, Sect. 13 of the Zoning Resolution."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board and the committee has recommended not granting the application; and

WHEREAS, the Board found that there was no justification for the exercise of discretion to grant a zoning variance under Section 7, Subdivision a of the Zoning Resolution; and

WHEREAS, the Board found that the applicant failed to substantiate a basis to warrant exercise of discretion to grant under Section 21 of the Zoning Resolution and was therefore not entitled to relief on the grounds of practical difficulty or unnecessary hardship.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. 1215-61, Objections No. 1, 2 and 3, dated July 20, 1961, be and it hereby is *affirmed* and that the application be and it hereby it *denied*.

1611-61-BZ

APPLICANT—A. H. Salkowitz for Irving Warfield Etals doing business as Flatlands Shoppers Mart Company, owner.

SUBJECT—Application October 25, 1961—decision of the Borough Superintendent, under Section 7c of the Zoning Resolution, to permit in a business and residence use district, in conjunction with the erection of a one story and cellar building, for use as market and retail stores, the extension of the accessory parking area into the residence portion of the premises.

PREMISES AFFECTED—913 to 947 East 108th Street, north side, 89.51 feet east of Flatlands Avenue, Block 8235, Lot 342, Borough of Brooklyn.

APPEARANCES—

For Applicant: A. H. Salkowitz.

Negative 0

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated November 2, 1961 on Alt. Applic. 1800-61, reads:

"A3—Contrary to Sect. 60, Sub. 1b of the Multiple Dwelling Law to have daily transient parking of motor vehicles in a garage lower level cellar and upper level cellar by persons other than the occupants of the building."

and

WHEREAS, the applicant states that the building is 201 feet 4 inches by 125 feet in area, 20 stories and penthouse, 178 feet high, of class 1 construction, located in residence use, B area and class 1½ height district, built in 1957, now used and occupied since 1960: lower cellar—accessory uses and 60 car garage, 10 persons; upper cellar—accessory uses and 55 car garage; 1st floor—lobby, doctors offices and accessory uses; 2nd to 20th floors and penthouse—apartments; penthouse—swimming pool; substantially in accordance with Certificate of Occupancy #54057 issued June 8, 1961 against N.B. Applic. 1-57; that the proposed use and occupancy will be the same, except the transient parking use; that an accompanying zoning application contains additional facts relating to the use of the premises; and

WHEREAS, the applicant states that making available parking spaces for transients will not increase the legal garage capacity, as said parking will be limited to the surplus car spaces not used by the tenants; that thus the traffic will be essentially the same as if the garage were fully used by the tenants; that said transient parking space may be recaptured at any time by any tenant on due notice to the landlord, pursuant to the specific provisions therefor in the Multiple Dwelling Law; that the legislative intent of the amendments of Section 60 of the Multiple Dwelling Law was designed to take advantage of the large amount of unused parking space in multiple dwellings to relieve to some extent the shortage of off-street parking facilities for transient motor vehicles; that the granting of these variances will do substantial justice and be in harmony with the general purpose and intent of the laws governing same; and

WHEREAS, the premises were inspected by a committee of the Board, which recommended that the appeal be granted under certain conditions.

Resolved, that the decision of the Borough Superintendent, acting on Alt. Applic. 1800-61, Objection No. A3, dated November 2, 1961, be and it hereby is *modified* under the powers vested in the Board by Section 310 of the Multiple Dwelling Law, and that the appeal be and it hereby is *granted, on condition* that all of the requirements in the resolution adopted by the Board this day under Cal. No. 1659-61-BZ shall be complied with, and that a supplementary Certificate of Occupancy shall be obtained.

1714-61-BZ

APPLICANT—Larry Meltzer for Estate of Victor Holsky, owner; Victor Auto Sales Corporation, lessee.

SUBJECT—Application November 16, 1961—decision of the Borough Superintendent, under Sections 7i, 7A and 21 of the Zoning Resolution, to permit in a business use, C area district, the erection of a one story extension to an existing auto showroom to be used as an accessory motor vehicle repair shop with hand tools only, the proposed extension exceeds the permitted area coverage and has business entrances within 75 feet of a residence use district.

PREMISES AFFECTED—4621-4623 4th Avenue, 401-411 47th Street, northeast corner, Block 756, Lot 1, Borough of Brooklyn.

420-39-SM

APPLICANT—Superior Fireproof Door and Sash Co., owner.

APPEARANCES—

For Applicant: Irving Oxman and Isidore G. Popik.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 420-39-SM—Amendment to resolution as to additional construction and uses of opening protective assembly.

Superior Fireproof Door and Sash Co., Inc., New York, requested that the resolution adopted July 5, 1939, under Calendar Number 420-39-SM be reopened and amended so as to include an additional method of door construction and uses of opening protective assembly.

USE: Three hour fire resistive opening protective assembly.

DESCRIPTION: The proposed doors are to be fabricated of two sheets of #20 ga. steel, each formed in a channel or pan shape. Each pan is reinforced with continuous vertical truss or hat shaped stiffeners formed of #22 ga. steel, spot welded on not more than 4" centers. A 1/32" thick asbestos sheet is applied to the face of each truss stiffener. These stiffeners are located not more than 9" apart and not more than 9" from the edge of the pan. A continuous #16 ga. steel backer strip is spot welded on about 6" centers to each edge of one pan. The two reinforced pans are assembled and the opposing truss shapes are welded together top and bottom and approximately 1' 6" down from the top of the door and 1' 6" up from the bottom of the door. The spaces inside are filled with rockwool insulation to minimize the transmission of heat. A #16 ga. channel is spot welded between the two door sections across the full width of the door at the top and bottom. Vent perforations are provided in these top and bottom channels to permit the escape of fumes and gases. The edges of the two pans are welded to each other and to the back-up strip along the full length of the door by a series of arc welds not less than 1/2" long and not more than 3" on center. Doors are suitably cut out and reinforced for hardware as required by the various sections of the Building Code.

When used as a slide panel, weld nuts or 1/2" thick CRS reinforcement bars, drilled and tapped as required to receive approved hangers, will be arc welded to the inside of the top channel.

For slide operation in elevator shafts the door panels are to be hung from hangers, furnished by others, supported from a #7 ga. steel header in turn supported on strut angles which are bolted to a non-slip surfaced metal sill with machined or finished slots to engage the door guide assemblies. Two guide assemblies will be fastened at the bottom of the shaft side of the door. These assemblies will include a steel safety member with two legs projecting downward engaging at least 1/4" into the sill slot, and a wearing member of nylon or phenolic impregnated canvas to provide a quiet contact surface with the sill. The doors will be further reinforced for the attachment of required operators, closers, interlocks, etc. by spot welding 3/16" thick steel plates on the inside of the doors. When closed the doors shall overlap the frame at least 3/4" at the jambs and head and when used in two speed assemblies the fast and slow door shall overlap each other at least 3/4". Clearances between doors and frames shall be 1/4". The entrance framing, consisting of a pressed metal frame of not less than #16 ga. steel formed to the desired profile, is also bolted to the sill and fastened to the header to maintain the proper alignment.

When used as fixed panels, the doors shall be fastened to the frame and/or sill, along at least two opposite edges by bolts or screws, not more than 12" on centers.

When used as a swing panel, butt reinforcements will be at least #7 ga. steel, spot welded to the door with at least 3 spot welds. Length of reinforcements shall be at least 4" longer than the butt. Lock face reinforcements will be at least #12 ga. steel spot welded at least twice on each reinforcement. Flat plates of at least #16 ga. steel with clips

MINUTES

welded thereto for positioning the lock case will be spot welded to the face of the pans at the lock. When cylindrical locks such as manufactured by Schlage are used, the reinforcing case furnished by the lock manufacturer will be installed.

INSPECTION AND TEST: A door constructed as herein described for swing operation was tested at Protexol and successfully met the requirements as set forth for a three hour fire resistive opening protective assembly.

The complete report is on file with and is part of the record.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted July 5, 1939, under Calendar Number 420-39-SM be reopened and amended so as to include the additional 3 hr. opening protection assembly and uses as herein described when constructed as described and in accordance with Drawings 1 and 2 dated January 1962, which are on file with and are part of the record, for use in New York City under the provisions of C26-610.0, C26-660.0, C26-661.0, C26-662.0, C26-663.0, C26-664.0, C26-665.0, C26-853.0 and C26-897.0 Administrative Building Code on condition that all other requirements of the resolution adopted July 5, 1939, under Calendar Number 420-39-SM are complied with.

(Sgd.) WILLIAM A. NOLAN.

Director,

JOHN A. DARTS,

Asst. Engr.,

GEORGE F. SKLENARIK,

Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *amend* the above cited resolution in accordance with the above report.

800-39-SM

APPLICANT—The United States Gypsum Company, owner.

APPEARANCES—

For Applicant: William W. Bainbridge.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein

Negative: 5

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 800-39-SM—Amendment to resolution as to additional plaster product.

The United States Gypsum Company requested by letter that the resolution adopted March 23, 1943, and amended at various times through October 20, 1959, under Calendar Number 800-39-SM on gypsum plaster be opened and amended to include approval of additional products.

USE: The new high strength gypsum bonding and finishing plaster "Tufcon" is an extremely hard plaster for application over Tufcon gypsum board plaster base, USG Sheetrock and Baxbord, Asbestos Cement Board, plywood, concrete surfaces, cinder block and other surfaces of proper absorptive properties.

DESCRIPTION: USG "Tufcon" plaster is composed of high strength gypsum plaster mill mixed with finely screened pure silica sand. The gypsum complies with ASTM Designation C-22 as required by Section C-26-603.0 of the Administrative Code. It is mixed only with water and usually applied by spraying with air pressure to the surface. The sprayed material is smoothed out by trowel before it sets. A second texture coat can be applied shortly if a sand float finish is desired. A setting time of 15 minutes to 6 hours can be controlled by the admixture at the nozzle of Tufcon Catalyst in proper quantity.

"Tufcon" Plaster Base is gypsum board similar to Sheetrock or Firecode Sheetrock both previously approved under

Calendar Number 486-39-SM, except that a special porous grey face paper is substituted for the calendared manila face paper of the Sheetrock gypsum wallboard. The long edges of the Tufcon Plaster Base are recessed to receive Tufcon Tape which seals the joint and provides a smooth or sanded monolithic surface when Tufcon Plaster is applied. Tufcon Plaster Base is furnished in $\frac{3}{8}$ ", $\frac{1}{2}$ ", $\frac{5}{8}$ " Plain, Plain with foil back, Type X or Firecode Underwriter's Labelled, and Type X or Firecode Underwriter's Labelled with aluminum foil back.

Tufcon Joint Tape is a specially woven glass fiber tape $2\frac{1}{2}$ " wide to cover and hide the joint between two adjacent sheets of Tufcon Plaster Base.

Tufcon Metal Corner Bead, plaster stops, edge trim, base screeds and other accessories are designated to work with Tufcon plaster and are adaptations of similar materials previously approved under Calendar Number 486-39-SM.

Tufcon Plaster may be used to finish concrete slab ceilings in lieu of USG Covercoat previously approved under this Calendar Number or in lieu of polyvinyl acetate binder and gauged lime putty finish now used.

Tufcon Plaster may also be applied by trowel for small patch work. The first coat of Tufcon plaster must always be leveled by a trowel and finished troweled to remove the ridges.

Application shall follow the printed instructions of the manufacturer.

INSPECTION AND TEST: The applicant submitted copies of tests of the Plastering Development Center, Inc., showing that the bond of Tufcon plaster to Tufcon Plaster Base exceeded 1725 lbs. per square foot, and to painted gypsum wallboard exceeded 1885 lbs. per square foot. In both cases the failure was within the board and the plaster did not separate from the board. Test reports by the same authority showed that a panel loaded so as to deflect $\frac{1}{350}$ of the span in the center did not cause the Tufcon to separate from the board or break the bond.

Test reports by Armour Research Foundation of a panel racking test consisting of three 8'-0" x 8'-0" panels of 2" x 4" wood studs with plate and sill surfaced with Tufcon Plaster Base and Tufcon Plaster withstood a racking load of 9000 lbs. without failure.

The applicant submitted copies of a letter from the Underwriter's Laboratories in which they state that Tufcon plaster bases Type x (fire rated gypsum boards) such as Firecode 45 and 60 as presently approved by the Board would be listed the same as Firecode Sheetrock Gypsum Wallboards in the Building Material list of the Underwriter's Laboratory for the same fire resistive ratings as the comparable wallboard.

Tufcon plaster does not add or detract from the fire resistive rating of the gypsum board base.

The Committee on Test subjected Tufcon plaster samples obtained in the field to blow torch tests. The material is incombustible and protected the gypsum plaster base from discoloring.

RECOMMENDATION: On the basis of the data submitted by the applicant, copies of reports of tests conducted, and the Underwriter's Laboratories acceptance of the fire resistance ratings of the gypsum board bases and the examination and tests by the Committee on Test. The Committee on Test recommends the approval of the material known as Tufcon Bonding and Finishing plaster under the provisions of Section C26-463 of the Administrative Code as an incombustible bonding and finishing plaster over Tufcon Plaster Base, gypsum wallboard, masonry base and other bases when applied in accordance with the instructions of the manufacturer, providing that the fire resistive rating of the assembly is in accordance with the ratings previously approved for the same type of gypsum board base under Calendar Number 171-52-SM and Calendar Number 320-49-SM i.e., 1 layer of $\frac{1}{2}$ " thick Tufcon Plaster Base Type X or USG $\frac{1}{2}$ " thick Firecode Sheetrock Gypsum Wallboard (both Type X Gypsum Boards) on each side of wood studs or steel studs is a $\frac{3}{4}$ hour fire resistive partition and one layer of $\frac{5}{8}$ " thick Tufcon Plaster Base Type X or USG

MINUTES

5/8" thick Firecode Sheetrock Gypsum Wallboard (both Type X Gypsum Boards) on each side of wood studs or steel studs is a one hour fire resistive partition or 2 layers of 5/8" thick Tufcon Plaster Base or USG 5/8" thick Firecode Sheetrock Gypsum Wallboard (both Type X Gypsum Boards) on each side of wood studs or steel studs is a 2 hour fire resistive partition, and that one layer of 1/2" thick Tufcon Plaster Base Type X or USG 1/2" thick Firecode Sheetrock Gypsum Wallboard (both Type X Gypsum Boards) on wood joists with a rough and finish floor above is a 3/4 hour fire resistive ceiling and using 1 layer of 5/8" thick Tufcon Plaster Base Type X or 5/8" thick Firecode Sheetrock Gypsum Wallboard (both Type X Gypsum Boards) on wood joists with a rough and finish floor above is a 1 hour fire resistive ceiling, providing that no additional fire resistive rating shall be added for the voluntary use of Tufcon Plaster and further providing that where a fire resistive rating is required, the Tufcon Plaster Base or Firecode Sheetrock Gypsum Wallboard shall carry the Underwriter's Laboratory label of approval and re-examination service.

The Committee on Test further recommends approval of Tufcon tape for joints and Tufcon metal corner bead and metal accessories as an integral part of the Tufcon plaster system.

The Committee on Test further recommends that all Tufcon Plaster Bags, Tufcon Catalyst Bags and Tufcon Plaster Base Boards shall be stamped or labeled "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 800-39-SM", and providing all the previous conditions under this Calendar Number are complied with.

407-48-SM

APPLICANT—Severud-Elstad-Krueger Associates for Lehigh Materials Company, owner.

APPEARANCES—
For Applicant: Harry F. Irwin.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 407-48-SM—Amendment to resolution as to use of Lelite of greater strength.

Severud-Elstad-Krueger Associates for Lehigh Materials Co., requested that the resolution adopted December 21, 1948, and amended through May 29, 1951, under Calendar Number 407-48-SM be reopened and amended so as to permit the use of Lelite in controlled concrete of greater strength.

USE: Light weight aggregate for structural concrete.
DESCRIPTION: The material is the same as that approved by the Board for use as a light weight aggregate for structural concrete.

INSPECTION AND TEST: The original tests as conducted by Pittsburgh Testing Laboratories were carried to strengths exceeding 4000 p.s.i. concrete and the "n" value,

which is the relationship of $\frac{E_s}{E_c}$, shows a value of 12 for both the air-entrained and non-air entrained concrete.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted December 21, 1948, and amended through May 29, 1951 under Calendar Number 407-48-SM be reopened and amended so as to amend Paragraph 5 of the recommendation adopted under the above resolution by adding there to:
DESIGN MIX

Design Mix	"N" Non-Air Entrained Concrete	"N" Air Entrained Concrete
4000 p.s.i.	12	12

on condition that all other requirements of the resolution adopted December 21, 1948, and amended through May 29, 1951, under Calendar Number 407-48-SM are complied with.

94-52-SM

APPLICANT—Keystone Steel and Wire Co., owner.

APPEARANCES—

For Applicant: William D. Gailey, Jr.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 94-52-SM—Keystone Steel and Wire Co., Peoria, Illinois, filed for approval of the material known as Keymesh under the provisions of C26-191.0 Administrative Building Code. The application was subject for dismissal September 26, 1961, but was removed from the dismissal list at the request of the applicant.

USE: Reinforcement for stucco application.

DESCRIPTION: The material Keymesh is made of 17 or 18 gauge cold drawn steel wire woven in a reverse twist into an open mesh design. The design is hexagonal and the mesh using the 17 gauge wire has a 1 1/2" opening and the 18 gauge mesh has 1" openings.

The material is galvanized to insure rust resistance.

INSPECTION AND TEST: Samples of the material were inspected by Assistant Engineer J. A. Darts, and the gauge of the material and the size of the openings was noted.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Keymesh for voluntary use in New York City under the provisions of C26-191.0 Administrative Building Code as a reinforcement for cement stucco application on condition that each bundle of the fabric shall be tagged "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 94-52-SM".

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

335-53-SA—Janitrol Division, Midland-Ross Corp., Columbus, Ohio, requested that the resolution adopted November 23, 1954, under Calendar Number 335-53-SA be reopened and amended so as to include their Series 71 and 72 Duct Furnaces.

USE: Gas fired furnaces to be connected to duct work.

DESCRIPTION: The Series 71 and 72 furnaces are similar to the Series 94 furnaces previously approved under Calendar Number 335-53-SA and are equipped with the same type of controls including a safety pilot.

Their input rating ranges from 100,000 BTU per hour minimum to 300,000 BTU per hour maximum. The furnaces have been approved by A.G.A.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted November 23, 1954, under Calendar Number 335-53-SA be reopened and amended so as to include the Janitrol Series 71 and 72 Duct Furnaces on condition that the requirements of the resolution adopted November 23, 1954, under Calendar Number 335-53-SA be complied with.

580-53-SM

APPLICANT—Superior Fireproof Door & Sash Co., owner.

APPEARANCES—

For Applicant: Irving Oxman and Isidore G. Popik.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

580-53-SM—Amendment to resolution as to additional use of approved door.

Superior Fireproof Door & Sash Co., New York, requested that the resolution adopted July 20, 1954, and amended

through September 17, 1958, under Calendar Number 580-53-SM be reopened and amended so as to permit the approved door to be used in additional locations.

USE: One and one-half hour fire resistive opening protective assembly.

DESCRIPTION: The door, presently approved under Calendar Number 580-53-SM, is used as a swing door and the request is to use the same door as a slide assembly.

The construction is basically the same except that the reinforcement of each door will be changed so as to receive the hardware such as slide hangers, hinges, interlocks etc., but in no case will there be a greater cutting away of metal than on the presently approved door.

When used as a slide door, weld nuts or reinforcement bars not less than $\frac{3}{8}$ " thick are welded to the inside of the channel which is spot welded across the width of the door at the top. Two guide assemblies are also fastened to the bottom of the shaft side of the door. These assemblies also include a steel member with two legs projecting downward engaging at least $\frac{1}{4}$ " into a steel slot. There is also a wearing member of nylon, slightly thicker than the steel legs to produce a quiet contact surface with the sill groove.

The vertical edges of the door, when used as a slide door, are not cut for hardware, but are reinforced with a continuous 16 gauge edging strip spot welded inside the door.

When used as a slide door the meeting edge of the bi-parting doors are equipped with an interlocking astragal for use as a fire stop.

The construction is in accordance with the drawings marked 1 of 2 and 2 of 2 received December 21, 1961.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted June 20, 1954, and amended through September 17, 1958, under Calendar Number 580-53-SM be reopened and amended so as to permit the presently approved door to be used in a slide assembly as permitted under C26-853.0 and C26-897.0 Administrative Building Code and further that all other requirements of the resolution adopted June 20, 1954 and amended through September 17, 1958 under Calendar Number 580-53-SM are complied with.

143-54-SM

APPLICANT—United States Plywood Corp., owner.
APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 143-54-SM—Amendment to resolution as to construction of 1 Hour fire resistive opening protective assembly.

United States Plywood Corp., requested that the resolution adopted June 2, 1954, and amended through July 18, 1961, under Calendar Number 143-54-SM be reopened and amended so as to permit the use of two lock block on the 1 hour fire resistive opening protective assembly.

USE: The door is rated as a one hour fire resistive opening protective assembly.

DESCRIPTION: The requested change in construction of the 1 hour door is the use of two 4" x 26" wood lock blocks similar to the lock blocks permitted under the approval granted to the United States Plywood Corp., for their door approved under Calendar Number 620-47-SM.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted June 2, 1954, and amended July 18, 1961 under Calendar Number 143-54-SM be reopened and amended so as to permit the use of two 4" x 26" wood lock blocks, treated to refusal with U. L. listed Class A Fire Retardant, on condition that the requirements of the resolution adopted June 2, 1954 and amended through July 18, 1961 under Calendar Number 143-54-SM are complied with.

Resolved, that the Board of Standards and Appeals does hereby *amend* the above cited resolution in accordance with the above report.

517-55-SA

APPLICANT—Spider Staging Sales Company, owner.
APPEARANCES—

For Applicant: W. H. Heidtmann.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 517-55-SA—Amendment to resolution as to additional length of cable to be used with spider staging.

Spider Staging Sales Company, requested that the resolution adopted July 21, 1959, under Calendar Number 517-55-SA be reopened and amended so as to include additional length of cable and platform.

USE: Mechanical stirrup for swinging scaffolds.

DESCRIPTION: The scaffold is known as an aluminum truss type scaffold, known as SA-1015 and SA-1016. The SA-1015 are the end sections and the SA-1016 is the center section. The balance of the equipment is the same as that approved July 21, 1959, under Calendar Number 517-55-SA.

The center section weighs 50 lbs. and the end section weighs 85 lbs.

INSPECTION AND TEST: The applicant has submitted the results of tests as conducted by Northwest Laboratories that showed that the scaffold deck could safely sustain a load in excess of 2400 lbs. The report is on file with and is part of the record.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted July 21, 1959, under Calendar Number 517-55-SA be reopened and amended so as to permit the platforms designated as SA-1015 and SA-1016 to be used in combination up to a length of 25 feet and SA-1075 and SA-1076 up to a length of 32 feet, that the maximum working load, including the weight of men and all material and all apparatus on the scaffold shall not exceed 600 lbs., that the model 18 may be used with a maximum cable length of 450 ft. of $\frac{5}{16}$ " wire rope having a breaking strength of 8520 lbs., that the Model 17 may be used with a maximum cable length of 750 ft. of $\frac{5}{16}$ " wire rope having a breaking strength of 8520 lbs., and that all other requirements of the resolution adopted July 21, 1959, under Calendar Number 517-55-SA be complied with.

ACTION OF BOARD—Application reopened and resolution amended in accordance with the report and recommendation of the Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Commissioner Fox,
Commissioner Becker and Commissioner Klein 4
Negative: Vice Chairman Kleinert 1

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 256-57-SM—Amendment to resolution as to additional size plank.

Concrete Plank Co., Inc., North Arlington, New Jersey, requested that the resolution adopted November 13, 1957, and amended through July 18, 1961, under Calendar Number 256-57-SM be reopened and amended so as to include an additional size plank.

USE: Incombustible roof plank.

DESCRIPTION: The plank is made of the same material as the presently approved plank. The size of the plank is 6'-

MINUTES

8½" long x 2'-8" wide x 0'-3" deep and has a rectangular section 1¼" x 2½" of cement grout reinforced with 2-7/16" bars, both top and bottom of the rectangular section, in the center and running the length of the plank.

INSPECTION AND TEST: The applicant has submitted reports of tests conducted by the Jersey Testing Laboratories, Inc., in accordance with the requirements of C26-626.0 Administrative Building Code. The plank was tested on a clear span of 6'-4½" and showed a safe carrying load of 86 p.s.f. The report is on file with and is part of the record.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted November 13, 1957 and amended through July 18, 1961 under Calendar Number 256-57-SM be reopened and amended so as to include the additional Composite Porex Slab 3" deep as herein described, on condition that the clear span shall not exceed 6'-4½" with a live load of 86 p.s.f. on further condition that the requirements of the resolution adopted November 13, 1957 and amended through July 18, 1961 under Calendar Number 256-57-SM be complied with.

THE RESOLUTION—
WHEREAS, the report of a Committee on Test reads:
648-57-SA—Amendment to resolution as to additional models of gasoline dispensing pumps.

The Wayne Pump Co., Salisbury, Maryland, requested that the resolution adopted May 20, 1958, under Calendar Number 648-57-SA be reopened and amended so as to include additional models of gasoline pumps.

USE: Gasoline dispensing pumps.

DESCRIPTION: the requested model 511-DF is basically the same as the model 511-D except that this model has Fluorescent Lighting instead of Incandescent Lighting and there has also been a change in the indicating unit. The Model 511-DF-1 is the same as Model 511-DF except that this is a remote dispenser. The Model 511-DF-5 is the same as Model 511-DF except that there is no visi-gauge. The Model 511-DF-6 is the same as the Model 511-DF-1 except that there is no visi-gauge. The Model 511-D-1 is the same as the Model 511-D except that Model 511-D-1 is a remote dispenser. All requested models have been approved by the Underwriter's Laboratories.

RECOMMENDATION: The Committee on Test recommends that the resolution adopted May 20, 1958, under Calendar Number 648-57-SA be reopened and amended so as to include the additional models; Model 511-DF, 511-DF-1, 511-DF-5, 511-DF-6 and 511-D-1, gasoline dispensing pumps on condition that the requirements of the resolution adopted

May 20, 1958, under Calendar Number 648-57-SA be complied with.

274-60-SA

APPLICANT—Republic Appliance Div., Republic-Transcon Industries, Inc. owner; Bertram W. Gleichman & Associates, agent.

APPEARANCES—

For Applicant: None.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

274-60-SA—Republic Appliance Div., Republic-Transcon Industries, Inc., owner, filed for approval of the appliance known as Republic Water Heater; also to be marketed for the Chevron Water Heater Corp., under the trade name of Chevron and Red-E-Hot, gas fire water heater, various models for use in New York City under the provisions of Article 12, Administrative Building Code.

USE: Residential automatic gas storage water heater.

DESCRIPTION: The various model water heaters of the "R" Series are the two types, the tall and stubby which consists of a vertical, cylindrical, metal porcelain lined tank surrounded by thermal insulation and enclosed in a baked enamel paint finished sheet metal casing. The heater is equipped with a cast iron burner and the supply of gas is controlled by a graduating type liquid immersion thermostat utilizing a conventional rod and tube sensing element. The thermostat incorporates a 100% automatic pilot which insures complete shut off of pilot and burner in the event of gas pilot outage.

The cold-water inlet and hot-water outlet are both located at the top of the heater. The outlet and inlet are properly identified on the surface of the jacket. The heater is equipped with a drop-tube type cold water inlet. Connections are for 3/4" pipe.

The heater is equipped with a readily available drain valve designed and located for garden hose attachment.

The heater is designed for off-center flue operation for the relief of flue gases utilizing a spiral baffle for washing action and increased efficiency. The flueway has a diameter of 3 inches. Heater is also equipped with AGA approved draft diverter. At base of heater are 3 steel legs.

The heater model numbers, capacity and BTU rating are as follows:

75-4 (Imperial)	54.2	65,000	55,000	————
100 gals.				
100-4 (Imperial)	58.8	70,000	55,000	————

All models in this report are recommended for approval with suffix "H" indicating satisfactory for operation at outlet water temperature of 180°F.

The water heaters are to be connected to a flue or chimney in accordance with Article 12, Administrative Building Code. INSPECTION AND TEST: All data was examined by Assistant Architect T. W. Farricker. These water heaters have been tested and approved by the American Gas Association.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Republic Water Heater, also to be marketed for the Chevron Water Heater Corp., under the trade name of Chevron and Red-E-Hot, gas-fired water heater, various models for use in New York City under the provisions of Article 12, Administrative Building Code, provided that each water heater shall bear a label, permanently affixed, reading, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 274-60-SA", further, that the water heaters comply with the Department of Health requirements.

THE VOTE TO REOPEN AND APPROVE—

Affirmative: 0

Negative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

MINUTES

411-61-SM

APPLICANT—Filon Plastics Corporation, owner.

APPEARANCES—

For Applicant: Arthur M. Barr, Jr., J. Jess Colby and Harold A. Hartman.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Commissioner Fox, Commissioner Becker and Commissioner Klein 4
Negative: Vice Chairman Kleinert 1

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
411-61-SM—Filon Plastics Corporation, White Plains, New York, filed an application for approval of the material known as Filon Panels under the provisions of C26-191.0 Administrative Building Code.

USE: Material to be used in locations where glass is allowed such as skylights, patio roofs, awnings, partitions, etc.

DESCRIPTION: The panels are fiberglass and nylon reinforced translucent polyester panels, corrugated and flat, containing approximately 28% of reinforcing fibers.

Types 260, 265, 900 and 905 are manufactured to comply with Commercial Standards CS 214-57.

Types 185, 265, 905 and 325 are manufactured with a surface (both sides) of a light stable acrylic-modified resin that is chemically bonded to the basic polyester resin and fiberglass core prior to the final curing.

Types 600, 605, 905, and 900 are classified as self extinguishing. All other types are slow burning.

INSPECTION AND TEST: The material has been tested by various laboratories among them being, Underwriters Laboratories, Garan Laboratories, Truesdail Laboratories and Southwest Research Institute. The reports are on file with and are part of the record. The tests show the materials described above to be either slow burning or self extinguishing.

RECOMMENDATION: The Committee on Test is of the opinion that, as the material cannot be rated as incombustible under the requirements of C26-88.0 Administrative Building Code, but may be described as self extinguishing, the approval of the material Filon Panels recommended be limited in scope to the following uses:

Subdividing partitions, partitions in Class I Building 150'-0" or less in height as provided under C26-667.5 Administrative Building Code.

Patio roofs, outside the fire limits are being considered as a miscellaneous and temporary structure as set forth under C26-543.0 Administrative Building Code. As a plastic light diffuser under the provisions of C26-461.1 Administrative Building Code on condition that the plastic be suspended in an approved suspension system, that the plastic so used shall be the self extinguishing type and so labeled, and that when used as a light diffusing system in sprinklered locations, sprinklers shall be below the plastic light diffusing ceiling; as awnings, except in locations prohibited under C26-219.0 Administrative Building Code. The Committee further recommends the material Filon may be used for the glazing of windows in schools as defined under C26-132.0 and C26-133.0 Administrative Building Code on condition that this material shall not be used in locations that require a fire resistive opening protective assembly, that the school buildings in which the material is used shall not exceed 75'-0" in height and that the glazing compounds used shall only be those as specified by the manufacturer of Filon and further that all containers or cartons in which the material is marketed shall be labeled or stamped "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 411-61-SM" and that the Filon that is

self extinguishing shall be labeled so as to distinguish it from the Filon that is slow burning.

Resolved, that the Board of Standards and Appeals does hereby approve this material in accordance with the above report.

444-61-SM

APPLICANT—The Peelle Company, owner; A. W. Croker, agent.

APPEARANCES—

For Applicant: Paul R. Doeg.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
444-61-SM—The Peelle Co., Brooklyn, New York, filed for approval of the material known as the Peelle Steel Plate Bi-Parting Counter-balanced Door under the provisions of C26-610.0 Administrative Building Code.

USE: Opening protective assembly, non insulated—1½ hour.

DESCRIPTION: The door consists of two panels, each panel covering half the opening and upon opening, one panel slides upward and the other downward. In the open position, the top of the lower panel forms a sill thereby bridging the gap between the car and the floor sill.

The panels are constructed of steel plate applied to one side of an angle frame and supported with vertical stiffeners 2'-0" on centers. The lower edge of the upper panel is constructed with an asbestos reinforced tube astragal. As an alternate an angle astragal can be furnished. The two halves are connected by chains which pass over sheaves and the sheaves are mounted on guide rails which guide the movement of each panel. On the upper panel the chain is fastened to a hook shaped latching mechanism. The tension in the chain provides the spring loading effect for the latching hook. In the closed position the side latching engages a cam follower roller on the lower panel; the result of this is to provide a closing force, holding the two halves of the door together in a closed position. The actual locking of the door is performed by the interlock hardware associated with the door.

When a normal spandrel height is provided above the opening, a door is provided with both panels riding on a common rail. When the spandrel height is less than the normal requirement, the upper panel is stepped out, riding on a separate guide rail, permitting the upper panel to pass the lower panel of the door above when opening. In this case a hinged lintel is provided across the top of the upper panel to close the space between the door and the wall when the door is closed.

INSPECTION AND TEST: The door has been approved by Underwriters Laboratories. The complete report Underwriters Laboratories File R 180 Vols. I, II and III with revision up to March 1, 1962, is on file with and is part of the record.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Peelle Steel Plate Bi-Parting Counterbalanced 1½ Hour Test Door as manufactured by the Peelle Co., when constructed as herein described and in accordance with the Underwriters Laboratory report R 180 Vols. I, II and III with revision up to March 1, 1962, for use in New York City under the provisions of C26-663.0.b Administrative Building Code on condition that the door shall not be installed in required exit corridors and that the requirements of the Board's Rules

MINUTES

for the Inspection of Opening Protective Assemblies is complied with.

573-61-SM

APPLICANT—Robert H. Neisel, Agent for Johns-Manville Sales Corp., owner.

APPEARANCES—

For Applicant: Robert H. Neisel.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test read:

573-61-SM—R. H. Neisel for Johns-Manville Corporation, Manville, New Jersey, filed for approval of the material known as "Marinite," Models 23, 36 and 65, under the provisions of C26-88.0 and C26-191.0 Administrative Building Code.

USE: Incombustible asbestos sheets.

DESCRIPTION: The material is composed of asbestos fiber, diatomaceous silica and an inorganic binder. The figures 23, 36 and 65 refer to the density and indicates 23, 36 and 65 lbs. per cubic foot density. The sheets range in sizes up to 4'-0" x 10'-0" and in thickness from $\frac{3}{8}$ " to 2".

INSPECTION & TEST: The material has been approved by the Underwriters' Laboratories and the results of tests showed no flame spread and therefore the material meets the requirements of C26-88.0 Administrative Building Code.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as "Marinite," Models 23, 36 and 65, (asbestos board), for voluntary use in New York City as an incombustible board, on condition that each carton or wrapper in which the material is marketed shall be labeled or stamped "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 573-61-SM." The Committee further recommends that this material shall not be used for structural slabs or as an hourly rated fire resistive partition.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

829-61-SM

APPLICANT—Weiss and Klau for Standard Coated Products Incorporated, owner, Weiss and Klau, agent.

APPEARANCES—

For Applicant: Ernest E. Pollien, Jr.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 829-61-SM—Weiss & Klau for Standard Coated Products, Inc., Buchanan, N. Y., filed for approval of the materials known as Heavy Duty Wallclad, Standard Weight Wallclad and Sanitas (vinyl wall coverings) under the provisions of C26-667.0.7.b Administrative Building Code.

USE: These materials are to be used as veneering materials when placed upon an incombustible backing.

DESCRIPTION: Wallclad and Sanitas wall coverings are made of a woven fabric with a vinyl film bonded to one face of the fabric.

The Heavy Duty Wallclad is made in 24 or 48 inch width in a total thickness of .024 inch. The total weight is 17.5 oz. per sq. yard.

The Standard Weight Wallclad is made in 24 inch width in a total thickness of .012 inch. The total weight is 8.5 oz. per sq. yard.

The Sanitas is made in 24 inch width in a total thickness of .011 inch. The total weight is 7.8 oz. per sq. yard.

INSPECTION AND TEST: The materials were examined and tested at the Board by Assistant Engineer G. K. Sklenarik. The materials are less than 1/20 inch in thickness. The materials will burn in themselves when not applied to an incombustible backing.

RECOMMENDATION: The Committee on Test recommends the approval of the materials known as Heavy Duty Wallclad, Standard Weight Wallclad and Sanitas (vinyl wall coverings) for use as veneering materials under the provisions of C26-667.0.7.b on condition that each container or wrapper in which these materials are marketed shall be stamped or labeled, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 829-61-SM."

The committee further recommends that these materials shall not be used in public halls of multiple dwellings as prohibited under Sections 101, 142, 146, 148 and 149 of the Multiple Dwelling Law.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,

Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

964-61-SM

APPLICANT—The B. F. Goodrich Company Molded and Coated Products, owner.

APPEARANCES—

For Applicant: Donald May.

ACTION OF BOARD—Material approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

964-61-SM—The B. F. Goodrich Company, Molded and Coated Products, Watertown, Mass., filed for approval of the material known as Goodlite 40 Light Diffuser under the provisions of C26-461.1 Administrative Building Code.

USE: A plastic light diffuser.

DESCRIPTION: Goodlite 40 is a transparent, unplasticized light stabilized rigid vinyl material. It is designed for use as a light diffusing material in fluorescent lighting fixtures and modular panels for use in luminous ceilings in a suspension system that has been approved by this board.

The material is supplied in flat sheets of various lengths and widths and approximately .03 to .04 inch thick.

Two basic patterns are available, striated and diamond

MINUTES

pattern. The light diffusing properties are accomplished by the semi-prismatic embossed surface on one side of the sheet.

INSPECTION AND TEST: The plastic material was tested in accordance with the requirements of Section C26-461.1 Administrative Building Code and found to be self-extinguishing.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Goodlite 40 Light Diffuser for use in light diffusing ceilings in locations as permitted under Section C26-461.1 Administrative Building Code on condition that the plastic diffuser shall be installed in conjunction with an approved suspension system. It is further recommended that the use of this material in Class I and II construction as defined under Sections C26-239.0 and C26-240.0 Administrative Building Code be limited to an area to be covered not to exceed 10,000 sq. feet in area and only when such space is separated from the remainder of the floor area by an approved wall, fire wall, fire partition or fireproof partition. In Class III construction the limitation shall be in accordance with the requirements of the Administrative Building Code.

When the plastic light diffuser ceiling is to be used in locations as permitted under Section C26-1351.1 then the installation of the plastic light diffuser ceiling shall comply with the requirements of Section C26-1354.0.b Administrative Building Code and plans filed with the Department of Buildings will also show the proposed occupancy to indicate compliance with Section C26-1351.1 Administrative Building Code. The Committee further recommends that in approving the installation, the Department of Buildings shall require that in the event of a change of occupancy the installation shall be re-examined under Section C26-1354.0.b Administrative Building Code and further that all plans submitted to the Department of Buildings shall show the Calendar Number under which the ceiling suspension system was approved and in addition for Goodlite 40, Light Diffuser shall be marked "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 964-61-SM," and all cartons in which Goodlite 40 is marketed shall be similarly marked.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

1151-61-SA

APPLICANT—W. M. Cissell Manufacturing Company, Incorporated, owner; C. Toland Atkinson, agent.

APPEARANCES—

For Applicant: Toland Atkinson.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

1151-61-SA—W. M. Cissell Manufacturing Co., Inc., Louisville, Kentucky, filed for approval of the appliance known as Cissell 28" x 30" Steam Heated "Compact" Drying Tumbler, Model L-2830 under the provisions of C26-191.0 Administrative Building Code.

USE: A laundry type steam heated clothes dryer.

DESCRIPTION: This appliance uses steam at a pressure up to 125 pounds maximum supplied from a separate boiler.

The drying cylinder is 28" x 30" and has a maximum dry weight capacity of 25 pounds, and will dry 25 pounds of damp clothing in approximately 25 minutes.

The steam heating unit is provided with an 8 stage heat control having cold and hot air inlets so that the temperature of the air admitted through the air inlet to the drying cylinder can be regulated manually from cold to hot in 8 stages. A convenient selection knob may be moved from hot to cold or set in any intermediate stage, and dampers at the hot and cold inlets of the heat control are rotated to provide varying mixtures of hot and cold air to establish the desired temperature. The warm air that circulates through the clothes while the cylinder revolves is finally exhausted to the outer air.

Other controls include a main switch to start and stop the cylinder and exhaust fan motors, a door interlock switch to shut off the cylinder motor while the door is open and a bell timer which rings a bell at the end of a preset time.

A built in lint trap is located in the bottom of the cabinet between the air outlet from the cylinder and the inlet to the exhaust fan.

INSPECTION AND TEST: All data was examined by Assistant Engineer G. F. Sklenarik.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Cissell 28" x 30" Steam Heated "Compact" Drying Tumbler, Model L-2830 for voluntary use in New York City under the provisions of C26-191.0 Administrative Building Code on condition that each appliance shall bear a label, permanently affixed, reading, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1151-61-SA."

Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this appliance in accordance with the above report.

1254-61-SA

APPLICANT—The C. A. Olsen Manufacturing Company, Owner; E. J. Marre, agent.

APPEARANCES—

For Applicant: John O. Tailor.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:

1254-61-SA—The C. A. Olsen Mfg. Co., Elyria, Ohio, filed for approval of the appliance known as Luxaire Unit Heaters (Gas Fired) Models XX-60, XX-60-D, XX-90, XX-90-D, XX-120, XX-120-D, XX-180, XX-180-D, XX-240, and XX-240-D under the provisions of Article 12, Administrative Building Code. These heaters will also be marketed by the Henry Furnace Co., of Medina, Ohio, under the trade name Moncrief.

USE: Gas fired space heaters.

DESCRIPTION: The Luxaire Unit Heaters are suspended type heaters consisting of steel ribbon port atmospheric burners placed to fire upward into a heavy gauge welded steel heat exchanger to which is connected at the top of a draft diverter and flue outlet for conducting combustion products to outdoors. A baked enamel cabinet encloses the burner and heater assembly. It has openings at the front and back to allow for forced air circulation across the heat exchanger.

The gas supply manifold for the burners is provided with a manual shut off valve, pressure regulator, pilot safety shut off and automatic gas valve. Other controls include a heat limit control to limit maximum temperature in the heat ex-

MINUTES

changer and to shut off the automatic gas valve in case of fan motor failure, and a fan control switch to automatically start the fan when temperature in heat exchanger has risen to the desired level. It also continues the operation of the fan after gas shut off until the remaining heat in the exchanger is exhausted.

Controls are available for 115 volt operation or for 24 volt operation.

The fan used is either a propeller type or a direct or belt driven blower type, the latter is indicated by the suffix "D" in the model designation.

The front of each heater has adjustable louvers to direct the flow of heated air.

The numeral in the model designation indicates in thousands the BTU input per hour.

The Model XX-180 is made up of two XX-90 models installed in a common cabinet and with a common gas manifold. The Model XX-240 is similarly made up of two XX-120 models.

INSPECTION AND TEST: All data was examined by Assistant Engineer G. F. Sklenarik.

These Luxaire Unit Heaters have been tested and approved by the American Gas Association for minimum clearances from combustible walls as follows:

From the top of the heater—	6 inches
From flue or vent connection in any direction—	6 inches
From either side of unit—	3 inches
From the bottom of the unit—	6 inches

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Luxaire Unit Heaters (Gas Fired) also to be marketed as Moncrief Unit Heaters, Models XX-60, XX-60-D, XX-90, XX-90-D, XX-120, XX-120-D, XX-180, XX-180-D, XX-240 and XX-240-D for use in New York City in accordance with this report and the provisions of Article 12, Administrative Building Code provided that each heater shall bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1254-61-SA."

The committee further recommends that the heaters may be installed with minimum clearances from combustible construction in accordance with the tests of the American Gas Association, but sufficient to allow for proper servicing of the equipment.

These heaters are not to be installed in garages or places of explosive atmosphere.

1279-61-SA

APPLICANT—Midland-Ross Corporation, Janitrol Division, owner.

APPEARANCES—

For Applicant: Leo B. McCoy.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 1279-61-SA—Janitrol Division, Midland-Ross Corp., Columbus, Ohio, filed for approval of the appliance known as Janitrol Skyliner Series 56 Cooling Units under the provisions of C26-191.0 Administrative Building Code and Article 18, Chapter 19 Administrative Code.

USE: Air conditioning units for roof installation.

DESCRIPTION: The Janitrol Series 56 units are made in three sizes designated as Models 56-050, 56-080, and 56-100 with cooling capacities of 59,000 BTU/hr, 80,000 BTU/hr and 106,000 BTU/hr respectively. The Model 56-050 has a Tecumseh hermetic compressor driven by a 5 hp motor. The system is charged with 18 lbs. of R-22 refrigerant.

The Model 56-080 has a Copelametic semi-hermetic compressor driven by a 7½ hp. motor. The system is charged with 23½ lbs. of R-22 refrigerant.

The Model 56-100 has a Copelametic semi-hermetic compressor driven by a 10 hp. motor. The system is charged with 30 lbs. of R-22 refrigerant.

These units are factory assembled in heavy gauge, insulated aluminized steel weather proofed housing. For rooftop installation fiber glass foil coated metal ducts are supplied to be coupled to a ceiling diffuser directly below the unit.

Operation is by thermostat control and a signal light is installed at the thermostat base which will light up when filters should be replaced.

These units may also be installed in conjunction with approved gas fired furnaces to provide year-round air conditioning.

INSPECTION AND TEST: All data was examined by Assistant Engineer G. F. Sklenarik.

These units were tested and approved by Underwriters Laboratories, File SA 3055.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Janitrol Skyliner Series 56 Cooling Units for use in New York City under the provisions of Article 18, Chapter 19 Administrative Code provided that each unit shall bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1279-61-SA."

1280-61-SA

APPLICANT—Janitrol Division for Midland-Ross Corporation, Janitrol Div., owner.

APPEARANCES—

For Applicant: Leo B. McCoy.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 1280-61-SA—Janitrol Division, Midland-Ross Corp., Columbus, Ohio, filed for approval of the appliance known as Janitrol Skyliner Series Rooftop Unit Series, 55, 56 and 80 under the provisions of Article 12, Chapter 26, and Article 18, Chapter 19 Administrative Code.

USE: Heating and cooling units for rooftop installation.

DESCRIPTION: The Janitrol Skyliner self contained units are available in three series.

The 55 Series are year-round air cooled combination cooling-heating units.

The 56 Series are cooling units only—see Calendar Num-

MINUTES

ber 1279-61-SA.

The 80 Series are heating units only and were approved as the 71 Series under Calendar Number 335-53-SA.

The 56 and 80 Series make it possible to balance heating loads and/or cooling loads when the heating-cooling requirements cannot be satisfied by using 55 Series combination units alone.

There are three nominal cooling capacities of 5, 7½ and 10 tons. Heat input capacities for natural, manufactured, mixed or L.P. gas are from 100,000 to 200,000 BTU per hr. with 5 tons cooling, 100,000 to 300,000 BTU per hr. with 7½ tons cooling, and 150,000 to 300,000 BTU per hr. with 10 tons cooling.

The air connections are made with concentric moulded fiberglass foil coated meter ducts which are supplied to be coupled to the ceiling diffuser included for installation in the space directly below the unit. Operation is controlled by a low voltage thermostat furnished for installation in the conditioned space.

A signal light in the base of the thermostat lights up when the filters require changing.

The 5 ton cooling systems contain 18 lbs. of R-22 refrigerant and have a 5 hp. compressor motor.

The 7½ ton cooling systems contain 23½ lbs. of R-22 refrigerant and have a 7½ hp. compressor motor.

The 10 ton cooling systems contain 30 lbs. of R-22 refrigerant and have a 10 hp. compressor motor.

The heat sections have Janitrol gas fired two-pass duct furnaces. Burners are ribbon flame type and ignition is by constant burning pilot light with safety shut off in case of flame failure. The heat exchanger is ceramic coated both inside and outside.

Cabinet openings for fresh air intake and air for combustion and ventilation of the heater enclosure are provided with internal rain rejectors.

Venting is obtained by an integral flue gas exhaustor discharging through a 4 inch screened exhaust port in the end panel. An electrical interlock proves exhaustor operation before the low voltage automatic gas control system is energized.

INSPECTION AND TEST: All data was examined by Assistant Engineer G. F. Sklenarik.

The 56 Series have been approved by Underwriters Laboratories File SA 3055.

The 80 Series have been approved by American Gas Association.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Janitrol Skyliner Rooftop Unit Series 55, 56 and 80 for use in New York City under the provisions of Article 12, Chapter 26 and Article 18, Chapter 19 Administrative Code except that the furnace need not be connected to a legal chimney or separate flue. All electrical installation work shall conform to the Electrical Code of the City of New York and each combination unit shall bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1280-61-SA."

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
1316-61-SM—B. J. Gillroy for Carlson Hoist and Machine Co., Inc., filed for approval of the material known as Carlson Hoist and Machine Co. Plaster Bucket Hoist under the provisions of the Rules adopted by the Board under Calendar Number 784-41-SR.

USE: Hoist for plaster and similar materials.

DESCRIPTION: The hoist consists of guide rails, bucket, bucket frame and hoisting unit.

The track section consist of two parallel tracks that are set out perpendicular from the face of the building and each section consists of 2½" x 5½" spruce lumber, each section a maximum of 10'-0" in length, to which is attached the steel track made up of 3" x 2" x 3/16" angles. A 3" x ¼" splice plate is attached at each rail joint on opposite sides and is bolted through.

The guide rails are positioned at each story height or maximum height of 10'-0" by guide rail brackets of a minimum of ½" "steel plate" which is held by channel iron, placed on both inside and outside of the wall.

The cat head consists of two aluminum 7" channel beams which forms a cradle for the sheaves which run in roller bearings.

The hoisting cable is ⅝" diameter, 9 x 16 plow steel and the hoisting unit is a single drum hoisting unit having a rope speed of 575 F. P. M.

INSPECTION AND TEST: An installation was inspected by Vice Chairman E. W. Kleinert. The applicant has also submitted an analysis of the tower by E. Denzer, P. E. The report is on file with and is part of the record.

RECOMMENDATION: The Committee on Test recommends the approval of the material known as Carlson Hoist and Machine Co. Plaster Bucket Hoist for use in New York City under the provisions of the Rules of the Board adopted under Calendar Number 784-41-SR on condition that the weight of the bucket and its contents shall not exceed 2250 lbs., that the height of the tower shall not exceed 350'-0", that the hoist track or guides be securely fastened back to the building every 10'-0", that the guide rail brackets shall be installed on not less than 8" of masonry, that the hoist be operated by a licensed operator, that all erection of the hoist shall be under the supervision of the owner-manufacturer, that the hoist shall be guarded by a substantial barrier at grade to a height of 8'-0", that signs shall be conspicuously posted prohibiting the riding, by personnel, in the bucket and plans submitted to the Department of Buildings showing the proposed use of this hoist shall be labeled, "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1316-61-SM." And further that there shall be a lateral brace between the bottom sheave and the frame of the machine.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this material in accordance with the above report.

1407-61-SA

APPLICANT—McIntosh Equipment Corporation for Layne and Bowler, Incorporated, owner.

APPEARANCES—

For Applicant: Frank L. Goetz.

ACTION OF BOARD—Appliance approved in accordance

MINUTES

with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
1407-61-SA—McIntosh Equipment Corp., for Layne and
Bowler Incorporated, Memphis, Tenn., filed for approval
of the appliance known as Layne and Dualayne Vertical
Centrifugal Pump (for hazardous liquids) 6, 8, 10, 12 and
14 inch sizes under the provisions at the Oil Burner Rules
of the Board and Article 8, Chapter 19, Administrative
Code.

USE: Transfer and fueling pumps.

DESCRIPTION: The Layne Vertical Centrifugal Pumps
are used at petroleum bulk storage terminals, refueling sta-
tions and air fields.

The capacities range from 40 G.P.M. to 10,000 G.P.M. at
total heads of 30 to 2500 feet.

The assembled pump consists of a pump head with a seal,
discharge column and pump bowls with impellers.

The pump head is either of close grained cast iron or
fabricated steel and fits standard tank fittings. All heads
have flanged outlets with A.S.A. standard drilling and can
be furnished with deck plate gaskets. Heads are available
with fluid inlet and outlet at the top or with inlet at the
bottom. The heads are furnished with mechanical seal or
conventional stuffing box with means of lubricating the
packing.

The discharge column is a standard weight steel pipe
with screw coupled connections. If required, semi-steel
flanged connections are available. Screw coupled column
connections are heavy semi-steel with integrally cast align-
ing spiders. All abutting surfaces are machined.

Shafting is available in stainless steel, carbon steel or
Monel as required.

Pump bowls of the vertical turbine type are available
for use with relatively high pumping pressures. Mixed
flow and propeller type are available for medium to low
pressures and high capacities. Intermediate stages are
equipped with replaceable bowl wear rings and bearings
either of laminated plastic Textolite, Ryertex or Micarta
or high lead bronze. Suction nozzles are available in the
same materials. Impellers are dynamically and statically
balanced and are fastened to the shaft by either removable
collets or stainless steel keys; the bowl shaft being of stain-
less steel.

The "Dualayne" pump with inlet and discharge openings
both at the top in the pump head is an in-line booster or
transfer pump. It is equipped with a steel barrel which fits
around the pump column and is flange connected to the pump
head forming a well for the pump.

The motors used to drive these pumps will be of the
explosion proof type.

INSPECTION AND TEST: All data was examined by
Ass't. Engr. G. F. Sklenarik.

A pump of 50 g.p.m. capacity was submitted to the Un-
derwriters' Laboratories for test and was approved under
File MH 7025.

The basic design of all these pumps is the same.

RECOMMENDATION: The Committee on Test recom-
mends the approval of the appliance known as the Layne
and Dualayne Vertical Centrifugal Pumps 6, 8, 10, 12 and
14 inch sizes for use in New York City at refueling stations,
air fields and petroleum bulk storage terminals, in accord-
ance with this report, the Oil Burner Rules of the Board
and Article 8, Chapter 19, Administrative Code, provided that
each pump shall bear a label, permanently affixed, reading
"Approved by the Board of Standards and Appeals for use
in New York City under Calendar Number 1407-61-SA."

(Sgd.) WILLIAM A. NOLAN,
Director,

GEORGE F. SKLENARIK,
Asst. Engr.,

JOHN A. DARTS,
Asst. Eng.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does
hereby *approve* this appliance in accordance with the above
report.

1565-61-SA

APPLICANT—Delco Appliance Division, General Motors
Corporation, owner.

APPEARANCES—

For Applicant: Edward J. Maroney.

ACTION OF BOARD—Appliance approved in accordance
with report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and
Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads:
1565-61-SA—Delco Appliance Division, General Motors
Corporation, Rochester, N. Y., filed for approval of the ap-
pliance known as the DGH and DGC Series conditioners
under the provisions of Article 12, Chapter 26, Adminis-
trative Building Code.

USE: Gas-fired warm air heaters.

DESCRIPTION: The Model DGC is a counter flow type
forced air furnace and the Model DGH is an upflow type
furnace. The basic construction is the same, difference be-
ing in the air flow only. The BTU range is from 70,000 to
190,000.

The heat exchanger is of the multiple radiator design and
the individual radiators are of 18 gauge steel welded together
to form a one piece heat exchanger.

The burners are multiple slotted port burners made of
cast iron.

The housing is made of 22 gauge steel and is ribbed for
added strength.

The blowers are either direct drive or belt driven and if
the furnace model has a "D" suffix, it denotes direct drive,
Whereas a "B" suffix denotes belt drive.

INSPECTION AND TEST: Details of construction were
examined by Ass't. Engr. J. A. Darts and it was noted that
the appliances have been approved by the American Gas
Association.

RECOMMENDATION: The Committee on Test recom-
mends the approval of the appliances known as Models DGH
and DGC Series Conditioners (gas fired furnaces) as man-
ufactured by Delco Appliance Division, General Motors
Corporation for use in New York City when installed
in accordance with the requirements of Article 12, Chapter
26, Administrative Building Code.

The Committee further recommends that the Series DGC
may be installed with reduced clearances in accordance with
the manufacturers approval as granted by the American Gas
Association, in accordance with the provisions of C26-693.0.d
1 and 2, and further that the appliance shall bear a label,
permanently affixed, reading "Approved by the Board of
Standards and Appeals for use in New York City under
Calendar Number 1565-61-SA."

The Committee further recommends that these appliances
shall not be installed in garages or places of explosive
atmosphere.

1600-61-SA

APPLICANT—Gilbert and Barker Manufacturing Company, owner; William Keay, Agent.

APPEARANCES—

For Applicant: William Keay.

ACTION OF BOARD—Appliance approved in accordance with the report and recommendation of Committee on Test.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative: 0

THE RESOLUTION—

WHEREAS, the report of a Committee on Test reads: 1600-61-SA—William Keay for Gilbert and Barker Manufacturing Co., West Springfield, Mass., filed for approval of the appliance known as Gilbarco and/or Esso Oil Burner, Models BD30-11, BD30-12, BD30-31 and BD30-32, under the provisions of the Oil Burner Rules of the Board and Article 12, Chapter 26 Administrative Building Code.

USE: Gun type oil burner.

DESCRIPTION: The oil burners are fully automatic gun-type oil burners and are basically the same as the burners approved by the Board under Calendar Number 733-58-SA except for the addition that the request models are equipped with a device known as The Magic Grid which is a cone permanently attached to the air cone of the burner and whose function it is to shape and control the flame.

INSPECTION AND TEST: Details of construction were examined by Assistant Engineer J. A. Darts, and it was noted that all models of the oil burner have been approved by the Underwriters Laboratories.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Gilbarco and/or Esso Oil Burner, Models BD30-11, BD30-12, BD30-31 and BD30-32 for use in New York City when installed in accordance with the requirements of Article 12, Chapter 26 Administrative Building Code and the Oil Burner Rules of the Board on condition that the burner bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1600-61-SA."

APPLICANT—Herman Kron for 146 Centre Street Corporation, owner.

SUBJECT—Application for consideration—reopening for amendment of resolution and extension of time to complete which expired March 14, 1962—decision of the Borough Superintendent; previously granted on condition, under Sections 7f and 7i of the Zoning Resolution, permitting in a business use district, the erection of a two-story structure for the storage of more than 5 motor vehicles on the 1st and 2nd floors and roof and a gasoline service station, lubritorium, car wash and motor vehicle repairs, office and storage of accessory parts.

PREMISES AFFECTED—Entire block bounded by Baxter Street, Walker Street and Centre Street; 96-98 Baxter Street and 125 Walker Street, Block 198, Lots 5, 8, 10, 11 and 12, Borough of Manhattan.

APPEARANCES—

For Applicant: Herman Kron.

ACTION OF BOARD—Application reopened and resolution amended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5
Negative 0

THE RESOLUTION—

WHEREAS, this application was granted by the Board as Vol. III, on July 23, 1957, on certain conditions; and

WHEREAS, time to obtain permits and complete the work was last extended on March 14, 1961; and

WHEREAS, the term of variance was last extended on March 14, 1961; and

WHEREAS, the resolution was last amended on March 14, 1961; and

WHEREAS, the applicant requested a further amendment of the resolution and extension of time to complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on May 18, 1954, as *amended* through March 14, 1961, by adding thereto:

"that there may be one 4-pump island facing Center Street, instead of the two 2-pump islands heretofore permitted, as shown on revised drawing marked 'Received April 12, 1962', one sheet, *on condition* that other than as herein *amended* the resolution above cited shall be complied with in all respects, including the requirement for submission of sign details for approval by the Board".

and *further amended* as to the time to obtain permits and complete the work, so that as *amended* this portion of the resolution shall read:

"that work shall be completed within one year from the date of this amended resolution; and that a Certificate of Occupancy shall be obtained." (N.B. 109/52)

846-52-BZ

APPLICANT—Paul Friedman for Sutway Realty Corporation, owner.

SUBJECT—Application for consideration—reopening for extension of time to complete which expired April 18, 1962—decision of the Borough Superintendent; previously granted on condition, under Section 9A of the Zoning Resolution, permitting partly in a residence use E area and Class use D area and Class One times height district, the erection and maintenance of a three unit six story apartment building with accessory garages more than the permitted height within two miles of an airport.

PREMISES AFFECTED—125-02 to 125-06, 126-20, 125-24, 125-36 and 125-40 Sutphin Boulevard, west side, 245.36 feet south of 123rd Avenue, through Rockaway Boulevard, Block 12051, Lot 1, South Ozone Park, Borough of Queens.

MINUTES

APPEARANCES—

For Applicant: Paul Friedman.

ACTION OF BOARD—Application reopened and time to complete work extended.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, and Commissioner Becker 3
Negative: Commissioner Fox and Commissioner Klein. 2

THE RESOLUTION—

WHEREAS, this application was granted by the Board on February 25, 1953, on certain conditions; and

WHEREAS, the resolution was amended on December 22, 1953; and

WHEREAS, time to obtain permits and complete the work was extended on April 18, 1961; and

WHEREAS, the applicant requested a further extension of time to obtain permits and complete the work.

Resolved, that the Board of Standards and Appeals does hereby *amend* the resolution adopted on February 25, 1953, as *amended* through April 18, 1961, only as to the time to obtain permits and complete the work so that as *amended* this portion of the resolution shall read:

"that permits shall be obtained and work completed within one year from the date of this *amended* resolution; and that a Certificate of Occupancy shall be obtained." (N.B. 5485/52)

RULES

Fire Drill Rules, Adopted by the Board of Standards and Appeals, October 5, 1923

(593-23-SR)

DEFINITION OF "FIRE DRILL"

The method and practice of the systematic and orderly vacating of a building by its occupants in case of emergency, panic or fire in the least possible time—by the nearest safe means of exit—and the use of fire appliances which shall be provided for the extinguishing or retarding of fire and the safeguarding of human life.

Rule 1.

In all buildings as defined in Article 1, Section 10 of the Labor Law in which fire drills are required pursuant to Section 279 thereof and in any other building in which such drills are required by the Fire Commissioner pursuant to the power conferred in section 491 of the New York City Charter, it shall be the duty of the owners, lessees or tenants to conduct fire drills monthly and at such other times as the Fire Commissioner may direct.

For the purpose of conducting such fire drills the owner or tenants shall appoint from among their employees such responsible and dependable persons, male or female, who shall efficiently perform the duties of the various positions of the fire drill organization, as specified on the accompanying chart.

It shall be the duty of the owner or tenant to enter in the blank spaces provided for that purpose in said chart the names of persons so selected and post said chart and copies of the rules in a conspicuous place.

Rule 2. Duties of Foreman.

The Foreman or Person in Charge shall direct, enforce and have full charge of the "Fire Drill" in every factory on each floor. Each day before work is begun he shall see that extinguishers, fire hose, fire buckets, etc., are in readiness for use, exit doors are unlocked, aisles are free from obstruction, that stairways, halls, etc., are properly lighted, and shall remedy any dangerous condition found to exist. Immediately after work is commenced he shall check up the Fire Drill Organization list and note if the regularly assigned persons are present; if any are found to be absent, he shall assign other employees (if practicable) to perform their duties.

He shall immediately notify new employees of the existence of the Fire Drill Organization and give them the necessary instructions as to the duties they are to perform, etc.

He shall be familiar with the operation and location of the interior alarm signal box on his floor.

He shall listen for the test signal each morning at the appointed hour and in the event of the test signal not being heard he shall communicate with the superintendent or other person in charge of the building and advise him of the fact. The (Floor Captain's) Foreman's orders are final as to the carrying out of the fire drill on his particular floor.

Rule 3. Duties of Watchmen.

The WATCHMEN shall see that all doors and windows are closed so as to prevent the spread of fire. The WATCHMEN shall be the only persons permitted to remain on the floor during the progress of a fire drill and do so at their own risk. For ordinary purposes only one watchman and a substitute shall be designated. In special cases, however, extra watchmen may be assigned by consent in writing from Fire Commissioner.

Rule 4. Duties of Searchers.

The MALE AND FEMALE SEARCHERS shall search all toilets, dressing rooms and emergency rooms used and frequented by their sex and all other portions of the floor and order all persons, except those authorized to remain, to leave the premises. They are to take care of and assist all persons who may faint or be disabled.

SEARCHERS shall leave the floor immediately after the last squad leaves.

Rule 5. Duties of Street Alarm Box Runner.

The STREET-ALARM-BOX-RUNNER shall be familiar with the location of the nearest city fire alarm box and know how it is operated.

In ordinary practice fire drills the STREET-ALARM-BOX-RUNNER shall report to the Foreman for orders, and if his services are not required he shall promptly file out of the premises with the other occupants.

Only when a fire actually occurs on his floor, or when ordered to do so by the Foreman, shall the STREET-ALARM-BOX-RUNNER proceed to the street alarm box and send in the fire alarm.

Rule 6. Duties of Fire Brigade.

The fire brigade shall have full charge of the operation of all auxiliary fire fighting apparatus and shall endeavor to extinguish, or at least hold in check until the arrival of the Fire Department, any fire that may occur. When it is necessary for the fire brigade to respond to different floors in the building they shall not use the stairways or fire escapes while the occupants are escaping from the premises.

Serials Dept.
Urbana, Ill.

RULES

Rule 7. Duties of Exit Guards.

The EXIT GUARDS shall station themselves at all exit doors leading to fire escapes, stairways, and other means of escape immediately upon the sounding of the alarm. There shall be two guards for each exit, if practicable; one to stand in the hallway holding back the door and the other directly inside on the floor. They are to keep the exit doors open and direct the movements of the persons using these exits and prevent congestion.

EXIT GUARDS shall remain at their stations until all of the occupants of the building have passed their station. Then close their doors and pass out of the building. Upon signal for the occupants to return, EXIT GUARDS shall take their designated stations and remain there until all persons have returned to their respective floors.

Rule 8. Duties of Squad Monitors.

The SQUAD MONITORS, as soon as the alarm is sounded, shall see that the employees under their charge quickly form into line, two abreast, and numbering not more than thirty to each squad. They shall see that all aisles and passageways are cleared of obstructions.

Note: Chairs, stools, baskets, etc., should be pushed under or placed on top of work benches.

MONITORS shall proceed at the head of their respective squads to the exit assigned, and then march up or down the stairs or to other exits as directed by the EXIT GUARDS.

On reaching the sidewalk MONITORS shall keep their squads in order and lead them a reasonable distance from the building, so as not to cause congestion and interference with fire apparatus. When the proper signal is given they shall return to their respective floors at head of their squads.

MONITORS will at all times see that those under their charge conduct themselves in a respectable and orderly manner.

Rule 9. Holding of Drills.

FIRE DRILLS shall be held at least once each month at varied hours of the day, and all of the occupants shall participate therein simultaneously. Such drills shall conduct all occupants to a place of safety.

Where dual operation interior fire alarm systems are installed as permitted under Rule 10.1 of the interior fire alarm rules of the Board of Standards and Appeals, the fire drill conducted each month shall include all of the persons on the premises engaged at work for a factory, and drills shall be conducted at least twice, each year in which all of the persons on the premises shall participate simultaneously.

Rule 10. Duties of Owner.

It shall be the duty of the OWNER, LESSEE OR TENANT OF THE BUILDING or his authorized agent or their representatives to personally observe that the "Fire Drill" is held simultaneously on every floor of the building and the participation therein of every occupant of such building. Any FIRE DRILL in which all of the occupants do not participate shall not be considered as complying with the LAW, except as otherwise provided in these rules.

The person or persons representing the OWNERS, LESSEE OR TENANT, who supervises the FIRE DRILL at the building shall submit to an examination by the Division of Fire Prevention as to their experience and general fitness for such duties, and shall be so certified in writing by the FIRE COMMISSIONER.

It shall be the duty of the ENGINEER, SUPERINTENDENT or other PERSON IN CHARGE, of a building having an interior fire alarm system to test such system daily, immediately after the beginning of business, and to see that all apparatus operated by springs, requiring winding are rewound after each alarm and kept in normal condition for operation.

Rule 11. Duties of Engineer.

Whenever it is necessary to test the fire alarm system at any other time of the day, owing to repairs, etc., being made, the PERSON IN CHARGE OF BUILDING will first notify all Foremen of the several floors of the intended test and likewise notify them when the repairs, etc. are completed. This precaution is taken to prevent confusion and excitement, also misunderstanding of the alarm signals.

It shall also be the duty of the PERSON IN CHARGE OF BUILDING to sound the interior alarm system at irregular intervals, but not less than once each calendar month, for the purpose of holding practice fire drills. He shall keep on the premises a record of such drills, showing the date when held and the required time for all occupants to reach the street or a point of safety outside the building.

The PERSON IN CHARGE OF BUILDING must immediately acquaint new tenants of the existence of the "Fire Drill" Organization and its purport.

Rule 12. Registration.

The name and address of every person, corporation or co-partnership, that will, under professional service, carry on the trade, business or calling of establishing, maintaining or supervising the "Fire Drill" shall be registered in the Fire Department, which Department shall, upon evidence of fitness, grant a certificate to that effect.

COURT DECISIONS.

Matter of Milmic Realty Corp. vs. Board:—On October 24, 1961, the Board denied its appeal from an order of the Fire Commissioner in regard to an automatic sprinkler system; Calendar No. 106-61-A; Premises 50 Bowery, west side, 100 feet south of Canal Street, 20-24 Elizabeth Street, Block 202, Lot 23, Borough of Manhattan.

At Supreme Court, Special Term, Part I, Mr. Justice Helman vacated the order of certiorari, dismissed the petition and affirmed the determination of the Board of Standards and Appeals.
(N. Y. Law Journal, May 16, 1962, page 13).

* * * * *

Matter of 3319 Realty Corp. vs. Board:—On July 12, 1960, the Board denied the application reopened January 19, 1960, based on a decision of the Borough Superintendent, under Section 7e of the Zoning Resolution, to permit in a residence use district the conversion of a bank of 57 single car public garages into a laundry supplies and garment storage area, and an open parking lot for Riteway Laundry employees; Calendar Number 341-43-BZ—Vol. V; Premises 3319-3325 Atlantic Avenue, northeast corner of Euclid Avenue, Block 4145, Lots 1, 13 and 23, Borough of Brooklyn.

At Supreme Court, Special Term, Part I, Mr. Justice Olliffe rendered the following decision:

"The determination is accordingly annulled and the matter is remitted to the Board for reconsideration and the making of a determination with leave to the parties to present such other and further proof as they may be advised. The court has not passed, in the light of the new Zoning Resolution, upon the merits of the controversy and its decision to annul the determination of the Board should not be construed as indicating that the petitioners are entitled upon reconsideration of the matter to a result other than the original determination. The Board should feel free upon reconsideration to reach the conclusion they regard as warranted.
Settle order on notice."

(N. Y. Law Journal, May 14, 1962, pages 18 and 19).

THE RESOLUTION—

WHEREAS, on June 12, 1951, this application was granted by the Board on certain conditions; and

WHEREAS, the applicant states that the character of the neighborhood is the same and premises is under the same ownership; that the site is at present located in a C2-2 within an R-2 zone; and

WHEREAS, the applicant requested reopening of this application and extension of the term of variance, which had expired by time limitation June 12, 1961 under Section 11-411 of the amended Zoning Resolution; and

WHEREAS, this application was reopened on April 10, 1962

and set for hearing on May 15, 1962 at 10 A.M., requiring a new decision of the Borough Superintendent and two publications in the Bulletin; and

WHEREAS, a public hearing was held on this application on May 15, 1962 after due notice by publication in the Bulletin; and

WHEREAS, the decision of the Borough Superintendent, dated March 9, 1962 acting on Alt. Applic. No. 25-51, reads:

"1. B. S. & A.—Cal. 280-31-BZ. The variance expired 6/12/61—and cannot be considered and must be referred to B. S. & A.'s for action—since under the latest 1962 Zoning Dist. designation the site is now located in a C2-2 within R-2 Zone."

Resolved, that the Board of Standards and Appeals does hereby amend the resolution adopted on June 12, 1951 only as to the term of the variance, so that as amended it shall read:

"granted for a term of ten years from the date of this amended resolution, to permit . . .; on condition that the sidewalk, curb and curb cuts shall be put in proper condition satisfactory to the Borough President; that motor vehicle repairs shall be with hand tools only; and that the auto washing be of the non-automatic type; that all illegal signs be removed; that other than as herein amended the resolution above cited shall be complied with in all respects; and that a new Certificate of Occupancy shall be obtained."

617-47-BZ—Vol. II

APPLICANT—Lama Proskauer and Prober for Philip, Charles and Avis Manker, owners.

SUBJECT—Application reopened January 30, 1961 as Volume II—decision of the Borough Superintendent, under Section 7a of the Zoning Resolution, to permit in a business use district, on a plot presently developed with two gasoline service stations, the reconstruction of the site for one gasoline service station, lubricatory, minor auto repairs, non-automatic car wash, office and sales, utility room and the parking and storage of more than five motor vehicles with a ground sign.

PREMISES AFFECTED—3102-3132 Fort Hamilton Parkway, south side, from McDonald Avenue to East 2nd Street, 275-281 McDonald Avenue and 152-170 East 2nd Street, and 101-129 Caton Avenue, Block 5315, Lots 1 and 4, Borough of Brooklyn.

THE RESOLUTION—

WHEREAS, a public hearing was held on this application on June 20, 1961 after due notice by publication in the Bulletin; laid over to September 26, 1961 for continued hearing; applicant to attempt to find conforming use; then to November 14, 1961 at request of applicant; then to December 5, 1961 at the request of objectors; applicant to submit revised drawings; then to December 12, 1961 for decision; hearing closed; then to February 14, 1962 to await future development of area and decision; then to April 17, 1962 for definite evidence as to whether a financial institution is willing to finance homes on the property; hearing closed; then to May 15, 1962 for decision; applicant to submit revised drawings; and

WHEREAS, the decision of the Borough Superintendent, dated March 10, 1961 acting on N.B. Applic. No. 36-61, reads:

"1. Proposed stores, supermarket, storage, loading and unloading and parking of patrons and employees cars in open area on a lot located in Residence Use district is contrary to Art. II Sect. 3 of the Zoning Resolution.

2. Proposed business signs and curb cuts for business purposes in a Residence Use district are contrary to Art. II Sect. 3 of the Zoning Resolution.

3. Proposed loading and unloading and parking of patrons and employees cars within the required open

spaces are contrary to Art. IV Sect. 16-C of the Zoning Resolution for a lot in a G-1 area district."

and

WHEREAS, the premises and surrounding area were inspected by a committee of the Board; and

WHEREAS, the Board found that this was an appropriate case in which to exercise discretion to grant under Section 7, Subdivision e of the Zoning Resolution, as to use, and that the applicant had substantiated a basis to warrant exercise of discretion to grant under Section 21, and is therefore entitled to relief, as to area, on the grounds of practical difficulty and unnecessary hardship.

Resolved, that the Board of Standards and Appeals does hereby *make a variation* in the application of the use and area district regulation of the Zoning Resolution and that the application be and it hereby is *granted* under Sections 7e and 21 of the Zoning Resolution to permit in a residence use, G-1 area district, the erection of a one story and cellar building with supermarket on first floor and accessory storage in cellar, business signs, curb cuts, loading and unloading, parking of patrons' and employees' cars in the open area and within the required open spaces in a G-1 area district, for a term of twenty-five years *on condition* the work be done in accordance with drawings filed with this application dated March 16, 1961, 1 sheet, May 8, 1962, 2 sheets; *on further condition* that there shall be no curb cut on 47th Avenue; that a two foot six inch high brick wall with three foot iron picket fence on top of it making a total height of five feet six inches shall be constructed with no openings in it from the corner of Francis Lewis Boulevard west along 47th Avenue to the corner of the supermarket building and returned to the building; that the same two foot six inch high brick wall and three foot high picket fence shall be constructed along the 46th Road front and that on 46th Road with two openings 20 feet in width opposite the curb cut provided with gates which are to be kept locked after the business hours of the supermarket; that there shall be no exit of any kind to 47th Avenue and no signs on that avenue; that any lights used in the lot are to be so arranged that they shall shine on the surface of the lot and not on the streets or surrounding area; that all laws, rules and regulations applicable be complied with, permit be obtained, work done, Certificate of Occupancy obtained, within the requirements of Section 22A of the Zoning Resolution.

1617-61-BZ

APPLICANT—John J. Lynch and James J. Lyons, Jr. for John M. Charles, owner.

SUBJECT—Application October 25, 1961—decision of the Borough Superintendent, under Sections 7e, 19A (j) and 21 of the Zoning Resolution, to permit in a residence use E-1 area district, the erection of a one story and cellar building for use as retail stores; the proposed building encroaches on the required setback from a mapped street, exceeds the permitted area coverage.

PREMISES AFFECTED—766-784 Castle Hill Avenue, east side, from Lafayette Avenue to Virgil Place, 2202-2206 Lafayette Avenue, 2203-2207 Virgil Place, Block 3615, Lot 28, Borough of The Bronx.

Negative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

THE RESOLUTION—

WHEREAS, the decision of the Borough Superintendent, dated November 16, 1961 on Alt. Applic. 2064-61, reads:

"2. Projection of proposed flagpole and Banner on front of building in contrary to C26-219.0 A.C."

and

WHEREAS, the applicant states that the building is 22 by 116 feet in area, 3 stories, 36 feet high, of class 3 construction, located in local retail and residence use, C and D area and Class 1 and 1¼ height district, built before 1880, now used and occupied since 1958; 1st floor—restaurant and

MINUTES

cabaret, 195 persons; 2nd and 3rd floor—one family each floor; that the proposed use and occupancy will be the same; that an accompanying zoning application contains additional facts about the premises; and

WHEREAS, the applicant states that it is proposed under this application to legalize the flagpole and banner on the front of the building which is contrary to C26-219.0 A.C.; that the banner is 8 by 10 feet and is hung from a flagpole located at the top of the 2nd story window; that if the banner were a flag it would be a permitted use; that inasmuch as the only difference between a flag and a banner is the coloring, it is respectfully requested that this application be granted; and

WHEREAS, the premises was inspected by a Committee of the Board, in conjunction with application filed under Cal. No. 1755-61-BZ and the Committee recommended against granting this appeal to permit the flagpole to remain.

Resolved, that the decision of the Borough Superintendent, dated November 16, 1961, acting on Alt. Applic. 2064-61, Objection #2, be and it hereby is *affirmed* and that the appeal be and it hereby is *denied*.

APPEARANCES—

For Applicant: P. D. Concagh.

ACTION OF BOARD—Application reopened and set for hearing on June 12, 1962, at 10 A.M., to consider extension of the term of the variance, requiring a new decision of the Borough Superintendent and photographs, which have been filed, and two publications in the bulletin as notice.

THE VOTE—

Affirmative: Chairman Foley, Vice Chairman Kleinert, Commissioner Fox, Commissioner Becker and Commissioner Klein 5

Negative: 0

Adjourned 4:45 P.M.

JAMES P. MULROY, Secretary.

MINUTES

The following reports and recommendations of the Committee on Test were approved by the Board on March 13, 1962.

62-61-SA

APPLICANT—Morris Kweller for Clesco National Products, Inc., owner.

WHEREAS, the report of a Committee on Test reads:
62-61-SA—M. Kweller for Clesco National Products, Inc., Cincinnati, Ohio, requested that the resolution adopted November 28, 1961, under Calendar Number 62-61-SA be reopened and amended so as to permit the use of the Clesco Dry Cleaning Machine Models 220 and 440 as coin operated or customer operated dry cleaning machinery.

DESCRIPTION: The coin operated Clesco Dry Cleaning Machines Models 220 and 440 will be similar to those previously approved under Calendar Number 62-61-SA except that a coin operated starting mechanism will be added.

The washer basket is nominally 13 inches deep and 25 inches in diameter. The calculated cubical content of the basket based on its internal design is 3.50 cubic feet.

RECOMMENDATION: The committee recommends that the resolution adopted November 28, 1961, under Calendar Number 62-61-SA be reopened and amended so as to permit the Clesco Dry Cleaning Machine Models 220 and 440 to be used as coin operated equipment where permitted in the Zoning Resolution and when installed in accordance with the Board's Rules for Coin Operated Dry Cleaning Establishments provided that each machine bears a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 62-61-SA". The committee further recommends that on each machine there be displayed its maximum dry load capacity of 9.80 pounds.

All electrical installation work to conform to the Electrical Code of the City of New York.

Exhaust air flow through the loading door opening shall be at least 100 cubic feet per minute.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby amend the above cited resolution in accordance with the above report.

244-61-SA

APPLICANT—Laundercoin Sales Corporation for Norge Sales Corporation; Lama, Proskauer and Prober, agent.

WHEREAS, the report of a Committee on Test reads:
244-61-SA—Norge Sales Corp., Chicago, Illinois, filed for approval of the appliance known as Norge Dry Cleaner Model KM-G-1 under the provisions of the Dry Cleaning Rules of the Board adopted under Calendar Number 156-62-SR.

USE: Coin operated dry cleaning machine using Perchloroethylene as the solvent.

DESCRIPTION: The equipment consists of a system of eight machines, storage base tanks to which the washers are attached, a solvent manifold which distributes filtered solvent to each machine and a filter system which includes the solvent circulating pump and its operating control.

Each washer contains a condenser system which reclaims the solvent vapors during the drying cycle. The condensed solvent liquid as well as condensed moisture is emptied from the machine and directed to a water separator which separates the solvent from the water. The solvent returns to the base storage tank and the water is directed to waste.

The controls used in the filtering system such as the heat

exchanger, valves and temperature control insure a temperature of the solvent between 75° and 85°F and when it is necessary to maintain water temperature of 75°F or lower a refrigerant (F22) is used.

The heater exchanger is of the shell and tube type and has a capacity of 3000 g.p.h.

The filter tank is equipped with 48 internal tubes which are suspended within the tank. Each tube is covered by a 70 x 80 wire mesh screen to form a porous coating over the screen surface.

When the filter system is on filtration, the pump draws dirty solvent from the base storage tank and forces it under low pressure into the inlet manifold of the filter tank located in the bottom of the filter tank. The solvent is forced upward in the tank passing through the porous coating which picks up the soil and dirt and the filtered solvent returns to the manifold to be re-used.

The basket has a nominal diameter of 26 inches and a depth of 16 inches with a calculated cubical content based on its internal design of 4.28 cu. ft.

INSPECTION AND TEST: Drawings of the appliance were examined and the basket was found to have a volume of 4.91 cu. ft.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Norge Coin Operated Dry Cleaner KM-G-1 under the provisions of the Dry Cleaning Rules of the Board adopted under Calendar 156-62-SR and where permitted in the Zoning Resolution provided that each machine bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 244-61-SA".

The Committee further recommends that on each machine there be displayed its maximum dry load capacity of 11.98 pounds.

The Committee further recommends that all electrical work conform to the Electrical Code of the City of New York and further that in the event of any malfunction the door of the appliance shall remain in the locked position until the machine is placed in an operable condition and the cycle completed.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this appliance in accordance with the above report.

400-61-SA

APPLICANT—John F. Danielson for Whirlpool Corporation, owner.

WHEREAS, the report of a Committee on Test reads:
400-61-SA—Whirlpool Corporation, Benton Harbor, Michigan, filed for approval of the RCA Whirlpool Dry Cleaner Model 155 under the provisions of the Board's Rules Covering Coin Operated Dry Cleaning Establishments.

USE: A coin operated dry cleaning machine using Perchloroethylene as solvent.

DESCRIPTION: The model 155 dry cleaning machine is a package unit designed for coin operation. It is a front loading machine with a 12½ inch diameter loading door which is interlocked with the exhaust system so that the exhaust will automatically operate if the loading door is opened. In addition an interlock prevents the door from being opened after start up until completion of the 50 minute cleaning and drying cycle. A solenoid operated valve for draining solvent to the storage tank is provided.

The washer-extractor is of porcelain enameled steel nomi-

MINUTES

nally 29 inches in diameter and 13½ inches deep. It tumble washes at 48 rpm and extracts the solvent first, at 225 rpm and then 450 rpm. For this purpose a two speed heavy duty capacitor start motor with overload protection is provided.

A tubular type filter is used to clean the solvent after the cleaning cycle and a separately driven pump with a capacity of 480 gallons per hour is used to circulate the solvent from the 23 gallon storage tank to the washer-extractor section and then through the filter back to the tank.

To provide warm air during the drying cycle, which follows the extraction cycle, low density enclosed type electrical heating elements are used to heat the air that is then drawn through the damp fabrics by the exhaust system. A ½ hp. refrigerating system employing 3 lbs. of R-12 refrigerant is used to condense perchlorethylene vapors that are picked up by the warm drying air. This air after passing through the low temperature evaporator coil is exhausted to outdoors. An additional evaporator cooling coil is installed within the solvent tank to reduce temperature if necessary.

INSPECTION AND TESTS: The model 155 dry cleaner has been tested and approved by Underwriters Laboratories, file 32538.

The calculated cubic capacity of the washer drum based on its internal design is 3.92 cubic feet.

RECOMMENDATION: The committee recommends the approval of the appliance known as RCA Whirlpool Dry Cleaner, Model 155 for use in New York City where permitted in the Zoning Resolution and when installed in accordance with the Board's Rules for Coin Operated Dry Cleaning Establishments provided that each machine bears a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 400-61-SA". The committee further recommends that on each machine there be displayed its maximum dry load capacity of 10.98 pounds.

All electrical installation work to conform to the Electrical Code of the City of New York.

Exhaust air flow through the loading door opening shall be at least 100 cubic feet per minute.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this appliance in accordance with the above report.

1445-61-SA

APPLICANT—Haus and Bresin for Philco Corporation, owner.

WHEREAS, the report of a Committee on Test reads: 1445-61-SA—Haus and Bresin for Philco Corp., Philadelphia, Pa., filed for approval of the Philco-Bendix Coin Operated Dry Cleaner CC 9182 under the provisions of the Dry Cleaning Rules of the Board adopted under Calendar Number 156-62-SR.

USE: Coin operated dry cleaning machine using Perchlorethylene as the solvent.

DESCRIPTION: The equipment consists of two complete dry cleaning units along with their associated solvent conditioning system located within a single cabinet structure. The basic structural element is a steel solvent storage tank which supports the entire machine. The two dry cleaning units are mounted on top of the fully enclosed portion of the tank inside which the solvent is stored. Immediately adjoining this tank is a steel reservoir with an open top. This reservoir is located under the filter and is of sufficient capacity to contain the entire contents of the filter. The fully enclosed portion of the tank has a perimeter gutter system

for draining any fluid leaks which occur in the dry cleaning units into the tank reservoir. A switch completely terminates the operation of both machines and turns on "Out of Order" lights if fluid enters the open top portion of the tank.

The basket has a nominal diameter of 25" and is 13⅝" deep and a cubical content based on its internal design of 3.55 cu ft.

The filter used contains 36 stainless steel braided wire filter tubes having a filter area of approximately 18 sq. ft. and the filter capacity is 750 gallons per hour. All muck which remains in the filter is sent to the muck cooker.

The muck cooker is used to distill solvent from the muck collected at the bottom of the filter. The muck is heated by means of a 3150 watts, 230 volt electrical heating unit located on the underside of the floor of the cooker. The distilled solvent from the muck is returned to the solvent storage tank.

Drying of the garments is accomplished by means of six 2000 watt air heaters. After the drying cycle is complete, there is a 4 minute deodorizing or purge period during which time the remaining traces of solvent vapor are removed from the cylinder and exhausted to the outer air before the machine loading door can be opened.

There is no refrigerant or cooling system used in connection with the condensing operation as the unit is equipped with a condenser using water as the condensing agent. The water circulates through a closed system and is discharged to the plumbing system approved by the Dept. of Buildings.

There is no valve or closure at the outlet from the washing cylinder to the solvent tank. During the washing cycle the solvent continuously circulates from the tank through the filter into the washer and back to the storage tank. An over flow pipe back to the storage tank is also provided in case the primary discharge opening becomes clogged.

INSPECTION AND TEST: Drawings of the appliance were examined and the size of the basket was found to be nominally 25" in diameter by 13⅝" deep having a volume of 3.55 cu. ft., based on its internal design.

RECOMMENDATION: The Committee on Test recommends the approval of the appliance known as Philco-Bendix Coin Operated Dry Cleaner CC 9182 under the provisions of the Dry Cleaning Rules of the Board adopted under Calendar Number 156-62-SR and where permitted in the Zoning Resolution provided that each machine bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 1445-61-SA".

The Committee further recommends that on each machine there be displayed its maximum dry load capacity of 9.94 pounds.

The Committee further recommends that all electrical work conform to the Electrical Code of the City of New York and further that in the event of any malfunction the door of the appliance shall remain in the locked position until the machine is placed in an operable condition and the cycle completed.

Exhaust air flow through the loading door opening shall be at least 100 cubic feet per minute.

(Sgd.) WILLIAM A. NOLAN,
Director,
JOHN A. DARTS,
Asst. Engr.,
GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby *approve* this appliance in accordance with the above report.

90-62-SA

APPLICANT—Haus and Bresin for Vamco Corporation, owner.

WHEREAS, the report of a Committee on Test reads: 90-62-SA—Haus & Bresin for Vamco Corp., Brooklyn,

MINUTES

N. Y., filed for approval of the Vamco Dry Cleanomat Model DCSS-62 under the provisions of the Board's Rules Covering Coin Operated Dry Cleaning Establishments.

USE: A dry cleaning machine using perchlorethylene solvent.

DESCRIPTION: The Vamco dry cleaner is a coin operated dry cleaning machine designed for installation in stores, laundrettes, etc. The machine is a combination washer, extractor, and dryer, performing all operations automatically within the machine after the starting switch has been actuated.

This dry cleaner consists of a perforated metal basket constructed of 16 gauge stainless steel with an inside diameter of $25\frac{11}{16}$ " and a depth of 12". This basket or cylinder rotates within a solvent tight tub constructed of 16 gauge steel. The tub diameter is nominally $27\frac{5}{8}$ " with a nominal depth of 18". The cylinder rotates during the wash and drying cycles at a speed of 51 RPM and at a speed of 420 RPM during the extraction cycle. The machine is equipped with a condenser to remove all water vapor from the clothing and solvent and to discharge this water through a drain line to a plumbing system approved by the Dept. of Buildings. For drying, the machine is equipped with two heating coils with a total wattage of 4200.

The machines are equipped with exhaust vents and any and all exhaust fumes are carried through galvanized ducts with taped joints to a common exhaust duct connected to a blower which carries all fumes to outer air. This blower must be started before any machine can be operated. In case of failure of this blower, the doors on the dry cleaning machines will remain locked until the blower is put back in service. While machine is operating the door cannot be opened for any reason until the drying cycle is complete. The complete cycle time for washing, extracting, and drying is 42 minutes. However, this machine is equipped with a sensing device which will automatically control the drying cycle. If the front door of the machine is somehow forced open during any portion of the cycle a double pole, double throw door switch would automatically open the diverter which would remove all fumes within the machine to outer air. If the blower fan fails during the drying cycle of any machine the heater elements would automatically disconnect.

In conjunction with the washer there is a solvent filtration and reclamation system as manufactured by Arvan Products, Inc. of Warren, Ohio. This filtration system contains two solvent storage tanks. The upper tank has a capacity of 135 gallons of clean solvent. The lower tank located under the dry cleaning machines has a capacity of approximately 60 gallons per machine. In operation a clean solvent is fed to the washer from the upper storage tank. The solvent leaves the washer by gravity and is discharged into the lower storage tank. The solvent is pumped from the lower tank through the Arvan filter which is equipped with Monel metal mesh tubes, non bridging and self cleaning. The muck is condensed into a cake by a hydraulic pump and motor. This muck cake is easily disposed of since there is no perchlorethylene odor and is in solid form. The clean solvent is then discharged into the upper tank.

Each dry cleaning machine is equipped with a condenser using water as the condensing agent. This water circulates within a closed system, and is discharged to the plumbing system as warm water. There is also available, as optional equipment, a cooling unit to provide chilled water for the condensing process. The cooling unit uses Freon as a refrigerant, and is operated by a Tecumseh compressor with a 3 H.P. motor. When chilled water is used the system operates as a closed system recirculating the warm water through the chiller.

The dry cleaning machine is equipped with a dump valve at the outlet leaving from the dry cleaner to the storage tank below. This dump valve is operated by a time mechanism so as to open at the end of the washing cycle, and return all solvent to the storage tanks. At other times it remains closed, but a manual switch is provided so that the

attendant can open this valve whenever necessary due to a mechanical or electrical failure. An overflow pipe leading to the storage tank is also provided at a point below the level of the loading door. This overflow pipe is equipped with a check valve to permit overflowing solvent to flow toward the storage tank only.

INSPECTION AND TEST: The data submitted was examined and it was noted that the basket capacity based on the internal design was 3.51 cu.ft.

RECOMMENDATION: The committee recommends the approval of the appliance known as the Vamco Dry Cleanomat, Model DCSS-62 under the provisions of the Dry Cleaning Rules of the Board adopted under Calendar Number 156-62-SR and where permitted in the Zoning Resolution provided that each machine will bear a label, permanently affixed, reading "Approved by the Board of Standards and Appeals for use in New York City under Calendar Number 90-62-SA".

The Committee further recommends that on each machine there be displayed its maximum dry load capacity of 9.88 pounds.

All electrical installation work shall conform to the Electrical Code of the City of New York.

Exhaust air flow through the loading door opening shall be at least 100 cubic feet per minute.

(Sgd.) WILLIAM A. NOLAN,
Director,

JOHN A. DARTS,
Asst. Engr.,

GEORGE F. SKLENARIK,
Asst. Engr.,
Committee on Test.

Resolved, that the Board of Standards and Appeals does hereby approve this appliance in accordance with the above report.

*CORRECTION

That portion of the minutes of the meeting of the Board of Standards and Appeals held on May 1, 1962 as they appeared in Bulletin No. 19, Vol. 47, are hereby corrected to read as follows:

112-59-BZ

APPLICANT—*Reavis & McGrath* for William Graf and Margaret Golub owners, doing business as Wexford Knitting Mills.

SUBJECT—Application for consideration—reopening for amendment of resolution—decision of the Borough Superintendent; previously denied, under Section 7c of the Zoning Resolution, to permit in a retail and residence use district, the conversion of a two-story club house into a knitting mill with the factory extended into the residence portion of the plot and exceeding the 5% of floor area permitted for manufacturing purposes in a retail district; reopened, restored to docket, order of the Court, and granted on condition.

PREMISES AFFECTED—66-79 Forest Avenue and 59-01 Putnam Avenue, northeast corner, Block 3501, Lot 1, Ridgewood, Borough of Queens.

APPEARANCES—

For Applicant: R. S. Hardy.

ACTION OF BOARD—Application for request to reopen for consideration as to amendment of the resolution denied.

THE VOTE TO REOPEN—

Affirmative 0
Negative: Chairman Foley, Vice Chairman Kleinert,
Commissioner Fox, Commissioner Becker and Commissioner Klein 5

*Correction: In the Applicant section, the applicant is corrected to read as shown above.

NOTICE

WARNING

Notice is hereby given to all appellants and applicants, and to all lawyers, architects and engineers representing owners or lessees in proceedings before the Board—

First, That if they do not appear in person or by representative at the hearing of their case, dismissal for lack of prosecution is likely to result.

Second, That due and ample notice of the date set for hearing is provided in the publication of this BULLETIN of the calendars of the Board, each case being set down by Calendar Number and the premises under the date of the hearing.

Third, That no plea of ignorance of the date of the hearing can be entertained in view of this publication and of the posting of the calendars on the bulletin board in the offices of the Board.

Fourth, That no one is entitled to written notice of the date for the hearing in his case, and that the plea of failure to receive such notice is no excuse for neglect to appear.

Fifth, That the business of the Board is to dispose of all cases promptly; therefore, no appeal or application will be held in abeyance by reason of failure of the appellant or applicant to file necessary data, or by any other method of delay.

Sixth, That no appeal or application will be accepted for filing unless, at the time of filing, all papers, plans and data required by law are supplied, as specified on the blank appeal or application forms.

Applicants, under the Zoning Resolution, are entitled to one copy of Form 7NO.

If they desire additional copies, for their own convenience in notifying property owners, they may obtain such copies at the office of the Board of Standards and Appeals, 80 Lafayette Street, 9th Floor, Manhattan, at five cents each—add postage payment if the forms are forwarded by mail. Purchase payment by postage stamps *NOT ACCEPTABLE*.

Minutes of Regular Meeting, Tuesday Afternoon, May 22, 1962, Affecting Calendar Numbers 258-40-SM—Vols. I and II, 449-40-SA—Vol. II, 1144-40-SM, 790-42-SM—Vols. I and II, 8-44-SM, 542-44-SA—Vol. II,

NOTICE TO APPELLANTS AND APPLICANTS

No appeal or application will be entertained in connection with which Court proceedings are pending or in progress unless exception is granted by the Chairman. No appeal will be accepted which is not filed within thirty days from the date of the action of the Administrative Official.

Any communication purporting to be an appeal or application will be regarded only as a notice of intention to seek relief until the appeal or application is filed on the form required by the Rules of this Board.

Upon receipt of such a communication, the Board will supply the official forms for presenting the appeal or application.

At the time of filing an appeal or application, the appellant or applicant shall forward a signed notice of appeal to the Administrative Official—either the Borough Superintendent of Buildings or the Fire Commissioner—and shall file a duplicate of this notice with the Board.

Plans filed with appeals or applications must indicate the points of the compass and establish the true location of the property which is the subject of the appeal or application.
